'Newton's Riddle' - Isaac Newton's Timing of Christ's Return w Neill Russell (Part 2)

Join Kenneth, John and Cathy in the chat room while they cover the latest apocalyptic headlines and warnings of the soon breakout of World War III. Tonight we are blessed to have brother Niell Russell join the program to discuss his book "Newton's Riddle". Before his death in 1727, Sir Isaac Newton, the notorious physicist, concealed a prophetic script in an alchemy journal. This mysteriously coded script detailed crucial future events involving both Israel and the United States...and their relation to the return of Jesus Christ. Did Newton calculate the time of Christ's return and how close are we to that date?

God Bless You - See you there!

ENSNARED BY TIME

Time; it is elusive, wasted, valuable, limited and limitless, but most of all time is persistent.
You cannot change time, you cannot speed it up or slow it down, and you cannot alter an instant.

Men search for time, study time; long to understand time and they seek for times beginning.
Men save time, waste time, wish to change time some men warn our time for preparation is ending.

Time is a measurement, and the measures of time range from nano seconds to millennium.
Each man is allotted his own measure of time at its end his eulogy is a compendium.

Even the demons are aware of time and even the demons are constrained by time.
There were demons who spoke to Jesus saying "art Thou come to torment us before the time?"

Jesus spoke of a time that is coming, a time unlike any time ever seen before.
It will also be a time never to be seen again; some know this as truth the foolish think it lore.

That hour is now upon us, this is more than speculation, this more than mere cliché.
This is stark naked truth, with biblical proof, seen by the multitude of signs we see today.

Like a football game when there are but seconds left upon the clock,
The game is not over but the quarterback takes a knee and the linemen do not block.

Now this only happens when you are ahead in the game, it is limiting risk and being cautious
If you're behind you throw caution to the wind and make every effort to minimize your losses.

There are now but seconds left on the clock that measures the time of this age
It is time for the Saints of God to fall on their knees; the call is now to pray.

Out time is spent, we must repent and we must be prepared.
Time is persistent and unforgiving; those who ignore the call by time will be ensnared.

"Therefore be ye also ready: for in such an hour as ye think not the Son of Man cometh."
Mat. 24:44

GREAT QUOTES

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). *Mighty Prevailing Prayer*:

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

QUOTES FROM DL MOODY

There are many of us that are willing to do great things for the Lord, but few of us are willing to do little things.

[Dwight L. Moody](#)

The Bible will keep you from sin, or sin will keep you from the Bible.

[Dwight L. Moody](#)

I DON'T CARE FOR HOW YOU PRAY

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.

Well then, I like my way much better after all.

QUOTES FROM AW TOZER

"We can be in our day what the heroes of faith were in their day -but remember at the time they didn't know they were heroes."

- A.W. Tozer

"When you kill time, remember that it has no resurrection."

- A.W. Tozer

"The man who would truly know God must give time to Him."

- A.W. Tozer

"The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshiping men. This she has not done deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic."

- A.W. Tozer

"The world is perishing for lack of the knowledge of God and the Church is famishing for want of His Presence."

- A.W. Tozer

"Secularism, materialism, and the intrusive presence of things have put out the light in our souls and turned us into a generation of zombies."

- A.W. Tozer

"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

A New Faith

Where is your faith?

—Luke 8:25

Scripture reading: Luke 8:22–39

*P*aul spoke of two classes of Christians, the obedient and the disobedient. The obedient always obey God when He first speaks. It is these people whom God will use to make the world know Him.

You cannot talk about things that you have never experienced. God has a process of training us. You cannot take people into the depths of God unless you have been broken yourself. I have been broken and broken and broken. Praise God, for “*the LORD is near to those who have a broken heart*” (Ps. 34:18). You must have a brokenness to get into the depths of God.

There is a rest of faith that rests in confidence in God. God’s promises never fail. “*Faith comes by hearing, and hearing by the word of God*” (Rom. 10:17). The Word of God can create an irresistible faith, a faith that is never daunted, a faith that never gives up and never fails. We fail to realize the largeness of our Father’s supply. We forget that He has a supply that cannot be exhausted. It pleases Him when we ask for much. “*If you then, being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask Him!*” (Matt. 7:11). It is the “*much more*” that God shows me.

There are times when a stone wall seems to be in front of us. There are times when there are no feelings, when everything seems as black as midnight, and there is nothing left but confidence in God. What you must do is have the devotion and confidence to believe that He will not fail and cannot fail. You will never get anywhere if you depend on your feelings. There is something a thousand times better than feelings, and it is the powerful Word of God. A divine revelation within you came when you were born from above, and this is real faith. To be born into the new kingdom is to be born into a new faith.

Thought for today: If God definitely tells you to do anything, do it, but be sure it is God who is telling you.

Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

**David Wilkerson – We Do Not
FEAR God**

1 John 3:7-9

7 Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. 8 He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God.

Ps 111:10

0 The fear of the Lord is the beginning of wisdom;

NKJV

Acts 5:32

32 And we are His witnesses to these things, and so also is the Holy Spirit whom God has given to those who **obey Him.**"

NKJV

Psalm 31 : 19

"The Blessing of God's Abundant Goodness":

19 Oh how great is thy goodness, which thou hast laid up for them **that fear thee;** which thou hast wrought for them that trust in thee before the sons of men!

John 14:12

12 “Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. 13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

2 Cor 10:4-5

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, **bringing every thought into captivity to the obedience of Christ,**

1 Cor 13:1-7

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not

love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

NKJV1

Peter 3:13-17

13 And who is he who will harm you if you become followers of what is good? 14 But even if you should suffer for righteousness' sake, you are blessed. "And do not be afraid of their threats, nor be troubled." 15 But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; 16 having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. 17 For it is better, if it is the will of God, to suffer for doing good than for doing evil.

NKJV

James 4:11

11 Do not speak evil of one another, brethren. He who speaks evil of a brother and judges his brother, speaks evil of the law and judges the law.

Gal 5:22-26

22 But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, 23 gentleness, self-control. Against such there is no law. 24 And those who are Christ's have crucified the flesh with its passions and desires. 25 If we live in the Spirit, let us also walk in the Spirit. 26 Let us not become conceited, provoking one another, envying one another.

Eph 5:8-11

“Humility is perfect quietness of heart. It is to expect nothing, to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised. It is to have a blessed home in the Lord, where I can go in and shut the door, and kneel to my Father in secret, and am at peace as in a deep sea of calmness, when all around and above is trouble.”

GODLY WARNING PLEASE DISCERN

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

We All See Through the Mirror Dimly

1 Cor 13:12

For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

Deut 18:22

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST
by David Wilkerson
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO
GOD'S PROPHECIES
OR FACE RUIN /
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

BEHOLD I COME

YOU WILL INSTANTLY AND WITHOUT EFFORT BE TRANSFORMED WHEN THE EARTH IS PLUNGED INTO DARKNESS

It is I Yahushua, your Messiah, the Lion of the Tribe of Judah in whose breath I establish kingdoms and I subdue them. I am He the Creator of all things. I raise up, and I lay low. There is nothing that has been created that was not thought of, designed, and purposed by Me. I am He that speaks to warn you of things to come. I am He that prepares your hearts to receive revelation and mysteries, understanding and knowledge.

This night I have come to share with you that it is upon you. It is upon you children! Keep your focus, stay ever so close for very, very soon you will engage in a way that you have not done before. This is the great unraveling. With great and terrible speed the events come. I mourn for the loss that there will be of so many but it must be so. Do not grow weary in the day to day training and tasks at hand for in an instant all will suddenly change. I tell you this so when all is spiraling out of control all around you and people are in complete chaos and fear, you, My own, will know no fear for it is I who will operate from within. I assure

you, you will have My complete peace. You will instantly and without effort be transformed, and from there will go on to carry out many, many things in My name for this is why you are here.

