World War III Imminent with Benjamin Baruch and S. Douglas Woodward

Join Johnny Baptist while he discusses the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Join us tonight for a power packed program with brother [Benjamin Baruch](#) and [S. Douglas Woodward](#) as they discuss the unimpeachable evidence (both Biblical and empirical) that World War III is not only imminent, but could start any day now.

OPENING QUOTES

WATERS TO SWIM IN

A River flows out from the Temple,
and it beckons you, come enter in.
Be swept away, held in its current;
sustained and protected by Him.

With the waves of His Spirit increasing,
welcome His visit with thanks.
The waters are rising above you,
as a Flood, overflowing its banks.

The waters are wider and deeper now;
they flow like the ebb and the tide.
There is life pouring out from the Doorway;
the water still flows from His side.

Come put your feet in the River,
to the ankles, is where you begin.
Where you walk on the shore of redemption,
pardoned, and washed from within.

But splashing about in the shallows,
in the waters that cover your feet,
is just your initial conversion;
Salvation is not yet complete.

Come wade to your knees in the water,
and soon you will find there is more.
In communion and bowing before Him,
declaring that He is the Lord.

The deeper you go in His Spirit,
the more with His mind you are joined.
And there, reproducing His likeness,
in waters as high as your loins.

Dive into the depths and go swimming!
You need no support from the ground.
There you depend on His mercy;
the bottom is nowhere around.

Here there is no limitation;
your faith is perfected it seems,
When you're resting in the flow of His glory,
and floating along with His stream.

Launched in the deepest of waters,
like a ship far away from its berth,
Here all your ties have been severed,
and you are cut loose from the Earth.

In the realm of the "Waters To Swim In",
He is your Preserver of life.
You are transported, kept supernaturally.
He is your Safety Device!

There is a life-giving flow of the Spirit,
Like a torrent of strength in this hour.
You shall be caught up within it,
And carried by the surge of His power.

Terri Hill

"And he showed me a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb"; Revelation 22:1

"...and he brought me through the waters; the waters were to the ankles. Again he measured a thousand, and brought me through the waters; the waters were to the knees. Again he measured a thousand, and brought me through; the waters were to the loins. Afterward...it was a river that I could not pass over; for the waters were risen, waters to swim in, in a river that could not be passed over"; Ezekiel 47:3-5

"In the last day, that great day of the feast (Feast of Tabernacles), Jesus stood and cried, saying, If any man thirst let him come unto me and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water"; John 7:37-38

What Is Inside Will Come Out

As in water face reflects face, so a man's heart reveals the man.

—Proverbs 27:19

Scripture reading: Matthew 15:1–20

We praise God that our glorious Jesus is the risen Christ. Those of us who have tasted the power of the indwelling Spirit know something about how the hearts of those two disciples burned as they walked to Emmaus with the risen Lord as their companion. (See Luke 24:13–32.)

Note the words of Acts 4:31: *“And when they had prayed, the place where they were assembled together was shaken.”* There are many churches where they never pray the kind of prayer that you read of here. A church that does not know how to pray and to shout will never be shaken. If you live in a place like that, you might as well write over the threshold: *“Ichabod”*—*“The glory has departed from Israel!”* (1 Sam. 4:21). It is only when men have learned the secret of prayer, power, and praise that God comes forth. Some people say, *“Well, I praise God inwardly,”* but if your heart is full of praise, you will have to let the praise come out.

The inner working of the power of God must come first. It is He who changes the heart and transforms the life. Before there is any real outward evidence, there must be the inflow of divine life. Sometimes I say to people, *“You weren’t at the meeting the other night.”* They reply, *“Oh, yes, I was there in spirit.”* I say to them, *“Well, next time come with your body also. We don’t want a lot of spirits here and no bodies. We want you to come and get filled with God.”* When all the people come and pray and praise as did these early disciples, there will be something happening. People who come will catch fire, and they will want to come again. But they will have no use for a place where everything has become formal, dry, and dead.

The power of Pentecost came in order to loose men. God wants us to be free. Men and women are tired of imitations; they want reality; they want to see people who have the living Christ within, who are filled with Holy Spirit power.

Thought for today: The shout cannot come out unless it is within.

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

The chief danger that

will be religion without the

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. We ask You to push back The horizons of our hopes; And to push into the future In strength, courage, hope, and love. Because we have dreamed too little, When we arrived safely Because we sailed too close to the shore. Disturb us, Lord, when With the abundance of things we possess We have lost our thirst For the waters of life; Having fallen in love with life, We have ceased to dream of eternity And in our efforts to build a new earth, We have allowed our vision Of the new Heaven to dim. Amen.

CrowdStrike, the third-party company relied upon by the FBI to make its assessment about alleged Russian hacking into the Democratic National Committee (DNC), was financed to the tune of \$100 million from a funding drive last year led by Google Capital.

Google Capital, which now goes by the name of CapitalG, is an arm of Alphabet Inc., Google's parent company. Eric Schmidt, the chairman of Alphabet, has been a staunch and active supporter of Hillary Clinton and is a longtime donor to the Democratic Party.

On Thursday, a senior law enforcement official told CNN that the DNC "rebuffed" the agency's request to physically examine its computer servers after the alleged hacking. Instead, the FBI relied on CrowdStrike's assessment that the servers had most likely been hacked by Russian agents.

"The FBI repeatedly stressed to DNC officials the necessity of obtaining direct access to servers and data, only to be rebuffed until well after the initial compromise had been mitigated," CNN quoted the senior law enforcement official as saying. "This left the FBI no choice but to rely upon a third party for information. These actions caused significant delays and inhibited the FBI from addressing the intrusion earlier."

(CNN) — Esteban Santiago went to baggage claim and picked up his one piece of checked luggage.

There were no other bags, just a case with a handgun inside.

Santiago allegedly took the 9 mm handgun out of its case and fired at other travelers Friday afternoon, killing five people at the Fort Lauderdale airport. On Saturday, authorities revised the number of wounded to six after earlier saying eight.

A few months earlier he reportedly had a mental evaluation after a bizarre visit to an FBI office in Alaska.

Friday's shooting sent the airport terminal into chaos, with people running for cover. They started running again when rumors of more gunshots and a possible second shooter spread through the busy airport. Almost 40 others would get hurt in the rushed evacuation after the attack. Some suffered sprains and bruises; others had broken bones.

Here's what we know about the deadly shooting and what officials have said about the suspect:

FORT LAUDERDALE, Fla. (INTELLIHUB) — Demoted and discharged Alaska National Guard private first class and alleged killer of 5 people at the Fort Lauderdale-Hollywood International Airport, Esteban Santiago, 26, may have been mind controlled or mentally ill, according to FBI officials.

Santiago, who was arrested in January and waiting to stand trial in March on criminal charges, recently showed up to an F.B.I. office in Anchorage unannounced seeking help.

