A tsunami in Samoa  
An earthquake in Japan  
A flood that covers Iowa  
Elsewhere, lava runs across the land

Muslims telling lies preaching love is Allah's will  
While they teach their children how to maim and kill  
There is a nuclear threat that is coming from Iran  
While terrorist are still finding shelter in Afghanistan

So many lies, how can we know?  
We're told the earth is warming  
While others say it's getting cold  
Both sides sounding out their warnings.

Rockets and bombs so frequently land on the Israeli state  
They're launched on a daily basis by those who harbor hate  
Around the world power hungry Politian's try to divide God's  
land  
Playing into the Luciferian, Illuminati New World plan

The dollar is now in a perpetual state of deflation  
While the price of oil persistently stays in escalation  
Stock markets perpetually spinning completely out of control  
While businesses and banks are continuing to fold

We want government support of gender confusion  
But we mustn't allow any religious intrusion  
That would infringe upon the hallowed separation  
Another of the enemy's favorite creations

With false prophets saying I'll plant you a seed  
They are only pandering to our growing greed.  
We have politicians claiming to be our savior  
In all of history has our condition ever been any graver

The media spouts its biased spin  
The world ignores the trouble it's in.  
Each new day brings new disaster  
The ignorant hoping someone has the answer

Those telling the truth are limited in their speech  
While evil abounds and continues to increase  
Do not be discouraged but look up to the sky  
For the believers, redemption now is drawing nigh.

War and famine, flood and fire  
Sexual perversion growing higher  
Attacks in and on the church without hesitation  
Schools are flooded now with Satan's infiltration  
Incessantly dead babies are crying from the ground

Sadly it seems that everyone ignores the sound  
Righteousness and truth rarely can be found  
And we deny that judgment is coming down

How long will this depravity last?  
Will any for atonement ask?  
One day soon we'll hear a trumpet blast  
Our redemption now is coming fast

The clouds will be rolled back like a scroll  
A rider descends through a gaping hole  
The world will analyze this situation  
As prophecy unfolds its revelations

Society and nature are now in turmoil  
Religions and nations are in war embroiled  
I am looking to the eastern sky  
Because my redemption is drawing nigh.

The birth pains have moved into full blown labor  
We need to daily proclaim our Savior  
Banish any thoughts of fear  
Because our redemption is almost here.

Like a thief in the night to the unaware  
It's time for the bride to be prepared

The One whose name is Faithful and True  
Says “Behold for I am coming soon!”

## GREAT QUOTES

The chief danger that confronts the coming century will be religion without the Holy Ghost, Christianity without Christ, forgiveness without repentance, salvation without regeneration, politics without God, heaven without hell.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

## **I DON'T CARE FOR HOW YOU PRAY**

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.

Well then, I like my way much better after all.

**"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "**

# JESUS CALLING OR SMITH WIGGLESWORTH

January 11

## *Faith Based on Knowledge*

*Jesus answered and said to them, "This is the work of God, that you believe in Him whom He sent."*

—John 6:29

*Scripture reading:* Luke 9:1-11

*I* remember a person who had not been able to smell anything for four years. I said, "You will smell now if you believe." She went about smelling everything and was quite excited. The next day she gave her testimony.

Another came and asked, "Is it possible for God to heal my ears?" The eardrums had been removed. I said, "Only believe." She went down into the audience in great distress; others were healed, but she could not hear. The next night she came again. She said, "I am going to believe tonight." The glory fell. The first time she came feeling; the second time she came believing.

At one place, there was a man anointed with oil for a rupture. He came the next night and rose in the meeting saying, "This man is an impostor. He is deceiving the people. He told me last night I was healed; I am worse than ever today." I spoke to the evil power that held the man and rebuked it, telling the man he was indeed healed. He was a stonemason. The next day, he testified to lifting heavy weights and that God had met him. "*By His stripes we are healed... And the LORD has laid on Him the iniquity of us all*" (Isa. 53:5-6). He was against the Word of God, not me.

"*What shall we do, that we may work the works of God?*" *Jesus answered and said to them, 'This is the work of God, that you believe in Him whom He sent'*" (John 6:28-29). Anything else? Yes. He took our infirmities and healed all our diseases. I myself am a marvel of healing. If I fail to glorify God, the stones will cry out. (See Luke 19:37-40.) Salvation is for all. Healing is for all. The baptism of the Holy Spirit is for all.

