Jude 24-25

24 Now to Him who is able to keep you from stumbling,
And to present you faultless
Before the presence of His glory with exceeding joy,
25 To God our Savior,
Who alone is wise, Be glory and majesty,
Dominion and power,

DARKNESS FALLS ACROSS THE LAND

Darkness falls across the land
As the Devil himself plays his final hand
He is ready to implement his ultimate plan,
To establish his own kingdom, to rule supremely over man.

The darkness is coming and it truly will fall
In black viscid streams slowly it will crawl
Crawling across the sky and across the earth
An exploding darkness as it touches the earth.

The darkness will become a treacherous tempestuous storm
Engulfing everything in its path, a black and swirling swarm
In the hands of the Devil are the cards he will play
Those embracing the darkness by the dark prince are swayed.

The ignorant don't realize there is power in the darkness
It will overcome them with a merciless, ravenous starkness
The kingdom of the Beast as told by John the Revelator,
Is a kingdom of darkness ruled by the Great Abominator.

A black awakening will be birthed in this dark affliction
Revealing the men who love dark; it is their maleficent addiction
The words of Solomon say darkness is eaten by the fool
Men will know not upon which they stumble when the darkness rules.

Woe to the men who call good evil and evil good
They will wish to recant if only they could
But once the darkness has fallen their chances are few
For a great delusion will hide their minds from what is true.

Woe to the man who calls the light darkness and the darkness light
For the accuser of man is there to intensify man's plight
The days of darkness are not far away
The Devil is ready for his final play.

We were warned we would battle the rulers of the darkness of this world.
Powers and spiritual wickedness, in the darkness their presence is unfurled.
The dangers of the darkness are frightening, mysterious and unnamed

It is in blackest darkness that the fallen ones have long been chained.

How have we come to this place where men are lovers of the dark?
Is it not as the days when Noah toiled building the great ark?
The darkness will consume all that it touches
And men will be tormented by its evil clutches.

But I know One of whom the darkness is under His feet
By His power all the stones of darkness He keeps.
And though the darkness is thick and is infested with gloom
And is the wandering place of the Serpent, whose head is plumed,

The One that I know can change the impenetrable darkness into light
He will overcome the darkness by the Power of His Might.
“As bright as the sun” the Revelator says in describing His face
He Himself is Light and darkness and light cannot occupy the same space.

To play his final hand the Devil will be allowed
And judgment will come with the dark and swirling clouds.
Know this people of God that in Judgment God is highly exalted
And not by our might or power but by His Spirit will the darkness be assaulted.

And suddenly we realize this darkness is the “Day of the Lord”
It is the judgment of God and His swift and terrible sword.
Darkness should not be in the walk of the follower of Christ
For we have been called out of darkness into His Glorious Light.

What will the result of these Days of Judgment be?
Will you be cast into outer darkness for all eternity?
We will overcome the darkness by our testimony and the Blood of the Lamb
While the world is made a prisoner of the darkness that descends upon the land.

Yes darkness falls across the land
And the Devil will play his final hand
Are you prepared for the events that lie beyond our sight?
Can you face the darkness because you are a bearer of the Light?

Men will either overcome the darkness because they have repented

Or by the darkness be overcome because to darkness they have relented.
For a season darkness will have its way
Satan is ready his final hand to play.

NEXT SHOW

A DAY OF BLESSING AND CURSING

Woe, woe, woe to those upon the earth; all who dwell upon the land
Those who belong to the Most High God should seek shelter under His
hand.

The covering of Heaven is being swept away and it will be Satan's time
Even some of those protected will be taken and there will no more
warning signs

God's love will never waiver, His love will never cease
Hear the word of the Lord your God as to his servants He does speak
There is no escaping judgment for it comes from the God Most High
For those lost in lust, in ignorance and confusion bow your heads and
cry

The time for hearing is now upon all man
The time of judgment is very close at hand
The time for men to see has in fullness now arrived
The hearing and the seeing will be among those who survive.

The watchmen who speak not the truth will be guilty of man's blood
The watchmen who have warned in truth will be found guiltless judged
in love

There is a call to those who fear the Lord, how can men hear unless the
word is preached?

The work of the kingdom is made clear and the word must be spoken
until all are reached.

Blessed is the man who is covered by the shed Blood of the Lamb
Blessed is the man whose name is printed upon God's hand
Blessed is the man whose name remains in the eternal Book of Life
But woe to the man who rejects the blood; his destiny is strife.

Woe upon Woe upon Woe is coming upon the earth
Fear not this woe is the call to those who have received the second
birth

Rather fear the Lord your God for He is mighty beyond a man's
imagination

Alas the fear of the Lord is gone from the people for they revel in
degradation

The seals will be broken and the scrolls will be opened
The trumpets will surely sound, the Word of God has spoken
Attacks and terror will be unleashed and the people will not escape
Riots and war will be uncontrolled, the children will die and the women
raped

Money will be a memory of days that were in the past
And the earth will shake to its very core; how many men will last?
Last through the storms that will prevail as the world is in travail,
It will be raining fire and hail and now too late men pray to no avail.

Sickness will overcome untold numbers of mankind
Darkness will envelope us and the light we will not find
Take heart believer for God has not forgotten and His promises are true
His light will be among the remnant and every morning His mercies
come brand new

He will provide a refuge, for the faithful there is hope
The unbeliever will be lost and in darkness he will grope
Reaching for a hand to rescue but it cannot be found
The time for rescue is before the storm not after the thunder sounds.

God will judge the deeds of men and He will judge the churches too
The line in the sand is drawn and it runs between the pews
A sword will pierce a mother's heart breaking it in two
And tears will run like rivers before the Day of the Lord is through.

We are not to be afraid for He is the First and the Last and He is the Living One

Though He once was dead He is alive forevermore and in Him all victory is won.

He is the Alpha and the Omega He is the Beginning and the End
He is coming soon with rewards and judgments according to our sin.