Santiago told the F.B.I. he thought he was being mind controlled, possibly by the U.S. government or the C.I.A. and admitted hearing voices, which Santiago said told him to study "extremist materials on the Internet," the [New York Times](#) reports.

Despite the fact that Santiago himself, his girlfriend, and even co-workers warned authorities of his experiences the F.B.I. failed to detain him before his travels to Florida.

"Records show Santiago had three driver's licenses from Alaska, New York and Puerto Rico," along with his military I.D., which were all on his person during Friday's shooting, as [reported by a local ABC news affiliate](#).

Just like a Manchurian candidate, Santiago "[walked to the baggage claim area](#), where witnesses said he pulled the trigger and appeared to be aiming at victims' heads. Witnesses said Santiago didn't say a word. He shot his weapon until he ran out of ammunition. He threw the gun down and laid spread-eagle on the ground until a Broward Sheriff's Office deputy came up to him."

[USA Today](#) reports:

Yet the troubling episode is now part of an emerging profile of a deeply disturbed man described by his aunt Friday as someone who had "lost his mind."

Maria Luisa Ruiz of Union City, N.J., said her nephew, who had moved to Alaska for work as a security guard, only recently began to show signs of instability.

"Like a month ago, it was like he lost his mind," she said "He said he saw things."

The fake news article, titled, "Israeli Defense Minister: If Pakistan send ground troops into Syria on any pretext, we will destroy this country with a nuclear attack," was later published by a variety of other news sources.

The article claimed that former defense minister Moshe Ya'alon had threatened Pakistan last Tuesday, following a reported Pakistani deal to send troops to help fight Islamic State in Syria.

Late on Friday, with the US population embracing the upcoming holidays and oblivious of most news emerging from the administration, Obama quietly signed into law the 2017 National Defense Authorization Act (NDAA) which authorizes \$611 billion for the military in 2017.

In a statement, Obama said that:

Today, I have signed into law S. 2943, the "National Defense Authorization Act for Fiscal Year 2017." This Act authorizes fiscal year 2017 appropriations principally for the Department of Defense and for Department of Energy national security programs, provides vital benefits for military personnel and their families, and includes authorities to facilitate ongoing operations around the globe. It continues many critical authorizations necessary to ensure that we are able to sustain our momentum in countering the threat posed by the Islamic State of Iraq and the Levant and to reassure our European allies, as well as many new authorizations that, among other things, provide the Departments of Defense and Energy more flexibility in countering cyber-attacks and our adversaries' use of unmanned aerial vehicles."

THE DAY OF THE LORD

Milton William Cooper

Author

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.
*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, World War III breaks*

out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Can you imagine? The world power structure can, and will if necessary, make some or all of these things happen to bring about the New World Order.” [[Behold A Pale Horse](#)“, p. 177-8]

Subject: Barb God's Healer7 12-6-16 Preview of the Day of the Lord A foreshadowing Matt 24:27 Joel 1:15

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's

clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. The newsman says "the lightning and thunder can be Heard and seen all over the world. The lightning is causing fires everywhere."

What's that? It looks like airplanes. I don't know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up. They are tracking something on the radar. Let's go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I'm going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We'd better hurry! The place looks jammed already. Put the news on. I can't. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

The Seven Thunders Revealed

Posted on [December 21, 2011](#) by [John Baptist](#)

They Fly Like the Wind And Come From Afar

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the “latter times”. Indeed we live in the “latter times”.

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain,
Raise your voice to them; Wave your hand,
that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I
have also called My mighty ones for My
anger — Those who rejoice in My
exaltation."

4 The noise of a multitude in the mountains,
Like that of many people! A tumultuous
noise of the kingdoms of nations gathered
together! The Lord of hosts musters The
army for battle. 5 They come from a far
country, From the end of heaven — The
Lord and His weapons of indignation, To
destroy the whole land.

6 Wail, for the day of the Lord is at hand! It
will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

LOVE YOUR ENEMIES

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

35 But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil.

One way to look at it is this.

The Oil throughout the Bible is a reference to "the Holy Spirit". So if you are overflowing with the Holy Spirit as the Wise Virgins are, you are overflowing with the fruits of the Spirit.

Gal 5:22

22 But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, 23 gentleness, self-control. Against such there is no law.

But in order to really get this, you need to see that the Wise Virgins we SO FULL of this oil (Spirit) they had vessels to hold the "extra oil".

Mat 25

4 but the wise took oil in their vessels with their lamps.

Now to REALLY get this I would look up (with the dictionary) every word and meditate on the deeper meaning of those behaviors and how they need to become who we are so they are automatic. So we "are" those words, not just trying to be them. So they are a matter of the heart.

This is what makes us become wise. This is what makes is Jesus on earth. This is the essence of our transformation from the flesh to the Spirit.

Praise God

. I hope this is helpful God bless you

Yes brother. Always please remember that the devil hijacks everything from our Father God. The more it belongs to God the more He hijacks and contorts it so the sheep will say "that's of the devil" and run away.

11:11 is our Father's way to signal to us. He is calling our attention to our soon departure our soon rapture our soon ascension to heaven. The new Agers don't ascend brother, they "descend". See? It's OUR signal not theirs

The ancient Chaldeans also saw 11:11 as a sign of very very bad dark times. Well that's also true. Since once we ascend, Jacobs Trouble (the Great Tribulation) pummels the earth.

So we have to see past the deception, know who really ascends and who doesn't, and then we can "take back" our Father's spiritual provisions for our use as they were originally intended.

God bless you

John,

Hope you are well brother and having a great Saturday! I just wanted to tell you something that's been happening to me all week and ask you your opinion on it.

I'm seeing 11:11 every single day now. It's really getting crazy brother it's like I'm automatically prompted to look at the clock every single time. It happens in the morning and at night if I'm awake. It's really weird. I heard you mention something about it on a show recently and wanted to know your thoughts. All my research is kind of getting into New Age.

However, to make it even more wild one time I saw it and was researching it and I prayed to God and asked what it means. I was then prompted to look at Jeremiah 11:11

Jeremiah 11:11 KJV

[11] Therefore thus saith the Lord , Behold, I will bring evil upon them, which they shall not be able to escape; and though they shall cry unto me, I will not hearken unto them.

So all the research I was doing was bringing me to New Age type responses and made it out to be something positive then I'm brought to this verse.

Any thoughts?

GOD BLESS YOU!

11:11 CONFIRMATION

It is the glory of God to conceal a matter, but the glory of kings is to search out a matter(Proverbs 25:2).

When we search out a matter that is a spiritual mystery to us, we must rely upon the Holy Spirit to unravel or untie the full message that has been sent. For years I used to see the numbers 11-11 on a continual basis, to a point where it seemed like it was being supernaturally impressed before me. Whenever I randomly happened to look at a clock it would say 11:11. Over time the Holy Spirit explained to me that He was using this particular set of numbers to confirm to me that I was walking in His plan for my life and all was well. Those numbers would pop in the most unexpected places and bring an outward confirmation to an inward leading that I felt was of the Lord. The Lord was working to give me a double witness both inwardly by His Holy Spirit and outwardly through these numbers that I was in His perfect will. 