Consider yourselves dead indeed unto sin, but alive unto God (Rom. 6:11). By His grace you will get the victory every time. It is possible to live a holy life.

*Thought for today:* The Holy Spirit has the latest news from the Godhead and has designed for us the right place at the right time.

## **"Nehemiah's Prayer":**

4 As soon as I heard these words I sat down and wept and mourned for days, and I continued fasting and praying before the God of heaven.

5 And I said, 'O LORD God of heaven, the great and awesome God who keeps covenant and steadfast love with those who love him and keep his commandments,

6 let your ear be attentive and your eyes open, to hear the prayer of your servant that I now pray before you day and night for the people of Israel your servants, confessing the sins of the people of Israel, which we have sinned against you. Even I and my father's house have sinned.

7 We have acted very corruptly against you and have not kept the commandments, the statutes, and the

rules that you commanded your servant Moses.

8 Remember the word that you commanded your servant Moses, saying, 'If you are unfaithful, I will scatter you among the peoples,

9 but if you return to me and keep my commandments and do them, though your outcasts are in the uttermost parts of heaven, from there I will gather them and bring them to the place that I have chosen, to make my name dwell there.'

10 They are your servants and your people, whom you have redeemed by your great power and by your strong hand.

11 O Lord, let your ear be attentive to the prayer of your servant, and to the prayer of your servants who delight to fear your name, and give success to your servant today, and grant him mercy in the sight of

this man.' Now I was cupbearer to the king (Nehemiah 1 : 4 - 11 - ESV)

# Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

# BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

## Potentially dangerous asteroid to fly by Earth on January 26

Published time: January 05, 2015 12:16

[Get short URL](#)

AFP/NASA

A potentially hazardous asteroid, at least 20 times the size of the Chelyabinsk meteorite, will approach the Earth on January 26. The rock is expected to fly by at a distance of 1.2 million kilometers.

Tags  
Science

The asteroid, named 2004 BL86 by scientists, is estimated to be between 440-1,000 meters in diameter. 1.2 million kilometers is approximately three times the distance from the Earth to the Moon.

According to astronomers, there is no threat of the object colliding with our planet. The Goldstone Observatory, located in California's Mojave Desert, will observe the asteroid during its approach.

[READ MORE: Erasing memories and landing on a comet: How science rocked in 2014](#)

2004 BL86 was discovered on January 30, 2004, by the Lincoln Near-Earth Asteroid Research (LINEAR), responsible for the majority of asteroid discoveries from 1998 until 2005, when it was overtaken by the Catalina Sky Survey (CSS). As of mid-September 2011, LINEAR had detected some 231,082 new objects, of which at least 2,423 were near-Earth asteroids and 279 comets.

A space object is considered potentially dangerous if it crosses the Earth's orbit at a distance of less than 0.05 AU (approximately 19.5 distances from the Earth to the Moon), and if its diameter exceeds 100-150 meters. Objects of this size are large enough to cause unprecedented destruction, or generate a mammoth tsunami in case they fall into the ocean.

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely,

does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

## **GODLY WARNING PLEASE DISCERN**

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

### **We All See Through the Mirror Dimly**

**1 Cor 13:12**

*For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.*

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

**Deut 18:22**

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST  
by David Wilkerson  
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO  
GOD'S PROPHECIES  
OR FACE RUIN /  
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

**278pikelk** – Warning to the Bride  
(Three Days of Darkness,  
Harvest, Light Bodies, Great  
Tribulation)

# **The Bride's Glorified Bodies**

Transcript:"Warning to the Bride - 278pikelk 05/14/14I'm going to be obedient and put this message up. Lord led to Revelation 22, I will not leave you blind to what comes."My daughter, share this message with those who have ears to hear. Catastrophic events warned of by many of My messengers are coming to your once great nation and world soon. Not one will be shielded from seeing the destruction. Destruction will come from the elements: fire and water primarily, but you will also experience earthquakes and volcanoes throughout your earth. Outer space will begin colliding with your once great nation and the world like nothing you've ever witnessed in the past. Things will never go back to what you perceive as normal. Once these things start, the end of the earth as you've known it will have begun. Disasters that have taken place in the past and recent past will not hold a candle to what is coming, My Children. You will only have your memories of what once was. There will be three days of darkness where My Bride will be transformed into her new, incorruptible body. During this time she will be visible to others, but they will clearly see the changes taking place in My Bride. People will look on and off as My Bride puts on the new and discards the old. She will be given a new flesh, that is not flesh as you would recognize it as flesh: an incorruptible flesh. She will be given heightened awareness into the spiritual realm. She will be one in thought with the entirety of My Bride, and they will come together to receive their garments and their duties. There are many who will remain on this earth who My Bride will be in charge of turning towards their Creator. There will be an evil and a good. There will be evil and good hearts, and the good hearts will truly know their Father and will be able to see that MY Bride is of Me and that the others are imposters. My Bride are spirit-filled believers that have emptied their flesh of this world and fully surrendered to Me. They are My warriors for this time and will be warring for the hearts and minds left on this earth. To either eventually turn to Me, or to take the

