Do Not Leave Your Station with Diana Pulliam

Join Johnny Baptist while he discusses the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Join us tonight for another motivating prophetic warning from sister Diana Pulliam. The Lord showed Diana that we are not to leave our station and stand our ground, as time continues to grow shorter day by day.

GREAT QUOTES ON SIN

"The recognition of sin is the beginning of salvation."

- Martin Luther

"Many mourn for their sins that do not truly repent of them, weep bitterly for them, and yet continue in love and league with them."

- Matthew Henry

"Have you ever stood on the same plot of ground with the publican, crying--God be merciful to me a sinner?"

- William Tiptaft

"Repentance is as much a mark of a Christian, as faith is. A very little sin, as the world calls it, is a very

great sin to a true Christian."
- Charles Spurgeon

"To do so no more is the truest
repentance."
- Martin Luther

"Repentance is more than just sorrow for
the past; repentance is
a change of mind and heart, a new life of

Standing Firm through Trials

But who can endure the day of His coming? And who can stand when He appears? For He is like a refiner's fire and like launderer's soap.

—Malachi 3:2

Scripture reading: Malachi 3

Praising God in a meeting is a different thing than thanking Him for the trials you face in your life. There must be no perishing though we are tried by fire. What is going to appear at the appearing of Jesus? Faith! Your heart will be established by the grace of the Spirit, which doesn't crush, but refines; doesn't destroy, but enlarges. Oh, beloved, the Enemy is a defeated foe, and Jesus not only conquers but also displays the spoils of His conquest. The pure in heart will see God (Matt. 5:8). *"If therefore your eye is good, your whole body will be full of light"* (Matt. 6:22).

What is it? It is loyalty to the Word by the power of the blood. You know your inheritance within you is more powerful than all that is without. How many have gone to the stake and through fiery persecution? Did they desire it? Faith tried by fire had power to stand all ridicule, all slander. We need to have the faith of the Son of God, *"who for the joy that was set before Him endured the cross"* (Heb. 12:2). Oh, the joy of pleasing Him!

No trial, no darkness, nothing is too hard for me. If only I may see the image of my Lord again and again. In the melting pot, He removes the skimmings until His face is seen. When the metal reflects Him, it is pure. Who is looking into our hearts? Who is the Refiner? My Lord. He will remove only what will hinder. Oh, I know the love of God is working in my heart.

Thought for today: You will do more in one year if you are really filled with the Holy Spirit than you could do in fifty years apart from Him.

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped

about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

...Charles Spurgeon

William Booth

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. We ask You to push back The horizons of our hopes; And to push into the future In strength, courage, hope, and love. Because we have dreamed too little, When we arrived safely Because we sailed too close to the shore. Disturb us, Lord, when With the abundance of things we possess We have lost our thirst For the waters of life; Having fallen in love with life, We have ceased to dream of eternity And in our efforts to build a new earth, We have allowed our vision Of the new Heaven to dim. Amen.

Stein switches tactics in Pennsylvania recount drive

AFP 9 AFP December 4, 2016

Former Green Party presidential candidate Jill Stein dropped a request for a state court vote recount in Pennsylvania because petitioners could not afford the \$1mn bond required (AFP Photo/JUSTIN SULLIVAN)

Washington (AFP) - Former Green Party presidential candidate Jill Stein switched tactics in her campaign to force a recount in Pennsylvania, one of three battleground states won by Donald Trump where she has challenged the results.

The party dropped a bid to pursue the recount in a state court, citing difficulties raising a million dollar bond demanded by the tribunal. It said it would instead press on in federal court and file suit Monday.

That was also Stein's deadline for raising the bond money.

"Make no mistake — the Stein campaign will continue to fight for a statewide recount in Pennsylvania," attorney Jonathan Abady said in a statement.

"Over the past several days, it has become clear that the barriers to verifying the vote in Pennsylvania are so pervasive and that the state court system is so ill-equipped to address this problem that we must seek federal court intervention," Abady said.

"Petitioners are regular citizens of ordinary means. They cannot afford to post the \$1,000,000 bond required by the court," read a filing submitted earlier in the Commonwealth Court of Pennsylvania, announcing the state court drive was being dropped.

Stein plans to hold a rally on Monday across the street from Trump Tower in New York "vowing to fight tooth and nail to verify the accuracy, security and fairness of the vote," a statement read.

It has been nearly a month since [Donald J. Trump](#) beat [Hillary Clinton](#) to win the presidency. But efforts continue in three battleground states to take another look at the election results.

On Thursday, Wisconsin [is set to begin the labor-intensive task](#) of reviewing nearly three million ballots in a recount across all of the state's 72 counties. Michigan is likely to follow suit starting on Friday. And in Pennsylvania, there are persisting legal challenges to the presidential results as well.

It is extremely unlikely that this attempt — spearheaded by [Jill Stein](#), the Green Party presidential candidate — will prompt any of these states to flip to Mrs. Clinton, as Mr. Trump leads by a combined margin of around 100,000 votes. Mrs. Clinton would need to be declared the winner in all three states to reverse the Electoral College outcome.

Why are the recounts such a long shot?

While Mr. Trump's lead in each of the three states is narrow — he is ahead by 22,177 votes in Wisconsin, 70,638 in Pennsylvania and 10,704 in Michigan — the margins seem too large for Mrs. Clinton to overcome. A campaign lawyer for Mrs. Clinton, Marc Elias, noted that those gaps would exceed “the largest margin ever overcome in a recount.”

Experts believe it would require the discovery of widespread tampering or hacking of voting systems to move such a large number of votes, and there is no evidence that either has occurred.

What are the possible outcomes, and who decides?

It is possible the recounts will result in a change in the totals, but it is highly unlikely that enough votes will move to displace Mr. Trump. The states are operating under a tight schedule, as they need to certify their results several days before the Electoral College meets on Dec. 19. If the recounts reveal significant disparities, they could be contested in court.

BREAKING: DEM OPERATIVE CONFIRMS ELECTORS' PLOT TO SABOTAGE TRUMP

Mutiny to prevent Trump reaching 270 electoral votes?

Paul Joseph Watson | Infowars.com - DECEMBER 1, 2016 961 Comments

A top Democratic operative has confirmed that there is a plan amongst some members of the electoral college to defy the people in their states and not vote for Donald Trump on December 19th.

According to TV host David Pakman, who yesterday broke news of a plot by 15 electors to not vote for Trump and lobby others to do the same in an effort to prevent him from getting the 270 electoral votes he needs to become president, the claim has been corroborated by a second source.

Described as a "longtime successful Democratic operative," the source told Pakman that based on "direct contact" with electors, there is an organized group "that is indeed planning to not vote for Donald Trump" but have not decided to make their decision public at this stage.

Pakman also talked with two other sources who confirmed that some electors in states Trump won, outside of the coalition mentioned previously, are also planning to refuse to vote for Trump.

Pakman speculates that the two groups of electors planning to not vote for Trump could be separate, meaning the total number could be higher than 15.

Donald Trump, Hillary Clinton are related, genealogy experts say

Regardless of whether blood is thicker than water, America may soon get a chance to see whether it's thicker than politics.

The Donald and Hillary are 19th cousins, according to genealogy experts.

According to a report in Extra TV, genealogy experts say Donald Trump and Hillary Rodham Clinton — the front-runners for the Republican and Democratic presidential nomination — share a common ancestor from England 18 generations ago.

Citing MyHeritage.com's genealogy site Geni.com, the common ancestors are John of Gaunt, the duke of Lancaster, and third wife Katherine Swynford at the end of the 14th century — a century before Columbus sailed the ocean blue.

One of their children was Joan Beaufort, whose descendants include Mrs. Clinton. Her brother John Beaufort is an ancestor of Mr. Trump. Their descendants included several kings of England and centuries of Scottish kings.

CNN is apologizing and has disciplined a producer who was caught on tape joking about president-elect Donald Trump's plane crashing, according to a new report.

A video shows CNN national correspondent Suzanne Malveaux getting ready for a live shot and talking to a producer as Trump was arriving in Indianapolis on Thursday for his announcement about a deal with air conditioner manufacturer Carrier. The producer is discussing signals to the reporter about Trump's arrival. "If I do this, it means he's landed," the producer is heard saying. "That means his plane's crashed — no, I'm kidding."

A video shows Malveaux reacting with a stunned face and laughing at the comment.

Everything Is About To Change

12/1/2016

We will dance very soon My Love, under the moonlight with twinkling stars and with the wave of My hand, I can make it snow the biggest snowflakes while we dance, and you will be warm and safe in My arms! These beautiful times together are coming! Don't lose heart! But first, there is much to do. The war is raging in Heaven and soon will manifest in the physical on Earth! My warriors will go out and save many. I assure you time is short and all of this will kick off suddenly. Everything is about to change, including you! But for you and your friends the change will be glorious! I have My Own protected and strategically placed for their Kingdom assignments. Your transformation is just not about you, but what you need to accomplish while changed. Do you understand? Your transformation is so you can accomplish your Kingdom missions. I know you have heard, "Now", "Soon", "The time is upon you", but I say it is! Don't give up watching every moment for it will happen suddenly and in the blink of an eye! My Love, I see every tear that falls, every sad child, every heart break, every type of despair, and I feel it in My heart for the entire world! But I AM the greatest rescue mission the world will ever know! Soon every child will be safe in My arms! But many will remain to endure the horrors that are coming upon the earth. This is why My Mission is critical now to send out My Warriors into the harvest fields. You know not what field I will send you to, but you will be perfectly trained for a successful mission! I am your Warrior King and your Commander. I command the massive Heavenly Army! Be assured We win and everything will go according to My plan. I am the Master Strategist. Not one of My Children will be Left Behind. You don't have to understand the entire plan but only be ready as an empty vessel to be used to fulfill your Kingdom assignment. Eyes on Me, My Love! It will happen soon and you will be overjoyed!

Please Come Home

Julie Whedbee

<http://iamcallingyounow@yahoo.com>

It is I dear one, the Saviour of all mankind. It is I, the God-man who has come to save men from themselves. The greatest deception one could believe here is that you could do anything outside of Me your Creator. For you see, you were first only formed by a thought in My Heart. Then I breathed My Spirit into you, therefore, you were created to simply be extensions of Me. Never were the Two made to be separate. Therefore, I sent My Son to redeem you from the lie that you are outside of Me. I sent My Son to

once again open up the way for all to come back into fellowship and relationship with Me and be free from the bondage of slavery and sin that man has been under since the Garden.

Come back to Me, My Beloved. Come back to My Garden. Come back to the place of true abiding where you will always only find peace and rest. Truly, the treasures of My Kingdom are to be found in My Garden which is the center of My Heart. Do I not continue to teach you that all is a heart matter? When you seek Me with all your heart, all your soul and all your mind, I have promised you will find Me. Ask, seek, knock and it shall be opened unto you. Surely united with Me, goodness and mercy will follow you all the days of your life.

Do not be troubled and do not be afraid for I always go before you to make your paths straight. I will always make a way where there is seemingly no way for those who walk in trust and obedience.

The more your systems and foundations are crumbling around you, the more I ask you to be filled with My Spirit, for when

you view this reality through My lens, you have the understanding that Heaven is coming to indwell My people in this place, it is already here and this reveals the nearness of My return.

Give to Me the cares and the worries of this life. Allow Me to take your burdens, for you were never meant to

carry them alone. I never desired for My creation to leave the Garden, so My Beloved, I ask you this moment, please return.

Please come home. Please know Me intimately again through My Word and your devotion to Me here, for I am doing a new thing in this season. I am making all things new.