The darkness comes children, it comes quickly. The Destroyer is near. The earth will be plunged into utter darkness and fear will reign. Terror such as the world has never know. You My lights will all be protected, of course, for you know this already. In this, you have My promise. I tell you this, not to turn your attention towards events for they will continue to escalate in intensity and frequency and they will be terrible. But I tell you this out of My great love for you so that you know that I care so much that I would warn you and prepare you ahead of time. So you would know that I am in every heartbeat and every breath you take, that We are not separated. I in you, you in Me, We are One in the Father.

Do not become fearful that you would not know what I would have you do when these things take place for this I promise you as well, you will have My instruction very clearly and I will speak directly to your spirits. You will understand all that I say, and all that I ask you to do. So once again, I remind you, do not allow your minds to engage in a thought process that would take you back to the soul nature, in that you would visualize these events and attempt to prepare your minds on how to handle these situations. This is not what I would ask you to do. Stay

with Me in spirit. Don't allow yourselves to feel what you think this will feel like. This will only serve to distract you. This is why I come and speak with you. I do this because I am teaching you. I am teaching you now before these events come.

These conversations We have been having are some of the final instructions you will need. For I have spoken many words of love and encouragement and instruction to you, wisdom; all to increase your awareness, to deepen the revelation of all these things that I have been speaking about for so long now. Truly, it is as simple as what has already been said, trust and obey. This is all you need do.

May I ease your spirits with one more thing, do not fret over things done or not done, things not completed, timelines, things I have spoken of before. For all is in My hands and I know what will be done and what will not, I know what your needs are and will be. All will be provided for. As always do what you know to do each day, never striving, always abiding, knowing that I have the outcome. I put no pressure on you to finish anything that has been set before you, it is about the journey, not the end. Remember this, this is a wise, wise statement. It is about the journey.

Everything you do is a heart matter. I see the motives and desires of your hearts for I have placed them there. I wish to see you seek Me with all you have, regardless of what you consider to be accomplished

or not. It is all in My flow. Just stay with Me children, it is that simple, just stay with Me.

Be My voice-piece in this place, sound the alarm!

REPENT! REPENT! REPENT!

For the Kingdom of Heaven is at hand! Truly I come!!

The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

House 12 President: ?

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

[Note: Could this be the Puerto Rico Comet event?]

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

[Note: This is the Sixth Seal Rev 6:12-17]

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

[Note: This is Obama, the Antichrist]

Then the dream ended.

PASTOR TD HALE DREAMS

The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

Please Note: It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

POLE SHIFT
Before

Revelation 6:14
;and every mountain and island was moved
out of its place.
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

(<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

The sight was especially difficult for her seven-year-old... “They came up and just died right in front of us,” Isabella said... Earlier in the week, Kristin Thames says stumbled across the same devastating scene... “They’re only allowed to take three sea lion pups because there’s not enough space at the rescue centers for more,” Thames said, “it’s really sad.”

"Boom" Felt Across Viewing Area

At approximately 3:15pm, News 5 began receiving dozens of phone calls from viewers across the Gulf Coast who said they heard or felt a "loud boom."

This was confirmed by News 5 crew members who experienced the same thing.

As of now, the source of this noise/tremor is unknown at this time.

We can confirm it was not a minor earthquake. The USGS reported no such activity for southern Alabama or the Gulf of Mexico.

We have phone calls in to NAS Pensacola as to whether there were any aircraft operating in the skies above southern Alabama, but have yet to receive a call back.

Here's a strong theory from Chief Meteorologist, Alan Sealls...

Solar eclipse to disrupt power supplies

Eclipse to block out 95 per cent of sunlight in parts of Europe

Power supplies could drop suddenly next month when the UK is plunged into darkness with an eclipse of the sun.

Energy experts warned there could be possible blackouts in the biggest solar eclipse since 1999.

Nearly 90 per cent of the sun's rays will be blocked out in parts of Europe on March 20.

In London and the South East, 85 per cent of the sun will be obscured by the moon whilst in northern Scotland, more than 95 per cent will be covered.

More Siberian Craters Prompt Call for Urgent Investigation

Months after they started investigating a huge black hole in Siberia, Russian researchers say they have spotted still more suspicious-looking craters and lakes — and are calling for an urgent investigation of the phenomenon. Satellite imagery shows that one of the recently discovered craters, known as B2, is surrounded by more than 20 water-filled "baby craters," one researcher told [The Siberian Times](#).

The Times quoted Vasily Bogyavlensky, deputy director of the Moscow-based Oil and Gas Research Institute, as saying that the craters are being mapped near Siberia's Bovanenkovo gas field. He linked their formation to gas emissions from beneath the surface, and possibly gas explosions. "Anyway, we must research this phenomenon urgently, to prevent possible disasters," he was quoted as saying.

Experts have said the craters could be associated with climate change. Last year, Russian researchers reported [heightened methane emissions](#) at the crater sites and suggested that a long-term thaw was liberating underground reservoirs of natural gas. NASA scientist Tom Wagner told NBC News in December that the phenomenon might be caused instead by the collapse of tunnels and caves in the permafrost.

Wagner also predicted that more such craters would be found as researchers scanned through satellite imagery looking for fresh evidence.

Scientists were baffled last July when they discovered [three giant holes in the ground in the Yamal Peninsula in northern Siberia](#).

Now, with the help of satellite imagery, researchers have located [four additional craters](#)--and they believe there may be dozens more in the region. That has them calling for an urgent investigation to protect residents living in the area.

"I am sure that there are more craters on Yamal, we just need to search for them... I suppose there could be 20 to 30 craters more," Prof. Vasily Bogoyavlensky, a corresponding member of the Russian Academy of Sciences and deputy director of the Moscow-based Oil and Gas Research Institute, told The Siberian Times. "It is important not to scare people, but to understand that it is a very serious problem and we must research this."

Florida Fireball with Boom

The American Meteor Society received over 230 reports so far about a bright fireball event in northern Florida just east of Jacksonville. Observers from as far north as August GA reported seeing a bright light in the sky. Over 48 of the reports described a window rattling delayed boom. Below is a heat map of the witness reports.

The estimated trajectory plotted from the witness reports shows the meteor was traveling from the south west to the north east and ended its flight about 30 miles due west from Jacksonville, FL.

Sun Is Extremely Quiet, Scientists Worry We Are Entering Ice Age

The sun is currently experiencing its weakest solar cycle in over a century according to scientists. Advertisement

“The sun is flatlining. For the 6th day in a row, solar activity remains very low. No sunspots are flaring, and the sun’s X-ray output has flatlined” says spaceweather.com

Scientists say that if the solar flatlining continues it may be an indication we are about to enter into a mini ice-age.

Iceagenow.info reports:

“The main driver of all weather and climate, the entity which occupies 99.86% of all of the mass in our solar system, the great ball of fire in the sky – has gone quiet again during what is likely to be the weakest sunspot cycle in more than a century,” echoes vcoreweather.com. “Not since cycle 14 peaked in February 1906 has there been a solar cycle with fewer sunspots. We are currently more than six years into Solar Cycle 24 and today the sun is virtually spotless despite the fact that we are still in what is considered to be its solar maximum phase.”

Netanyahu: World Powers 'Have Given Up' in Iran Nuke Talks

JERUSALEM — Feb 25, 2015, 12:54 PM ET

By IAN DEITCH Associated

AP

In his sharpest criticism yet, Israeli Prime Minister Benjamin Netanyahu said Wednesday that world powers "have given up" on stopping Iran from developing nuclear weapons in ongoing negotiations.