mark of the beast. My Bride is very important and will lead many Home to Me. When they see the impostors - when people see the impostors - they will think that they are part of My Bride, but people with Me will quickly figure out the Truth. Warn people! The "people of light" are truly dark and they are put on this earth to be nothing but deceivers. There are very many believers who have never received My Holy Spirit or who have received My Holy Spirit but have quelled Him to where He has never been able to bring them along on their journey towards Me. There are many who believe in Me, but who have become entangled in false teachings and doctrines of men. They will not want to believe that this is the end. My Bride will have to educate them. There are millions and millions of people who know OF Me, but aren't seeking to know Me. My Bride will introduce her Groom. The job of the Bride will not be easy, but she will be equipped with her new and glorious body, filled with My supernatural Light and Love. The impostors - though children of light - will be filled with darkness sent to confuse and mislead humans, choosing Satan as their father, instead of their actual Father Creator. These impostors will be arriving on the scene soon. Most of the people of the world are completely unaware of all that is to come and will be totally taken by surprise. Just remember Children, that there is NO man good. Do not be deceived. Come to Me in prayer for all of your questions. The deceivers will try to place an impostor in front of you that is so real, if you did not know My Word you would be fooled. But many WILL be fooled. I must use My Bride to convince those that know of Me and just don't KNOW Me OR My Word not to fall for this great deception. My Children, I love you so! My Bride must know she will remain protected until she reveals herself in her new, uncorrupted body. My Bride needs to be aware of what is coming. I have chosen some very unlikely vessels to be My Bride. Do not doubt your worthiness, My Bride. Because NO one is worthy, but by the blood of the Lamb. Prepare for battle, My Bride." <https://www.youtube.com/watch?v=Hpx3wp0cwqE>

# The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

## **House 12 President: ?**

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

*[Note: Could this be the Puerto Rico Comet event?]*

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

*[Note: This is the Sixth Seal Rev 6:12-17]*

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

*[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]*

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

*[Note: This is Obama, the Antichrist]*

Then the dream ended.

# PASTOR TD HALE DREAMS

## The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

**Please Note:** It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

# THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

**POLE SHIFT**  
Before  
**2017**  
  
Revelation 6:14  
;and every mountain and island was moved  
out of its place.  
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

(<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

# Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

## Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

“Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal..This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

*“When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach.”*

“Last week the Russians invaded Crimea and the world slept... According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by ‘bells of the redemption’ is like a bell that signals the arrival of someone or something.”

Adapted for easier understanding for readers of all level of familiarity with the tradition from the presentation and translation of the teaching in English by **Rabbi Pinchos Lipschutz**

No, it's not an alien colony, a time machine, or even a Russian version of America's ionospheric HAARP program. But in a forest near Moscow, this Soviet-era "lightning machine" has a capacity arguably equal to Russia's entire electricity output.

A group of divers who were exploring a 2,600 year-old shipwreck off the coast of Sicily discovered ingots believed to be made of orichalcum, a metal that the ancient Greek philosopher Plato wrote to have been forged in the legendary city of Atlantis.

The orichalcum, whose composition and origin remain widely debated, is said to have been invented by a mythological Greek-Phoenician alchemist named Cadmus and was

considered very valuable in the ancient times it ranked next to gold.

In the fourth century B.C., Plato, one of the greatest geniuses of all time, mentioned the orichalcum in the Critias dialogue with his description of Atlantis being a realm that flashes with the red light of the mysterious metal.

He said that the orichalcum was mined there and that was used to cover the floors and structures of floors of Poseidon's temple. Many experts today believe that the metal is a brass-like alloy produced in the ancient times using a process known as cementation.