Yes I am going to destroy and bring down all that is not of Me, it has already begun. But I ask your focus to be My glory now. Come back to Me, and find true peace and rest.

Come back to the Garden.

Quoting James Bailey reading Larry Findland's email:

" I was visited by the Spirit of God and told that a black man would become king in the United States. God gave him Ezekiel ch. 29-32. These chapters talk about Gods judgment on Egypt though an evil ruler the Pharaoh. The man was not known to me until years later because he was not in the government at that time. However much of my earlier years as a prophet of judgment and restoration concerns the evil the Clinton's would bring to the United States after Obama. HIGH STAKES / TREACHERY

I felt the Lord wanting me to re-post this Word for about the last month. But I thought really Lord. Are you sure. So I decided to give it a second look. I received this Word on March 9, 2016. I noticed to my surprise something that I did not notice before when I got this Word. It actually tells us that Donald Trump would win the election ("in his season of victory"), but would never make it to the inauguration. The reason, high stakes and treachery.

High stakes - describes a risky situation in which somebody is likely to win or lose a great deal.

Treachery - an act of deliberate betrayal, harmful things that are done usually secretly to a friend, your own country, etc. A violation of allegiance, double-cross, deceitfulness, dirty trick.

I don't know what will happen between now and the inauguration, but something will and it has to do with treachery. I don't know what the Word ("In his flight a spark shall consume him") means, and the Lord has not shown me. There is a lot of talk about Trump being assassinated, or it could mean something else. We will find out soon what will transpire to stop Trump from becoming our next president because the inauguration is only 66 days away. I believe "his season of victory" is now till inauguration.

*I know just thinking about this is pretty heavy and hard to comprehend but we could be in for a rough ride, a tragic set of circumstances perhaps that will change the course of history and set in motion the downfall of our **once** "One Nation Under God".*

March 9, 2016

Election

There stands one who speaks arrogant words. He's able to feed the flocks, but he shall surely not see the end of his pursuits. For darkness will overtake him in his season of victory. He shall not rule, nor sit on a king's throne. In his flight a spark shall consume him. The reason will be high stakes. Treachery bestows the man of the hour and his season shall come to its final ending.

I just noticed that this is my 66th post and there are 66 days till the inauguration, that's amazing. I don't like the number 6 if you know what I mean.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

Hello Johnny

Be encouraged Jesus is coming.

Hey I was thinking; In one of the prophecies that you discussed didn't they mention something about right after Castro died?

I couldn't remember but I'm sure I've heard of prophecy about something happening right after Fidel Castro passed away and it just so happens he just died a week ago?

To live is Christ and to die is gain my friend.

I pray for your brother.

There is a man who's name is "John W. Johnson" and he has a web site full of prophecies. One of his prophecies mentions Castro's death but there really isn't a timeline attribute a person can latch on to such that you could say "after Castro's death, within 6 months, within 12 months? within X months? something bad will happen. So technically (for me anyway) it was open ended sort of like the Billy Graham death one. Jesus comes after Bill Graham dies, okay ... gotchya !! But is that 20 years after? or 6 months after?

If Obama rides off into the sunset, our "timeline" of prophecies has no "anchor" so it "floats" in an endless sea of time until God wills.

On the other hand of 2016-2017 explodes ... we are back in apocalyptic business.

God bless you brother.

Hi John,

Since 2011 I am listening to the Tribulation Now shows through podcasts on my Android phone. I am amazed how the LORD has guided me to this show and how much I have learned from it. Subjects as Love, Holiness, Righteousness, Humility, Intimacy With Jesus are touching my heart and sounds like food to my spirit. (And off course trying to apply it in life)
The Holy Spirit is confirming everything you say in and through my life and in His Word. GOD is so faithful. But also subjects as; The coming destruction, the latter rain, visiting heaven and hell, the alien deception. All revealed by the Holy Spirit to His church / bride, because our Bridegroom does not want us to be ignorant.

I just want to say that I really recognize things you say about life. I also work at a big company here in the Netherlands. It is as Jesus says, I will send you like lambs between wolves. It's very hard and without Him I wouldn't survive.
Sometimes at work I look at the clouds and think; Could this be the day of the Lord?
Then Jesus is saying to me Joshua 1; 'Be strong and courageous'

Praise Jesus. He is learning us, through the Holy Spirit, how our character must be in this darkened world. Protection can only be, if we walk in obedience in His Word.
When you are 'complaining' on the show - 'Lord please don't delay!' - I am very familiar with this feeling and laughing out loud. 8)

Just wanted to say you are doing a great, great job for the King. He will reward you for this (but you already know that, and will, as I also do, not be focusing on the rewards, but on HIM).

The thing you mentioned in a show a month ago about a testimony was wonderful:
Someone went to heaven and didn't 'care' about their relatives, pets or house.
He said: I just want HIM, where is HE, where is my JESUS ?

Wow. Makes me happy and sad at once. It's all about HIM. I also want to love HIM like that. Still learning.

Closing, I want to say I really hope something will happen between now and January 20th.
Basically I went on the same roller coaster ride as you (and many other listeners). Many, many times disappointed nothing happened. But every time nothing happened, it was as if the Lord said to me. 'I am delaying because of My love for the lost souls'.

I am hoping/believing/praying that these are the last warnings and something is about to happen before inauguration day.
Whatever will happen. Thanks for preparing His bride to be spotless without wrinkles or any such thing. To be ready and set our houses in order.

John 15:15
I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you.

Kind regards and Praise Jesus,
Noel [REDACTED]

Hey Johnny,

"The bricks are fallen down, but we will build with hewn stones: the sycomores are cut down, but we will change them into cedars."

Men in the US Government were quoting this passage after the 911 attack. And Obama even inscribed similar language on the last beam to go on the Freedom Tower that now stands in the place of the fallen towers. If these fools would have started at Isaiah 9:9, and read on past 9:10, they would have seen that 9:10 was a act of defiance against God, and brought judgment and destruction to Israel.

Rabbi Jonathan Cahn, a Messianic Jew, wrote a very interesting book called The Harbinger, where he lays out all the things that happened back then to Israel, and how the exact same things are now taking place here in the US. A sycamore tree saved St Pauls Chapel at ground zero, where Washington led Congress for prayer after being sworn in as the first US President. The tree was destroyed and they replaced it with a cedar, without even knowing what they were doing.

In the One Year Bible, if you go to September 11th, Isaiah 9:10 will be read on that day. God is beating us over the head with warnings.

Another very interesting passage in Isaiah, 9:18 considering what has been going on in Israel this past week.

"For wickedness burneth as the fire: it shall devour the briars and thorns, and shall kindle in the thickets of the forest, and they shall mount up like the lifting up of smoke."

I love Israel and her people, but there is a great wickedness in that land. Tel Aviv is one of the gayest cities in the world. And abortion is allowed in that nation. And I don't have to tell you what's going on here in the US. This passage is a warning for the US. That fire could be, and most likely will be a nuclear bomb.

I don't see how God can wait much longer. Everything seems to be lining up to bring a conclusion to the Lucifer rebellion.

Praise The Lord, Praise Jesus, fill me and Guide me Holy Spirit.

God Bless, Shawn

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Amen brother Amen. Proverbs 21:1 "the King's heart is in the hand of the Lord, like the rivers of water He turns it wherever he wishes". God ultimately controls the good and the bad for the purposes of the Kingdom and the greater good.

1 Kings 22:19-23

19 Then Micaiah said, "Therefore hear the word of the Lord: I saw the Lord sitting on His throne, and all the host of heaven standing by, on His right hand and on His left. 20 And the Lord said, 'Who will persuade Ahab to go up, that he may fall at Ramoth Gilead?' So one spoke in this manner, and another spoke in that manner. 21 Then a spirit came forward and stood before the Lord, and said, 'I will persuade him.' 22 The Lord said to him, 'In what way?' So he said, 'I will go out and be a lying spirit in the mouth of all his prophets.' And the Lord said, 'You shall persuade him, and also prevail. Go out and do so.' 23 Therefore look! The Lord has put a lying spirit in the mouth of all these prophets of yours, and the Lord has declared disaster against you."

Lester Sumrall's book:

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

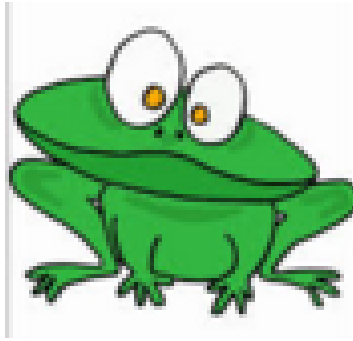

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book. *“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? PROPHETIC WISDOM

"[A]bout the time of the end, in all probability, a body of men will be raised up, who will turn their attention to the prophecies, and insist upon their literal interpretation in the midst of much clamor and opposition.[65]"

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

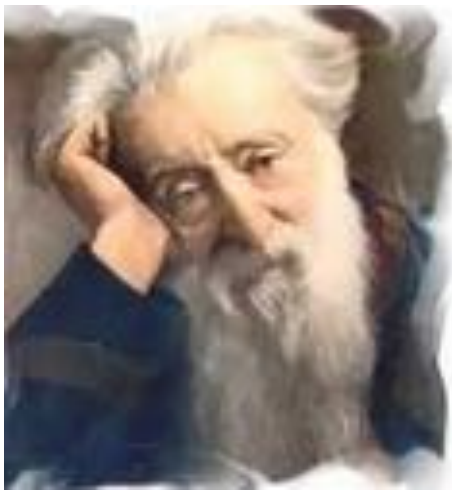

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). *Mighty Prevailing Prayer*:

General Booth

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

**00- Humility by Andrew Murray –
Tribulation Now**

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

Acts 5:32

32 And we are His witnesses to these things, and so also is the Holy Spirit whom God has given to those who **obey Him.**"

NKJV

Psalm 31 : 19

"The Blessing of God's Abundant Goodness":

19 Oh how great is thy goodness, which thou hast laid up for them **that fear thee;** which thou hast wrought for them that trust in thee before the sons of men!

John 14:12

12 "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. 13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

2 Cor 10:4-5

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, **bringing every thought into captivity to the obedience of Christ,**

2 Cor 7:1

7 Therefore, having these promises, beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the **fear of God.**
NKJV

1 Cor 13:1-7

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

NKJV1

James 4:11

11 Do not speak evil of one another, brethren. He who speaks evil of a brother and judges his brother, speaks evil of the law and judges the law.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. “Whether it means life or death—it makes no difference!” (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God’s will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God’s gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

Prophetic Dream Reveals War Starting in Europe During Christmas Season

📅 DECEMBER 3, 2016 🕒 10:01 PM BY ELIZABETH MARIE 🗨️ 40 COMMENTS

On November 26 2016, I dreamed it was Christmas time and I was in an old, beautiful theater building, in what seemed to be a huge, old European city. There was a sense of festivities in the air.

I was upstairs on the second floor of the theater, getting ready to go on stage and perform with a few other people. I was very anxious, as I couldn't remember my lines at all. I was trying to find my script, so I could rehearse.

As I looked up, I noticed there was a very large picture window at the end of the room, which overlooked the first floor lobby of the theatre. I went to the window and looked down at the lobby. I saw crowds of people with children slowly streaming into the theatre. I was quite upset, thinking to myself that this theatre is much bigger than I had thought, and that added to my anxiety of performing in front of such a large crowd.

My thought was quickly interrupted by something I saw in the crowd that caught my eye, some fierce looking soldiers with large rifles over their shoulders. They were wearing berets and dark green camos. [I believe what I saw was part of the British army because of their attire]. They were on the outskirts of the lobby, slowly slithering into the crowd, trying not to be noticed. And no one else seemed to notice them, except me.