My friend Wade Taylor, who has now gone on to heaven, used to have the continual experience of finding a penny every time he was at a specific place where the Lord wanted Him to be. At times we would eat at a restaurant and talk about the goodness of God and discuss certain spiritual topics that we both enjoyed. Once finished with our meal and before getting up to leave, Wade would look on the floor and pick up a lost penny. He would smile and say, "I always find a penny when I am where the Lord wants me to be."

Hi John,

Since 2011 I am listening to the Tribulation Now shows through podcasts on my Android phone. I am amazed how the LORD has guided me to this show and how much I have learned from it. Subjects as Love, Holiness, Righteousness, Humility, Intimacy With Jesus are touching my heart and sounds like food to my spirit. (And off course trying to apply it in life)
The Holy Spirit is confirming everything you say in and through my life and in His Word. GOD is so faithful. But also subjects as; The coming destruction, the latter rain, visiting heaven and hell, the alien deception. All revealed by the Holy Spirit to His church / bride, because our Bridegroom does not want us to be ignorant.

I just want to say that I really recognize things you say about life. I also work at a big company here in the Netherlands. It is as Jesus says, I will send you like lambs between wolves. It's very hard and without Him I wouldn't survive.

Sometimes at work I look at the clouds and think; Could this be the day of the Lord?
Then Jesus is saying to me Joshua 1; 'Be strong and courageous'

Praise Jesus. He is learning us, through the Holy Spirit, how our character must be in this darkened world. Protection can only be, if we walk in obedience in His Word.
When you are 'complaining' on the show - 'Lord please don't delay!' - I am very familiar with this feeling and laughing out loud. 8)

Just wanted to say you are doing a great, great job for the King. He will reward you for this (but you already know that, and will, as I also do, not be focusing on the rewards, but on HIM).

The thing you mentioned in a show a month ago about a testimony was wonderful:
Someone went to heaven and didn't 'care' about their relatives, pets or house.
He said: I just want HIM, where is HE, where is my JESUS ?

Wow. Makes me happy and sad at once. It's all about HIM. I also want to love HIM like that. Still learning.

Closing, I want to say I really hope something will happen between now and January 20th.
Basically I went on the same roller coaster ride as you (and many other listeners). Many, many times disappointed nothing happened. But every time nothing happened, it was as if the Lord said to me. 'I am delaying because of My love for the lost souls'.

I am hoping/believing/praying that these are the last warnings and something is about to happen before inauguration day.
Whatever will happen. Thanks for preparing His bride to be spotless without wrinkles or any such thing. To be ready and set our houses in order.

John 15:15

I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you.

Kind regards and Praise Jesus,
Noel [redacted]

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

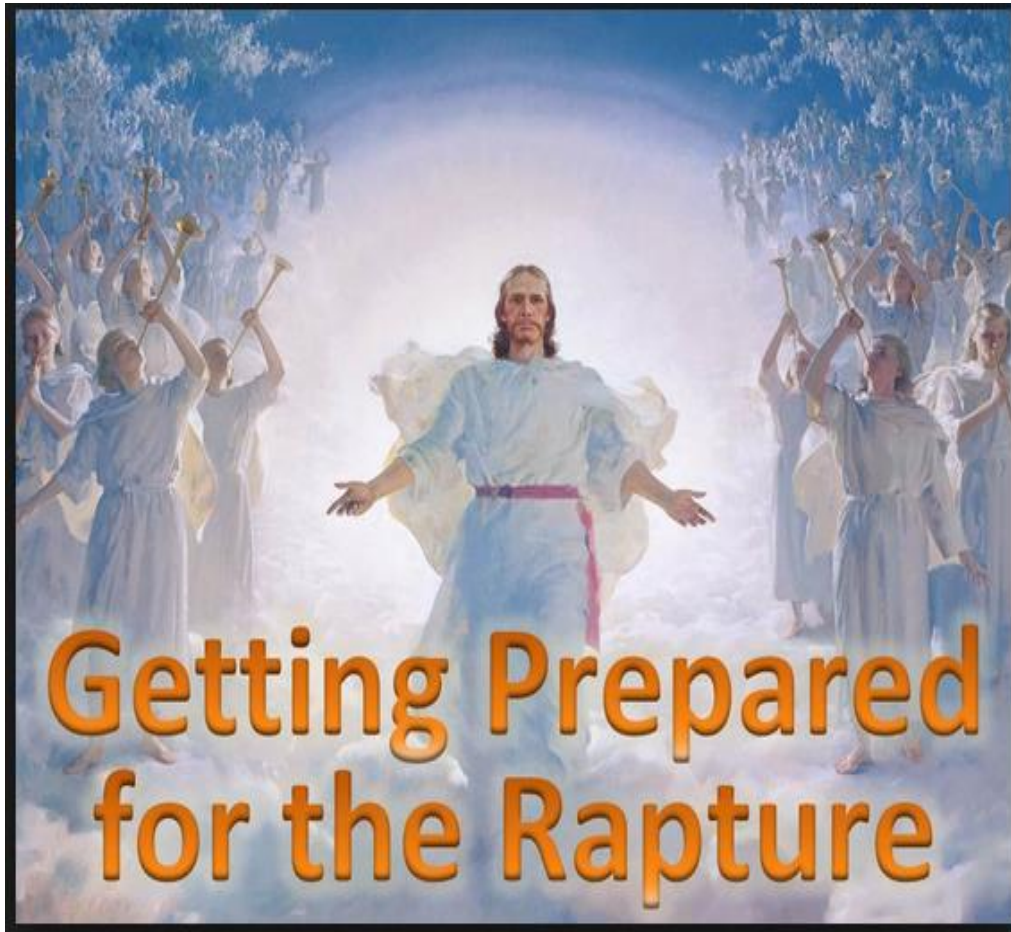

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

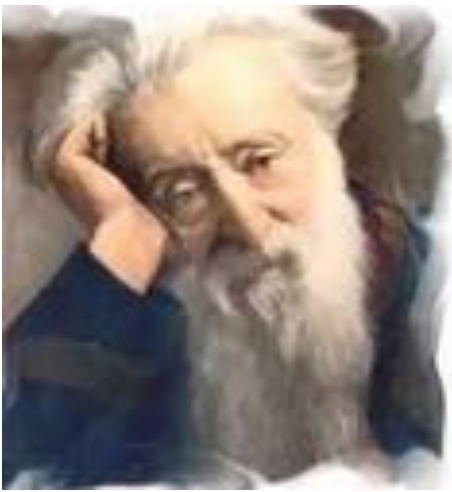

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. “Whether it means life or death—it makes no difference!” (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God’s will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God’s gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

Word From the Lord - Psalm 83 is Upon Us

MAURICE SKLAR · SATURDAY, NOVEMBER 28, 2016

I was practicing violin tonight preparing the upcoming concert, and suddenly, "out of the blue" and in the middle of the last movement of the Shostakovich trio, I heard what sounded like an audible Voice. I do not whether it was in the natural realm or just in the spirit realm, I nearly dropped my violin! The LORD spoke like He was shouting, and He roared like a Lion, and a terrible sound like thunder. It was deafening, and yet I do not think anyone else heard it down here...then He said,

"I WILL HAVE THIS NO LONGER!! NOW I WILL RISE UP AND JUDGE ESAU FOR HIS ETERNAL HATRED OF MY PEOPLE AND MY LAND. MY HOLY FIRE WILL BURN THEM AND THEY AND THEIR LANDS SHALL PERISH BY FIRE FOREVER, AND NEVER RISE AGAIN!! THE TIME HAS COME TO DELIVER MY PEOPLE ISRAEL!!