Netanyahu's comments, at a meeting of his Likud Party outside of Jerusalem, come as he plans to address the U.S. Congress on the nuclear negotiations.

The West fears Iran could build an atomic bomb with its nuclear program. Iran says its program is for peaceful purposes. The Islamic Republic is now negotiating a final deal with the U.S., Britain, France, Russia, China and Germany, with hopes of on a preliminary deal in March and a follow-up pact in June.

Netanyahu, as well as many in Israel, view a nuclear-armed Iran as a threat to its very existence, citing Tehran's repeated calls for Israel's destruction and its support for groups like Hezbollah.

In his remarks, Netanyahu said that the greatest challenge Israel faces is "the threat of Iran arming itself with nuclear weapons with a declared goal of annihilating us."

"From the agreement that is forming it appears that they (world powers) have given up on that commitment and are accepting that Iran will gradually, within a few years, develop capabilities to produce material for many nuclear weapons," he said. "They might accept this but I am not willing to accept this."

Netanyahu's remarks come amid an uproar over his upcoming visit to Washington. He accepted a Republican invitation to address Congress about Iran in early March, but the speech has angered the Obama administration because it was arranged without consulting the White House, a breach of diplomatic protocol.

Relations between Netanyahu and the White House always have been tense. His planned speech also has drawn fire in Israel, coming just two weeks before national elections. Netanyahu has rejected the criticism, saying it is his duty to lobby against the nuclear deal.

Iran's armed forces launched a speedboat attack on a giant model of a US aircraft carrier on Wednesday as the Revolutionary Guard staged military exercises in the Gulf.

The aim of the drill was to practise how to sink an American carrier, at least two of which patrol the Gulf at any given time.

US Sends "Tankbuster" Jets To Europe Over Russia Fears After Germany Says "A Large Scale War Could Develop"

Karl-Georg Wellmann, a lawmaker in Angela Merkel's Christian Democratic Union has warned that, despite its efforts to avoid arms being provided to Ukraine, **Germany "will no longer be able to stop weapons deliveries from from the U.S. and Canada."** Almost too coincidental to these comments, CNN reports, the U.S. Air Force is sending its A-10 "tankbusters" back to Europe in order to **"increase rotational presence in Europe to reassure our allies and partner nations that our commitment to European security is a priority."** As Wellmann ominously concludes, *seemingly confirming Putin's warning yesterday that if Kiev aims at a military solution, war will never end, "a large-scale war could develop out of that."*

As Bloomberg reports, Germany May Be Unable to Stop Weapons to Ukraine, Lawmaker Says

Karl-Georg Wellmann, a lawmaker in Angela Merkel's Christian Democratic Union and chairman of the German-Ukrainian parliamentary group, tells newspaper Tagesspiegel that Germany won't be able to halt U.S. weapons deliveries to Ukraine to fight Russian-supported separatists.

"We will no longer be able to stop weapons deliveries from from the U.S. and Canada" after rebel gains in the strategic town of Debaltseve in eastern Ukraine, Wellmann tells Tagesspiegel in interview

"A large-scale war could develop out of that," Wellmann says

Wellmann says further economic sanctions against Russia are "unavoidable," Tagesspiegel says

And so, as CNN reports, The US is sending in the Warthogs...

The U.S. Air Force is sending its "tankbusters" back to Europe.

The service's European Command said this week that 12 A-10 Thunderbolts would be deployed to Spangdahlem Air Base, Germany, as part of Operation Atlantic Resolve, which was formed after Russia's intervention in Ukraine over the past year.

Washington is working to install a new air base in Iraq's Kurdistan to be used in a campaign against Islamic State (ISIS), media report. This comes as the White House's special envoy on ISIS speaks of a ground operation in Iraq against the militants.

This time an American stronghold in the region will be deployed in Erbil, the capital of semi-autonomous Kurdistan region in northern Iraq that is expected to be used as a logistics hub to supply primarily munitions for warplanes of the US-led coalition against ISIS militants.

"The base is close to Erbil, the capital of the regional government...The warplanes will do surveillance, but the warplanes which will bomb ISIL targets will not take off from here," Helgurt Hikmet, spokesperson for the Ministry of Peshmerga (Kurdish self-defense forces) said, as cited by Anadolu Agency.

Egypt, now at the forefront of fighting ISIS, is warning it has intelligence revealing the global jihadist group is planning a worldwide offensive this spring or summer that could reach targets within the United States.

Interrogations of ISIS members captured in recent weeks in the Egyptian Sinai Peninsula and information collected by Egyptian security forces indicate ISIS is planning ground offensives this spring and summer aimed at taking over more territory across the Middle Eastern and Persian Gulf, a senior Egyptian intelligence official told WND.

Some of the information indicates the new offensive will not be limited to the Arab world. Timed to coincide with its planned surge, ISIS is plotting possible attacks using cells abroad.

ISIS and its jihadist allies could activate cells to carry attacks in Europe and possibly within the U.S., the senior Egyptian official warned.

The official advocated the deployment of significant ground troops acting on multiple fronts to stop ISIS' progression. He complained the Obama administration and international community has been hesitant to take major action against ISIS advances.

Peace? Ukraine "Preparing For Full-Scale War" With Russia, Demands The West Supply Lethal Weapons

"We don't want to scare everybody, but we are preparing for full-scale war," warns Vadym Prystaiko - Ukraine's deputy foreign minister - telling CBC during a stunning interview that **"what we expect from the world is that the world will stiffen up in the spine a little."** Demanding that West provide 'lethal weapons' Prystaiko rages "everybody is afraid of fighting with a nuclear state. We are not anymore." Coming just a week after the Minsk Summit 'peace' deal and with Germany having warned they are likely unable to stop arms being supplied to Ukraine, Prystaiko concludes, **"we would like [The West] to send lethal weapons to Ukraine... weapons to allow us to defend ourselves."**

As CBC reports,

Ukraine's deputy foreign minister says he is preparing for "full-scale war" against Russia and wants Canada to help by supplying lethal weapons and the training to use them.

Vadym Prystaiko, who until last fall was Ukraine's ambassador to Canada, says the world must not be afraid of joining Ukraine in the fight against a nuclear power.

In an interview with CBC Radio's The House airing Saturday, Prystaiko says the ceasefire brokered by Germany and France was not holding.

"The biggest hub we ever had in the railroad is completely destroyed and devastated," he told host Evan Solomon about Debaltseve, captured by Russian-backed rebels after the terms were to have taken effect earlier this week.

"We see that they are not stopping," he says, suggesting the fight was now heading south to the port of Mariupol.

"It doesn't take a genius to see what they are trying to do.... They are taking more and more strategic points."

The former ambassador was in the room during the attempts to broker a political solution with Russian President Vladimir Putin in Minsk.

"Personally I don't trust him," he says. "You look at him and you think, 'Are you serious?'"

"Nobody knows what is going on in his head. I believe he is becoming very emotional [over the two countries' historic ties]," he suggests, calling Putin's intentions "difficult to predict."

U.S. military vehicles paraded 300 yards from the Russian border

MOSCOW — U.S. military combat vehicles paraded Wednesday through an Estonian city that juts into Russia, a symbolic act that highlighted the stakes for both sides amid the worst tensions between the West and Russia since the Cold War.

The armored personnel carriers and other U.S. Army vehicles that rolled through the streets of Narva, a border city separated by a narrow frontier from Russia, were a dramatic reminder of the new military confrontation in Eastern Europe.

The soldiers from the U.S. Army's Second Cavalry Regiment were taking part in a military parade to mark Estonia's Independence Day. Narva is a vulnerable border city separated by a river from Russia. It has often been cited as a potential target for the Kremlin if it wanted to escalate its conflict with the West onto NATO territory.