For the reborn men all sins are gone, Calvary washed them all way
Their robes are white giving them right to enter through the narrow way

But all will still be judged and rewarded according to what each man held or what he forsook

Blessed is he who reads and keeps the words of prophecy found in God's Holy Book

Be alert for the Day of the Lord is near
Be prepared for that day will be severe
Behold for He is coming soon
Watch for He is coming soon

TESTIMONY

My name is Duncan, and I have been compelled to write you an email after I was fortunate enough to be led, by god, yo your radio show. I wanted to take the opportunity to simply say, thank you! Listening to your show, where you and your associates analyze current events using a divine perspective is just what I needed during these perilous times! You see, for several years due to my fascination with politics and history, I have known and felt that our world, including our country, are on the verge of collapse. This has troubled me greatly, as I am 31 years old and have been blessed (I don't know how) with a beautiful wife and two very special little kids. I feel very foolish though because in the years prior to my "awakening" I steadfastly towed the conservative party line. I took great pleasure in vigorously advocating my ideology and thought myself to be a savy, wise, and I'll admit opinionated person. But now I realize how narrow my view was and that I was deceived! The lord was missing from my life.

I feel compelled to share some information about my background to provide a context, which is out of character for me because I don't even know you. I just want to support and encourage the great things that you are doing and let you know that you have impacted me.

You see, I was raised in a catholic household in Lincoln NE. Religion, however, was never really the focal point for me like it was for other members of my family. I am a very independent and black and white person, which has been a blessing and a curse. The lord has blessed me with tremendous strength and mental fortitude which has allowed me to handle extreme circumstances in my life that others could not. But I decided in my youth to walk my own path. I was a party guy with a chip on his shoulder and felt I had something to prove to everyone. Very prideful. Despite these faults I always felt a strong connection with God and calculated that my belief in his existence was enough. Man, has God taught me a lesson! You see, on September 9, 2001 I made a decision that would affect my life in a profound and fundamental way. I joined the Marine Corps infantry. Imagine my surprise two days later when 9/11 occurred. As a result, I found myself in 2004 in some of the worst fighting of the Iraq war! I was in Ramadi Iraq as a machine gunner and took the lives of many people. At the time, it didn't think it affected me. I wanted to kill as many of the enemy as I could. Again I was very proud. Especially when I saw how others were destroyed by the experience, through PTSD, and I wasn't. I thought my fellow Marines were weak. Without realizing it though, I fell into a dark place. I reveled in the sins of the flesh and drank more than my share. Remember I said I had always felt a strong connection with God? At this point that connection grew silent. He had literally spared my life, bullets and RPGs came so close that I felt them! But I emerged from combat unscathed! Instead of praising the lord I turned my back and thought it had been dumb luck that I was spared when others fell.

Then came the second biggest decision of my life. I was slated to leave the Marine Corps in 2006, but unit was returning to fight in Ramadi. My command requested that I extend my enlistment for this deployment and sweetened the offer by offering my own squad. A great honor in the Marine Corps. I pondered this decision for several days, but a strong feeling told me this wasn't the right choice. I declined the offer. A good friend of mine, Clint Ahlquist, was in a similar situation and was given the same offer. He accepted. I left the Marine Corps and returned home to Nebraska for college and he went back to Iraq the same day! He was killed months later. The news of his death impacted me greatly, so much so that it made me question my decision to leave and caused me to loose my trust in God. I felt if I had been there it would have been different. At this point my life began to spiral downward. My drinking took over and I became reckless and a loose cannon. Then something hapoened, I found my wife who, at the time was dealing with her own life issues. We were Satan's wet dream! Out of control young people without God. Then we were blessed with my son. This caused me to rethink my life and reprioritize things. I slowly came back to the church, but on my own conditions. My demons were strong! So much so that i literally came as close as you get to death. You see, one night in 2010, I got so drunk at a party during a football tailgate that when I was belligerent and blacked out. When I woke up I was in the hospital, no ideas what happened! Turns out that my wife picked me up early in the morning after I disappeared from the party. My parents were also looking for me. When my wife drove me home was angry, for no reason and went to the basement, but I fell down the stairs and knocked myself out! I landed in such a way that I couldn't breathe, but by the grace of God my dad came to our house to check in me and found me at the bottom do the stairs. He gave me CPR and saved my life! An ambulance took me to the hospital. The only injuries I sustained were to my pride! Yet again I was spared! And yet again I didn't turn to God right away. I was such an idiot. Here the lord gave me a wife, kids, a job, and I risked it all and my eternal soul, for what! I still don't know.

My mom never gave up on my faith though. And in 2012 I came back to the church! And my wife came to! We have been learning and growing ever since. And guess what? My life flourished! I graduated college and after a short stint as a unit case worker in a maximum security prison, during which time my faith soared, I was blessed with my dream job! I became a deputy sheriff! The lord has truly blessed me!

Now this is where you come in John. You see, I have been awake to world events for the last several years and I've felt myself going back into that dark place. Listening to people like Alex Jones desperately trying to make sense of things a formulate a plan, a timeline. But relief was elluding me. Then I found your show, and as a result, peace. The answer has been there all along right in front of my eyes, Christ, the Bible, the divine word! I'm at peace John and once again have my strength and purpose! You led me back. I have shared this revelation with my family and coworkers and they have been awakened to! Brought back into the fold with a new sense of confidence and humility with the realization that we are here, at this time, for a reason! What an honor! Praise God! Its only been a week that I have been listening to your show but what a difference a week makes! I have been consuming the word of god and the gospel like someone who hasn't eaten for days! I believe we all have our roles to play and I believe that Christ is working through you to awaken his people. What an honor that is. To think that I was at risk of missing the feast! Man that's scary. Keep up thegood work John and my God bless you! Take care brother!

TESTIMONY JUDY

Hi Johnny,

My name is Judy, I'm a frequent listener to your Tribulation Now show. Absolutely love it!