"AS THEY HAVE SET FIRES IN ZION, SO SHALL I SEND MY FIRE UPON YOU THAT SHALL NEVER BE QUENCHED!! I AM THE LORD OF HOSTS! AND I HAVE SPOKEN IT! PSALM 83 IS UPON YOU NOW!!!

I have never heard that Voice speak in such wrath and Holy anger. I am still trembling. Then the Holy Spirit commanded me to write these words I heard. As best I could I wrote everything I heard. Amen.

I Looked Up and Saw Fighter Jets Filling the Skies”

JANUARY 5, 2017 12:06 AM BY MARTY BREEDEN

Last night, I dreamed a close friend of mine, who is an airline pilot, escorted me and my family to a very tall high-rise building. We entered the building and went up to a high level. The building had many large glass windows, so we had a stunning view overlooking a huge city, filled with people, residential houses, and businesses.

As we looked at the city below, we suddenly heard a weather report warning of tomados approaching. We looked down upon the city and saw a large tomodo forming. As we watched, it grew into a full blown massive tomodo. Then there was another and another and yet another!!!

I counted at least 4-5 simultaneous tomados, all massive in size and all wiping out everything in their path. One odd thing was they ran together in one accord and did not get ahead or behind the others. They looked like a working wall of tomados, yet spinning independently of one another.

I knew this city was in huge trouble because it was very flat and the destruction was swift and absolute. Just as I was about to take cover with my family, I suddenly saw very large fireballs coming down from the sky with huge smoke trails behind them. When they hit, they totally bumed up everything, almost vaporizing their targets.

I could not tell if the fireballs were natural or man-made. I could not tell if they were meteors or missiles, but it really didn't matter because the destruction was the same.

Then the power went out in the building, which caused mass panic because there appeared to be nowhere to run and hide from this onslaught of destruction. I ran with my daughter to a corner of the room trying to shield her from the what was coming.

I heard bullets ring out. I'm a Cop, so I know the sound of gunfire. It put holes in the walls behind us. It was that close, yet we were not harmed.

As I covered my daughter, hiding her eyes from watching, I waited for the sounds of destruction to pass. When it finally got quiet, I went down below to see what was happening on the ground.

The landscape was totally destroyed. Buildings were leveled. Dust and smoke filled the air. What had been a hustling, bustling beautiful city just moments prior, was now a desolate ruinous heap.

Everywhere I looked, I saw people running, looking for loved ones, food, protection, and yes, something to defend themselves. I cannot describe with words the stark terror, confusion, and bewildered looks on their faces. One man in particular, well dressed and well groomed previously, was in shock and weeping. He wanted to ask questions, but seemed unable to speak as he staggered around. The panic I saw in the people was beyond anything I'd ever witnessed. It was beyond comprehension.

I walked through the city until I could no longer stand to see the pain. I began making my way back to my own family, but as I did, I looked up and saw fighter jets filling the skies. I could not tell if they were friend or foe because of the smoke, dust, and fog caused by the destruction.

Then I awoke!

“The Bomb Will Come from the East, Not on American Soil”

JANUARY 6, 2017 12:33 AM BY SHERRY GORSLIN 1 COMMENT

I received the following word from the Lord on January 5, 2017:

“The time of preparation is not over. Do not get discouraged or live in despair, but continue this path. I need you to continue this path. Today you trust Me, and hear My voice, for tomorrow you know not what comes.”

As I was praying I kept seeing and hearing a bomb. Then I heard this:

“This will set in motion what must be. The bomb will come from the east. It will not be on American soil. It shall be set off to begin war. The angel of war is at hand, directing and guiding those that will listen. Evil is still in place, and much is being done behind closed doors.

Know this, that Obama’s hand is upon this and he deliberates with those who desire this to be. Trump and all his cabinet are there to fight for you. I have set in place those that will see beyond the deception to the truth.

Watch the hour, because it is near; watch the nations as they come together and then divide. Sides are being taken and war is coming soon; war that you will feel here in the United State; war that every nation will come to know.

Keep your eyes on Israel and who sides with them. Your nation will be divided, not only on principles, but on land. States will come together, and sides will be chosen. Look for this. I have told you so.”

Godshealer7 - Take heed for the book of 7 shall be opened

It is the breath of life that speaks to thee this day. I AM the light, I AM the beacon of hope, I AM the Alpha and the Omega, from the beginning I AM. You stand in front of me in humility, I know thee.

The truth does not waiver. It speaks to you this day. Evil has tried to silence you, it shall fail. Your eyes are open and you shall see what lies ahead. Come hither, I shall speak in your ear. What I whisper, you shall proclaim boldly. My eyes see all and I know what is in men's hearts. Take heed, the book of seven shall be opened, for **My wrath is kindled** and My Will shall be done. **Judgment shall replace mercy**. You shall bear witness to My Glory. Harken, for in the distance, the shofar blows in earnest. Amen

Prophetic Dream Reveals Obama Filled With Rage

📅 DECEMBER 28, 2016 🕒 5:04 PM BY LYDIA HODGE 🗨️ 2 COMMENTS

I have not dreamed much about Obama, but about a week ago, I dreamed about him. He looked different. He had grown a beard and he had a military uniform on. He was filled with rage and was spewing forth angry words because he was wanting to accomplish his agenda, but something had hindered it. He was pushing forth anyway. I truly think Trump getting elected threw a wrench in whatever plans he had.

This issue over Israel is exposing such a sinister side to Obama. I think this is a total wake up call to those who know the truth and have been debating if we are there at the time of the end. I am speaking of myself. My heart says we are, but it is going to happen on God's timetable.

About a month ago, I dreamed our country was being attacked. People were pouring across our southern border and attacking us and nuclear bombs were being dropped on us. I heard the word USSU and I knew in my spirit it stood for the United States of Russia. It was as if they had taken over our country. I didn't see how it was spelled out, but it sounded like Usha, but when I heard it, I knew it was a mixing together of the United States and Russia, almost like we had been renamed. It sounded just like if you said Russia without the R. That's the best way I can describe it. USSU is my attempt at spelling what I heard. I'm not sure totally what it means, but I thought maybe the United States of the Soviet Union.