## 'Every single French Jew I know has left Paris': Editor of Britain's Jewish Chronicle claims people are fleeing terror-hit French capital

Jews are fleeing terror-hit Paris because of growing anti-Semitism in France, one of Britain's most influential Jewish journalists said today.

Stephen Pollard, editor of the Jewish Chronicle, spoke out after an Islamic terrorist took six people hostage and held them captive in a Kosher supermarket in the French capital.

This afternoon police ordered all shops in a famous Jewish neighborhood in central Paris to close.

The mayor's office in Paris announced the closure of shops along the Rosiers street in Paris' Marais neighborhood, in the heart of the tourist district and less than a mile away from the offices of satirical magazine Charlie Hebdo where 12 people were killed on Wednesday.

Hours before the Jewish Sabbath, the street is usually crowded with French Jews and tourists alike.

Mr Pollard said today's terror attack in Paris, linked to the massacre at the office of Charlie Hebdo, will force more French Jews to flee the country.

Most roads in Attica were restored resuming normal traffic on Friday, with exceptions around Mt. Penteli north of Athens and towns of western Attica that remained off bounds, while towns in southern Greece call for snow chains.

The still inaccessible road networks in Attica include sections of the Mt. Penteli peripheral road and those in the Alepochori-Vilia, Psatha and Porto Germeno areas, while cars need snow chains to travel around the Oenoe, northwest of Athens, area.

High-elevation towns in Arcadia and the Corinth prefectures in the Peloponnese were still struggling with problems from snow and ice, but in other areas of southern Greece — Laconia, the Argolid and Messinia — circulation went back to normal. Exceptions are the old Tripolis-Argos national road at the Achladokambos junction which is still shut down, and a Levidi-Nemea national road section that requires snow chains.

# Unexplained Loud Booms Are Escalating Across The USA in January 2015 And Nobody Knows Why!

**Loud booms are actually usual on New Year's Eve.**

**However, I think that all the rockets and fireworks have already exploded two or three days after! So what are these mysterious booms heard and felt across the US in the first days of 2015?**

Yesterday, mystery booms have been reported across the US from Texas to North Carolina, California to Indiana and Georgia, so literally all over the country. Freaky, isn't it?

Lucy banks shared on the DSW Scanner's Facebook page: "**Loud booms in Euless, Texas** just now lots of them started off really loud and then got quieter." On the same thread Kim Walk Prazak reports another boom in Keller, Tx. Any ideas about their origin?

Jennifer Whitacker reports **2 loud booms** again, the first was louder than the second in Indiana. Just remember that the **New Madrid fault** lies right under this state. Is the next big one around?

And here Becky Forrester Garrison reporting **mystery loud blasts** across northern Georgia more precisely in nw Forsyth. They sound like blasting and usually (but not always) occur at night. They occurred yesterday at 1am.

Joshua D. from Gamewell, North Carolina heard **another loud boom** at about 7:50 pm Sunday night, Jan. 4, 2015. According to him, a similar boom rocked the area one week ago! One of his friend suggested that it might be sounds from a small earthquake. Any ideas?

Finally, on January 2, 2014, 3 **loud booms shook houses in Victorville** at about 3:30 a.m. , but the source of the sounds remains a mystery. Fireworks?

Finally here a compilation of unidentified strange noises around the world by **Enigma Seeker**:

# RATTLE & HUM: “It’s A Mystery,... It Sounded Like Thunder,... You Could Feel The Ground Shaking,...” – Thunderous Mysterious Booms Rattle Homes, Scare Livestock In Oklahoma; Heard And Felt Over A Wide Area?!

JAN 10, 2015 by ANDRE HEATH in EARTH CHANGES

January 10, 2015 - OKLAHOMA, UNITED STATES – A spate of mysterious booms that has been shaking central Oklahoma returned for a second day Friday, again rattling houses and frightening livestock.

Oklahoma Geological Survey research seismologist Austin Holland said a series of booms, much like a sonic boom, rattled the Norman area starting at 11:19 a.m. Friday. Numerous others had been reported Thursday in the same area at about the same time.

Friday’s booms weren’t “quite as frequent” as Thursday’s, Holland said. “It’s quite interesting.”