I wanted to share a testimony with you. I listened to your show, Baptism Special after my brother was deeply blessed by it. He received the gift of tongues during the show. When he told me his testimony, I felt compelled to receive the baptism of the Holy Spirit as well. I was hoping to receive something similar to his experience. However, I didn't have any set expectations of what I could receive from the Lord when I started to listen to the show.

To my surprise, I was left floored to my experience my symptoms as I began to follow and mimic Joyce Meyer's prayer language as to invoke the Holy Spirit to receive the gifts of the spirit. I began to cough, gag and vomit. I had to stop the audio to compose myself a couple of times and start over. I couldn't utter a word while praying. It occurred to me to perform self deliverance, the second time I stopped and started the baptism of Holy Spirit prayer . As I experienced these symptoms, it quickly registered in my head to pay attention to my lower back.

I've suffered from intense lower back pain for years. I was not able to remain in a standing position for more than 3 minutes without experiencing intense pain and was left unable to move from my lower back issues. While listening to the Holy Spirit prayer for almost an hour trying to follow the prayer, I realized, I had been standing up without feeling any pain or any discomfort in my lower back for that amount of time. I felt nothing in mu back just a subtle warmth. I realized, the Lord healed me completely from my back pain issues. I know that much, Praise Jesus!

Since then, I've been listening to the Baptism show, mostly the last audio clip segment from the show every night as a form of prayer and self-deliverance. However, I still experience the same symptoms doing the prayer (vomiting, coughing...they're not as intense as the first couple of times). I am being led in my spirit to understand I'm going through a form of deliverance. However, I feel I'm stuck where I can't get passed the symptoms. I feel I'm blocked. I believe, I'm not done being cleansed or set free. I am trying to live righteous life. I took all the eniquity out of my life. I am human so, I do struggle on occasions. Do you have any advice you can give me as to what else I need to do in order to obtain full deliverance?

God bless you!

raise. I know this might sound a little odd but praise is what came to mind. Really powerful heart felt praise. The kind of praise that causes your whole body and all your emotions to gush out of you in waves of tears. When you are immersed in emotional praise the Holy Spirit energizes your soul/spirit matrix and has a

tremendous cleansing effect. Also have you listened and put into practice the "Demons and Spiritual Warfare Basics" show / teaching we did? These are vital parts of our life we have to put into practice too. These things are like bugs. Praise is bug repellent and we can get rid of them with some persistence.

GREAT QUOTES

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). *Mighty Prevailing Prayer:*

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

I DON'T CARE FOR HOW YOU PRAY

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.

Well then, I like my way much better after all.

REFUSE TO WORRY! In this world there will always be something enticing you to worry. That is the nature of a fallen, fractured planet: Things are not as they should be. So the temptation to be anxious is constantly with you, trying to worm its way into your mind. The best defense is *continual communication with Me, richly seasoned with thanksgiving*. Awareness of My Presence fills your mind with Light and Peace, leaving no room for fear. This awareness lifts you up above your circumstances, enabling you to see problems from My perspective. Live close to Me! Together we can keep the wolves of worry at bay.

"Who of you by worrying can add a single hour to his life? Since you cannot do this very little thing, why do you worry about the rest?"

LUKE 12 : 25 - 26

Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus.

PLAY – The Rapture – (Are We There Yet) Final

Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

David Wilkerson – We Do Not FEAR God

1 John 3:7-9

7 Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. 8 He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God.

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, **bringing every thought into captivity to the obedience of Christ,**

1 Cor 13:1-7

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not

love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

NKJV1

Peter 3:13-17

13 And who is he who will harm you if you become followers of what is good? 14 But even if you should suffer for righteousness' sake, you are blessed. "And do not be afraid of their threats, nor be troubled." 15 But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; 16 having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. 17 For it is better, if it is the will of God, to suffer for doing good than for doing evil.

NKJV

James 4:11

11 Do not speak evil of one another, brethren. He who speaks evil of a brother and judges his brother, speaks evil of the law and judges the law.

Gal 5:22-26

22 But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, 23 gentleness, self-control. Against such there is no law. 24 And those who are Christ's have crucified the flesh with its passions and desires. 25 If we live in the Spirit, let us also walk in the Spirit. 26 Let us not become conceited, provoking one another, envying one another.

NKJV

Eph 5:8-11

8 For you were once darkness, but now you are light in the Lord. Walk as children of light 9 (for the fruit of the Spirit is in all goodness, righteousness, and truth), 10 finding out what is acceptable to the Lord.

NKJV

Luke 6:43-45

43 "For a good tree does not bear bad fruit, nor does a bad tree bear good fruit. 44 For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush. 45 A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart brings forth evil. For out of the abundance of the heart his mouth speaks.

Therefore, having these promises, beloved,
let us cleanse ourselves from all filthiness

Andrew Murray - Humility

“Humility is perfect quietness of heart. It is to expect nothing, to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised. It is to have a blessed home in the Lord, where I can go in and shut the door, and kneel to my Father in secret, and am at peace as in a deep sea of calmness, when all around and above is trouble.”

GODLY WARNING PLEASE DISCERN

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

We All See Through the Mirror Dimly

1 Cor 13:12

For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

Deut 18:22

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST
by David Wilkerson
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO
GOD'S PROPHECIES
OR FACE RUIN /
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

BEHOLD I COME

YOU WILL INSTANTLY AND WITHOUT EFFORT BE TRANSFORMED WHEN THE EARTH IS PLUNGED INTO DARKNESS

It is I Yahushua, your Messiah, the Lion of the Tribe of Judah in whose breath I establish kingdoms and I subdue them. I am He the Creator of all things. I raise up, and I lay low. There is nothing that has been created that was not thought of, designed, and purposed by Me. I am He that speaks to warn you of things to come. I am He that prepares your hearts to receive revelation and mysteries, understanding and knowledge.