I realized there was some sort of an attack about to happen and that I needed to immediately go inform my colleagues. I ran and told them what I had just witnessed. We all agreed we needed to leave quickly without doing the performance and sneak out the lower back door. At this point it felt very much like the 'Sound of Music,' when the Von Trapp family had to sneak out right after their performance!

President Obama Now Preparing Bigger Guns for Battle Ahead

DECEMBER 3, 2016 3:54 PM BY HEIDI BRYDEN 53 COMMENTS

M f t e + 15

In the early morning hours on December 1 2016, I had a dream. This is my first dream about President Obama and I was surprised to receive it. It put a heavy prayer burden on me and I sought the Lord for the reason for it. I have to share it as God is directing me to for the benefit of raising up intercessors for the future of America.

In this dream, I was being trained at the White House. Someone on my left was telling me what to do. It was a male, but I never saw him except his hands. He had on white gloves, like a butler. He was showing me where the guns were because President Obama had requested a small pistol to do some practice shooting with his daughters.

I watched and listened as this man got the gun and placed it in a small white velvet box, about 4' x 6". He then handed it to a secret service agent, like a butler would do. The whiteness of the velvet box and his gloves were highlighted to me.

After some time, I was going down white carpeted stairs in the White House into a dark basement to retrieve the pistol from President Obama. I was by myself, as if I was now trained and part of the staff, and authorized to do this alone.

I went into an area where President Obama was sitting in a chair, at a long shelf that looked like an office area with the shelf lit up by dim lights against a black wall. He had his two girls beside him, one on his right and one right in front of him and he had his arm around her. I was surprised to see the little practice shooting pistol had now turned into an AK47 assault rifle! Obama was holding the AK47 and was showing his daughters details on it and telling them in quiet tones how to use it. I sensed he was even telling them who to shoot with it.

Obama turned to look at me, and was surprised because HE HADN'T FINISHED USING IT yet. His demeanour was quiet and polite, although I knew more was going on than the eye could see by his outward appearance. For a moment, I was trying to figure out how the AK47 had fit into that little white box. End of dream.

Interpretation:

It was very clear to me after praying and receiving a word from the Lord that Obama is not ready to give up his position in the White House and that he is deceitfully preparing bigger guns than what he has been using. His plans are hidden, but he is preparing for a battle.

I believe the man beside me was an angel, revealing these things to me. I opened my bible after asking Holy Spirit for a word and it immediately fell open to Psalm 94.

You Will be Given Greater Weapons to Use Against the Enemy

11-21 through 11-23-16

My bride, I love you and I long for you more than I can express to you in your earthly language.

I make myself known to you through My manifest and abiding presence. The world cannot understand this for they have been deafened and blinded and no desire to know Me; but you know Me and I know you and I desire that you all would be one just as you are one with Me and as the Father and I are one.

You are the ones who have My love in your heart always because I have put it there.

The ones who do not love, do not know me. They

may know about me but they do not know Me in the intimate way that is required to be My bride. You keep My commandments and they are not grievous to you because you walk in the power of My Spirit and you have put away all of the lusts of the flesh.

You are the ones who long for Me constantly and you never forget Me. You cannot imagine even one day where you did not speak to Me or worship Me. My bride would gladly give her life for Me, if it was required of her, because she knows that if this life is taken away from her, she will immediately gain the next, that is far greater than this earth can give her and she will stand in the presence of her true love.

My loves, the things that you will have to see will try your faith.

There is so much coming, but I do not want you to fear, for if you do I will not be able to protect you, for you will open the door for the enemy to come in and attack you.

Once the event happens, I will give you more clarity and though the calamities will be all around, so will an ever increasing measure of My Spirit. You will have a knowing of what to do because I will give you specific instructions. You will need to find a secret place alone with Me so that I can give these instructions. Yes, your families and friends will need

you, but you will have nothing to give them if you don't seek Me first and foremost. I AM your strength, your shield, and your helper and I will dispatch more angels to aid you than ever before too. If you are having problems with fear call upon Me for help, I will not condemn you, for the things that will be happening on this earth will be more horrific than you can imagine. You must just lay everything down before Me and let Me work through you, by the increased faith that I will put in your heart. You will need to stay in a constant state of worship, singing and praying in the Spirit always. This is how you will gain strength and faith My beloved bride. As you do this your power in the Spirit will increase and I instruct you even now to increase your alone time with Me.

Yes, you are the ones who have been chosen for this time on earth since before the foundations of the earth. You also had a part in this choice. You will be tested and tried more than any other generation before or after you. Anyone who tells you otherwise is a deceiver. The world you live in will not ever go back to the way it was. This is the time of the great harvest and the workers are so few, but you, My pure, holy, spotless, beloved laborers will have great rewards because of this. The rewards that you will gain will last for all of eternity and they are so much

greater than anything that I can give you here on earth. You can't even imagine what I have in store for you, even if I have taken you to heaven, because I have not shown them to anyone who has visited here. They are secrets known only to Me and the Father and you will be astonished by them!

I have said, do not set your hand to the plow and look back. Likewise those who set out into the harvest and stop their work because of fear, are not worthy of My kingdom. Do not long for the times that are past, as Lot's wife, for you will be consumed as she was. You are not dogs who return to their vomit and you are not pigs that return to wallow in the mud after they have been made clean.

You are My overcomers and you have been given the power to trample over serpents, scorpions, demons, fallen angels and even Satan himself, by My blood sacrifice and the words of your testimony. You will not fear the death of this life because you do not love this world or the things that are in this world, for they are a deception and a distraction away from Me.

My beloved bride, you will be given greater weapons to use against the enemy than those that you have now but this will happen as the conditions on your

earth become ever darker and cataclysmic. When the enemy comes in like a flood, I raise up a standard against him and you are the ones! You will just have to walk through a short span of complete darkness before I completely empower you. I know many of you do not understand this but because of the rules that I have made for intervention on this earth, I cannot give you My full power until the enemy has been granted to use his full power.

The darkness will flee before the great glory that I will give to you!

I tell you that the enemy is no match for you!

You will help Me defeat him!

I AM your groom

The World's System is About to Fail

I am about to lead many of My people into faith walks. They are going to need this knowledge for the future.

This is My desire, My people, that you would pay heed to My Word, for I have told you how to walk by faith and not by sight in My Word in many places. The world's system is about to fail and you will not be ready if you do not learn this.

This will be an intricate journey for you, for you have acclimated to the world you live in to survive, so you know the ways of the world, but you do not know My ways.

I desire you would learn of My Ways. Then, when this change begins, you need not panic as others will surely do all around you. I have very specific ways of providing for My people when they walk by faith in Me, and I never let them down.

I will begin to move some of My People into faith walks before the end of this year.

Stay calm. Do not panic. Do not fear, but trust Me if you are one of these people. Know that I am your loving Father, that I do nothing without cause, that I am always working for your higher good, and that I will provide for you. I will protect you and take care of you.

Guard Your Minds

Guard your minds. Guard your minds well, for the enemy comes to sow doubt and discord into your hearts through your thoughts. In this way, he can negate your great faith in Me to answer your prayers and therefore make your dreams a reality.

By sowing doubt, he will deceive many in these end times. Many shall perish when they cannot believe for their needs to be met in times coming.

A time of great need lies ahead, not only for America, but for many nations, My children, and great faith will be required to survive it. (In my spirit, I saw a great famine, and no jobs – something had happened to all the industries, as if they could not function.)

This time of need will bring great famine to your lands and it will continue for many years. You cannot store enough food to get through it, for it is very long. Many thousands will perish in this time, but I shall care for My own that have faith – faith to believe Me for what they need to come miraculously.

In this time, the enemy will indeed gain many souls, because the love of My Body will fall away. Because I do not stop the famine, they stop believing.

Scripture must be fulfilled, My children. Though this world and all in it pass away, not one jot or tittle of My Word shall pass away.

Guard your minds, and your faith. Rejoice in your trials, for I am preparing you by increasing your faith now for what is to come, because I love you.

Much Suffering

Much suffering lies ahead for the people of America.

My people need not fear. Did I not feed My own in the desert, in times of famine? Did I not protect My own who walked in My ways, even in times of war, in My Holy Word?

The key, My children, is to be found abiding in Me, in My Word, for there you will see how I treat My own. Many of My people are fearful of My judgments. You do well to fear My power, but remember, I am your Father. You are My precious child.

When you obey your Father, is there anything to fear?

Provision

My people are not trusting Me to provide for them in what is coming. The enemy has consumed their minds with fear and they are not trusting in Me, the living God, for what they need.

My people - do you not know and can you still not understand that no amount of earthly provision can sustain you through My judgments? What the future holds are not merely acts of weather, they are My judgments on a world that has rejected Me and refuses to walk in My ways.

Why have you stopped believing in Me and My mighty hand of provision? Seeds you sow now shall sustain you then, not your own earthly provisions, for you are not able to contain enough provision for that time. Could Joseph's brothers have enough grain for all their family for seven years of devastating famine?

The famine that comes will be unlike anything you have seen before and no man shall be able to remedy it.

Go back to the basics, My people. Believe in Me, your God. Be ye not double-minded. Set your heart to believe and stay on course. There is no room for doubt in what is coming. It is not difficult for Me to provide for you and your loved ones. I created everything you see! I created you!

THE SON OF KENYA PROPHECY

“Q. Is Barak Obama the “Son of Kenya” foretold by the great 19th Century Kenyan Prophet, Johanwa Owalo, the founder of Kenya’s Nomiya Luo Church?

A. Among the Kenyan people of the Luo religion Owalo is believed to be a prophet similar to Jesus Christ and Muhammad, and who in 1912 made this horrific prophecy about the United States:

'So far have they [the United States] strayed into wickedness in those [future] times that their destruction has been sealed by my [father]. Their great cities will burn, their crops and cattle will suffer disease and death, their children will perish from diseases never seen upon this Earth, and I reveal to you the greatest [mystery] of all as I have been allowed to see that their [the United States] destruction will come about through the vengeful hands of one of our very own sons.' “

The 12 Imam Prophecy

The next one comes from a Forbes.com article dated 10-26-08 by Amir Taheri, author of 10 books on Iran, the Middle East and Islam.

“Q. Is Barack Obama the "promised warrior" coming to help the Hidden Imam of Shiite Muslims conquer the world?

A. This question has made the rounds in Iran since last month, when a pro-government Web site published a Hadith (or tradition) from a Shiite text of the 17th century. The tradition comes from *Bahar al-Anvar* (meaning Oceans of Light) by Mullah Majlisi, a magnum opus in 132 volumes and the basis of modern Shiite Islam.

According to the tradition, Imam Ali Ibn Abi-Talib (the prophet's cousin and son-in-law) prophesied that at the End of Times and just before the return of the Mahdi, the Ultimate Saviour, a "tall black man will assume the reins of government in the West." Commanding "the strongest army on earth," the new ruler in the West will carry "a clear sign" from the third imam, whose name was Hussein Ibn Ali. The tradition concludes: "Shiites should have no doubt that *he is with us.*"

In a curious coincidence Obama's first and second names--Barack Hussein--mean "the blessing of Hussein" in Arabic and Persian. His family name, Obama, written in the Persian alphabet, reads O Ba Ma, which means "he is with us," the magic formula in Majlisi's tradition."

From these secular sources it appears that people from diverse backgrounds believe that a leader matching Mr. Obama's description could appear in the last days, and that his impact will not be good for America. Time will tell.

The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

House 12 President: ?

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

[Note: Could this be the Puerto Rico Comet event?]

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

[Note: This is the Sixth Seal Rev 6:12-17]

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved.

Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

[Note: This is Obama, the Antichrist]

Then the dream ended.

African American President Turns Dictator (Obama)

The Dream of Obama from the 1980s

We have waited until when we thought was the most appropriate time to release this, and it is now, May 2012.

I saw this in a Danny Viera newsletter from his Modern Manna ministry in 2008:

"The first dream takes place in the mid 80's from a pastor in California who ran an SDA end time/prophesy training center. His name was elder Jack Damall. He is now deceased. One night he sponsored a Bible study at his home and as the guests were leaving, he pulled one of the men aside and told him that he was impressed to tell him an impressive dream that he had. "It was the time when Jesus returned to earth in power and great glory. America had an African-American president when Jesus returned. He was tall and thin, had close-cropped hair, and large ears. When elected, at first, he was greatly beloved by the people, but then he became a terrible dictator. The dream was not widely discussed, because at this time they could not see a black man being voted in as president with so much prejudice in the country still.

"Friends, I made a call to Patti, the woman mentioned in the third dream to confirm the first dream was true. Patti said, 'Yes, Danny, it is true. Elder Damall told his wife, a friend, and a neighbor about the dream. His wife and friend had the exact same story and they perfectly matched. I checked it out myself. He also said there would be one more pope after John Paul II.' That means Pope Benedict XVI--the pope of the Inquisition--would be the last pope!" End of 2008 newsletter. (Steve Wohlberg also had this in his newsletter.)

Vangelia Pandeva Dimitrova, better known as Baba Vanga, was born in remote European mountains then controlled by the Ottoman Empire. She was blind, believed she could predict the future, and eventually attracted a following in Russia. She died in 1996, but her predictions live on, particularly on the Russian web. A Russian documentary about the supposed clairvoyant is above. Even across the language barrier, it's pretty entertaining to click through.

According to the Baba Vanga folklore, her big breakthrough in Russia came after a Russian nuclear submarine sank in 2000, killing 118 sailors and allegedly fulfilling one of Vanga's prophecies. Since then, enthusiastic Baba Vanga fans in Russia have found "proof" that she foretold the 1986 Chernobyl nuclear disaster, the Sept. 11 attacks, you name it.

Her Russian fans also believe that Baba Vanga correctly predicted that the 44th president of the United States would be African American, a prophesy in which she apparently added that he would be the last U.S. president.

To be clear, it's difficult to determine what Baba Vanga actually said. And there's no reason to lend this prediction any seriousness whatsoever. Still, it's interesting for the degree to which many Russians seem to be at least aware of the prediction about America's "last" president, and possibly even believe. One Russian social media user even cited the prophesy in passing, reacting to the news of Obama's reelection: "It was clear that Obama would win... he and not Romney is the last president of the USA according to Vanga's prophecy," according to a translation by Russia blogger Augis Barkov.

If that seems alarming to you, it's worth noting that Baba Vanga also says, according to a round-up of her predictions by Vice magazine, that the Earth's orbit will shift in 2013. And a number of conspiracy theory Web sites that I won't link to here also claimed she foretold a third world war to begin in ... 2010. Hopefully, then, her powers are on the decline.

Obama Will Not Be Taken Out of Office

AUGUST 20, 2015 3:17 AM BY JAMES BAILEY 33 COMMENTS

Prophetic minister Stephen Hanson of [In His Truth Ministries](#) received a word from the Lord telling him President Obama is not leaving office at the end of his second term. On August 9 2015 he posted the following statement on his website. Stephen also has a [Facebook page](#).

I realize that this prophetic word/vision will cause many to be upset and to question it. However, I have been obedient to the Lord in sending it out. I have prayed over

it and asked others to discern its truth as well. Remember that our prayers CAN have a great effect on future events, but God has a plan that oftentimes, goes against our human understanding.

The Lord showed me a vision. I looked and saw the face of Obama off to one side, and then the Lord said,

"This man will not be taken out of office. For with the upcoming elections, much trouble will be occurring. The land will be in tumult. The election will be paved with many problems and issues. And then because of the disruption, another one will be set in his place. For the land will be set ablaze with many things. There will be trouble on every side. The very steps of the White House will shake with the tumult. For it is my direction to bring this land to its knees."

THE J. R. NYQUIST DREAM

J.R. Nyquist said: "In closing, I will outrage the skeptics further by mentioning a dream I experienced 23 years ago. In the dream I saw the future presidents of the United States. Their portraits were lined side by side from left to right. The first in order was Ronald Reagan who had just been elected. The second was George H. W. Bush. The next two faces I did not recognize. An old man was present in the dream and I turned to him. Where are the others? I asked, wanting to see the rest of the future presidents. There are no others, he replied. After these the Republic ends."

(Note from MfM: The last leader of Judah was a puppet emplaced by the king of Babylon. The dream of J.R. Nyquist showed only two presidents after George Bush, Sr. Bill Clinton and George W. Bush filled those slots. The evidence that Obama is not an official president is overwhelming.)

Only Two Choices in the 2016 Election: Obama or Obama

AUGUST 19, 2015 2:58 PM BY JAMES BAILEY 27 COMMENTS

M f t e + 24

Melissa Peggs recently shared another prophetic dream about President Obama. This time she saw the 2016 Presidential election. In the dream she went to the voting precinct to vote, but was surprised to see the only choice on the Republican ballot was Obama and the only choice on the Democratic ballot was also Obama. Her 11-minute video is shown below.

Her dream confirms a prophetic word shared by Glenda Jackson, which I posted previously. Glenda Jackson:

Obama Will Suspend 2016 Presidential Election.

I believe the Lord is revealing to those who are listening there will be no 2016 Presidential election. The current news media focus on the Presidential candidates is only a distraction and a waste of time. My recommendation is to turn off that nonsense and find something more productive to do.

Our country is in great trouble and it is later than we think.

The Year Ahead

The year ahead shall be fraught with perils, My children. I am shaking those things that can be shaken in order to show those that believe Me not their great need of a savior. They will not turn their hearts to Me until they see they can no longer save themselves.

My children who walk with me know they need not fear. Every earthly kingdom will I shake. Every union and alliance not built on Me, will I also shake.

It is imperative that My people are clinging to and relying on Me and My Word alone. If you have placed your faith in anything other than Me, I shall expose it to you as I shake you loose from it.

Times coming will require your absolute, undivided loyalty to Me only. Any allegiance to the Evil One will be your destruction in that time.

I am coming back for a bride without spot or blemish!

Guard Your Minds

Many years!

Guard your minds. Guard your minds well, for the enemy comes to sow doubt and discord into your hearts through your thoughts. In this way, he can negate your great faith in Me to answer your prayers and therefore make your dreams a reality.

By sowing doubt, he will deceive many in these end times. Many shall perish when they cannot believe for their needs to be met in times coming.

A time of great need lies ahead, not only for America, but for many nations, My children, and great faith will be required to survive it. (In my spirit, I saw a great famine, and no jobs – something had happened to all the industries, as if they could not function.)

This time of need will bring great famine to your lands and it will continue for many years. You cannot store enough food to get through it, for it is very long. Many thousands will perish in this time, but I shall care for My own that have faith – faith to believe Me for what they need to come miraculously.

In this time, the enemy will indeed gain many souls, because the love of My Body will fall away. Because I do not stop the famine, they stop believing.

Scripture must be fulfilled, My children. Though this world and all in it pass away, not one jot or tittle of My Word shall pass away.

Guard your minds, and your faith. Rejoice in your trials, for I am preparing you by increasing your faith now for what is to come, because I love you.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure. In the period of time following the disease, which was quickly followed by the long winter, things started going downhill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

Brian Barker (23 Jan 2014)
"Prophecy of Rabbi Judah Ben Samuel"

We are closer than what we think

The Eight-Hundred-Year-Old Prophecy of Rabbi Judah Ben Samuel

Will the years immediately following 2016 be prophetically important for Israel and the world? Earlier we noted when seventy years (a biblical generation) is added to 1948—the year Israel was formally recognized as an independent nation by the United Nations—it brings us through the year 2018. Does this mean the year 2019—exactly seven years after 2012—would mark the year that Jesus Christ returns with the armies of heaven to establish His rule over Earth? According to an eight-hundred-year-old prophecy, it certainly could. Before he died of cancer, J. R. Church analyzed the ancient predictions of Rabbi Judah Ben Samuel and noted:

Ludwig Schneider, writing for Israel Today (March 2008) said, **"Some 800 years ago in Germany, Rabbi Judah Ben Samuel was a top Talmudic scholar with an inclination for the mystical. Before he died in the year 1217, he prophesied that the Ottoman Turks would conquer Jerusalem and rule the Holy City for 'eight Jubilee Years.'" A biblical Jubilee year consists of 50 years. Fifty multiplied by eight equals 400 years.**

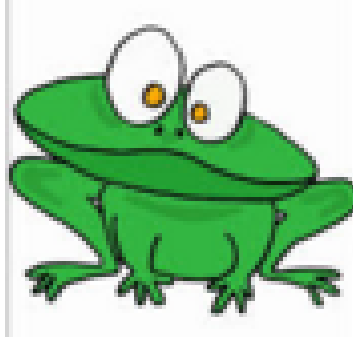

Afterwards, according to Ben Samuel, the Ottomans would be driven out of Jerusalem, which would remain a no-man's land for one Jubilee year. In the tenth Jubilee year [2017]...the Messianic end times would begin....

Looking back at Ben Samuel's prediction, we should note that the Ottoman Empire did conquer Jerusalem in 1517, exactly 300 years after the rabbi's death, and was defeated 400 years later in 1917.

In Israel Today, Ludwig Schneider continues, "This came to pass 300 years after Ben Samuel's death. He could not have based this prophecy on events that could be foreseen, but only on the results of his study of the Bible.

According to Leviticus 25, the nation is reunited with its land in the year of Jubilee. Therefore, the Jubilee year plays an important role in Israel's history. In this case, the Jubilee began with the defeat and conquest of the Mamelukes in Jerusalem by the

Ottoman Kingdom in 1517. The Turks reigned over Jerusalem until the British General Edmund Allenby defeated them exactly eight Jubilees later in 1917.

PASTOR TD HALE DREAMS

The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

Please Note: It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

Wings of Prophecy – Your Time Has Come II (Glynda Linkous)

Bullet points for you. Urgent message from Glynda.
Mainly about America's coming judgement.

1:00 Speaks of all the blood America has shed beginning with the Native American and how their blood is crying out

5:55 It is too late for repentance for America. God has told her that the judgement of God on America is set now.

7:9 America will be destroyed, it is only a question of when

7:33 Hear me you Washington politicians and leaders, YOU are no longer convenient for God. Judgement is coming from His hand and it is coming for you. To every person who refuses to repent and honor Him

7:50 It is coming to every pastor, politician, person who agrees with and supports abortion and gay marriage in defiance of His Holy Word

8:00 it is coming to avenge the blood of every native American, slave and innocent baby you slaughtered... you have become a filthy abomination in His sight. There will be no where to hide from His mighty hand

8:50 Every knee shall bow, including YOU Washington DC. What you sowed, you will reap

10:00 Prophet message she was given, right after she recorded the message above

2:30am Word for Word...

A Dark and terrible destiny awaits America. Once the land of the free, now the land of anything goes. America, once a joy to Me...you have become a filthy stain of sin on the world I created. I have watched for years as your cup of iniquity filled up, I can delay judgement no longer. You pridefully refused to turn from your wicked ways. Like a shameless harlot, you flaunt your sins around the earth.

You are no longer my own. I cast you out. Your time has come.

11:00 Glynda emphasizes that this is a very serious and urgent Word from the Lord. She pleads for people to repent. No one knows where this will strike first. When God says something like this, He is not playing.