Obama's regs will make Internet slow as in Europe, warn FCC, FEC commissioners

BY PAUL BEDARD | FEBRUARY 23, 2015 | 2:14 PM

As the Federal Communications Commission and Federal Election Commission toy with regulating aspects of the Internet, critics on those agencies are warning that speed and freedom of speech are in jeopardy.

In a joint column, Federal Communications Commission member Ajit Pai and Federal Election Commission member Lee Goodman, leveled the boom on the Obama-favored regulations, essentially charging that it will muck up the freedom the nation has come to expect from the Internet.

RELATED: [Inside Obama's net fix](#)

In one key passage of the column published in *Politico*, the duo wrote Monday that heavy-handed FCC regulations like those imposed in Europe will significantly slow down Internet speech:

Drones overhead in L.A.'s Valley are tracking mobile devices' locations

Barry Levine

It was only a matter of time before drones started monitoring signals from mobile devices.

Since early February, several small drones flying around the San Fernando Valley in Los Angeles have been determining mobile devices' locations from Wi-Fi and cellular transmission signals.

They are part of an experiment by Singapore-based location marketing firm Adnear, which has offices around the world. The firm told me that, to its knowledge, this is the first time an adtech company has employed drones to collect wireless data.

The capture does not involve conversations or personally identifiable information, according to director of marketing and research Smriti Kataria. It uses signal strength, cell tower triangulation, and other indicators to determine where the device is, and that information is then used to map the user's travel patterns.

A Homeland Security shutdown by the numbers

If Republicans can't decide how to fund the agency, 200,000 DHS employees would be required to work without pay, and thousands more would stay home entirely

by Meredith Shiner
February 24, 2015, 11:58 AM
Yahoo News

U.S. Department of Homeland Security employees work during a guided media tour inside the National Cybersecurity

With time running out, congressional Republicans continue to squabble among themselves over how to fund the Department of Homeland Security (DHS) before the sprawling, multimission agency runs out of money Friday.

The Republican leadership — still feeling burned from a 2013 shutdown of the entire federal government — is spinning its wheels to come up with a solution that satisfies conservatives seeking to halt President Obama's executive orders on immigration. The GOP leadership is caught between their traditional "strong on national security" reputation and their base's desire to block the president on immigration reform at any cost.

As Congress inches closer to its deadline, the Obama administration has outlined the numerous effects of a potential DHS shutdown, trying to reassure Americans that their safety will not be compromised while still highlighting the damage that would be done in the event of a stoppage of payment, especially to the nearly 200,000 DHS workers who would be required to work without pay until Congress decided on how to restore funding.

Military Warning On Ebola Biological Weapon Terror Threat

February 24, 2015 by [SkyWatch Editor](#)

Scientists at the top-secret military research unit at Porton Down, Wiltshire, have been assessing the potential use of Ebola as a bioterrorism weapon, according to confidential documents. A three-page memo, marked 'UK secret UK eyes only', reveals that the unit, where chemical, radiological and biological threats are analysed, was tasked with evaluating whether terrorist organisations such as al-Qaida and Islamic State (Isis) could use the deadly virus to attack western targets. The heavily redacted document, which has been released under the Freedom of Information Act, reveals that the unit was asked last October to provide "guidance on the feasibility and potential impact of a non-state actor exploiting the Ebola outbreak in west Africa for bioterrorism". It goes on to explain that non-state actor threat assessments are "provided by the joint terrorism analysis centre", while threats to "UK deployed forces are provided by defence intelligence". The memo outlines three possible scenarios under which terrorists might seek to exploit the Ebola outbreak, which so far has killed more than 9,000 people in the three most affected countries, Guinea, Sierra Leone and Liberia. Snowden docs reveal mass cell phone hack through 'Great SIM Heist'

Top secret documents previously provided by former NSA contractor Edward Snowden have revealed that the US and Britain broke into the network of the world's largest SIM card maker to compromise global communications.

Tags
Hacking Information Technology, Security, USA

According to the documents obtained by *The Intercept*, the online news magazine founded by Snowden collaborator Glenn Greenwald, the US National Security Agency (NSA) and its British counterpart, the Government Communications Headquarters (GCHQ), stole the encryption keys used to secure voice calls and texts from Gemalto, the largest manufacturer of SIM cards in the world.

Two billion SIM cards are made annually by Gemalto. They are used by 450 wireless network providers around the world, including AT&T, T-Mobile, Verizon and Sprint, subsequently effecting the bulk of the world's telephonic communications. Gemalto has headquarters around the globe, including a US office in Texas, but is incorporated in the Netherlands and traded on the Eurolist.

By compromising the company's internal computer network and stealing valuable encryption keys, the NSA and GCHQ have been able to render as useless the security measures used to protect communications sent through hundreds of networks the world over.

Editor of Major German Newspaper Says He Planted Stories for the CIA

Becoming the first credentialed, well-known media insider to step forward and state publicly that he was secretly a "propagandist," an editor of a major German daily has said that he personally planted stories for the CIA.

Saying he believes a medical condition gives him only a few years to live, and that he is filled with remorse, Dr. Udo Ulfkotte, the editor of Frankfurter Allgemeine Zeitung, one of Germany's largest newspapers, said in an interview that he accepted news stories written and given to him by the CIA and published them under his own name.

Ulfkotte said the aim of much of the deception was to drive nations toward war.

Dr. Ulfkotte says the corruption of journalists and major news outlets by the CIA is routine, accepted, and widespread in the western media, and that journalists who do not comply either cannot get jobs at any news organization, or find their careers cut short.

Dr. Ulfkotte is the author of a book currently available only in German, "Bought Journalists" (Kopp 2014). Aged 55, he was also once an advisor to the government of German Chancellor Helmut Kohl.

THREE WORLD WARS

Albert Pike and Three World Wars

Continued from [Part 1](#).

Albert Pike received a vision, which he described in a letter that he wrote to Mazzini, dated August 15, 1871. This letter graphically describes three world wars that were seen as necessary to bring about the [One World Order](#), and we can marvel at how accurately it has predicted the place.

Pike's Letter to Mazzini

It is a commonly believed fallacy that for a short time, the Pike letter to Mazzini was on display in the British Museum Library in London, and it was copied by William Guy Carr, former Intelligence Officer in the Royal Canadian Navy. The British Library has confirmed in writing to me that such a document has never been in their possession. Furthermore, in Carr's book, *Satan, Prince of the World*, Carr includes the following footnote:

"The Keeper of Manuscripts recently informed the author that this letter is NOT catalogued in the British Museum Library. It seems strange that a man of Cardinal Rodriguez's knowledge should have said that it WAS in 1925".

It appears that Carr learned about this letter from Cardinal Caro y Rodriguez of Santiago, Chile, who wrote *The Mystery of Freemasonry Unveiled*.

To date, no conclusive proof exists to show that this letter was ever written. Nevertheless, the letter is widely quoted and the topic of much discussion.

Following are apparently extracts of the letter, showing how Three World Wars have been planned for many generations.

"The **First World War** must be brought about in order to permit the Illuminati to overthrow the power of the Czars in Russia and of making that country a fortress of atheistic Communism. The divergences caused by the "agentur" (agents) of the Illuminati between the British and Germanic Empires will be used to foment this war. At the end of the war, Communism will be built and used in order to destroy the other governments and in order to weaken the religions."²

Students of history will recognize that the political alliances of England on one side and Germany on the other, forged between 1871 and 1890 by Otto von Bismarck, co-conspirator of Albert Pike, were instrumental in bringing about the First World War.