Then I was told we are getting a 2-minute warning. Now when I awoke, I knew exactly what the dream meant, but I could not make sense of the 2-minute warning. I started researching and the only reference that made sense was the 2-minute warning given in a football game. I'm obviously not a big football watcher. But basically, what I gathered from it was the game is almost over and we are being given a 2-minute warning, a pause, a time out to regroup and prepare for the final play in the game. It's here.

Just this week, I had another dream in which people were running around confused and not understanding what was happening. I started telling them the Bible was being fulfilled and everything written would shortly come to pass and that in a matter of a few years the events foretold would escalate and be fulfilled rapidly. I said we are that generation that will see the end of days. The weird thing to me is I don't use that term end of days. I usually say "time of the end." The only person I have heard use that term end of days is Obama when he was talking about Michele Bachman referring to him, that he was going to bring about the end of days.

Prophetic Dream Warns of 9.5 Earthquake in United States

DECEMBER 9, 2016 11:52 AM BY ELIZABETH MARIE 85 COMMENTS

In November 2016, I dreamed I was with a bunch a people and somehow I knew we were in the southern part of the U.S.A. We were all standing outside, almost frozen with fear as we waited.

There had been a HUGE earthquake in the north and we were all filled with dread knowing we were about to feel its effects. It seemed like we were to be the last location that was going feel it coming. I told everyone to hang on.

Then, all of a sudden, while waiting for this earthquake to happen, I had a vision within the dream. I saw an outline map of America. I didn't see the state lines, but only the outline of the U.S. Then, the map zoomed to where the earthquake started and I saw a black dot pulsating on the epicenter. The dot was in the upper part of the middle of the country, however, I wasn't sure of which state. It seemed higher than the New Madrid fault. Then I saw '9.5' indicating the level on the Richter Scale. I was not given any dates or timing.

Interpretation:

I believe this dream has a couple of interpretations—dual meanings:

I believe this earthquake might have to do with the New Madrid fault and a massive earthquake occurring that will shake the whole country. A few days after the dream, I saw the U.N. voted for a two-state solution in Israel. The LORD then reminded me of this dream and I knew it was related. So, I believe this has something to do with the division of Israel. Whoever divides HIS land will come in harms- way according to Scripture.

I believe this is about a great divide coming (and has already begun) in the U.S., as we see the lines between good and evil become more and more distinct. This earthquake could unleash more civil unrest in our nation, our communities, as well as within our own families. JESUS said a house divided cannot stand (Mark3:25). I believe that also applies to a nation.

NOTE:

The largest earthquake ever recorded was in 1960—a 9.5 in Chile.

Scripture References:

"I will also gather all nations, and bring them down to the Valley of Jehoshaphat; and I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; they have also divided up My land." (Joel 3:2)

“Tell My Pastors and My Shepherds Many Have Failed Greatly in Leading My Flock”

 JANUARY 4, 2017  1:31 AM BY JULIE WHEDBEE  20 COMMENTS

On the night of January 1, 2017, I had a night vision that I am led to share. I found myself in front of a large church preparing to speak. I was being fitted with all sorts of contraptions that were supposed to broadcast the sound better, but I kept trying to remove them, as I knew that they would be more of an impediment for the Word being spoken rather than helping.

The church was packed when the Pastor introduced me, and as I began to speak, I noticed the congregation did not seem to hear me, so I removed the microphone, the last device I had received. I began to boldly proclaim the Word of God and admonish the crowd for their sins and compromising lifestyles. However, as I continued to speak, one by one the people got up and walked out. The pastor poked his head in once or twice and was a bit annoyed. He was more concerned that he was losing 'members' than the fact that people were not interested in hearing the true Word of God. He abruptly left and went outside, gathering people to start preparing food and games in hopes that he could keep people from leaving the church by entertaining them. He was more concerned about the membership numbers than the true Word of God.

I decided to walk up and down the aisles speaking and making eye contact to be sure the crowd was hearing me. As I did, I was shocked at the blatant disrespect for the spoken Word. People continued to get up and leave, until finally the entire church was empty. I was heart-broken, but not surprised.

When I asked Father if He wanted me to write down this vision and share it, He confirmed, and this is what He spoke.

“Soon My Spirit Will Flood the Earth Like a Huge Ocean Wave”

DECEMBER 19, 2016 5:15 PM BY KEVIN BARRETT 9 COMMENTS

In my time with the Lord, He said these words to me: “Son, tell My people to seek Me like never before.”

Word from the Lord:

“My people, you are on the threshold of a new era. So many things are about to suddenly

change, in both your nation and your individual lives.

For I am preparing and setting the stage for My end-time events. Some of you will be greatly used in these events and My kingdom ministries, yet many others shall only be dismayed. Yet, I tell you now; it does not have to be this way. For if you would render your hearts unto Me, and lay down your lives at My feet, then I shall do a quick work within you.

However, for those who refuse to lay everything down, I give you this warning; soon My Spirit will flood the earth like a huge ocean wave. And if you are not walking in My will, your life as you know it shall come crashing down.

Howbeit, for those walking in My will, this coming wave of My Spirit shall lift you up and carry you to the fullness of your destiny in Christ, so long as

you continue walking with Me and endure to the end.

So then, listen well to Me this day when I say repent and repent quickly. For if you are walking in sin and rebellion when this wave comes, it may be your demise when it hits you. Oh, it is not I who shall do this to you, yet you will be snared by your own doings.

But for those walking in obedience when this wave comes; I say get ready to be swept off your feet and into My Spirit. For I shall carry you far above the woes of this world.

Now, this does not mean that you shall be without trials and testings. Yet, My peace which passes all understanding shall carry you. And I shall always make a way for you to fulfill My will and purposes in the earth realm.

Oh, My dearest little ones, My heart is thrilled regarding the days that are ahead. For even

though there will be many calamities and woes, there shall also be the greatest move of My Spirit this world has ever experienced. And many souls shall enter into My kingdom in these last days. So then, prepare your hearts before Me and allow My Spirit to make the right adjustments in your attitudes and thinking. And if you give all to Me and allow Me to do this work in you, you shall be thrilled beyond what you have ever imagined. Oh, how I love you all with an everlasting love. And it thrills Me to thrill the hearts of My people. So then, lay everything at My feet and seek Me in your prayer closets. Surely, I will answer you, for I am waiting...”

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Slovakia Passes Law Banning Islam From Being Officially Recognized as a Religion

BRATISLAVA — Lawmakers in Slovakia have passed a law banning Islam from being officially recognized as a religion in the country.

“Since Slovakia is a Christian country, we cannot tolerate an influx of 300,000-400,000 Muslim immigrants who would like to start building mosques all over our land and trying to change the nature, culture and values of the state,” Prime Minister Robert Fico had said in January 2015.