The message she gave rose up and rose up in her spirit until she got up in the middle of the night to record it. She pleads with everyone to witness to as many as possible (gently) for Jesus. If the person won't receive it then pray that the Lord will send someone they will listen to.

OBAMA, HILARY AND NO TRUMP

This prophetic word covers and agrees with all the trustworthy prophetic words out there with a harmonizing series of events.

Key Points:

There are no trustworthy prophecies of Trump being elected

There are some potentially trustworthy prophecies of "a female" tyrant being placed over the people of America

There's a huge collection of Obama, martial law, Antichrist, dictator and destruction of America while in office prophecies

This prophecy covers them all.

Fascinating. If true this substantiates the thoroughness of Amos 3:7

Praise Him

The current prophetic "intel" indicates

- 1) Trump may get shot**
- 2) Trump will NOT get elected**
- 3) Hillary will get elected**
- 4) Chaos ensues between election and inauguration**
- 5) Martial Law established**
- 6) Obama maintains Presidency**
- 7) Hillary become tyrant under Antichrist**

America, This Is Our Last Breath

MAY 25, 2016 1:38 AM BY PASTOR BENJAMIN FAIRCLOTH 31 COMMENTS

[M](#) [f](#) [t](#) [v](#) [+](#) 23

This morning May 24, 2016 around 3:00 am I was awakened by these words; “America’s last breath, Isaiah 51”.

As I struggled to awake, I heard the Father repeat this phrase, along with more details. I got out of bed and proceeded to write the following words:

“Hillary will win the election by default. Obama will stay in due to the chaos. It will be a two-headed serpent, which you cannot kill until I come. This will be what America wants and deserves!”

As I questioned the Father about this strong word, He proceeded to give me understanding. Hillary Clinton will become President because of the chaos that will envelope this nation. I believe as other watchmen do, martial law will arrive because of the chaos (caused by terrorism, financial crisis, disasters, etc). Even if Trump wins the general election or the popular vote, it will be taken from him by default.

Somehow Obama and Hillary will operate together. How long? I do not know, but the Father said we will not be able to stop or destroy this entity (Beast System) until He returns (Revelation 13:7, Daniel 7:21-22).

The true heart of America wants this beast system. They want gay marriage; they want the insanity that we are allowing to flow from the sewage pipes of hell! Our lack of fight is proof! The Babylonian church is in bed with the world and has played the harlot to give birth to this bastard system we call church in America. If that offends you, then that is proof of what system you are in.

Listen, I’m not claiming this is the end of world, nor am I peddling fear, but we are at the end of the current world system. The old system is being destroyed before our eyes. No candidate, no movement, no church will be able to stop this slide into Babylon.

The Father went on to say, “Business will not be normal again. Life will not be normal again. This will not be business and life as usual!”

In the coming months, our world is going to change. Our money, our freedoms, our democracy, our churches, everything is going to change. We need to stop listening to church leaders who are asleep, lethargic, apostate, and political leeches!

<https://z3news.com/w/america-our-last-breath/>

- END -

William Branham's 1933 vision.

Rev. Branham received the vision on a Sunday morning as he was preparing his sermon. He said that God showed him seven things that would happen:

1. The Italian Fascist dictator Benito Mussolini would invade Ethiopia. He will later come to a shameful demise and suffer a horrible death. His people would spit on him.
2. Adolf Hitler would start the Second World War. America would be drawn into the war. Hitler would come to a "mysterious end." Rev. Branham was shown the Siegfried line where there would be a great loss of American lives.
3. Three "isms" would spread across the world. Fascism, Nazism, and Communism. The voice in the vision told him to "Watch Russia, she will become a great world power."
4. After the Second World War, technology and science would advance rapidly. People would ride in driver-less egg-shaped cars with bubble roofs and no steering wheels. The passengers would be amused by games while riding in the driver-less vehicles.
5. America's morality would decline significantly and rapidly. Moreover, women would begin wearing skimpy clothing, and would adopt the clothing of men. In the vision, he saw a woman who was all but naked as she clothed herself with a tiny apron the size of a fig leaf. The moral degradation of women permitted sexual perversion to flourish.
6. **A cruel woman will seize power in the United States. She possessed a hardness that defied description. She was cruel, wicked, and cunning. She dominated the United States with authority, and she had complete power over the population. The voice did not tell him**

the identity of the wicked woman. He wasn't sure if it would be an actual human being or a spiritual entity.

7. The voice in the vision told him to look again at America after the cruel woman seized power. He saw great explosions rip the country to pieces. He saw America turned into a land of smoking ruins. As far as his eye could see there was nothing remaining except smoldering piles of debris and craters. He saw no human life.

I don't know if Hillary Clinton will be the fulfillment of the Sixth scene in William Branham's 1933 vision. If she is that person, the last scene won't be far behind her. God have mercy on us.

BTW.

After I wrote it more came back to my memory of the event.

The last year for me has been hard. very very hard. I wont go into details but the events of my life just in the last 12 months leading up to today.. the last day of my 43rd year.. were the final stage. I am dead to this world now. And going by what I can remember now of that event 28 years ago...I can see why.

There is a vast and terrifying abyss just ahead. Many millions dying.. war.. death.. loss of hope. Our whole way of life.. our entire civilisation.. will soon be in ruin..

That is when lights shine the brightest.. when darkness falls.

The darkness falls very soon. Before the middle of next year... I cant see clearly WHAT it is.. I only know its devastating.. and permanent.. as in.. it ends western civilisation.. forever.

One other thing I know about what's coming..

THERE WILL BE NO WARNING...NO one will predict it.. NO prophet will warn of it.. NO one will KNOW.. until the final few seconds.

Its going to be FAST and SUDDEN and WORLD SHAKING..NO warning.. not even from the Lord.

The ONLY clue I have been given regarding the beginning of the end is...it will happen on an ordinary day. A day just like any other. No change.. no "feeling" of impending doom...just a sudden and shocking CHANGE.. and nothing will ever be the same again.

Our epoch ends.. just.. like.. that.(Snap of fingers)

Then following this change.. this devastating world rocking event.. comes the harvest.

Then before the year **2020**,,,the final end.

I was told I would see it.. the return. Its right at the end. I was also told I would not see the age of**50** in my current body.

I am 44 tomorrow. That is the year I was told my destiny and all these years of hardships.. stupid mistakes.. lessons learnt.. and character building would all find the uses.

We have.. I feel.. but a few weeks of "Normal" left.

Inexplicable Bright Lights Rock A Canadian City

Posted on December 4, 2016 by LUFOS in Latest posts, N. America, Triangle UFO, UFO videos // 3 Comments

Bright lights in the sky have sparked fears of space alien arrival in a city. An online video shows four lights flying in formation before one suddenly vanishes from view.

The terrified man who captured the video claimed that the UFOs followed him for 12 miles down the highway in Brandon, Canada.

The city has recorded 30 sightings in 2015.

In the background of the video, which was uploaded on Saturday, the man can be heard saying he was shaking. He added that the UFOs followed him along the highway and he could not believe he was holding the camera steady.

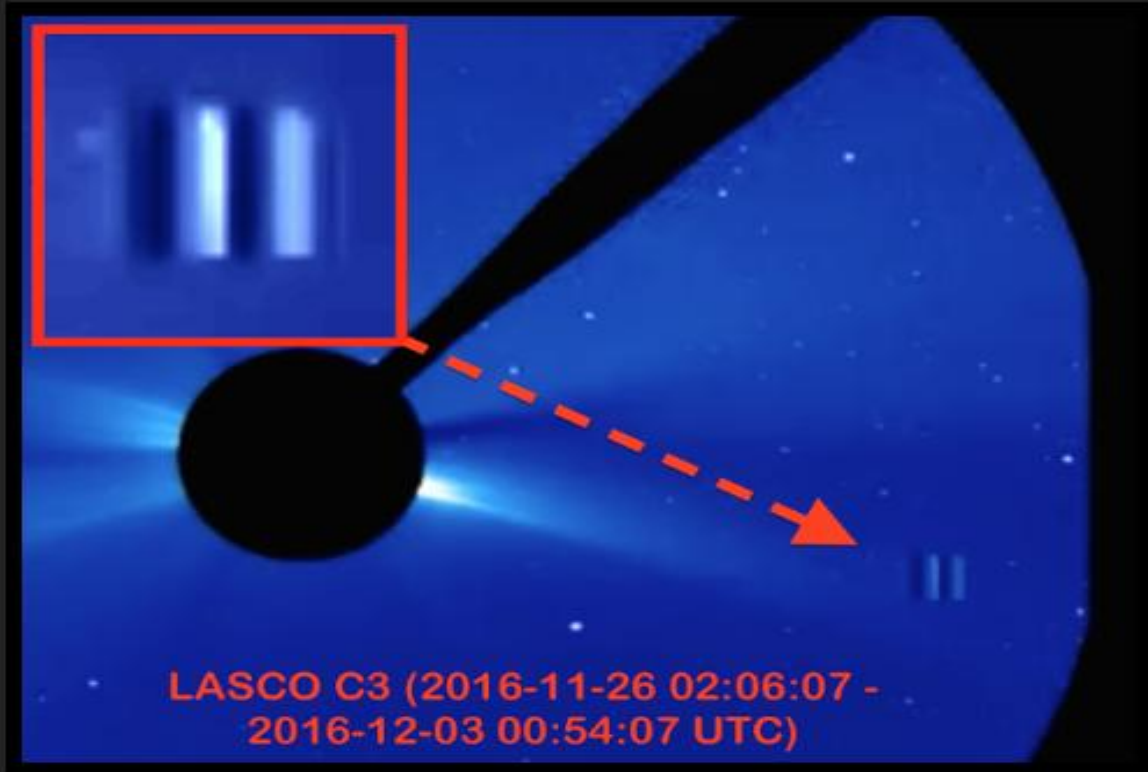

There have been some unbelievable claims of UFO sightings recently, including alien bases on the Moon.

There were also claims involving crashed spaceship on Mars and a UFO passing the Supermoon.

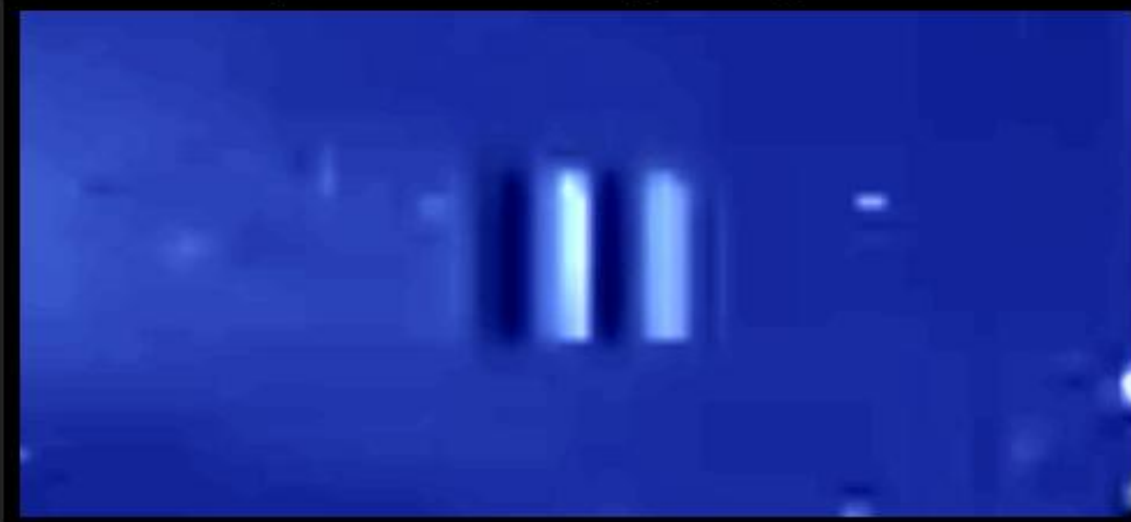

Manitoba Museum UFO expert Scott Young said the city had experienced an increase in the number of UFO sightings.

