Demons, An Eye Witness Account - with Howard Pittman

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are blessed to welcome brother and Pastor Howard Pittman. Howard had a near death experience that is absolutely astonishing where he was shown things in the demonic realm that can change your life. He is the author of the two books "Placebo" and "Demons an Eye Witness Account" and both stories (interconnected) will shock and amaze you.

God Bless You - See you there!

24 Now to Him who is able to keep you from stumbling,
And to present you faultless
Before the presence of His glory with exceeding joy,
25 To God our Savior,
Who alone is wise, Be glory and majesty,
Dominion and power,
Both now and forever.
Amen.

"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

The Believer's Journey to the Cross

[John 12:23-27](#)

We all know that Jesus walked the road to Calvary, but did you know that believers also journey to the cross? We've all been positionally crucified with Christ, but those who hunger for Him participate in a deeper experience of this reality. Jesus lovingly takes their hand and leads them to the cross. Even though this is the last place anyone wants to go, it's the only way to partake of God's best for our lives.

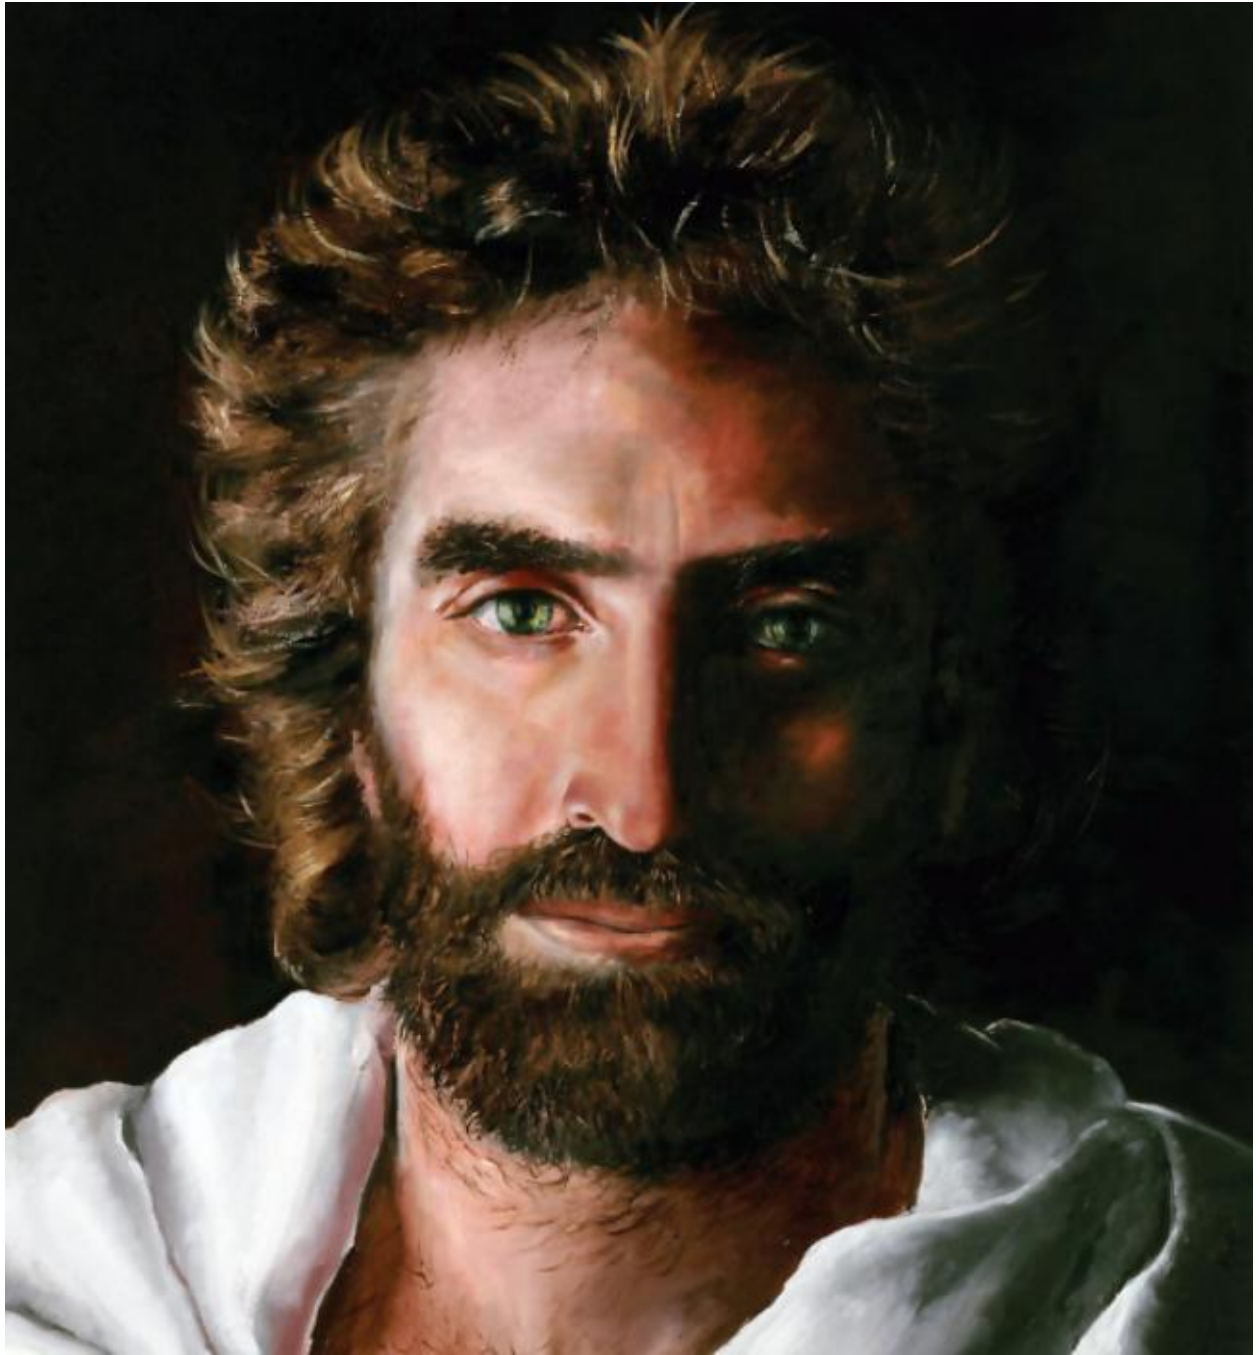

The trip to the cross is not one you take with [family](#) and friends. It's a lonely journey with just you and Jesus. He strips away everyone and everything you've depended on so that you'll learn to rely only on Him. While we're at the cross, He uncovers layer after layer of self-deception until we begin to see ourselves as He does. Soon our self-

centeredness, inadequacy, and failures are laid bare.

The cross is a place of brokenness, but it's necessary because there's no other way we'll ever bear fruit. If we hang onto our lives and refuse to take this journey, we'll be like a grain of wheat that is never planted and never grows. But those who willingly die to themselves will produce an abundance of spiritual fruit. The only way Christ can live His life through us is if we've allowed ourselves to be crucified.

God doesn't want you to be content with just your salvation. There's so much more He desires to give you and accomplish through you. Are you willing to take the road to the cross with Him? Yes, it's painful, but the rewards in this life and in eternity far outweigh any suffering you will experience.