Lawmakers passed a bill on Nov. 30 sponsored by the Slovak National Party (SNS) that requires religions to have at least 50,000 adherents in the nation to receive subsidies and to operate its own schools, according to Reuters. There are an estimated 2,000-5,000 Muslims living in Slovakia, less than one percent of the 5.4 million population.

Over 60 percent of the nation identifies as Roman Catholic and only nine percent is evangelical Christian.

Franklin Graham: "We Saw God Do a Mighty Work" Over 170,000 Hear the Gospel in Myanmar

Franklin Graham (Dec 12, 2016)

"It takes courage to make a public commitment in a culture that has been hostile to Christianity, but more than 7,500 left their seats to come forward. The response was so great that on the first night we didn't have nearly enough prayer counselors. I know of one counselor who talked and prayed with 15 different people." -Franklin Graham.

[\[BillyGraham.org\]](http://BillyGraham.org) Dear Friend,

"See, I have set before you an open door, and no one can shut it." Those words of Jesus to a church in Asia 2,000 years ago (Revelation 3:8, NKJV) are a vivid description of what He has just done for churches in a different part of Asia in our day. (Photo via

BillyGraham.org)

During the week before Thanksgiving, we saw God do a mighty work in the nation of Myanmar when more than 170,000 people overflowed a three-day Crusade in Yangon, that country's largest city, to hear the Gospel. It was a historic moment for churches there—Myanmar is a country where Christians have long endured persecution and where evangelism has been severely limited for decades by military governments. But when God opens the door, no opposition can shut it.

Christians boldly showed up at the Crusade from all over the country, bringing nonbeliever friends and loved ones with them. One small church near Yangon went door to door in their community inviting people—they ended up needing a bus because 70 neighbors wanted to come. Churches across the nation chartered over 400 buses—we had a massive bus jam all three evenings! Many from outlying areas rode for hours to attend. One group, representing village churches in a nearly inaccessible corner of Myanmar, traveled for two weeks by foot, boat, and then bus to be there.

Fatima, Russia & the 100 year countdown

👤 Louie 📅 October 19, 2016 💬 53 Comments

With the year 2017 marking the 100th anniversary of the Fatima apparitions, a countdown of sorts has begun in anticipation of a terrible chastisement of unthinkable proportions.

It is not without good reason that one shudders at the prospect.

On October 13, 1973, the anniversary of the Miracle of the Sun at Fatima, Our Lady spoke the following words of warning to Sr. Agnes Sasagawa at [Akita, Japan](#):

“As I told you, if men do not repent and better themselves, the Father will inflict a terrible punishment on all humanity. It will be a punishment greater than the deluge, such as one will never have seen before. Fire will fall from the sky and will wipe out a great part of humanity, the good as well as the bad, sparing neither priests nor faithful. The survivors will find themselves so desolate that they will envy the dead.”

In 1998, speaking at the International *Vox Populi Mariae Mediatrici* Conference in Rome, Former Ambassador of the Philippines to the Holy See, Howard Q. Dee said:

“Cardinal Ratzinger personally confirmed to me that these two messages, of Fatima and Akita, are essentially the same.”

That revelation by the future Pope Benedict XVI predated his complicity in the cover-up operation of June 2000 wherein the Vatican allegedly published the Third Secret of Fatima “in its entirety.”

All but the invincibly naive know better and therefore have every reason to expect Our Lady’s warning as given at Akita to come to fruition; unless, of course, the consecration of Russia to her Immaculate Heart is carried out according to her wishes beforehand.

The question is, however, *when* might one expect Our Lord to administer this act of justice in return for the popes’ failure to heed Our Lady’s wishes?

This brings us back to the 100 year countdown.

On July 13, 1917, Our Lady told the Fatima seers – Jacinta, Lucia and Francisco that God, if people did not stop offending Him, would punish the world “by means of war, hunger and persecution of the Church and of the Holy Father;” with Russia serving as His chosen instrument of chastisement.

“Russia will be the instrument of chastisement chosen by Heaven to punish the whole world if we do not beforehand obtain the conversion of that poor nation,” Our Lady said.

“To prevent this,” the Blessed Virgin continued, “I shall come to ask for the Consecration of Russia to My Immaculate Heart,” and she promised that if only this solitary request be met, Russia would be converted and a period of peace would be given to the world.

As, again, all but the invincibly naïve know, as of this writing the requested consecration of Russia has not been done.

Our Lady forewarned of the consequences that would befall us should her simple request be ignored, saying:

“Russia will spread its errors throughout the world, raising up wars and persecutions of the Church. The good will be martyred, the Holy Father will have much to suffer and various nations will be annihilated.”

At this, a few observations are in order.

First, let’s talk about the idea that “the Holy Father will have much to suffer.”

Most observers, it seems, tend to place this warning on the same plane as that concerning martyrdom and that of Russia persecuting the Church; as if the Holy Father will be unjustly victimized.

Planet X Expert Predicts World-Ending Collision in 2017

5 Comments | January 6, 2017 | Paul Seaburn

There are experts who think that Planet X or Planet 9 or Nibiru exists but their only evidence is references to mysterious events that could only be explained if it [existed](#). There are other experts who believe they could prove its existence but don't have time because it's less than a year away from destroying Earth and all life as we know it. This is about one of those experts.

In his new book, *Planet X - The 2017 Arrival*, which the author calls a "mission-specific briefing," David Meade says he "looks at everything about Planet X from an astronomical, a geopolitical, and a spiritual viewpoint." On the astronomical side, Meade says Planet X is not in an extra-wide orbit around the Sun (as many others have suggested) but instead is one of seven planets circling "a binary twin of our Sun." According to him, that alleged binary twin is apparently making a close pass in October 2017. How close? So close that it will swing Planet X into Earth's South Pole and blast it out of existence like a baseball bat hitting a grapefruit. Too bad you didn't know this before buying a 2017 calendar with 12 months.

Swedish Monarchs Claim Royal Palace Is Haunted

Chilean Navy Releases Shocking Declassified UFO Footage

0 Comments | January 6, 2017 | Brett Tingley

The Chilean Navy has released recently-declassified footage of a UFO shot by one of its helicopters. While UFO footage claims are made every day, the official nature of this release and the astonishing nature of the footage suggest this could be the real thing. Whatever the object in the footage is, it's certainly unlike any other known natural or man-made flying object. Whether it's of extra terrestrial origin remains a mystery. Whatever the object in the video is, it's absolutely bizarre.

The footage was released by the Comité de Estudios de Fenómenos Aéreos Anómalos (CEFAA) (Committee for the Study of Anomalous Aerial Phenomenon), a branch within the Chilean Air Force, which oversees air traffic and safety within Chile. General Ricardo Bermúdez, Director of CEFAA, told *Huffington Post's* investigative UFO journalist Leslie Kean that the nature of the object in the footage [remains a mystery](#):

We do not know what it was, but we do know what it was not.