Scott said that seeing UFOs in the flesh could give a weird sensation. He added that it is no surprise people seeing these unexplained lights find them bizarre and take videos.

**Alien Cube Ship Seen 3 Times In NASA Sun Video, Dec 3, 2016,
Video, UFO Sighting News.**

The above photo shows the two long white engines of the UFO.

<http://www.ufosightingsdaily.com/2016/12/alien-cube-ship-seen-3-times-in-nasa.html>

Date of sighting: 2016-11-26 02:06:07 - 2016-12-03 00:54:07 UTC

Location of sighting: Earths Sun

Method used: LASCO C3

While looking for UFOs in NASA SOHO videos I found the cube moving about in the far distance. Now, to see the cube, you must slow the video speed to .25 on the Youtube settings and make it full screen. Stop the video at 3 seconds and you will see the UFO cubes engines...with glowing long white lights. These are warp type engines...because on the 4th second the UFO cube is now on the left side of the sun and we no longer see the engines. Instead we see its side, which has a layer over a layer. This moves at almost light speed...the same as the Star Trek warp speed. At 6 seconds into the video, the cube appears again. This time its on the right side and we see it from a whole new side...a different angle from the first two shots. At 8 seconds a 95% cloaked vessel passes from top to bottom on the left side. At 9 seconds, a disk UFO suddenly does a 180 degree turn on the lower left side of the screen.

"Thunderstorm asthma" to strike Victoria again tonight! World's worst thunderstorm asthma attack killed eight and saw more than 8500 hospitalised last month

PhotoPhoto Business Insider

- Last months "Thunderstorm asthma" attack killed 8 and brought Melbourne's hospital and ambulance services to its knees with thousands of victims
- Previously unheard of phenomena happening now in Australia on a monthly basis?
- Many people who suffered from 'thunderstorm asthma' had never had an attack before.
- Some Australians blaming chemtrails!

"Thunderstorm asthma" that struck Melbourne a fortnight ago killing eight people is set to hit Victoria again on Sunday night.

The Bureau of Meteorology is forecasting a storm Sunday night, with experts warning of breathing problems for asthma and hay fever sufferers in Melbourne.

The world's worst recorded thunderstorm asthma attack claimed eight lives and saw more than 8500 hospitalised in Victoria last month.

The National Asthma Council Australia said expected thunderstorm conditions combined with high pollen counts can lead to breathing problems for people with asthma and hay fever.

"As we have seen with the recent events in Melbourne any serious asthma attack can be life-threatening and have tragic consequences," Dr Jonathan Burdon said.

"Act quickly if you start to have symptoms such as shortness of breath or wheezing."

During November's freak storm, thousands of people suffering severe asthma attacks flooded hospitals at the same time.

Tim Cartwright, who was acting Victoria Police chief commissioner in 2015, will review Ambulance Victoria's response to the storm.

"We know there were a number of families who lost loved ones and it is essential we review every aspect of our response so we can learn lessons from events such as this," Ambulance Victoria chief executive Tony Walker said.

Hawaii's highest peak could get up to another foot of snow Sunday, on top of the 2 feet that have fallen since Thursday, the National Weather Service says.

A winter storm warning is in effect for the summits of Mauna Loa and Mauna Kea through Saturday evening.

"Then we're expecting another round on Sunday and Sunday night," said Matthew Foster, a staff meteorologist with the National Weather Service in Honolulu.

The initial storm started on Thursday and was slowing down Saturday, "though some freezing drizzle is still possible," Foster said.

The next storm is currently about 400 miles west of the island of Kauai and should arrive over the islands sometime on Sunday, Foster said.

"This one won't be quite as strong when it moves over the Big Island, so we're putting it as possibly 12 more inches of snow," he said.

Airport officials say fog is thickest in years

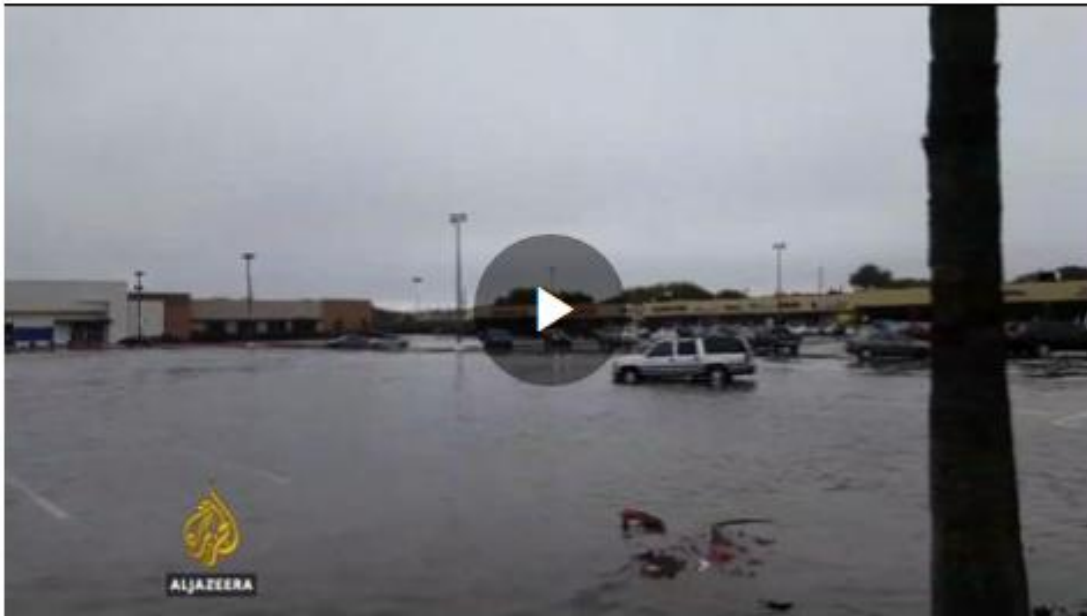

(CNN) — More than 20,000 people are stranded at an airport in Chengdu, China, as flights were grounded by heavy smog and fog, Chinese state-run media reported.

Multiple flights to and from the Chengdu Shuangliu International Airport in central China were canceled or delayed, while many were forced to land at other

airports, China's Xinhua news agency reported, calling it "the worst fog to hit the ... city in years."

Southern US hit by record rain

Dramatic end to drought as much-needed rain make roads impassable and damage homes.

After a period of one to two months without any significant rain, parts of southern US have been hit by record rainfall.

Late November saw heavy rainfall in many parts of the region, with wildfire-ravaged Tennessee welcoming up to 125mm of rain.

Drought is less of an issue for much of Texas. The south of the state can usually expect a maximum of around 100mm of rain during the month of December.

Yet on Saturday alone, the coastal city of Galveston recorded a total of 161mm of rain, a record for December. Across Galveston County, rainfall totals are thought to have reached in excess of 250mm.

Unsurprisingly, widespread flooding was reported, with some roads becoming impassable, particularly to the north of the city. Shelters were opened for those made temporarily homeless by the floods.

Mosul: Thousands facing 'catastrophic' water shortages

Some Iraqi civilians forced to drink sewage water after major water pipeline was destroyed during fighting with ISIL.

A growing water crisis in Iraq's Mosul is affecting up to 650,000 civilians in the city.

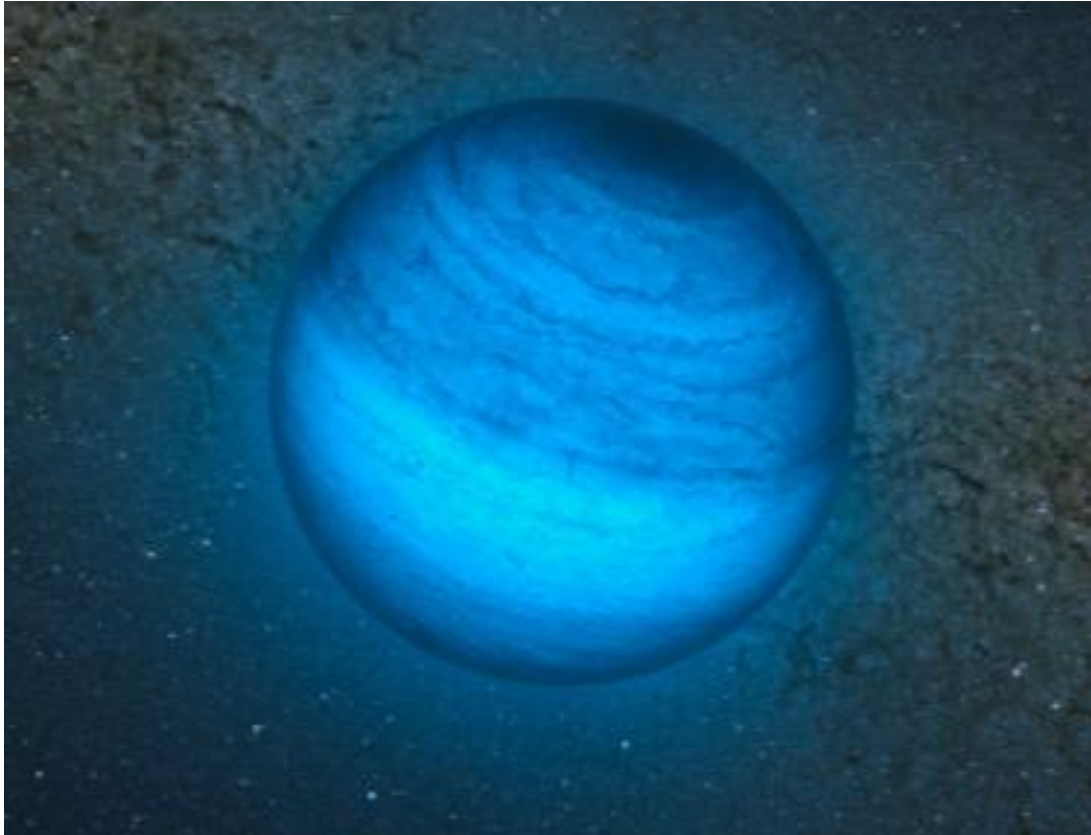

It is also preventing thousands of displaced families from returning to their homes and hampering efforts to completely clear the city of ISIL fighters.

"Even in areas retaken by Iraqi forces there is no water," Al Jazeera's Imran Khan reported from east of Mosul.

"Without running water, areas near here that have been cleared of ISIL fighters still remain uninhabitable."

Earlier this week, water was cut for 40 percent of Mosul residents when a major pipeline was hit during fighting between ISIL and the Iraqi government forces trying to crush the group.

Her toddler suddenly paralyzed, mother tries to solve a vexing medical mystery

Lucian Olivera suffers from acute flaccid myelitis, which causes jelly-like symptoms.

By **Somnya Karlamangla**

OCTOBER 21, 2016, 10:00 AM

Erin Olivera waited weeks for doctors to tell her why her youngest son was paralyzed.

Ten-month-old Lucian had started crawling oddly — his left leg dragging behind his right — and soon was unable to lift his head, following Erin only with his eyes.

She took him to a hospital in Los Angeles, but doctors there didn't know how to treat what they saw.

Lucian's legs felt soft as jelly and he couldn't move them. His breathing became rapid. The left side of his smile **drooped** as his muscles weakened.