"The **Second World War** must be fomented by taking advantage of the differences between the fascists and the political Zionists. This war must be brought about so that Nazism is destroyed and that the political Zionism be strong enough to institute a sovereign state of Israel in Palestine. During the Second World War, International Communism must become strong enough in order to balance Christendom, which would be then restrained and held in check until the time when we would need it for the final social cataclysm."³

After this Second World War, Communism was made strong enough to begin taking over weaker governments. In 1945, at the Potsdam Conference between Truman, Churchill, and Stalin, a large portion of Europe was simply handed over to Russia, and on the other side of the world, the aftermath of the war with Japan helped to sweep the tide of Communism into China.

(Readers who argue that the terms Nazism and Zionism were not known in 1871 should remember that the Illuminati invented both these movements. In addition, Communism as an ideology, and as a coined phrase, originates in France during the Revolution. In 1785, Restif coined the phrase four years before revolution broke out. Restif and Babeuf, in turn, were influenced by Rousseau - as was the most famous conspirator of them all, Adam Weishaupt.)

"The **Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the Illuminati between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion. We shall unleash the nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, deluded with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."⁴

Since the terrorist attacks of Sept 11, 2001, world events, and in particular in the Middle East, show a growing unrest and instability between Modern Zionism and the Arabic World. This is completely in line with the call for a Third World War to be fought between the two, and their allies on both sides. This Third World War is still to come, and recent events show us that it is not far off.

Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

“Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal..This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

“When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach.”

“Last week the Russians invaded Crimea and the world slept... According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by ‘bells of the redemption’ is like a bell that signals the arrival of someone or something.”

Adapted for easier understanding for readers of all level of familiarity with the tradition from the presentation and translation of the teaching in English by **Rabbi Pinchos Lipschutz**

President Barack Obama

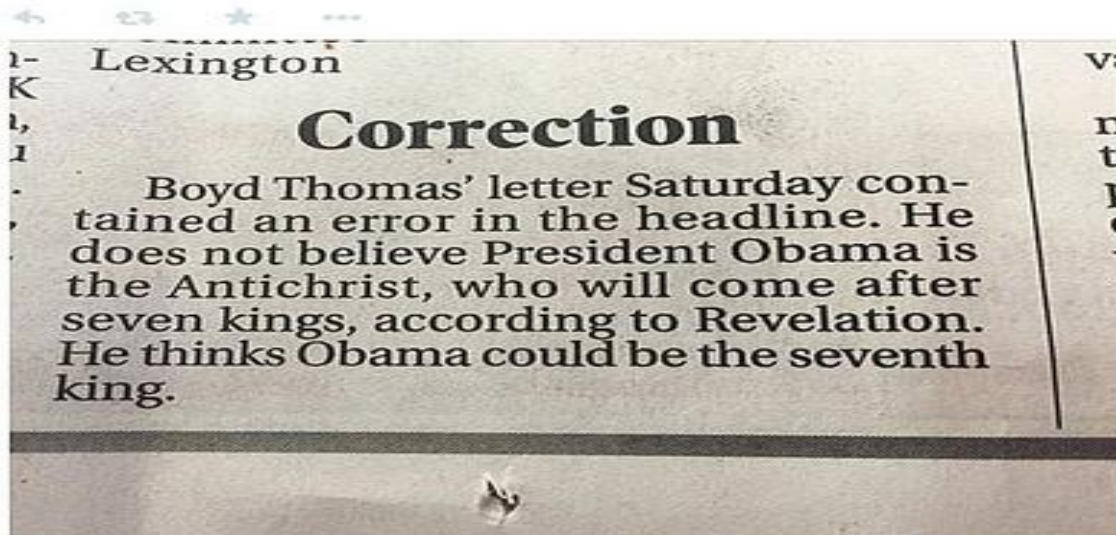

For all those who may have wondered if President Barack Obama is the Antichrist mentioned in the Bible, a U.S. newspaper is now clarifying the issue.

The Lexington Dispatch in North Carolina has reportedly printed a correction to a reader's letter.

The correction reads:

"Boyd Thomas' letter Saturday contained an error in the headline. He does not believe President Obama is the Antichrist, who will come after seven kings, according to Revelation. He thinks Obama could be the seventh king."

Correction in the Lexington Dispatch.

RAND PAUL – PROTECT INTERNET FREEDOM

Dear Conservative,

Big government can't seem to keep its hands off of anything.

[The latest insult: President Obama and the Federal Communications Commission are going to take over the Internet on February 26th if we don't do everything we can do to stop them right now.](#)

A plan deceptively referred to as "Net Neutrality," involves declaring the Internet a "public utility" and gives the FCC the power to decide what Internet service providers can charge and how they operate. This is not only a direct attack on the free market, but it will also result in an increase in Internet access fees for millions of consumers in America. It's a massive tax on the middle class, plain and simple.

The details are complicated but here's the truth: [If "Net Neutrality" is passed, for the first time ever, the Internet will be under the rule of an antiquated regulation designed for land line telephones.](#) President Obama wants to take something that's working just fine, and tie it up in red tape—sound familiar? We've seen this movie before—it's called ObamaCare.

The FCC plans to vote on Feb. 26th on whether or not the government should take their usual heavy handed approach to controlling the Internet or do the right thing and leave it alone.

[I need your help to tell President Obama and the FCC: "Don't mess with the Internet!"](#)

An unregulated Internet has been the single greatest catalyst in history for individual liberty and free markets on the planet. It has created the greatest revolution since Henry Ford invented the Model T.

Let's get this straight—technology has progressed because it has been driven by a free and open Internet—not because of DC bureaucrats. This latest attempt to regulate the web threatens to interrupt that positive innovation, set the market back, and kill jobs.

A free, flourishing Internet is as important as anything man has ever created. But those freedoms are under assault.

[Please, stand with me and help protect Internet freedom by signing this petition today.](#)

These attempts to regulate the Internet are a direct attack on the freedom of information and an innovative market. The government needs to stay out of the way.

Free markets are worth protecting. Please tell your friends, your families, that there's nothing neutral about net neutrality. [We have to stop this aggressive, invasive, and harmful regulation and we need all the help we can get to do it.](#)

Sincerely,

Senator Rand Paul

MIAC STRATEGIC REPORT

The Modern Militia Movement

Modern Militia Movement:

The Militia Movement began in the 1980's and reached its peak in 1996. Several social, economic, and political factors contributed to the surge in militia participation in the 1990's. The primary motivator for the movement was the farm crisis of the 1980's, which caused the destruction of 3/4 of a million small to medium size family farms. Overall, 11 million Americans lost their jobs during this time period.

Academics contend that female and minority empowerment in the 1970s and 1960s caused a blow to white male's sense of empowerment. This, combined with a sense of defeat from the Vietnam War, increased levels of immigration, and unemployment, spawned a paramilitary culture. This caught on in the 1980's with injects such as Tom Clancy novels, Soldier of Fortune Magazine, and movies such as Rambo that glorified combat. This culture glorified white males and portrayed them as morally upright heroes who were mentally and physically tough.

It was during this timeframe that many individuals and organizations began to concoct conspiracy theories to explain their misfortunes. These theories varied but almost always involved a globalist dictatorship the "New World Order (NWO)", which conspired to exploit the working class citizens. United Nations troops were thought to already be operating in the United States in support of the NWO. Much of this rhetoric would become anti-Semitic claiming that the Jews controlled the monetary system and media, and in turn the "Zionist Occupied government (ZOG)". The Militia of Montana (MOM) became a key organization in pushing rightwing rhetoric and informing individuals on how to form militia organizations.