The footage was shot on November 11, 2014 by a Chilean Navy helicopter which was on a routine survey mission of the Chilean coast. Luckily, the day was clear, providing great video conditions. While the helicopter was flying at 4,500 feet, its infrared cameras caught sight of a strange, otherworldly object flying at the same altitude as the helicopter. The helicopter's radar did not pick up the object, nor did nearby airports' radar towers. Shortly after the infrared cameras spotted the orb, crew members got visual confirmation on the object and attempted to make contact by radio. No reply was made. Twice in the ten minute-footage, the craft emits two strange bursts which leave a thermal trail behind the craft:

Zombies could wipe out humanity in 100 days

A new study has suggested that it would not take long for a zombie apocalypse to wipe out mankind.

The research, which was conducted by physics students at the University of Leicester, was based on the assumption that each zombie would be able to locate at least one victim each day and that they would have a 90% chance of infecting anyone that they happened to come in contact with.

After approximately 100 days, the study suggests, there would be a mere 273 human survivors - a figure that would make even *The Walking Dead* seem like an optimistic scenario by comparison.

On the plus side however the researchers also determined that if mankind did happen to find a way to combat the zombies then there would be a good chance of population recovery in the long run.

The team's findings were based on the SIR (susceptible, infectious, recovered) model which is more traditionally used to calculate the spread of real diseases through the population.

"Every year we ask students to write short papers for the *Journal of Physics Special Topics*," said Dr Mervyn Roy from the University of Leicester's Department of Physics and Astronomy.

"It lets the students show off their creative side and apply some of the physics they know to the weird, the wonderful, or the everyday."

Birth Pains and earthquakes in diverse places: The absolutely astonishing growth of major earthquakes in just one hundred years!

Matthew 24:7 states: For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.

There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven: this was written 2,000 years ago, by Luke the Evangelist who was quoting the warnings of Jesus Christ.

Famines, pestilence and fearful events are very much a part of our life these days and as for signs from heaven, last year we were blessed with blood Moons and Super Moons, Sun and moon eclipses, fire balls, comets just to name a few.

But it's the earthquakes statistics which I find jaw-dropping, this century, from January the 1st in the year 2,000 until January 2017 a total of 2,697 major quakes have been recorded.

In the same period, January the 1st 1900 to January 1917 only 97 major quakes were recorded, that is an incredible increase and indicates our planet is showing signs of birth pains because just as a woman in labor suffers contractions of increasing pain and intensity likewise our planet is also suffering with increasing quake pain and intensity.

And with wars and rumors of wars it is safe to conclude Jesus's warning and prophecy would place us somewhere in the last days.

Two Massive Space Rocks Heading Towards Earth

1 Comment | January 6, 2017 | Paul Seaburn

There's no need to worry about Planet X [destroying](#) Earth in October ... we may not make it past February. NASA has [spotted](#) not one but two big space objects heading towards Earth, with one coming close enough to see with binoculars. Is that close enough to be afraid?

(This comet) has a good chance of becoming visible through a good pair of binoculars, although we can't be sure because a comet's brightness is notoriously unpredictable.

That not-too-comforting comment comes from Paul Chodas, manager of NASA's Center for Near-Earth Object (NEO) Studies at the Jet Propulsion Laboratory in Pasadena, California. The NEO he's describing is comet C/2016 U1, which was discovered by the [NEOWISE](#) asteroid-hunting project in October 2016 and is in the southeastern sky over the northern hemisphere just before dawn this week – nothing like a little advanced warning, NASA! While it looks big and close, C/2016 U1 doesn't get any closer than 66 million miles (106 million km) from Earth before it swings around the Sun inside the orbit of Mercury and heads back out into space for another few thousands years. Maybe by the time it gets back, NASA will have the technology to figure out how big it actually is.

Large Flock of Blackbirds Fall From Sky in New Jersey

1 Comment | January 7, 2017 | MJ Banias

Stow Creek, New Jersey – 200 red winged blackbirds fell from the sky on a typical cool but sunny day in November 2016. The dead bird shower only lasted a few moments, but it left local officials baffled. What caused this flock to simply die mid-flight, and rain down upon the small town?

Larry Hajna, a spokesperson for the New Jersey Department of Environmental Protection stated in an [interview](#) with [philly.com](#),

“They just fell from the sky...We did ascertain that the birds suffered trauma and internal bleeding from hitting the ground, but what made them fall from the sky in the first place...we can't say for certain.”

This was the second time in less than three weeks that a large die off of birds occurred in the area, however, the last incident involved only a couple dozen birds.

The death toll in flash floods in the south of Thailand, which were caused by heavy rains, has climbed to 12.

MOSCOW (Sputnik) — According to the BBC citing the Thai Interior Ministry, hundreds of thousands of people are suffering from extreme water levels.

Current floods disrupted work of transport services forcing citizens to use inflatables to move around. The navy mobilized its biggest ship equipped with helicopters to deliver aid and rescue people in flood-stricken areas, the BBC added.

Earlier in the day, the Thai Meteorological Department issued a warning saying heavy rains were expected in the lower South. According to the Interior Ministry's estimates, about 700,000 people have been affected by the flooding, which started a week ago.

Such a move could affect relations between the US and regional allies, including Jordan, Information Minister Mohammed Momani told The Associated Press, addressing the issue publicly for the first time.

An embassy move would be a "red line" for Jordan, would "inflare the Islamic and Arab streets" and serve as a "gift to extremists," he said, adding that Jordan would use all possible political and diplomatic means to try and prevent such a decision.

The US considers pro-Western Jordan as an important ally in a turbulent Mideast. The Hashemite kingdom is a key member of a US-led military coalition against ISIS in neighboring Syria and Iraq, and maintains discreet security ties with Israel.

Jordan also has a stake in Jerusalem, serving as custodian of Islam's third holiest shrine in the city's eastern sector.

Israel captured east Jerusalem from Jordan in 1967 and annexed it to its capital. It is the home of the holiest site for Jews – the Western Wall.

Momani, the Jordanian minister, said that moving the US Embassy to Jerusalem "will have catastrophic implications on several levels, including the regional situation." He said countries in the region would likely "think about different things and steps they should take in order to stop this from happening."

(CNN) — The feud between Donald Trump and the US intelligence community will play out behind closed doors Friday when the President-elect is given a briefing on allegations of election-related hacking by Russia.

The meeting comes at the end of a week in which Trump's public skepticism over evidence Russia interfered in the US political process has pitted him against the country's top spy chiefs and high profile lawmakers in both parties.

Trump will sit down with James Clapper, the Director of National Intelligence, as well as several other leading agency heads, the day after a Senate Armed Services Committee on cyberthreats Thursday.

With just two weeks until his inauguration, there are concerns over Trump's seeming refusal to give more credence to the views of leading US intelligence agencies than to those of Russian President Vladimir Putin and WikiLeaks fugitive Julian Assange.

The drama has even caused outgoing Vice President Joe Biden to tell the President-elect he should "grow up".

Driven by terror threats and a potential Hillary Clinton administration, sales of guns in America soared to record levels in 2016, according to the FBI.