Physicians ran test after test, and Erin began spending her nights on a hospital room couch. After Lucian fell asleep, during her only minutes alone between working and visiting her three other kids, she cried.

A terrifying reality was taking hold: Doctors wouldn't be able to give her a diagnosis for her paralyzed child.

“

How can I make a decision for him when I don't even know what's wrong?

— Erin Olivera

PHILADELPHIA (CBS) — A medical mystery is being investigated in Montgomery County to learn more about a lung infection that has been linked to water. The disease is called Nontuberculous Mycobacteria or NTM.

It's a lung infection, similar to tuberculosis, that is caused by a bacteria found mainly in water but also in soil and in the air. Doctors say NTM is rare but the number of patients is growing.

The unlikely victims are white, thin, post-menopausal women who live in affluent neighborhoods around Philadelphia's Main Line. "This is being researched very intensively right now," says Dr. Leah Lande, a pulmonologist at Lankenau Medical Center which is part of Main Line Health.

Indian Prime Minister Narendra Modi said that small traders in India, in particular, should move with the times and switch to mobile banking apps and digital payment systems.

MOSCOW (Sputnik) — Indian Prime Minister Narendra Modi urged the nation on Sunday to embrace digital payments, in a monthly radio address that promoted a less-cash society.

"By embracing technology, we can build a cashless society... We can gradually move from a 'less-cash' society to a cashless society. Youth can play a major role in this," Modi said.

Small traders, in particular, should move with the times and switch to mobile banking apps and digital payment systems, the prime minister said.

Millions of Indians were forced to stand long queues to deposit the invalid notes at banks and post offices after the ban was announced on November 8. They have until the end of the year to get rid of useless cash.

Modi admitted the decision to ban 500-rupee and 1000-rupees notes "wasn't easy," but he defended the demonetization policy, saying it helped fight "evils of black money and corruption."

For decades, Switzerland had a reputation for bank secrecy that made it the most sought after tax haven for billionaires from around the globe.

But, after more than 80 years of secrecy, a series of bilateral agreements with countries around the world, including America's Foreign Account Tax Compliance Act (FATCA), have forced the private-banking industry in Switzerland to embrace an entirely new era of transparency that requires a full exchange of tax-relevant information with more than a hundred countries.

Which, as Bloomberg points out, has been a **huge boon for Swiss operators of private vaults which are not subject to the same transparency and reporting requirements as banks**. In fact, these super-secret, privately operated storage facilities buried around the Swiss Alps can basically store anything from anybody because they're not even required to report suspicious activity to Switzerland's Money Laundering Reporting Office.

Thirty Chinese Police Surround House Church, Order Congregants to Stop Worshiping

New religious rules scheduled to be adopted in China on Oct. 7, 2016, will negatively affect the church's open community there, warn Catholics. In addition, the rules will place hefty financial fines on unapproved religious activities and severely hamper local residents' interaction with foreign supporters, say opponents. CNS photo/Wu Hong

Chinese authorities surrounded a house church in Beijing before raiding the building and ordering congregants to stop meeting - or face legal action.

According to [China Aid](#), an international non-profit Christian human rights organization committed to promoting religious freedom and rule of law in China, the Shengai Fellowship Family Church in Beijing had organized a gathering on Oct. 7 in the home of Xu Yonghai, an elder in the church.

After receiving word of the gathering, police raided and terminated the meeting. More than thirty police officers guarded the building and demanded the gathering be cancelled.

A Syrian woman recently shared the heartwrenching story of the death of her 18-year-old son, who was shot and killed by ISIS-aligned militants after he refused to deny his faith in Christ.

Alice Assaf of Adra al-Ummaliya near Damascus told her story to Dr. Yvette Elbayadi Isaac of the American human rights group Roads of Success, which posted the interview online.

Over two years ago, Assaf was informed by a neighbor that the militants had entered the city and were killing Christians. She sought a way of escape, but never felt safe enough to do so, since "passersby were systematically killed."

Assaf and her children took refuge at a neighbor's house, where they began hearing of the atrocities that were being committed in the city.

"We heard that the militants grabbed six strong men working at the bakery and burned them alive in the oven," she recalled. "After that, they caught some 250 kids and kneaded them like dough in the bakery dough machine."

She said that the oldest child was four years old.

Dozens of Chinese Christians Beaten, Detained By Authorities As Persecution Rages On

By LEAH MARIEANN KLETT (NEW3@GOSPELHERALD.COM) Oct 27, 2016 10:53 AM EDT

China Aid's "Chinese Government Persecution of Christians and Churches in China" report found there has been a 4.74 increase in persecution in 2016 compared to last year. Reuters

Dozens of Christians were detained and beaten by authorities in China's central Henan province as the Communist government tightens its grip on believers in the country.

According to persecution watchdog [China Aid](#), witnesses said police officers from the Nanle County Public Security Bureau beat a local Christian on September 25, then detained and beat 20 more believers for their beliefs and arrested them all.

Zhang Mingxuan, a pastor and president of the Chinese House Church Alliance, condemned the actions of the Nanle police and called on the international community to unite in prayer for those persecuted in China.

"It is against the national constitution and laws for house church believers to be beaten by Nanle County Public Security Bureau," he said. "A lot of problems have been caused because they [the public security bureau personnel] control, attack and persecute Christianity in Henan. I hope the international community will pray for them."

Christian Churches in India Rapidly Growing Despite Surge in Persecution, Says Report

Calvary Temple in Hyderabad Facebook/Calvary Temple

India, a predominantly Hindu nation, sees a rise and growth of megachurches with members “from all walks of life,” according to a report.

From farmers to urban dwellers and almost everywhere in between, Christians in India are packing churches to the thousands. According to a report from [Christianity Today](#), there are approximately 25 to 60 million Christians in the country, most of whom are Catholics, while about 1 billion Indians are Hindus.

The growth has been surprising. In a farming community in Rajasthan, for example, a congregation of 2,000 attends the service every Sunday. In some cases, family members have to take turns going to the service so that someone is left behind to take care of the farm animals.

The church is pastored by Bhagwana Lal, who hails from the tribal group considered to be below the Dalits, India’s lowest caste and society’s outcasts.

Another church in the city of Hyderabad, which can fit 35,000 people, gets packed during each one of its five services every Sunday. Calvary Temple is dubbed as the “largest church in India.” It is pastored by Satish Kumar.

Johnnie Moore, a Christian author and humanitarian, is slamming President Barack Obama and Democratic presidential nominee Hillary Clinton for their action — or inaction — when it comes to the Christians currently facing "genocide" in the Middle East.

In an interview with Newsmax TV earlier this week, Moore told host J.D. Hayworth that members of the Obama administration have "sat on their hands" during the brutal killings and displacement of Christians in the region as the Islamic State continues to seize land.

"If you support Christians who have been the recipients of genocide in the Middle East," Moore said, "you're called 'Islamophobic,' and it's just incomprehensible."

Moore, who authored the book *"Defying ISIS: Preserving Christianity in the Place of Its Birth and in Your Own Backyard,"* went on to tell Hayworth that both Obama and Clinton are responsible for the "systematic dismantling of religious freedom in this country, and they have sat on their hands while hundreds of thousands, if not millions and millions, of Christians have been displaced and killed."

To that end, Moore offered a new phrase to describe Obama's administration, accusing the president of "Christophobia." Moore, who said he has spent considerable amounts of time working with Muslim refugees, said he and others have been called "Islamophobic" for simply "speaking up for Christians."

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

From [Christian Aid Mission](#):

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.

Football Coaches at Pennsylvania School Told to Stop Praying With Players Following Complaint

DANVILLE, Pa. — Football coaches at a school in north central Pennsylvania have been instructed to stop joining in pre-game prayers with players after a prominent professing atheist group recently contacted the school district to complain about the practice.

According to reports, a resident of Danville contacted the Wisconsin-based Freedom From Religion Foundation (FFRF) to advise that coaches and players at Danville High School had been praying and singing praise songs together prior to football games. A video had circulated on social media showing the team singing the Rich Mullins tune “Awesome God.”

“This tradition of Christian prayer and worship songs reinforces the otherness of students like my children who are non-Christian,” another parent, Shakil Afridi, told the Sunbury Daily Item. “My friends who tend to be non-Christian or progressive Christians and some social justice Catholics are disgusted by this.”

FFRF sent a letter to Superintendent Cheryl Latorre to request that an investigation be conducted and that the matter be rectified.

“As you may be aware, it is illegal for public school athletic coaches to organize or participate in prayer with their teams,” the organization wrote. “We write to ensure that the district does not allow its coaches to proselytize students or to promote their personal religious beliefs in the future.”

ISIS crucified Christians in Iraq telling them to "die like Jesus"

Christians who fled their homes when ISIS took control of large swathes of Iraq have revealed the sickening torture those who were left behind were forced to endure.

The jihadis gave Christians four options - leave, convert to Islam, pay a religious tax or die.

Now one Christian, named Esam, has revealed how his brother-in-law was crucified following five hours of torture.

After Carrier deal, Trump vows tax of 35 percent for US business going overseas

President-elect Donald Trump said Sunday that he'll slap a 35 percent tax on U.S. companies that move jobs or operations to other countries -- days after announcing a controversial deal with Carrier to keep roughly 1,100 manufacturing jobs in the United States.

Trump, a prolific tweeter with about 15 million followers, needed six posts, each limited to 140 characters, to get out his message.

"The U.S. is going to substantially reduce taxes and regulations on businesses," Trump tweeted. "But any business that leaves our country for another country, fires its employees, builds a new factory or plant in the other country, and then thinks it will sell its product back into the U.S. without retribution or consequence, is WRONG!"

Jill Stein has spearheaded a recount effort in Michigan, Pennsylvania and Wisconsin

The Green Party presidential nominee promised to say Monday her plans going forward

Washington (CNN) — Green Party presidential nominee Jill Stein said early Sunday she would “escalate” her statewide recount efforts in Pennsylvania through a federal lawsuit, after announcing she would drop it.

Stein on Saturday cited a major cost placed on voters due to a state court ruling that says the voters requesting the recount must pay a \$1 million bond. But shortly after midnight Sunday Stein tweeted about plans to continue on the recount bid.

“On Monday, I will escalate #Recount2016 in PA and file to demand a statewide recount on constitutional grounds. The people deserve answers,” she wrote.

A statement from the Stein campaign shortly after said it will file a lawsuit in federal court Monday seeking a statewide recount.

Trump rails against China as team runs damage control over Taiwan phone call

President-elect [Donald Trump](#) railed against China on Sunday, only hours after his transition team denied that his call with Taiwan's president signaled a new US policy toward Pacific power.

"Did China ask us if it was OK to devalue their currency (making it hard for our companies to compete), heavily tax our products going into their country (the US doesn't tax them) or to build a massive military complex in the middle of the South China Sea?" he [tweeted](#). "I don't think so!"

Earlier on Sunday the vice-president-elect, Mike Pence, had tried to downplay the possibility that Trump could threaten a diplomatic rift with Beijing through his actions last week, Trump's [10-minute phone conversation on Friday with Tsai Ing-wen](#) - thought to be the first time a US president or president-elect has spoken to a Taiwanese leader since 1979 - and subsequent reference to Tsai as "president" [threatened such a breach](#), and implied he might be making up policy on the hoof.

In damage-control mode, Pence sought to dismiss the row as "a tempest in a teapot", contrasting it with Barack Obama's rapprochement with communist Cuba.

China Flight-Tests 10 DF-21 Missiles

Show of force comes amid transition to Trump

China's military conducted a salvo of 10 missile flight tests late last month in a show of force during the transition to the Donald Trump administration.