This night I have come to share with you that it is upon you. It is upon you children! Keep your focus, stay ever so close for very, very soon you will engage in a way that you have not done before. This is the great unraveling. With great and terrible speed the events come. I mourn for the loss that there will be of so many but it must be so. Do not grow weary in the day to day training and tasks at hand for in an instant all will suddenly change. I tell you this so when all is spiraling out of control all around you and people are in complete chaos and fear, you, My own, will know no fear for it is I who will operate from within. I assure

you, you will have My complete peace. You will instantly and without effort be transformed, and from there will go on to carry out many, many things in My name for this is why you are here.

The darkness comes children, it comes quickly. The Destroyer is near. The earth will be plunged into utter darkness and fear will reign. Terror such as the world has never know. You My lights will all be protected, of course, for you know this already. In this, you have My promise. I tell you this, not to turn your attention towards events for they will continue to escalate in intensity and frequency and they will be terrible. But I tell you this out of My great love for you so that you know that I care so much that I would warn you and prepare you ahead of time. So you would know that I am in every heartbeat and every breath you take, that We are not separated. I in you, you in Me, We are One in the Father.

Do not become fearful that you would not know what I would have you do when these things take place for this I promise you as well, you will have My instruction very clearly and I will speak directly to your spirits. You will understand all that I say, and all that I ask you to do. So once again, I remind you, do not allow your minds to engage in a thought process that would take you back to the soul nature, in that you would visualize these events and attempt to prepare your minds on how to handle these situations. This is not what I would ask you to do. Stay

with Me in spirit. Don't allow yourselves to feel what you think this will feel like. This will only serve to distract you. This is why I come and speak with you. I do this because I am teaching you. I am teaching you now before these events come.

These conversations We have been having are some of the final instructions you will need. For I have spoken many words of love and encouragement and instruction to you, wisdom; all to increase your awareness, to deepen the revelation of all these things that I have been speaking about for so long now. Truly, it is as simple as what has already been said, trust and obey. This is all you need do.

May I ease your spirits with one more thing, do not fret over things done or not done, things not completed, timelines, things I have spoken of before. For all is in My hands and I know what will be done and what will not, I know what your needs are and will be. All will be provided for. As always do what you know to do each day, never striving, always abiding, knowing that I have the outcome. I put no pressure on you to finish anything that has been set before you, it is about the journey, not the end. Remember this, this is a wise, wise statement. It is about the journey.

Everything you do is a heart matter. I see the motives and desires of your hearts for I have placed them there. I wish to see you seek Me with all you have, regardless of what you consider to be accomplished

or not. It is all in My flow. Just stay with Me children, it is that simple, just stay with Me.

Be My voice-piece in this place, sound the alarm!

REPENT! REPENT! REPENT!

For the Kingdom of Heaven is at hand! Truly I come!!

The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

House 12 President: ?

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

[Note: Could this be the Puerto Rico Comet event?]

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

[Note: This is the Sixth Seal Rev 6:12-17]

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

[Note: This is Obama, the Antichrist]

Then the dream ended.

PASTOR TD HALE DREAMS

The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

Please Note: It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

FLORIDA CITY SPIES ON CHURCHES, DEMANDS LICENSES

A Florida city's code-enforcement division, which was subject in 2013 to a scathing audit for falsifying inspections, employing unqualified inspectors and failing to clean up nuisance properties, has now decided to go after churches.

The City of Lake Worth, in Palm Beach County, has taken the position all churches are required to obtain a "business license" to conduct worship services. It is using city employees to covertly attend services and acquire evidence, including video, "for future court presentation."

City-code enforcement officer, Gerard A. Coscia – wearing a hoodie – was sent to the [Common Ground Church](#) on Feb. 9 to clandestinely film the worship service, [reported the Examiner](#).

The following Sunday, Coscia returned to the church, which meets in the Coffee Grounds Coffee Bar, handed his business card to pastor Mike Olive and told him, "This Sunday is your last Sunday."

Olive said he had never received a notice from the city for any violation of any local law, and only learned a non-compliance affidavit had been issued when a church employee checked the city website.

"I inspected the property and found the following violations: Business-rental property found without a current City of Lake Worth business license, specifically to operate as a church, or a house of worship," Coscia wrote in his case narrative, according to the [Lake Worth Tribune](#).

"I walked back to the Coffee Bar and was able to visualize ... what appeared to be a ministry in progress," including: "Someone speaking from a podium." "A [sic] overhead TV or projection with scripture verse on it." "Rows of people sitting in chairs on both sides like a gathering setting." "People holding what appeared to be bibles or religious books as one had a cross on it." The report stated that a video was captured on the "city phone" to be used "for future court presentation."

These Microchips Will Deliver DNA-Altering “Medicine” Inside You

March 4, 2015 by [Tom Horn](#)

Instead of having to give yourself an injection or take a pill every day, you'd have the microchip implanted under your skin and let it do its thing long-term (up to 16 years, according to the company website). Even better, the chips respond to wireless signals so you could change the dose according to your condition without having to physically access the chip: a remote control for your implanted pharmacy. Langer told me the idea came to him rather serendipitously. "It must have been 25 years after I started doing this work. I happened to be watching a television show on how they made microchips in the computer industry," he said. "And I thought to myself, would this be a great way to do drug delivery?" He admitted that, after 25 to 30 years work in the same area, he might have been equally inspired by any other TV show. But he worked with materials scientist Michael Cima on the idea, and they founded Microchips together. The chips are currently in clinical trials, and the company is pursuing different applications for the platform. ([READ MORE](#))

Bubonic plague-carrying fleas found on New York City rats

A study published this week looked into the parasites found on New York's rats

PAYTON GUION | NEW YORK | Tuesday 03 March 2015

Shares: 1K PRINT A.A.

Spend any length of time in New York City and a rat will show its whiskery face or worm-like tail. It could be on the subway tracks or nibbling through the garbage on the side of the street. It could also be carrying the bubonic plague.