Just released FBI background check numbers, which roughly equate gun sales, totaled some 27,538,673, 4 million more than in 2015 and nearly double the number in President Obama's first year.

The numbers do not include many guns sold to or given to friends and family.

Sales hit record levels for some 19 months in a row as the number of terrorist attacks around the world and here at home increased, driving purchases by those seeking protection. The increase paralleled increases in those seeking a license to carry a concealed weapon.

One of the ripple effects of the Obama administration's decision to allow adoption of a U.N. resolution condemning Israel is that it sends a message some Palestinians understand as an authorization for violence.

That's according to Khaled Abu Toameh, an award-winning journalist in Jerusalem writing for the Gatestone Institute in New York.

The U.N. resolution, including the U.S. refusal to exercise its veto, has generated a firestorm of criticism of the international body.

Fomer Arkansas Gov. Mike Huckabee says the U.S. should take the billions of dollars it now gives to the U.N. and instead give it to American soldiers who served "under the U.S. flag."

While the U.N. vote blasts Israel for Jewish communities in territory recaptured by Israel in the 1967 war launched by its Arab neighbors, the fight really is over the fact that while Israel repeatedly has offered negotiations, Palestinian leaders have refused even to recognize Israel's right to exist.

Thirty Chinese Police Surround House Church, Order Congregants to Stop Worshiping

New religious rules scheduled to be adopted in China on Oct. 7, 2016, will negatively affect the church's open community there, warn Catholics. In addition, the rules will place hefty financial fines on unapproved religious activities and severely hamper local residents' interaction with foreign supporters, say opponents. CNS photo/Wu Hong

Chinese authorities surrounded a house church in Beijing before raiding the building and ordering congregants to stop meeting - or face legal action.

According to [China Aid](#), an international non-profit Christian human rights organization committed to promoting religious freedom and rule of law in China, the Shengai Fellowship Family Church in Beijing had organized a gathering on Oct. 7 in the home of Xu Yonghai, an elder in the church.

After receiving word of the gathering, police raided and terminated the meeting. More than thirty police officers guarded the building and demanded the gathering be cancelled.

A Syrian woman recently shared the heartwrenching story of the death of her 18-year-old son, who was shot and killed by ISIS-aligned militants after he refused to deny his faith in Christ.

Alice Assaf of Adra al-Ummaliya near Damascus told her story to Dr. Yvette Elbayadi Isaac of the American human rights group Roads of Success, which posted the interview online.

Over two years ago, Assaf was informed by a neighbor that the militants had entered the city and were killing Christians. She sought a way of escape, but never felt safe enough to do so, since "passersby were systematically killed."

Assaf and her children took refuge at a neighbor's house, where they began hearing of the atrocities that were being committed in the city.

"We heard that the militants grabbed six strong men working at the bakery and burned them alive in the oven," she recalled. "After that, they caught some 250 kids and kneaded them like dough in the bakery dough machine."

She said that the oldest child was four years old.

Dozens of Chinese Christians Beaten, Detained By Authorities As Persecution Rages On

By LEAH MARIEANN KLETT (NEWS@GOSPELHERALD.COM) Oct 27, 2016 10:53 AM EDT

China Aid's "Chinese Government Persecution of Christians and Churches in China" report found there has been a 4.74 increase in persecution in 2016 compared to last year. Reuters

Dozens of Christians were detained and beaten by authorities in China's central Henan province as the Communist government tightens its grip on believers in the country.

According to persecution watchdog [China Aid](#), witnesses said police officers from the Nanle County Public Security Bureau beat a local Christian on September 25, then detained and beat 20 more believers for their beliefs and arrested them all.

Zhang Mingxuan, a pastor and president of the Chinese House Church Alliance, condemned the actions of the Nanle police and called on the international community to unite in prayer for those persecuted in China.

"It is against the national constitution and laws for house church believers to be beaten by Nanle County Public Security Bureau," he said. "A lot of problems have been caused because they [the public security bureau personnel] control, attack and persecute Christianity in Henan. I hope the international community will pray for them."

Christian Churches in India Rapidly Growing Despite Surge in Persecution, Says Report

Calvary Temple in Hyderabad Facebook/Calvary Temple

India, a predominantly Hindu nation, sees a rise and growth of megachurches with members “from all walks of life,” according to a report.

From farmers to urban dwellers and almost everywhere in between, Christians in India are packing churches to the thousands. According to a report from [Christianity Today](#), there are approximately 25 to 60 million Christians in the country, most of whom are Catholics, while about 1 billion Indians are Hindus.

The growth has been surprising. In a farming community in Rajasthan, for example, a congregation of 2,000 attends the service every Sunday. In some cases, family members have to take turns going to the service so that someone is left behind to take care of the farm animals.

The church is pastored by Bhagwana Lal, who hails from the tribal group considered to be below the Dalits, India’s lowest caste and society’s outcasts.

Another church in the city of Hyderabad, which can fit 35,000 people, gets packed during each one of its five services every Sunday. Calvary Temple is dubbed as the “largest church in India.” It is pastored by Satish Kumar.

In a new set of education rules, the Chinese Communist Party is urging citizens to spy on their neighbors and report parents who raise their children in a religious faith or have them attend religious services.

In the northwestern region of Xinjiang, the government released the new education norms on Wednesday, with special emphasis on religious formation, according to the U.S.-based human rights [group](#) China Aid.

Johnnie Moore, a Christian author and humanitarian, is slamming President Barack Obama and Democratic presidential nominee Hillary Clinton for their action — or inaction — when it comes to the Christians currently facing "genocide" in the Middle East.

In an interview with Newsmax TV earlier this week, Moore told host J.D. Hayworth that members of the Obama administration have "sat on their hands" during the brutal killings and displacement of Christians in the region as the Islamic State continues to seize land.

"If you support Christians who have been the recipients of genocide in the Middle East," Moore said, "you're called 'Islamophobic,' and it's just incomprehensible."

Moore, who authored the book *"Defying ISIS: Preserving Christianity in the Place of Its Birth and in Your Own Backyard,"* went on to tell Hayworth that both Obama and Clinton are responsible for the "systematic dismantling of religious freedom in this country, and they have sat on their hands while hundreds of thousands, if not millions and millions, of Christians have been displaced and killed."

To that end, Moore offered a new phrase to describe Obama's administration, accusing the president of "Christophobia." Moore, who said he has spent considerable amounts of time working with Muslim refugees, said he and others have been called "Islamophobic" for simply "speaking up for Christians."

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

From [Christian Aid Mission](#):

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

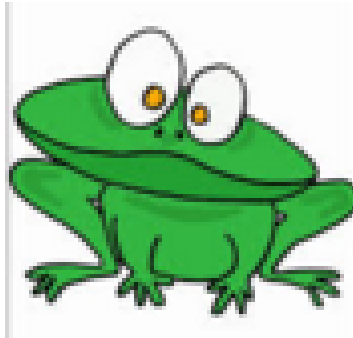

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.