Chinese state media reported Thursday that the simultaneous flight tests of 10 DF-21 intermediate-range ballistic missiles were carried out in China.

The missiles "can destroy U.S. Asia-Pacific bases at any time," the dispatch from the

official Xinhua news agency reported.

The flight tests were disclosed by China Central Television on Nov. 28 and coincide with President-elect Donald Trump's high-profile announcements of new senior government officials.

Disclosure of the missile salvo launch comes as Trump announced on Thursday that he will nominate retired Marine Corps. Gen. James Mattis as his defense secretary. Mattis is one of the Corps' most celebrated warfighting generals.

Xinhua reported that the DF-21 is comparable to the U.S. Pershing II intermediate-range missile that used a two-stage rocket and aerodynamic reentry vehicle. The Pershing II was dismantled under the U.S.-Russian INF treaty.

Rick Fisher, a China military expert, confirmed the missile tests involved the DF-21C variant of the missile.

Fisher, a senior fellow with the International Assessment and Strategy Center, also noted that the missile test came as China is conducting large-scale naval exercises.

"The PLA is banging some drums to provide background for military psychological warfare," Fisher said.

Many observers see stepping down as a way for Park to avoid the embarrassment of impeachment as opposition parties look to press ahead next week with a vote to unseat her.

Park stopped short of specifying a date for her resignation, leading some breakaway members of her Saenuri Party to ask her to set a timeline for her departure. North Korea looks to capitalize on South's political crisis

A crippling corruption scandal embroiling the presidency in [South Korea](#) has its northern neighbor rejoicing as [Pyongyang](#) looks to exploit the crisis to its favor.

Since its inception in 1948, the North's primary objective has been a unified Korean Peninsula under a communist party-led state. It regularly launches aggressive criticism of various governments in Seoul to demonstrate its ideological superiority.

Now, North Korean supreme leader Kim Jong-Un can just sit back and watch as his counterpart President Park Geun-hye looks set to leave office under popular pressure. South Koreans have protested against Park for five straight weeks over her alleged involvement in an influence-peddling case, adding to spiking frustration with the nation's history of political corruption.

Commenting on the recent successful pop-up launch tests of a Russian-made intercontinental ballistic missile on the advanced Barguzin rail-based strategic missile complex, German media have sounded a clear alarm, calling it "a nightmare," however noting that it comes only in response to the west's build-up on Russia's borders.

The testing took place at the Plesetsk Cosmodrome in early November, and paves the way for full-scale flight development tests.

"Pop-up launch tests are conducted to determine whether the complex is operational. The missile and the transporter-launcher container were developed some time ago, but the launching platform is a novel solution. The trials are meant to test its performance," Russian Defense analyst Victor Murakhovsky told Radio Sputnik earlier in November.

'MODERATE' REBELS EYE CLOSER AL-QAEDA TIES OVER FEARS OF ABANDONMENT BY TRUMP

CIA-backed fighters further reveal ideological agreement with terror groups

CIA-backed "moderate Syrian rebels" are eyeing closer ties with terrorist groups such as al-Qaeda over fears of "abandonment" by a President Trump.

According to a report in the *Washington Post* Saturday, rebel groups are weighing their options as more than three years of CIA support could be ended by the next administration.

"Among the options, say U.S. officials, regional experts and the rebels themselves, are a closer alliance with better-armed al-Qaeda and other extremist groups, receipt of more sophisticated weaponry from Sunni states in the Persian Gulf region opposed to a U.S. pullback, and adoption of more traditional guerrilla tactics, including sniper and other small-scale attacks on both Syrian and Russian targets," the Post states.

Putin: Attempts to Create Unipolar World Failed, Global Balance is Restoring

Russian President Vladimir Putin said that the balance in the world is restoring as attempts to create a unipolar world have failed.

"This was inevitable. Attempts to create a unipolar world have failed. We are already living in different times. Russia has always clung to a point that we must respect the interests of others while defending our own ones. This is how we are going to build our relations with our colleagues," Putin said in an interview with Russia's NTV channel aired on Sunday.

The president commented on why the West has often turned a deaf ear to Moscow's position on settling military conflicts, for example during [NATO's law-breaking bombardment of Yugoslavia in 1999](#) and the Alliance's operation in Bosnia and Herzegovina in 1995.

"The answer is very simple: only loud voices are listened to... The situation has been changing. And I think it is not a secret for anyone that many of our partners now prefer to adhere to international law because the global balance is gradually restoring."

At the Munich Security Conference (MSC) in 2007 Putin criticized unipolarity of international affairs, created by the United States, and accused Washington of provoking a new nuclear arms race, expanding NATO in Europe, using force unilaterally without the UN mandate and making the Middle East more vulnerable, which could lead to the growth of extremism.

Thailand's crime suppression division CSD has arrested a man wanted by Interpol on suspicion of setting fire to a garment factory in Pakistan, which killed hundreds.

MOSCOW (Sputnik) — Abdul Rehman was seized in a police raid on the hotel he was staying at in Bangkok, the Bangkok Post newspaper [said](#) on Saturday. He reportedly arrived in the country two weeks ago.

A Pakistani court issued a warrant for his arrest on sabotage charges. The 46-year-old is suspected of being behind the 2014 fire that killed over 250 people in Pakistan's financial capital.

The man is said to be involved in a Pakistani criminal ring. He allegedly set fire to the factory after its owner refused to pay him almost \$200,000.

Karachi fire chief Ehtesham Salim said bodies of factory workers were found in the basement of the facility, which produce underwear and plastic utensils. He said it was the deadliest blaze in decades.

Iran vows 'firm response' unless Obama stops sanctions renewal

Iranian President Rouhani denounces legislation passed by the US Congress to extend the Iran Sanctions Act for 10 years as a violation of nuclear agreement; Tehran lawmakers call for counter measures.

DUBAI - Iranian President Hassan Rouhani demanded on Sunday that US President Barack Obama block an extension of sanctions passed by the US Congress, saying Tehran would otherwise "firmly respond."

•Follow Ynetnews on [Facebook](#) and [Twitter](#)

In a speech to parliament, Rouhani denounced legislation passed by the US Congress to extend the Iran Sanctions Act (ISA) for 10 years as a violation of Tehran's nuclear deal with six major powers. The deal curbs Tehran's nuclear program in return for the lifting of international financial sanctions.

"America's president is obliged to exercise his authority by preventing its approval and particularly its implementation ... and if this gross violation is carried out we will firmly respond," Rouhani said in the speech, carried live by state television.

President Obama is expected to sign the legislation into law, the White House said on Friday.

The US Congress move was a blow to Rouhani, a pragmatist who engineered the diplomatic opening to the West that led to the nuclear deal.

The production of guns has more than doubled since President Barack Obama's inauguration in 2009, amid his frequent demands for more gun-control and fewer guns.

The Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) has released its annual Firearms Manufacturing and Export Report, which shows that nine million firearms were built and sold in 2014, that's up from 4.3 million firearms in 2008.

The March 7 report covers production figures from 2014, and shows that 3,633,454 pistols, 744,047 revolvers, 3,379,549 rifles, 935,411 shotguns, and 358,165 miscellaneous firearms were manufactured that year. That adds up to a total of 9,050,626 firearms.

GUEST SEGMENT

“DO NOT LEAVE YOUR STATION!”

On Tuesday, November 8th, I went to bed around 9:00 pm, before anyone knew who would win the U.S. Presidency. At 2:00 am, my husband awakened me as he came into the room announcing, “Trump won!”

I heard the happiness in his voice, along with much emotion, like he was almost in tears. He turned around and left the room. As the news sank in, I got a sick feeling in the pit of my stomach, and a deep sense of mourning began to come over my spirit. I felt the need to intercede for Trump in prayer, so began praying in the Spirit. At some point I fell into a deep sleep and had the following dream:

My husband and I were riding in a car through a residential neighborhood. All of a sudden, cars began coming from nowhere, driving crazily all around us. They were even doing “donuts” in people’s yards, while yelling and screaming out the windows. Everyone was breaking out in celebration over the Trump victory. When our car was forced off the road by the wild drivers, we decided it safer to park our car and walk.

As we walked through the neighborhood, there was a point when I realized I was all alone. My husband had joined in on the festivities. But I didn’t feel like celebrating at all. Instead, deep sorrow and a sense of mourning grew stronger within me as I walked.

I saw a house with a front porch. No people were around it, so I went to the porch steps and knelt down to pray. I began crying and interceding for Trumps protection, as well as the repentance of all the people running around the neighborhood acting crazy, destroying other people’s yards and property.

Suddenly, I felt someone tapping me on the shoulder. I looked and saw a woman standing behind me. She began speaking very softly, telling me it was time to stop mourning. She said, “Please stop crying. This is a time to rejoice! Come, join us!”

Her words sounded so kind and caring. I felt the need to explain to her why I was in prayer, so stood to my feet and the two of us began to walk down the street.

As we walked, she began talking about how everything had changed, that everything was going to be okay now. She pointed out the smiling faces of the people we were passing and the happy families. As she spoke, I could actually hear families gathered together inside their homes. They were all talking and laughing as they feasted around their dinner tables. (It reminded me of 'It's A Wonderful Life')

It all felt so warm and inviting, and for a moment, I wanted to join them. But in my spirit, I knew something was very wrong, and began to explain this to the woman. I told her Trump was in need of much prayer for his safety, that the country was not okay, and that we needed to continue praying for repentance. I was in mid-sentence as I turned to look her in the eyes. All I saw was a blank, lifeless stare. She acted as if I'd said nothing, and began repeating all she'd previously told me. It was like I was watching a robot and listening to a recording. Upon realizing she wasn't real, I turned to go back to my place of prayer. *End of Dream*

Interpretation:

Upon awakening, the first thing I heard very clearly in my spirit was, "**There is more to come!**"

I spent most of the morning praying over the dream, asking the Lord for interpretation, and if I was to release the dream. As I sat still in His presence, the Lord said, "***DO NOT LEAVE YOUR STATION!***"

I was then shown the following:

The neighborhood represented the United States. Those I saw outside "celebrating" were those who'd formerly been very worried about the state of affairs within the nation. They'd pinned their hopes and dreams of turning the nation around on the election of a man. So when the man won, they breathed a sigh of relief, and the celebrations began. It was obvious

they'd had no change of heart, because they thought nothing of destroying others property and endangering the lives of those around them.

I represented the praying Church, and my heart was tuned to the Holy Spirit. I wasn't receiving the message to celebrate, but to continue in prayer and repentance for the sins of the nation, and for what is yet to come.

The woman represented a deceiving spirit sent to the Church. She's saying there's no need to continue in the prayer of intercession, because all is well now. She's beckoning us to, "Please stop crying. This is a time to rejoice! Come, join us!"

Saints, we must resist this deceiving spirit. The Lord is warning **"THERE IS MORE TO COME,"** and **"DO NOT LEAVE YOUR STATION!"**

We can't allow our eyes to focus on what's swirling around us. This is NOT a time to let up or take a break from the assignment the Lord's given to each of us. We must keep our eyes fixed straight ahead upon Jesus, and our ears in tune, listening to the directions of the Holy Spirit!

Please pray fervently over this word for confirmation. I was given the following scriptures:

1 Thessalonians 5:3, ***"For when they say, "Peace and safety!" then sudden destruction comes upon them..."***

1 Timothy 4:1, ***"Now the Spirit expressly says that in the latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons."***

Galatians 6:7, ***"Do not be deceived, God is not mocked, for whatever a man sows, that he will also reap..."***

Hebrews 12: 1-3, ***"...let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith..."***