A series of incidents in the early 1990's caused a surge in militia participation. The 1992 standoff between federal authorities and the Weaver family at Ruby Ridge, Idaho became a spark for the movement. On August 14, 1992, a 12 day standoff began that would result in the death of one federal agent and the wife and son of Randy Weaver. The following February, a 51-day siege would occur at the Branch Davidian compound in Waco, Texas, resulting in the death of 82 Davidians and four law enforcement agents. In November of 1993, the enacting of the Brady Handgun Violence Prevention Act of 1992 additionally fueled the movement. The movement reached its peak in 1996 with over 850 groups believed to be operating within the US.

Noteworthy militia activity from 1995 to 1999:

- 11/09/95: Oklahoma Constitutional Militia members are arrested as they plan to bomb the Southern Poverty Law Center (SPLC), gay bars, and abortion clinics.
- 12/18/95: A drum of ammonium nitrate and fuel oil is found behind the IRS building in Reno, Nevada, the device failed to explode. An anti-government tax protestor is later arrested for the incident.
- 01/18/96: A member of the Aryan Republican Army (ARA) is arrested in Ohio after a shoot out with the FBI. The ARA was also associated with 22 bank robberies between 1994 and 1996.

Additional motivators for militia activity:

Ammunition Accountability Act: The Ammunition Accountability Act has been up for legislation in most states. This legislation would require that an ID number be engraved on the round of all ammunition and this ammo could in turn be linked to a place of purchase and the purchaser. Some states have added a clause to the act making it a misdemeanor to possess unregistered ammunition. *Bill did not pass in Missouri*

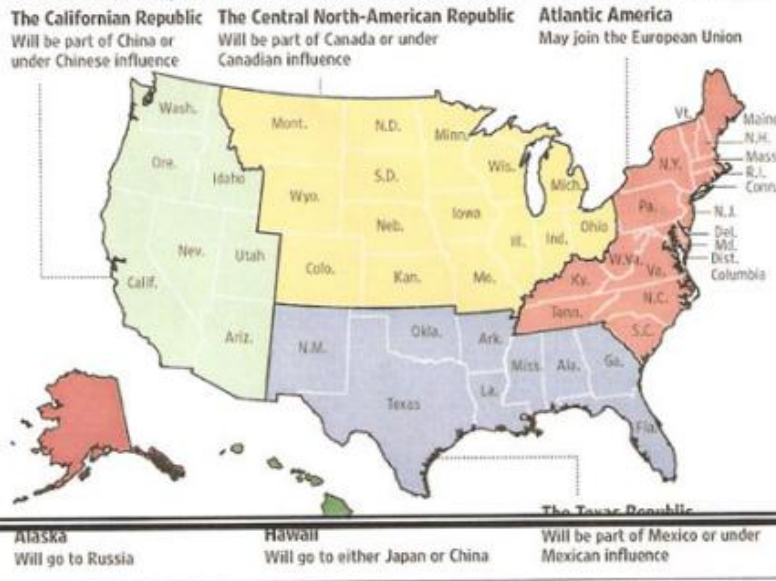

Bullet with engraved tracking number

Anticipation of the economic collapse of the US Government: Many militia organizations feel that the U.S. government will fall due to economic or racial issues. They believe that during the chaotic fall of the government, moves will be made to install Martial Law, confiscate firearms, and imprison many citizens. This fear has recently been heightened by a report from a Russian Economic analyst, Igor Panarin. Panarin predicted that the U.S. would collapse and fraction into six different regions controlled by foreign governments. Panarin goes on to say that as early as the autumn of 2009, the economic crisis will lead to a civil war.

Possible Constitutional Convention (Con Con): Currently 32 states have called for a Constitutional Convention (Con Con) that will add amendments to the U.S. Constitution. The Con Con will be held if two more states request it. The convention is planned specifically for the reason of adding a balanced budget amendment to the Constitution. The Militia Movement is concerned that if a Con

Divided States | A Russian Professor's Prediction of How the U.S. Will Split

UNCLASSIFIED

Con is held, the 1st and 2nd amendments will be altered or removed.

North American Union (NAU): Conspiracy theorists claim that this union would link Canada, The United States, and Mexico. The NAU would unify its monetary system and trade the dollar for the AMERO. Associated with this theory is concern over a NAFTA Superhighway, which would fast track trade between the three nations. There is additional concern that the NAU would open up the border causing security risks and free movement for immigrants.

Kansas City and the Smart Port are seen as the hub of the North American Union

Universal Service Program: Statements made by President Elect Obama and his chief of staff have led extremists to fear the creation of a Civilian Defense Force. This theory requires all citizens between the age of 18 and 25 to be forced to attend three months of mandatory training.

Radio Frequency Identification (RFID): There is a fear that the government will enforce mass RFID human implantations. This process would make it possible for the government to continually know the locations of all citizens.

Militia Trends:

Ideologies

Members of the militia movement often subscribe to the ideology of other right-wing extremist movements such as:

Christian Identity: Religious ideology popular in extreme right-wing circles. Adherents believe that whites of European descent can be traced back to the "Lost Tribes of Israel." Many consider Jews to be the satanic offspring of Eve and the Serpent, while non-whites are "mud people" created before Adam and Eve.

White Nationalist: Many white supremacists, National Socialists "Neo-Nazi", and skinheads are drawn to the movement and its anti government, Semitic, and anti-immigration rhetoric.

Sovereign Citizen: Individuals that see themselves as Sovereign Citizens question the legitimacy of the federal government. They argue that the government has gotten away from the intent of the Constitution and is thus not valid. These groups are

strong states rights advocates, but see the County Sheriff as the highest position of authority. These groups and individuals are well known for failure to register vehicles and driving without valid licenses. Sovereign Citizens have been known to issue their own license plates and drivers licenses and to issue summons to appear in "Common Law" courts.

Militant Abortion: Anti Abortionists have been known to take up arms in support of their beliefs. Eric Rudolph who was responsible for the Atlanta Olympic Park Bombing and abortion clinics was an anti abortionist.

Tax Resisters: This movement is strongly in opposition to the collection of federal income taxes. Individuals in this movement generally believe that income taxes are invalid or the tax laws do not apply to them.

Anti- Immigration: Some militia organizations have been formed solely for the purpose of countering the threat of illegal immigration. Extremists will argue that immigrants are taking the jobs of U.S. Citizens during times of high unemployment. Additionally, illegal immigrants are seen as sucking up government resources without paying taxes. Some militia units patrol the border in order to safeguard against drug smugglers, gangs, or violent immigrants.

Training

Utilization of MILSIM: Militia members have been attending Military Simulation (MILSIM) events in order to increase their combat readiness. MILSIM is a realistic combat sport in which two forces, some times up to the platoon level, utilize paintball, Airsoft, or MILES gear to conduct realistic war games. The desire to increase the realism of the MILSIM has drawn members to seek and conduct military leadership, planning, communications, navigations, and tactics training.

Militia and Survival Training events: Regional training events are being held with the intent of teaching individuals how to establish militia organizations. These events usually focus on individual soldier skills, land navigation, and marksmanship. Some events have been set up in order to prepare for joint operations between militia organizations.

Communications: The use of short wave rave radios for communication and broadcasts is common among most militia groups. These groups communicate through forums, yahoo groups, blogs, and social networking sites. Websites and online talk shows have been established to push rhetoric, usually a skewed version of current events.

Recruitment: Militias are recruiting members and supporters through the following means: gun shows, online forums, websites, social networking sites, and informal social networks. Additionally, militia recruitment may be done at events or meetings held by organizations that share ideologies with the militia.

Organization

Public Groups These organizations hold training events that are open to the public and generally recruit publicly. These groups desire to aid the County Sheriff or Governor in emergencies such as a natural disaster. It is not uncommon for these groups to be seen in public doing community service related work. Public groups are less likely to publicly push malicious rhetoric, and have a traditional military style chain of command and leadership structure. These groups have been known to form underground units and provide training and guidance to new or forming organizations.