The windows of Anthony Young’s home in the town that’s the outskirts of Oklahoma City rattled. “We thought some nut was out here, you know, with explosives,” Young told KOCO-TV. **“It sounded like thunder, you could feel the ground shake, but it was nothing like an earthquake“**

**Both Holland and National Weather Service meteorologist Matthew Day didn't have an explanation for the booms.**

No earthquakes have been recorded in the area, Holland said, noting that “we would have seen them on our seismic stations in the area.” And it’s unlikely that it’s due to a drilling process known as fracking, he said, because the booms were heard and felt over a wide area including Norman, Edmond and Shawnee.

Holland’s best guess: It must have been something just above the surface of the earth or in the atmosphere.

Day, who’s based in Norman, said a phenomenon known as cryoseisms also isn’t likely. Cryoseisms, or “frost quakes,” occur when water quickly freezes in soil or rock, then expands and cracks.

“There are some stories going around that’s what it was, but based on the research we’ve done here, it doesn’t appear what people heard is related to the cryoseism phenomena,” Day told The Norman Transcript. “There’s not enough moisture, and the temperatures are not cold enough. That happens in areas where you have a lot of water flowing through a lot of rock,” Day said.

**“We don’t know what it was, we just know what it is not,” according to Day.**

Holland said the booms occurred on generally regular interval, initially occurring 40 to 60 seconds apart, then about 20 seconds apart.

**“It’s a mystery to us as well,” he said. – AP.**

Hole lotta shove: The lorry will have taken some shifting after plunging into a sinkhole in China

This is the incredible moment a yawning hole opened up and SWALLOWED a truck. Chinese driver Li Hung lived up to his name when he found himself hanging over the edge of a huge sinkhole that had opened up behind his lorry.

Li, 35, had been driving back to work in Nanning City, China, when he started to feel his vehicle slipping backwards.

He said: "It almost felt as if I hadn't put the brake on and I had started to roll downhill, but I had my foot on the brake and I realise that I was tipping back not because I was moving, but because of the sinking."

He told local TV he opened the door and jumped out just as the lorry disappeared into the huge hole.

# World famous Hot Springs Cove runs cold after quake

Posted date: January 09, 2015 in: News

**Update: Hot Springs Cove has recovered overnight and is steaming once again. Watch CHEK News at 5 for a report from Skye Ryan who was at Hot Springs Cove today. Officials were on scene checking out the natural phenomenon that creates the hot springs and recording the temperature of the water.**

Photo of hot springs taken from Whale Centre's boat at 11:30 a.m. shows rising steam. Submitted by Corene Inouye.

## Original post from Hashilthsa.com:

Wednesday's earthquake on the west coast of Vancouver Island created an underground disturbance that shut off the heated flow of water to the hot springs at Hot Springs Cove, reports Hesquiaht emergency coordinator Bernard Charleson. The spring is now running ice-cold.

The quake struck 13 kilometers east-northeast of Tofino at a depth of 25 kilometres.

"We spent most of the day checking for damage in people's homes, so we just got out there to check it out. And there is no hot water in the spring. Usually, it's just boiling," Charleson said.

## Ebola death toll reaches 8,220 – no end in sight for outbreak in Africa

Posted on [January 7, 2015](#)

**January 2015 – AFRICA** – The death toll from the current Ebola outbreak has reached 8,220. As many as 20,712 are infected, the World Health Organization (WHO) said in a statement on Tuesday. These cases were reported from Guinea, Liberia, and Sierra Leone. In line with statistics, the maximum number of Ebola-related deaths and cases has been registered in Liberia – 3,496 cumulative deaths and 8,157 cumulative cases. Liberia is followed by Sierra Leone (2,943 deaths and 9,780 cases) and Guinea (1,781 deaths and 2,775 cases). The number of Ebola deaths in these three countries rose by 56 and the number of cases rose by 67 since January 5. Separate cases have also been registered in Mali, Nigeria, Senegal, Spain, Britain and the United States. In most of these countries the number of Ebola-related cases does not exceed ten, with the only exception of Nigeria, where 20 people are infected by Ebola virus and eight have died.