Scientists studying rats in New York found the flea that carries the plague - the Oriental rat flea - hosting on some of the city's rat population, according to the study published Monday in the *Journal of Medical Entomology*.

Bubonic plague is infamous as one of the most devastating pandemics in world history, known as the Black Death. During the 14th Century, the plague killed between 25 million and 50 million people in Europe.

Before panic ensues, it must be noted that researchers found no trace of the plague or typhus - another disease carried by the Oriental rat flea - in any of the fleas they sampled. [Check out the full report here.](#)

RECORD-BREAKING STORM ACTIVITY ON URANUS IN 2014

Draft version January 8, 2015

ABSTRACT

In spite of an expected decline in convective activity following the 2007 equinox of Uranus, eight sizable storms were detected on the planet with the near-infrared camera NIRC2, coupled to the adaptive optics system, on the 10-m W. M. Keck telescope on UT 5 and 6 August 2014. All storms were on Uranus's northern hemisphere, including the brightest storm ever seen in this planet at 2.2 μm , reflecting 30% as much light as the rest of the planet at this wavelength. The storm was at a planetocentric latitude of $\sim 15^\circ\text{N}$ and reached altitudes of ~ 330 mbar, well above the regular uppermost cloud layer (methane-ice) in the atmosphere. A cloud feature at a latitude of 32°N , that was deeper in the atmosphere (near ~ 2 bar), was later seen by amateur astronomers. We also present images returned from our HST ToO program, that shows both of these cloud features. We further report the first detection of a long-awaited haze over the north polar region.

1. INTRODUCTION

Seasonal forcing has explained hemispherical asymmetries on Earth (Zachos et al. 2001), Mars (Nakamura & Tajika 2002), Jupiter (Orton et al. 1994), Saturn (Greathouse et al. 2005; Moses & Greathouse 2005; Orton & Yanamandra-Fisher 2005), and Neptune (Hammel et al. 2007). Uranus, with its pole almost in the ecliptic plane, provides a planetary obliquity extremum. Because it also lacks a measurable internal heat source, its weather depends more on solar energy than that of the other giant planets. Hence, if seasonal forcing is important, it should be most apparent on Uranus. We report here extreme dynamic activity on Uranus that does not fit any existing seasonal model of this planet.

During the Voyager encounter with Uranus in 1986, only a handful of dim clouds were seen in its atmosphere. The typical contrast of these clouds (i.e., enhancement in albedo relative to the background) varied from $< 1\%$ in the violet to $\sim 7\%$ in the red (Karkoschka 1998). All those features were in its southern hemisphere, the hemisphere facing the Sun (and Earth) at that time. When Uranus's northern hemisphere came into view, HST images revealed an abundance of small cloud features at latitudes that had been in shadow for ~ 40 years. The contrast of these features was highest at 1.6–1.8 μm , where it reached values over 2 orders of magnitude higher than the $\sim 1\%$ seen by Voyager at visible wavelengths. The observed contrast is a function of atmospheric opacity and cloud reflectivity. At UV

and visible wavelengths, gaseous opacity is dominated by Rayleigh scattering, while methane absorption dominates in the near-infrared. At 2.2 μm absorption by CH_4 and H_2 is so large that only the highest levels in Uranus's atmosphere are visible, as sunlight is absorbed deeper in the atmosphere. At 1.6–1.8 μm the opacity is small enough that pressure levels in the atmosphere down to several bar⁸ are probed, the altitudes at which clouds typically form.

When Uranus approached equinox in 2007 (i.e., when the Sun was shining directly on the equator), cloud activity at near-infrared wavelengths (1–2.2 μm) increased compared to earlier images at these same wavelengths. In particular, in 2004 one cloud feature in the southern hemisphere at $\sim 34^\circ\text{S}$, known as the “Berg,” developed into a powerful storm⁹ rising up to pressures of ~ 0.6 bar; at 1.6 μm it was seen as a large morphologically interesting cloud system, while the top of the cloud core that reached up to these high altitudes was visible as a tiny (unresolved) feature at 2.2 μm (Hammel et al. 2005). At 1.6 μm it became more elongated in longitude in 2007, at times displaying several small cloud features at 2.2 μm (Sromovsky et al. 2009; de Pater et al. 2011). In 2005 this cloud complex started to migrate towards the equator (Sromovsky et al. 2009), and it disintegrated in 2009 (de Pater et al. 2011).

The northern hemisphere, which has been rotating into view since the 1990s, contained a greater number of bright cloud features than seen during previous decades in the southern hemisphere, with the brightest long-

GLOBAL CLIMATE CHANGE: NATIONAL SECURITY IMPLICATIONS

Compiled by
Dr. Douglas V. Johnson II
Strategic Studies Institute

KEY INSIGHTS:

- Climate change is underway. The effects will vary according to a broad variety of circumstances and interactions, some of which are not well-understood. Likewise, mitigation is not well-understood, and will not take place quickly.
- The national security implications of climate change are proportional both to the speed of change and the extent. Public awareness should follow a coordinated strategic communication plan that focuses on maintaining credibility.
- Threats to national survival stemming from catastrophic change must be anticipated, evaluated, and neutralized to the greatest degree possible.
- The entire range of plausible threats needs to be delineated, then analyzed and early warning criteria established. The alternative approaches and cost-benefit analyses must be run to establish what can be done, when, and at what cost.
- While military forces have roles in disaster relief, the broader impact of serious climate change will require multinational, multi-agency cooperation on a scale heretofore unimaginable and could provide no-fault ground for global cooperation.
- Effective interagency action may require new legislation and better definition of Department of Homeland Security authority.
- Should global cooperative measures fail, the first impact will likely come from large numbers of displaced people who, by the very nature of their displacement, will become subject to malnutrition and disease; agricultural dislocation could aggravate or spark displacement and border security issues could arise as well.