Oh no. There is absolutely no higher reward in all eternity than the Bride of Jesus Christ who as God's son, the Word, sang all of creation, all of the Universes into existence. This is the pinnacle of glory and recognition and is only awarded to God's most holy, obedient loving, and chosen saints. VERY few will make the rapture as the Bride. The majority that make the rapture will ultimately become guests at the wedding or those who are cast into the outer darkness and weren't even allowed to attend.

What people don't realize about the (great) Tribulation Saints is they will also be very few. Billions (yes Billions) of people will die horrible deaths. Many of them are disobedient Christians living in sin, will be cast into Hell. Between the global thermonuclear war that happens as (2 Peter 3:10, Rev 18) and the wholesale slaughter of human by the invading alien armies (Isaiah 13, Joel 2) with all of the US burned and 80% of Russia destroyed there probably aren't but a few million people left alive THEN in the Fifth & Sixth Trumpet judgments another 1/3 of the earth population is again slaughtered.

When Jesus calls those who do not make the rapture "foolish virgins" that should send a horrific fear into the hearts of the reader. There is not one scripture in the entire Bible that speaks conciliatory words toward those left behind. In Rev 2 and 3 Jesus says things like "never the less I have this against you" & "vomit you from my mouth". These sadly become the Tribulation Saints.

For the very very few who come around in pools of tears, who never pick up a gun, and fall to their knees in heart wrenching remorse crying out to Jesus and finally are decapitated (washing their robe and gown white) , they will ultimately become priests in the Temple of God. But the price they pay will be horror beyond words. Pain, beatings and suffering beyond words.

God bless you

JUST CHECKING IN TODAY !!

A priest passing through his church
In the middle of the day,
Decided to pause by the altar
To see who came to pray.

Just then the back door opened,
And a man came down the aisle,
The priest frowned as he saw the man
Hadn't shaved in a while.

His shirt was torn and shabby,
And his coat was worn and frayed,
The man knelt down and bowed his head,
Then rose and walked away.
In the days that followed at precisely noon,
the priest saw this chap,
Each time he knelt just for a moment,
A lunch pail in his lap.