The World Health Organization describes Ebola virus disease (formerly known as Ebola haemorrhagic fever) as “a severe, often fatal illness, with a case fatality rate of up to 90%.” Symptoms include sudden onset of fever, intense weakness, muscle pain, headache and sore throat. This is followed by vomiting, diarrhea, rash, impaired kidney and liver function, and in some cases, both internal and external bleeding. The infection is transmitted by direct contact with the blood, body fluids and tissues of infected animals or people. People are infectious as long as their blood and secretions contain the virus. The incubation period is 2 to 21 days. There is no known cure or vaccine for the disease. The only treatment offered is “supportive intensive care.” –**Itar**

**THIRD SEAL  
FINANCIAL  
COLLAPSE**

# 10 KEY Events

That Preceded The Last  
Financial Crisis

That Are Happening  
**RIGHT NOW**

**#1 A really bad start to the year for the stock market.** During the first three trading days of 2015, the S&P 500 was down a total of 2.73 percent. There are only two times in history when it has declined by more than three percent during the first three trading days of a year. Those years were 2000 and 2008, and in both years we witnessed enormous stock market declines.

## #2 Very choppy financial market behavior.

This is something that I discussed [yesterday](#). In general, calm markets tend to go up. When markets get choppy, they tend to go down. For example, the chart that I have posted below shows how the Dow Jones Industrial Average behaved from the beginning of 2006 to the end of 2008. As you can see, the Dow was very calm as it rose throughout 2006 and most of 2007, but it got very choppy as 2008 played out...

As I also mentioned [yesterday](#), it is important not to get fooled if stocks soar on a particular day. The three largest single day stock market gains in history [were right in the middle of the financial crisis of 2008](#). When you start to see big ups and big downs in the market, that is a sign of big trouble ahead. That is why it is so alarming that global

financial markets have begun to become quite choppy in recent weeks.

**#3 A substantial decline for 10 year bond yields.** When investors get scared, there tends to be a “flight to safety” as investors move their money to safer investments. We saw this happen in 2008, and that is happening again right now.

In fact, [according to Bloomberg](#), global 10 year bond yields have already dropped to low levels that are absolutely unprecedented...

Taken together, the average 10-year bond yield of the U.S., Japan and Germany has dropped below 1 percent **for the first time ever**, according to Steven Englander, global head of G-10 foreign-exchange strategy at Citigroup Inc.

**That’s not good news.** The rock-bottom rates, which fall below zero when inflation is taken into account, show “that investors think we are going nowhere for a long time,” Englander wrote in a report yesterday.

**#4 The price of oil crashes.** As I write this, the price of U.S. oil has dipped below \$48 a barrel. But back in June, it was sitting at \$106 at one point. As the chart below demonstrates, there is only one

other time in history when the price of oil has declined by more than \$50 in less than a year...

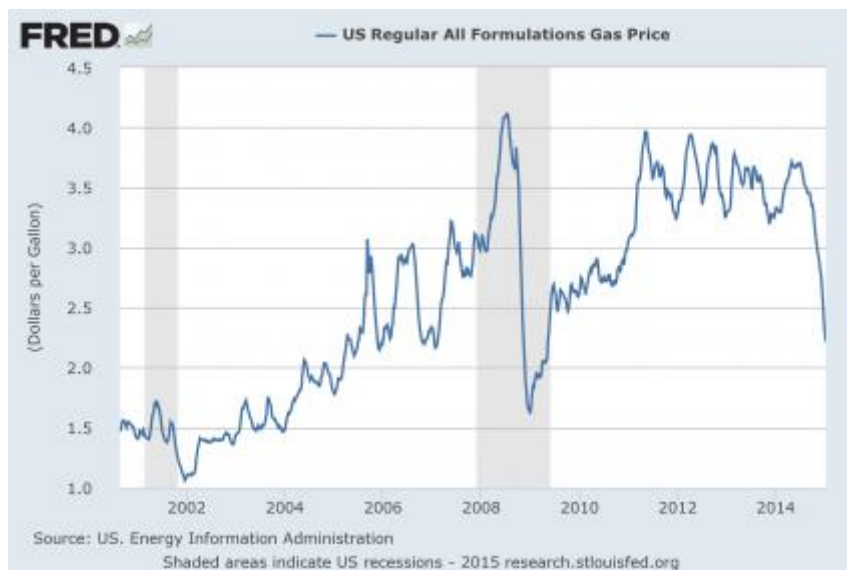

The only other time there has been an oil price collapse of this magnitude we experienced the greatest financial crisis since the Great Depression shortly thereafter. Are we about to see history repeat? For much more on this, please see my previous article entitled "[\*\*Guess What Happened The Last Time The Price Of Oil Crashed Like This?\*\*](#)"

**#5 A dramatic drop in the number of oil and gas rigs in operation.** Right now, oil and gas rigs are going out of operation at a frightening pace. During the fourth quarter of 2014, [\*\*93\*\*](#) oil and gas rigs were idled, and it is being projected that another [\*\*200\*\*](#) will shut down this quarter. As [\*\*this\*\*](#)

[Business Insider article](#) demonstrates, this is also something that happened during the financial crisis of 2008 and it continued well into 2009.