Underground Groups These groups primarily adhere to the principles of Louis Beam's philosophy of leaderless resistance. This philosophy advocates small autonomous cells driven by ideology rather than by the direction of leaders. These groups are difficult to gather intelligence on, as no one outside of the cell would be aware of the organization or its plans. Individuals or "lone wolves" have also been known to adhere to the principles of leaderless resistance in order to perform or plot acts of violence.

Committees of Safety (CoS) Organization established to lobby government officials and confront corruption. These groups claim to be a voice of the people and usually control or associate with militia organizations in their region. These organizations are targeted at the county level but are also forming state and national level organizations.

Zeitgeist the Movie: Anti Federal Reserve System film.

America: Freedom to Fascism: Anti-income tax film

The Turner Diaries: Novel that depicts the violent revolution of the United States Government and a war that leaves only a white population. This book was promoted by Timothy Mcveigh and said to be the motivation behind the Oklahoma City Bombing.

'Newton's Riddle' - Isaac Newton's Timing of Christ's Return w Neill Russell (Part 2)

Join Kenneth, John and Cathy in the chat room while they cover the latest apocalyptic headlines and warnings of the soon breakout of World War III. Tonight we are blessed to have brother Niell Russell join the program to discuss his book "Newton's Riddle". Before his death in 1727, Sir Isaac Newton, the notorious physicist, concealed a prophetic script in an alchemy journal. This mysteriously coded script detailed crucial future events involving both Israel and the United States...and their relation to the return of Jesus Christ. Did Newton calculate the time of Christ's return and how close are we to that date?

God Bless You - See you there!

Promotional Videos for Newton’s Riddle:

Short Version: <http://www.youtube.com/watch?v=dR1q2ACBabo>

Long Version: <http://www.youtube.com/watch?v=v10iFEbn0so>

Three weeks after my wife of 37 years, Cindy, died and went home to be the Lord (December of 2009), I promised God three things:

- I would go anywhere He wanted me to go.
- I would do anything He wanted me to do.

- I would say anything He wanted me to say.

Carl, here are some suggested talking points I've sequenced for your show.

Carl: Holding the book (Newton's Riddle) in your hand, you begin by saying,

"In my hand I'm holding one of the most amazing books I have ever read. It is an historical, fictional novel that reads exactly like the front page of today's newspaper. It has an Afro-American President of the United States. It has everything going on in the Middle East, and it has everything going on with the economy of the United States and the world. Then it has this subplot where you can see from the spirit world how it's influencing people. Now I have the author here with us today, Neill Russell. Neill is a high school science teacher. Neill, how long have you been teaching at Annapolis High School?"

Neill: I started teaching at Annapolis when I was 21 years old. I'm 62, so Carl, if you do the math, that's 41 years. I have taught 3 generations of Annapolis children.

Carl: I want to stop you there brief for a moment and let our audience know that Neill is 100% Jewish.

Neill: That's right, Carl. My birth name was Neill Greenspan. I was born in the Bronx, New York on October 3rd, 1952, the son of Marvin Greenspan and Selma Kaufman (my mother's maiden name). My parent's brief marriage ended in divorce two years later in Las Vegas, Nevada, where my mother met and married my stepfather, Sherman Russell, nonreligious goyim. From Las Vegas, my family (my parents had two other children, my half brother and sister David and Gail) settled in Belle Vernon, Pennsylvania, a small riverside community just south of Pittsburgh. For the next 18 years of my life, I grew up in a culture comprised mostly of hardworking middleclass families nestled amongst the rolling green hills of Western Pennsylvania's highly industrialized Monongahela River valley. In hindsight, like so many American children growing up during the 1960s, my family provided me with all the basic essentials – food, shelter,

nurturing, education - everything but the most important component for living a fulfilled life - God.

Carl: But, you are Christian?

I am a tenacious Messianic Jew appointed by God with two end-time missions:

- Using my God-given gift, honed as a teacher of over 41 years, to engage my audience, and also, Sir Isaac Newton's prophetic calculations portrayed in my book, *Newton's Riddle*, I will passionately and articulately explain why I believe that **we are presently only months away from the start of Daniel 70th week.**

I will also expose to your audience the true source of evil clearly depicted in *Newton's Riddle*. No other book written since Frank Peretti penned his 1986 Christian blockbuster, *This Present Darkness*, exposes the true reality of the active spiritual dimension existing just beyond our natural senses. I will explicitly expose Satan's cloaked, detailed plans to destroy both America and Israel. With everything that's going on in the news, the world (and more importantly, the Church) needs to know that their real enemy is not ISIS, al-Qaeda or even the Democrats!

Carl: Neill, I understand that you originally wrote this novel back in 2006, but then recently, you decided to rewrite it. Tell us, why you decided to rewrite *Newton's Riddle*?

Neill: Good question, Carl, and to supply you with a good answer, I need to go all the way back to the year 1989. At that time, I was a brand new Christian when a woman, named Joyce Carr, approached me one morning at our church, New Life Christian Outreach on Kent Island, Maryland, with a book in her hand. I remember Joyce handing me this book entitled "This Present Darkness" and saying, "Neill, I believe God wants you to read this book." Out of curiosity, I remember asking her, "What's it about?" She simply replied with a smile,

“Neill, God wants you to read it. You’ll find out.” Once I opened the book’s cover, I literally could not put that book down until I finished it the same day. Once I discovered the book had a sequel, “Piercing the Darkness”, I literally devoured that book, also. For the first time in my life, I had a clear visual of the reality of a dimension right beyond our senses.

In 2005, I was watching people read this book called "The da Vinci Code", and as a Christian, I knew it was filled with lies from Satan, and people were buying that book as if it was the truth. So, being the tenacious Jew that I am, I tried my best to contact people to come up with another book that would discount these lies. People were watching "Harry Potter." These are lies from the Devil. People, back then, would also go to the movies to watch "The Passion." They wanted the truth. So in 2005 I heard God clearly say, "Neill, you write the book."

And I am not a novelist. In 2005, I worked three jobs a day. I looked at my schedule and said, "I can't do that." But God wouldn't let me go.

So, God took a man named Isaac Newton, somebody we've all heard about, and Isaac Newton's mentioned in "The Da Vinci Code." It's all lies. God showed me the truth about this man. Isaac Newton was a devout Christian.

Carl: First of all, everyone's heard of Isaac Newton, and the law of gravity and things, but what is he considered? Isn't he considered one of the greatest scientists in the history of the world?

Neill: Isaac Newton is probably one of the most intelligent human being who ever lived. He felt that God had placed him on earth, not only to figure out how the universe worked, but also... Something people didn't realize, Isaac Newton was a Bible scholar. He knew all the ancient languages, especially Hebrew. He felt that God had given him the specific mandate to decode the prophetic Scriptures in order to find out when Jesus was going to return.

Carl: Neill, you were able, through all of this information you put it in the book, to come up with a specific year that Sir Isaac Newton figured out, from studying Revelation, studying Daniel, that Jesus is going to return very soon. And this doesn't mean it's correct, but it means the smartest man in the history of the world studying the most significant book in the history of the world, the Bible, this is what he came up with. What did he come up with?