Well, the priest's suspicions grew,
With robbery a main fear,
He decided to stop and ask the man,
'What are you doing here?'

The old man said he was a factory worker
And lunch was half an hour
Lunchtime was his prayer time,
For finding strength and power.

I stay only a moment
Because the factory's far away;
As I kneel here talking to the Lord,
This is kinda what I say:

'I Just Came By To Tell You, Lord,
How Happy I Have Been,
Since We Found Each Other's Friendship
And You Took Away My Sin.
Don't Know Much Of How To Pray,
But I Think About You Every day.
So, Jesus, This Is Ben,
Just Checking In Today.'

The priest feeling foolish,
Told Ben that it was fine.
He told the man that he was welcome
To pray there anytime.

'It's time to go, and thanks,' Ben said
As he hurried to the door.
Then the priest knelt there at the altar,
Which he'd never done before.

His cold heart melted, warmed with love,
As he met with Jesus there.
As the tears flowed down his cheeks,

He repeated old Ben's prayer:

'I Just Came By To Tell You, Lord,
How Happy I've Been,
Since We Found Each Other's Friendship
And You Took Away My Sin.

I Don't Know Much Of How To Pray,
But I Think About You Every day.
So, Jesus, This Is Me,
Just Checking In Today.'

Past noon one day, the priest noticed
That old Ben hadn't come.
As more days passed and still no Ben,
He began to worry some.

At the factory, he asked about him,
Learning he was ill.
The hospital staff was worried,
But he'd given them a thrill.

The week that Ben was with them,
Brought changes in the ward.
His smiles and joy contagious.
Changed people were his reward.

The head nurse couldn't understand
Why Ben could be so glad,
When no flowers, calls or cards came,
Not a visitor he had.

The priest stayed by his bed,
He voiced the nurse's concern:
No friends had come to show they cared.
He had nowhere to turn.

Looking surprised, old Ben spoke up
And with a winsome smile;
'The nurse is wrong, she couldn't know,
He's been here all the while.'

Every day at noon He comes here,
A dear friend of mine, you see,
He sits right down and takes my hand,
Leans over and says to me:

'I Just Came By To Tell You, Ben,
How Happy I Have Been,
Since We Found This Friendship,
And I Took Away Your Sin.
I Think About You Always

And I Love To Hear You Pray,
And So Ben, This Is Jesus,

Just Checking In Today.'

I WENT ABOUT MY BUSINESS

I heard about a man the other day caught up in a terrible fray
Authorities upon him did assail because he was catching rain in
a pail.

I thought it to be a little insane to punish a man for collecting
rain

Does anyone own the rain from a cloud can such a thing be
disallowed?

Hath the rain a father? Or who has begotten the drops of dew?

What kind of law says the rain is reserved for a privileged few?

I considered his plight and then went about my business.

I read of a soldier who though once a hero is now left to slowly
fallow

He served his country quite affably and now he's considered an
enemy

I find this a terrible result that in exchange for service he
receives insult.

Who hath put wisdom in the inward parts? Rejecting wisdom
fools consider heroes a threat

Regardless of the cause or the war, isn't it wrong to discard the
vet?

I considered his plight and then went about my business.

Listening to the evening news the anchor vehemently
expressing his views

Parents didn't want their child vaccinated and the anchor
wanted them eviscerated

I thought them unfairly reviled for making decisions for their
child

Who hath given understanding to the heart?

The state has become dictatorial and forcibly their will imparts.
I considered their plight and then went about my business.

Now I was really steamed when a family lost their business and
their dreams

Just because they took a stand for what they believe and to
their values they did cleave

But opposing the sodomite revolution seems not to be
protected by the constitution

*From the wicked light is withholden, and the high arm shall be
broken.*

Unnatural activity formerly was referred to as queer, now such
can't be spoken.

I considered their plight and thought it none of my business.

How horrible is the torture found in Islamic prisons and the
beheading of innocent children

Political correctness keeps the media hushed and the voices
who would tell the truth are crushed

What will keep this from coming to our shores? Is not our
government rife with Moors?

Hast thou seen the doors of the shadow of death?

A ghibli is bearing down upon the west; will it be dark, will we
have breath?

I considered their horrible plight and it didn't affect my
business.

My neighbor was quite overwhelmed over something he called
a jeweled helm

I don't know if that's quite right but I know he was ready to put up a fight.

As he explained I thought it just a little eerie to have soldiers occupy U.S. cities.

He mocketh at fear, and is not affrighted; neither turneth he back from the sword,

Should Christians trouble themselves over such; we're supposed to trust in the Lord.

I considered what my neighbor said and went about my business.

Today my computer failed to work and this left me in a terrible lurch

My cell phone seems it is dead too and I'm not sure what to do
The power keeps being interrupted, I hope that maintenance gets it adjusted.