**#6 The price of gasoline takes a huge tumble.** Millions of Americans are celebrating that the price of gasoline has plummeted in recent weeks. But they were also celebrating when it happened back in 2008 as well. But of course it turned out that there was really nothing to celebrate in 2008. In short order, millions of Americans lost their jobs and their homes. So the chart that I have posted below is definitely not “good news”...

**#7 A broad range of industrial commodities begin to decline in price.** When industrial commodities go down in price, that is a sign that economic activity is slowing down. And just like in

2008, that is what we are watching unfold on the global stage right now. The following is an excerpt from a [recent CNBC article](#)...

From nickel to soybean oil, plywood to sugar, global commodity prices have been on a steady decline as the world's economy **has lost momentum**.

For an extended discussion on this, please see my recent article entitled "[Not Just Oil: Guess What Happened The Last Time Commodity Prices Crashed Like This?](#)"

**#8 A junk bond crash.** Just like in 2008, we are witnessing the beginnings of a junk bond collapse. High yield debt related to the energy industry is on the bleeding edge of this crash, but in recent weeks we have seen investors start to bail out of a broad range of junk bonds. Check out [this chart](#) and [this chart](#) in addition to the chart that I have posted below...

## **#9 Global inflation slows down significantly.**

When economic activity slows down, so does inflation. This is something that we witnessed in 2008, this is also something that is happening once again. In fact, it is being projected that global inflation is about to fall to the lowest level that we have seen [since World War II](#)...

Increases in the prices of goods and services in the world's largest economies are slowing dramatically. Analysts are predicting that inflation will fall below 2pc in all of the countries that make up the G7 group of advanced nations this year – the first time that has happened since before the Second World War.

Indeed, Japan was the only G7 country whose inflation rate was above 2pc last year. And

economists believe that was because its government increased sales tax which had the effect of artificially boosting prices.

**#10 A crisis in investor confidence.** Just prior to the last financial crisis, the confidence that investors had that we would be able to avoid a stock market collapse in the next six months began to decline significantly. And guess what? That is something else that is happening once again...

Investor confidence that the US will avoid a stock-market crash in the next six months has dropped dramatically since last spring.

The Yale School of Management [publishes a monthly Crash Confidence Index](#). The index shows the proportion of investors who believe we will avoid a stock-market crash in the next six months.

Yale points out that “crash confidence reached its all-time low, both for individual and institutional investors, in early 2009, just months after the Lehman crisis, reflecting the turmoil in the credit markets and the strong depression fears generated by that event, and is plausibly related to the very low stock market valuations then.”

Are you starting to get the picture?

## FAKE TERROR GROUP PLANS “MASS CASUALTY ATTACK” AGAINST WEST

Scary warning issued same day Charlie Hebdo attacked

Taking advantage of the hysteria and outrage surrounding the Charlie Hebdo attack in Paris prior to the ongoing drama as the state tracks down the alleged perpetrators, **Andrew Parker**, director general of the British Security Service, warned Khorasan will soon strike.

MI5 chief says al-Qaeda plotting mass casualty attacks in West

“We know, for example, that a group of core al Qaida terrorists in Syria is planning mass casualty attacks against the West,” the MI5 boss told members of the Royal United Services Institute.

“Al Qaida continues to provide a focus for extremists to plot terrorist attacks against the West. British Islamist extremists still travel to South Asia, the Arabian Peninsula and other theaters to try to obtain terrorist training.”

As usual, no credible or specific information about such an attack was provided.

Even more telling is the fact Khorasan does not exist. It was invented by the U.S. government to beef up the al-Qaeda and ISIS terror narrative.

Amnesty International, communicating with experts on the ground in Nigeria, has said the assault on the town of Baga could be the deadliest attack by Boko Haram since the extremist group surfaced in 2009.

"The attack on Baga and surrounding towns looks as if it could be Boko Haram's deadliest act in a catalogue of increasingly heinous attacks carried out by the group," said Daniel Eyre, Nigeria researcher for Amnesty International.