Neill: Isaac Newton studied all the books that you mentioned of prophecy, but the one that he really held onto is Daniel. He looked at the 9th chapter of Daniel. He interpreted the years that are there as prophetic years, each year being 7 years. But he took a different slant. Most people add up those years and come up with 483 years. Add that up, and you come up with a time when Christ first returned. But he took a look at that last 49 years, and he also said that the Jews would one day return to their homeland. Now Isaac Newton made this proposal 300 years before that fact. And, that once they were in their homeland, that they would have Jerusalem as their capital again. Now that occurred in 1967. And what he did is take the 49 years in Daniel 9, added those years to 1967; he came up with a year. And Newton admonished people "We are not date-setters." God's word says that. Newton knew God's word. But the year he came up with is 2016. But he really felt 2016 would be the year of Jesus' return.

Pastor Dan: And all of this is in the book.

Neill: Newton recorded all his prophetic work in a journal coded in alchemy, the language of scientist of his day. The vast majority of Newton's lifetime studies are found today at Cambridge University, all except for that small alchemy journal. Before he died in 1727, he passed that small journal onto his nephew, John Conduitt.

Carl: And where is the journal today?

Neill: I believe it is stored in a museum in Jerusalem, Israel.

Carl: Folks, think about what you just heard. Sir Isaac Newton, recognized as the most prominent scientist and mathematician in history, spent the last 35 years of his life studying prophetic Bible scriptures. He wrote a secret manuscript that was hidden for centuries, but is now revealed in this book that is so timely and prophetic. The story contained in this book reveals events that are occurring right now concerning America, Israel, and the end times

Neill, give us a thumbnail sketch of this book, "Newton's Riddle".

Neill: Sir Isaac Newton died in 1727, and for the last 30 years of his life, he truly felt that God wanted him to find out when Christ was going to return. No other book... All these "Left Behind" books take you to the book of Revelation. By studying three little verses in Daniel Chapter 9, Newton found out that the 7-year countdown to Daniel's 70th week begins next year.

Carl: Listen, as wonderful as the "Left Behind" series was, it doesn't hold a candle to the now-ness of this book. Neill, talk a little about the spiritual dimension of your book.

Neill: Satan has a plan. It's never taught in church, and no one hears about this, but Satan has strategized with his demonic princes a detailed subtle plan to destroy America, Israel's sole protectorate, and then Israel.

Carl: Why Israel?

Neill: Excellent question, Carl!

Satan knows the Bible better than anyone. He knows his eventual fate is the Lake of Fire and he also knows that Jesus' promised to return to place his feet on the Mt. of Olives. Simply put, if there are no Jews left in Israel in the future, and Satan is doing everything in his power to make sure that happens, then Jesus can't return.

Carl: And this plan is in the book?

Neill: Absolutely! In chapter 8, I call it the Academy Awards from hell, where the demonic princes give each other awards for all the subtle schemes that they've done over the past 50 years; how they've desensitized us to sexual sins, and how they've destroyed the families

Carl: And you see this on the two levels.

Neill: Oh, absolutely.

Carl: But the premise is, disease hits the nation, the President doesn't know what is going to happen, and he has a meeting from one of the stars in your book, and he discusses a Scripture with him. What is the Scripture?

Neill: This is the Scripture, Genesis 12:3. "God admonishes all nations throughout time. I will bless those who bless the descendants of Abraham, the Jewish people, and I will curse those who curse." And America, since its foundation, has opened its arms to the Jews.

Carl: Did you hear that folks, God says "I will curse those who curse the Jewish people." Neill, is America presently under a curse for how we've treated Israel?

Neill: Allow me read a paragraph from the reference page recorded in the back of the book.

- On August 23rd, 2005, the world watched in awe as the last Jews were forcefully evicted by their own countrymen from their homes in the Gaza Strip. This was all due in response to tremendous pressure being exerted by President George Bush and his Secretary of State on Israel to disengage from "Palestinian land." On that very day, a weather system formed off the coast of Florida. This storm grew to become Hurricane Katrina, which destroyed not only the city of New Orleans, but most of the state of Mississippi as well. Imagine, just one single storm completely wiped out an area the size of Great Britain, rendering thousands of Americans homeless, causing over a hundred billion dollars in damage, and leaving thousands dead.

- “What America has done to Israel, God has done to America. Consider this: One year after they were forcefully removed from their former Gaza homes, thousands of evicted Israeli Jews remained in makeshift governmental housing. So too, one year after powerful Hurricane Katrina struck the Mississippi and Louisiana Gulf Coast, thousands of evicted American citizens were still living in government-provided housing. Every single time, at the exact moment that America pressured Israel into dividing their God-given land, disaster has struck America. Just as God sent prophet after prophet and judgment after judgment to warn ancient Israel to return to Him and forsake the world, America has been warned and very soon now, the warnings will be over.”

Carl: God says "I God will bless those who bless the Jewish people", Genesis 12:3, "and I God will curse those who curse them", and one of the curses is dividing up the land of Israel, because in the 105th Psalm, God says "I give the physical land of Israel, unconditionally and forever", He even uses the word "everlasting, to Abraham, Isaac, and Jacob and his physical seed." So God considers dividing up the land of Israel as opening up for a curse. And there's so many curses that take place in America that are found in this book. There is one major one in particular. Tell use about it.

Neill: In Chapter 21 of *Newton's Riddle*, on March 20th, 2015, on the first day of Nisan on the Jewish Calendar, on the exact day of the upcoming total eclipse of the sun, America's heartland is decimated by a magnitude 9.4 earthquake along the New Madrid Fault. I originally wrote this chapter in the fall of 2006. As I sat in my home office trying to visualize what such a devastating disaster of this magnitude would look like, God gave me a clear 'vision' of exactly what would take place. Until now, my deceased wife, Cindy, and later, my wife Mary Ann, were the only persons I ever told about this. I immediately left my office and ran out to the kitchen to tell Cindy -in graphic detail- what I had just seen. Up until that time, and until today, I have never experienced - what some call an '*open vision*' - seeing/witnessing future events before they occurred. I cannot say for certain that this horrendous earthquake will strike America's heartland on March 20th, 2015. What I can say for certain is that I clearly saw it happen in graphic detail as recorded in *Newton's Riddle*. Four other well-known pastors, the late David Wilkerson, Shane Warren, John Kilpatrick and my friend, John

Shorey, all of whom share similar visions of the same event I witnessed back in 2006.

And we don't want to see a curse on this country. We love this country. I'm sure our President doesn't want to see a curse on this country. That's the reason most churches do not preach about prophecy today. They are into replacement theology - that the church has replaced the promises that you just said, that God made to Israel. And one of the reasons God put this book on my heart is to open the eyes of the church, to open the eyes of our President. I believe our President's a good man, but he listens to the voice of satanically deceived men. He needs to listen to the voice of God.

Carl: What would you say right now to President Obama if you had a face-to-face meeting with him?

Neill: President Obama, you proclaim to be a Christian; but the Bible says that we must bless Israel if we want to be blessed! Please President Obama, stop listening to the voices of men and listen to the voice of God.

I have a scripture here that is not too often read, but I'd like to read you verbatim what I have written down. This is Obadiah 1:15.

"The day is near when I, the Lord, will judge the godless nations. As you have done to Israel, so it will be done to you. All of your evil deeds will fall back on your own heads." This is a proclamation that God made. He saw down the line that there would come a time when Israel would become a nation, and that the United States, as I believe Isaac Newton saw, would support its existence. And the only reason that Israel's on earth, besides God's prophetic plan, was that there would be a friendly nation to support its existence.

But in the Bible, it says that all nations, at one time in the future, will withdraw their support from Israel and folks that time is very, very near.

****By the way, Rashid Jabbar Harris, the U.S. President in Newton's Riddle, a.k.a . Barrack Obama, after witnessing all the miraculous events that occur in Israel**

during the Psalm 83 war at the end of the book, repents and makes Yeshua his Lord and Savior.

Carl: In closing, what is the best way our audience can purchase a copy of Newton's Riddle?