On the anomalous secular increase of the eccentricity of the orbit of the Moon

ABSTRACT

A recent analysis of a Lunar Laser Ranging (LLR) data record spanning 38.7 yr revealed an anomalous increase of the eccentricity e of the lunar orbit amounting to $\dot{e}_{\text{meas}} = (9 \pm 3) \times 10^{-12} \text{ yr}^{-1}$. The present-day models of the dissipative phenomena occurring in the interiors of both the Earth and the Moon are not able to explain it. In this paper, we examine several dynamical effects, not modeled in the data analysis, in the framework of long-range modified models of gravity and of the standard Newtonian/Einsteinian paradigm. It turns out that none of them can accommodate \dot{e}_{meas} . Many of them do not even induce long-term changes in e ; other models do, instead, yield such an effect, but the resulting magnitudes are in disagreement with \dot{e}_{meas} . In particular, the general relativistic gravitomagnetic acceleration of the Moon due to the Earth's angular momentum has the right order of magnitude, but the resulting Lense-Thirring secular effect for the eccentricity vanishes. A potentially viable Newtonian candidate would be a trans-Plutonian massive object (Planet X/Nemesis/Tyche) since it, actually, would affect e with a non-vanishing long-term variation. On the other hand, the values for the physical and orbital parameters of such a hypothetical body required to obtain at least the right order of magnitude for \dot{e} are completely unrealistic: suffices it to say that an Earth-sized planet would be at 30 au, while a jovian mass would be at 200 au. Thus, the issue of finding a satisfactory explanation for the anomalous behavior of the Moon's eccentricity remains open.

1 INTRODUCTION

Anderson & Nieto (2010), in a review of some astrometric anomalies recently detected in the solar system by several independent groups, mentioned also an anomalous secular increase of the eccentricity¹ e of the orbit of the Moon

$$\dot{e}_{\text{meas}} = (9 \pm 3) \times 10^{-12} \text{ yr}^{-1} \quad (1)$$

based on an analysis of a long LLR data record spanning 38.7 yr (16 March 1970–22 November 2008) performed by Williams & Boggs (2009) with the suite of accurate dynamical force models of the DE421 ephemerides (Folkner et al. 2008; Williams et al. 2008) including all relevant Newtonian and Einsteinian effects. Notice that eq. (1) is statistically significant at a 3σ -level. The first presentation

of such an effect appeared in Williams et al. (2001), in which an extensive discussion of the state-of-the-art in modeling the tidal dissipation in both the Earth and the Moon was given. Later, Williams & Dickey (2003), relying upon Williams et al. (2001), yielded an anomalous eccentricity rate as large as $\dot{e}_{\text{meas}} = (1.6 \pm 0.5) \times 10^{-11} \text{ yr}^{-1}$. Anderson & Nieto (2010) commented that eq. (1) is not compatible with present, standard knowledge of dissipative processes in the interiors of both the Earth and Moon, which were, actually, modeled by Williams & Boggs (2009). The relevant physical and osculating orbital parameters of the Earth and the Moon are reported in Table 1.

In this paper we look for a possible candidate for explaining such an anomaly in terms of both Newtonian and non-Newtonian gravitational dynamical effects, general relativistic or not.

To this aim, let us make the following, preliminary re-

Siberian craters: scientists call for urgent investigation

Researchers say the mysterious craters could be linked to climate change as methane gas is released from the thawing permafrost, causing underground explosions.

In the middle of last summer came news of a bizarre occurrence no one could explain. Seemingly out of nowhere, a massive crater appeared in one of the planet's most inhospitable lands. Early estimates said the crater, nestled in a land called "the ends of the Earth" where temperatures can sink far below zero, yawned nearly 30 metres in diameter.

The saga deepened. The Siberian crater wasn't alone. There were two more, ratcheting up the tension in a drama that hit its climax as a probable explanation surfaced. Climate change had thawed the permafrost, which had caused methane trapped inside the icy ground to explode. "Gas pressure increased until it was high enough to push away the overlying layers in a powerful injection, forming the crater," one German scientist [said](#) at the time.

Kerala CM Oommen Chandy's office has said that these fireballs might be meteor shower, according to [ReporterLive](#).

The fireball appeared with a noise in many parts of Kerala, including Ernakulam, Thrissur, Palakkad, Thiruvananthapuram, Kollam, Kozhikode, Malappuram and Kannur.

Some even reported that people felt minor earthquake in many parts of Ernakulam, including Fort Kochi, Vypin, Willington Island

and Kolenchery.

Cabinet Minister Adoor Prakash has ordered an investigation on the matter and requested the residents not to panic.

Latest reports suggest that the suspected object might have fallen somewhere in central Kerala.

No casualties have been reported as of now.

Meanwhile, on Saturday morning, an impact crater has been spotted at Karimalloor village in Ernakulam district, which is believed to be caused by the fireball on Friday night.

"We have located a suspected impact crater at Karimalloor village in Ernakulam district and our team is rushing to the spot," State Disaster Management Authority's scientist Sekhar Kuriakose said, according to [Business Standard](#).

Recently, similar incidents were reported in the US, Russia and various parts of Europe. NASA had explained that these could be the debris of the disintegrated Chinese rocket that was carrying the Yaogan Weixing-26 satellite.

At approximately 3:15pm, News 5 began receiving dozens of phone calls from viewers across the Gulf Coast who said they heard or felt a "loud boom."

This was confirmed by News 5 crew members who experienced the same thing.

As of now, the source of this noise/tremor is unknown at this time.

We can confirm it was not a minor earthquake. The USGS reported no such activity for southern Alabama or the Gulf of Mexico.

We have phone calls in to NAS Pensacola as to whether there were any aircraft operating in the skies above southern Alabama, but have yet to receive a call back.

Here's a strong theory from Chief Meteorologist, Alan Sealls...