Amnesty International has quoted some sources that say the town has been razed, with as many as 2,000 people killed. If true, that would mark a "disturbing and bloody escalation of Boko Haram's ongoing onslaught against the civilian population," Eyre added.

Today, Open Doors released its annual World Watch List, which ranks the top 50 countries where it is most dangerous and difficult to be a Christian. This year, the threshold was higher for a country to make the list, indicating that worldwide levels of persecution have increased. Topping the 2015 list for the 13th consecutive year is North Korea. Africa saw the most rapid growth of persecution, while the Middle East saw targeted attacks, resulting in a mass exodus of Christians.

Approximately 100 million Christians are persecuted worldwide, making them one of the most persecuted religious groups in the world. Islamic extremism is the main source of persecution in 40 of the 50 countries on the 2015 World Watch List. While persecution can take many forms, Christians throughout the world risk imprisonment, torture, rape and even death as result of their faith.

"Even Christian-majority states are experiencing unprecedented levels of exclusion, discrimination and violence," said David Curry, president and CEO of Open Doors USA. "The 2015 World Watch List reveals that a staggering number of Christians are becoming victims of intolerance and violence because of their faith. They are being forced to be more secretive about their faith."

By Ben Wolfgang - *The Washington Times* - Sunday, January 11, 2015

A key senator said Sunday she believes there are terrorist sleeper cells in the U.S. that could carry out attacks similar to the ones in France that left 17 people dead last week.

Sen Dianne Feinstein, California Democrat and vice chairman of the Senate Select Committee on Intelligence, did not comment on specific threats against America but said other attacks are possible.

"I think there are sleeper cells not only in France but certainly in other countries and, yes, in our own," she said on CNN's "State of the Union" program. "This calls for vigilance. ... Hopefully, we can be even more active in terms of doing those things which enable us to find terrorists, see who they're communicating with and to track that."

Ms. Feinstein's words come the same day a new Rasmussen poll shows that 65 percent of Americans believe terrorist attacks similar to those seen in France last week are likely to happen over the next 12 months.

But administration officials say there is no information on specific plots or sleeper cells.

Fighters of the Islamic State stand guard at a checkpoint in the northern Iraq city of Mosul, June 11, 2014. ISIS fighters have seized Iraq's second biggest city Mosul and Tikrit, home town of former dictator Saddam Hussein, as well as other towns and cities north of Baghdad.

Militant group ISIS, which has captured significant territory in Iraq and Syria, announced that its annual budget for 2015 exceeds \$2 billion. The funds will be used to pay the salaries of its fighters, and monthly wages will also reportedly be offered to orphans, widows, and families who have lost relatives due to the American-led airstrikes in the region.

ISIS has also opened up an Islamic Bank in Mosul, Iraq, according to tribal leader Naji Abdullah. He told al-Araby al-Jadeed that the budget, which has a projected \$250 million surplus, is part of a development program for the territory the group has captured.

# Russia Accuses U.S. of Supporting the Islamic State (ISIS) in Syria. “Seeding Disastrous Consequences”

*Russia has accused the United States of having patronised the Islamic State radicals to grow into demonic proportions. Russia's chief of General Staff, Valery Gerasimov, on Wednesday lashed out at the U.S for being responsible in providing financial and technical assistance to the ISIS in Syria and elsewhere in the past.*

The Russian general was speaking at a meeting of foreign military attaches in Moscow. Gerasimov correlated the rise of the ISIS with “Western interference in the region”. He said the USA and some “leading Western countries” had been seeding “disastrous consequences” in a number of countries, including Libya and Syria. Their game of overthrowing the legitimate authorities in those states has endangered deeper instability in the region, reported RFEL news.

The Russian military head said it was the agenda of Washington and European for a regime change in Syria that created the current turmoil. He said the U.S and allies were “pumping foreign aid to armed opposition groups, and applying international political and media pressure on the Syrian leadership.”

## Free Syria Is Terror Group

Echoing the statement of Russian Foreign Minister Sergei Lavrov, Gerasimov said there can be no distinction between the Islamic State group and Syrian armed opposition groups including the Free Syrian Army. He said Moscow's position is that all armed opposition groups in Syria are illegal terror groups. Russia has been a strong ally of Syrian President Bashar al-Assad and had been opposing efforts of the United States and allies to arm anti-Assad groups like Free Syrian Army.