A local pizza delivery driver says he has something to do with the fifty or so birds that turned up dead off North Field Lane Saturday.

Russell Thomas contacted FOX17 after our story first aired.

Thomas says the birds were flying low and swooped in and bombed his brand new white KIA.

He said there is minor damage to his car.

Sun Is Extremely Quiet, Scientists Worry We Are Entering Ice Age

The sun is currently experiencing its weakest solar cycle in over a century according to scientists. Advertisement

“The sun is flatlining. For the 6th day in a row, solar activity remains very low. No sunspots are flaring, and the sun’s X-ray output has flatlined” says spaceweather.com

Scientists say that if the solar flatlining continues it may be an indication we are about to enter into a mini ice-age.

Iceagenow.info reports:

“The main driver of all weather and climate, the entity which occupies 99.86% of all of the mass in our solar system, the great ball of fire in the sky – has gone quiet again during what is likely to be the weakest sunspot cycle in more than a century,” echoes vencoreweather.com. “Not since cycle 14 peaked in February 1906 has there been a solar cycle with fewer sunspots. We are currently more than six years into Solar Cycle 24 and today the sun is virtually spotless despite the fact that we are still in what is considered to be its solar maximum phase.”

How rough was the winter on the Great Lakes?

It's the second straight tough winter for Great Lakes! The lakes

altogether were 88.3% ice-covered as of Sunday. This is more than the 86% ice cover on the lakes on March 1, 2014, amid a winter with record snowfall and near-record frigid temperatures.

That's amazing!

In the aftermath of the revelations that Hillary Clinton had exclusively used a personal email account to conduct state correspondence with diplomatic leaders around the globe and pretty much everyone else, it was only a matter of time before the subpoenas started flying. That time is now and as WaPo reports, the "House investigative committee is preparing to send out subpoenas later Wednesday to gather a deeper look into former secretary of state Hillary Rodham Clinton's nearly exclusive use of personal e-mails to do her official business as the government's top diplomat, according to people familiar with the probe."

As a reminder, here is a sampling of some of the emails Clinton had sent to at least one recipient, Sidney Blumenthal, whose email account had been hacked by the infamous Romanian hacker "Guccifer".

Netanyahu warns Congress: Deal will lead to Iranian nuclear bomb

By Stephen Collinson, CNN

Updated 10:11 PM ET, Tue March 3, 2015

Obama: Netanyahu's speech 'nothing new' 01:58

Washington (CNN)—Israeli Prime Minister Benjamin Netanyahu warned Tuesday that a proposed agreement between world powers and Iran was "a bad deal" that would not stop Tehran from getting nuclear weapons -- but would rather pave its way to getting lots of them and leave the Jewish State in grave peril.

In a dramatic address to the U.S. Congress at what he said was a "fateful" crossroads of history, Netanyahu openly sided with President Barack Obama's Republican critics and sparked an immediate and furious reaction from the White House, as relations between Washington and Israel spun into their deepest chasm for many years.

"We have been told that no deal is better than a bad deal. Well this is a bad deal. It is a very bad deal. We are better off without it," Netanyahu said, building a case that Iran was not just bent on developing nuclear weapons but was determined to "gobble" up defenseless countries in a wider play for dominance in the Middle East.

"We are being told that the only alternative to this bad deal is war. That is just not true. The alternative to this bad deal is a much better deal," Netanyahu said to deafening cheers in the House of Representatives chamber, while issuing a firm warning that Israel would stand alone if necessary to defend the existence of the Jewish people.

In a historical ruling, Judge Malka Aviv decided that police must allow Jews to pray at the Temple Mount, the holiest Jewish site in the Old City of Jerusalem.

The court case, Yehuda Glick vs. the Israeli Police, was brought forth after Rabbi Yehuda Glick was banned from visiting the Temple Mount after he was seen giving a Jewish prayer at the Temple Mount on television.

Prior to this decision, Israeli police prohibited Jews from praying on the Temple Mount for security reasons. The police ban even included silent prayer, or mouthing the words to a prayer to oneself. According to Israeli police, non-Muslim prayer at the Temple Mount would incite Islamic violence.

Obama's regs will make Internet slow as in Europe, warn FCC, FEC commissioners

BY PAUL BEDARD | FEBRUARY 23, 2015 | 2:14 PM

As the Federal Communications Commission and Federal Election Commission toy with regulating aspects of the Internet, critics on those agencies are warning that speed and freedom of speech are in jeopardy.

In a joint column, Federal Communications Commission member Ajit Pai and Federal Election Commission member Lee Goodman, leveled the boom on the Obama-favored regulations, essentially charging that it will muck up the freedom the nation has come to expect from the Internet.

RELATED: [Inside Obama's net fix](#)

In one key passage of the column published in *Politico*, the duo wrote Monday that heavy-handed FCC regulations like those imposed in Europe will significantly slow down Internet speech:

GOOGLE MOVING TO SHUT DOWN ALTERNATIVE MEDIA BY RANKING SITES ON “FACTS” RATHER THAN POPULARITY

Wants To Cross Check Websites Against Debunking Sites Such As Snopes.com

by **STEVE WATSON** | **INFOWARS.COM** | MARCH 2, 2015

Search Engine giant Google, the major driver of traffic to the majority of media portals is moving to change the way it ranks websites, declaring that it intends to use known partisan debunking outlets to **determine the “truthfulness”** of content.

Currently, Google rankings are determined by the number of incoming links to a web page, meaning that if a story becomes popular it can be driven to the top of search results, and by viewed by millions of people.

However, this is a little too democratic for the liking of some, who only like to get their “facts” from pre-approved sources.

The proposed solution, according to a Google funded research team is to compute a “**Knowledge-Based Trust score**” for every web page, based on Google’s own “**Knowledge Vault**”, an automated database that determines “**facts the web unanimously agrees on,**” according to the New Scientist.

“A source that has few false facts is considered to be trustworthy,” says the research team.

In short, any web pages that provide information that contradicts or questions Google’s own established “truth”, will be bumped down the rankings.

In addition, some of those working on “truthfulness” ranking technology have expressed a desire to verify or rebut web pages by cross-referencing them to other sources, such as Snopes, PolitiFact and FactCheck.org. These websites exist and profit directly from debunking anything and everything. What’s more, they have been previously exposed as highly partisan.

Drones overhead in L.A.'s Valley are tracking mobile devices' locations

Above: The Adnear drone over LA

Barry Levine

It was only a matter of time before drones started monitoring signals from mobile devices.

Since early February, several small drones flying around the San Fernando Valley in Los Angeles have been determining mobile devices' locations from Wi-Fi and cellular transmission signals.

They are part of an experiment by Singapore-based location marketing firm Adnear, which has offices around the world. The firm told me that, to its knowledge, this is the first time an adtech company has employed drones to collect wireless data.

The capture does not involve conversations or personally identifiable information, according to director of marketing and research Smriti Kataria. It uses signal strength, cell tower triangulation, and other indicators to determine where the device is, and that information is then used to map the user's travel patterns.

A drone has been spotted hovering over the current offices of Charlie Hebdo magazine, as the mystery of the unmanned aircraft seen over Paris in recent weeks deepened with a further 10 sightings on Tuesday night.

French authorities have been flummoxed by the string of sightings of drones in France in recent weeks that have seen them illicitly fly over 17 nuclear power plants and a nuclear submarine base, as well as the Elysée Palace, the Eiffel Tower and the US embassy in Paris.

Military Warning On Ebola Biological Weapon Terror Threat

February 24, 2015 by [SkyWatch Editor](#)

Scientists at the top-secret military research unit at Porton Down, Wiltshire, have been assessing the potential use of Ebola as a bioterrorism weapon, according to confidential documents. A three-page memo, marked 'UK secret UK eyes only', reveals that the unit, where chemical, radiological and biological threats are analysed, was tasked with evaluating whether terrorist organisations such as al-Qaida and Islamic State (Isis) could use the deadly virus to attack western targets. The heavily redacted document, which has been released under the Freedom of Information Act, reveals that the unit was asked last October to provide "guidance on the feasibility and potential impact of a non-state actor exploiting the Ebola outbreak in west Africa for bioterrorism". It goes on to explain that non-state actor threat assessments are "provided by the joint terrorism analysis centre", while threats to "UK deployed forces are provided by defence intelligence". The memo outlines three possible scenarios under which terrorists might seek to exploit the Ebola outbreak, which so far has killed more than 9,000 people in the three most affected countries, Guinea, Sierra Leone and Liberia. Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

“Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal..This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

“When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach.”

“Last week the Russians invaded Crimea and the world slept... According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by ‘bells of the redemption’ is like a bell that signals the arrival of someone or something.”

Adapted for easier understanding for readers of all level of familiarity with the tradition from the presentation and translation of the teaching in English by **Rabbi Pinchos Lipschutz**

President Barack Obama

For all those who may have wondered if President Barack Obama is the Antichrist mentioned in the Bible, a U.S. newspaper is now clarifying the issue.

The Lexington Dispatch in North Carolina has reportedly printed a correction to a reader's letter.

The correction reads:

"Boyd Thomas' letter Saturday contained an error in the headline. He does not believe President Obama is the Antichrist, who will come after seven kings, according to Revelation. He thinks Obama could be the seventh king."

Correction in the Lexington Dispatch.

FAREED ZAKARIA: How should the West handle this? Should the response to ISIS be essentially an Arab response, a Muslim response or should the West be in the lead?

KING ABDULLAH II: This has to be unified. I've said this to leaders both in the Islamic and Arab world and to the world in general: This is a third World War by other means. This brings Muslims, Christians, other religions together in this generational fight that all of us have to be in this together.

INTEL: ISIS PLANNING ATTACKS ON U.S. SOIL

Cells already in place for spring, summer offensive

Egypt, now at the forefront of fighting ISIS, is warning it has intelligence revealing the global jihadist group is planning a worldwide offensive this spring or summer that could reach targets within the United States.

Interrogations of ISIS members captured in recent weeks in the Egyptian Sinai Peninsula Egyptian and information collected by Egyptian security forces indicate ISIS is planning ground offensives this spring and summer aimed at taking over more territory across the Middle Eastern and Persian Gulf, a senior Egyptian intelligence official told WND.

Some of the information indicates the new offensive will not be limited to the Arab world. Timed to coincide with its planned surge, ISIS is plotting possible attacks using cells abroad.

ISIS and its jihadist allies could activate cells to carry attacks in Europe and possibly within the U.S., the senior Egyptian official warned.

The official advocated the deployment of significant ground troops acting on multiple fronts to stop ISIS' progression. He complained the Obama administration and international community has been hesitant to take major action against ISIS advances.

IAEA Warns of Possible Iranian 'Activities Related to Development of a Nuclear Payload'

(CNSNews.com) – The International Atomic Energy Agency (IAEA) has “further corroborated” information indicating that Iran “has carried out activities that are relevant to the development of a nuclear explosive device,” the U.N.’s nuclear watchdog says in its most recent report on Iran.

Yet not only does Iran continue to deny inspectors access to a key suspect site, it has carried out work there that the agency says will make it more difficult to determine what has been going on there, should they ever be admitted in the future.

Even couched in the staid language favored by U.N. bureaucrats, the Feb. 19 report underlines the still-unresolved concerns about alleged nuclear weapons activity, even as the P5+1 group – the U.S., Britain, France, Russia, China and Germany – draws closer to a late March deadline for a proposed nuclear agreement that will allow Iran to keep much of its nuclear infrastructure intact.

The IAEA's most recent report on Iran highlights its failure to cooperate in resolving questions about possible military aspects to its nuclear program. (Photo: CNSNews.com/IAEA)