Howl ye; for the day of the Lord is at hand.

I received a notice today; it seems the banks are taking my money and the government wants my land

Why would this malady come upon me? I always mind my own business.

Soldiers are marching through our neighborhood speaking a language not understood

We've been informed martial law is in effect and every house must be checked

They say we must report to the camps and every hand must be stamped

The day of the Lord is darkness, and not light.

Why didn't someone warn us of this terrible plight?
Why didn't someone protest this unlawful business?

Then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head. Eze 33:4

But he that taketh warning shall deliver his soul. Eze. 33:5b

Milton William Cooper

Author

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.

*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets***

collapse, Extraterrestrials land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Can you imagine? The world power structure can, and will if necessary, make some or all of these things happen to bring about the New World Order.” [[Behold A Pale Horse](#)“, p. 177-8]

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

GREAT QUOTES

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

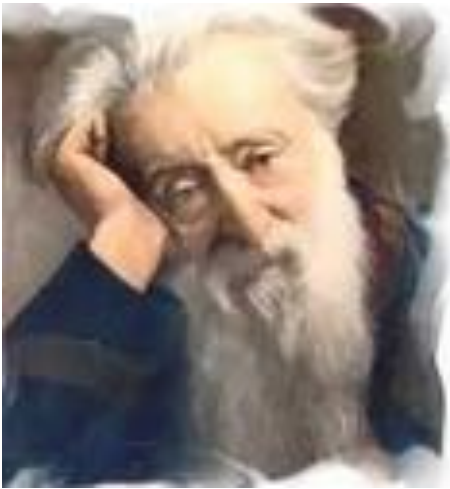

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). *Mighty Prevailing Prayer*:

General Booth

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

QUOTES FROM DL MOODY

There are many of us that are willing to do great things for the Lord, but few of us are willing to do little things.

[Dwight L. Moody](#)

The Bible will keep you from sin, or sin will keep you from the Bible.

[Dwight L. Moody](#)

I DON'T CARE FOR HOW YOU PRAY

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.

Well then, I like my way much better after all.

QUOTES FROM AW TOZER

"We can be in our day what the heroes of faith were in their day -but remember at the time they didn't know they were heroes."

"When you kill time, remember that it has no resurrection."

- A.W. Tozer

"The man who would truly know God must give time to Him."

- A.W. Tozer

"The Church has surrendered her once lofty concept of God and has substituted for it one so low, so ignoble, as to be utterly unworthy of thinking, worshiping men. This she has not done deliberately, but little by little and without her knowledge; and her very unawareness only makes her situation all the more tragic."

- A.W. Tozer

"The world is perishing for lack of the knowledge of God and the Church is famishing for want of His Presence."

PLAY – The Rapture – (Are We There Yet) Final

Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

1 John 3:7-9

7 Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. 8 He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God.

"The Blessing of God's Abundant Goodness":

19 Oh how great is thy goodness, which thou hast laid up for them **that fear thee;** which thou hast wrought for them that trust in thee before the sons of men!

John 14:12

12 “Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. 13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

2 Cor 10:4-5

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, **bringing every thought into captivity to the obedience of Christ,**

1 Cor 13:1-7

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not

love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

NKJV1

Peter 3:13-17

13 And who is he who will harm you if you become followers of what is good? 14 But even if you should suffer for righteousness' sake, you are blessed. "And do not be afraid of their threats, nor be troubled." 15 But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; 16 having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. 17 For it is better, if it is the will of God, to suffer for doing good than for doing evil.

Luke 6:43-45

43 "For a good tree does not bear bad fruit, nor does a bad tree bear good fruit. 44 For every tree is known by its own fruit. For men do not gather figs from thorns, nor do they gather grapes from a bramble bush. 45 A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart brings forth evil. For out of the abundance of the heart his mouth speaks.

Searching all the inner depths of his heart.

Andrew Murray - Humility

“Humility is perfect quietness of heart. It is to expect nothing, to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised. It is to have a blessed home in the Lord, where I can go in and shut the door, and kneel to my Father in secret, and am at peace as in a deep sea of calmness, when all around and above is trouble.”

GODLY WARNING PLEASE DISCERN

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

We All See Through the Mirror Dimly

1 Cor 13:12

For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

Deut 18:22

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST
by David Wilkerson
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO
GOD'S PROPHECIES
OR FACE RUIN /
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

House 12 President: ?

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

[Note: Could this be the Puerto Rico Comet event?]

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

[Note: This is the Sixth Seal Rev 6:12-17]

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

[Note: This is Obama, the Antichrist]

Then the dream ended.

PASTOR TD HALE DREAMS

The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

Please Note: It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

POLE SHIFT
Before
2017

Revelation 6:14
;and every mountain and island was moved
out of its place.
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

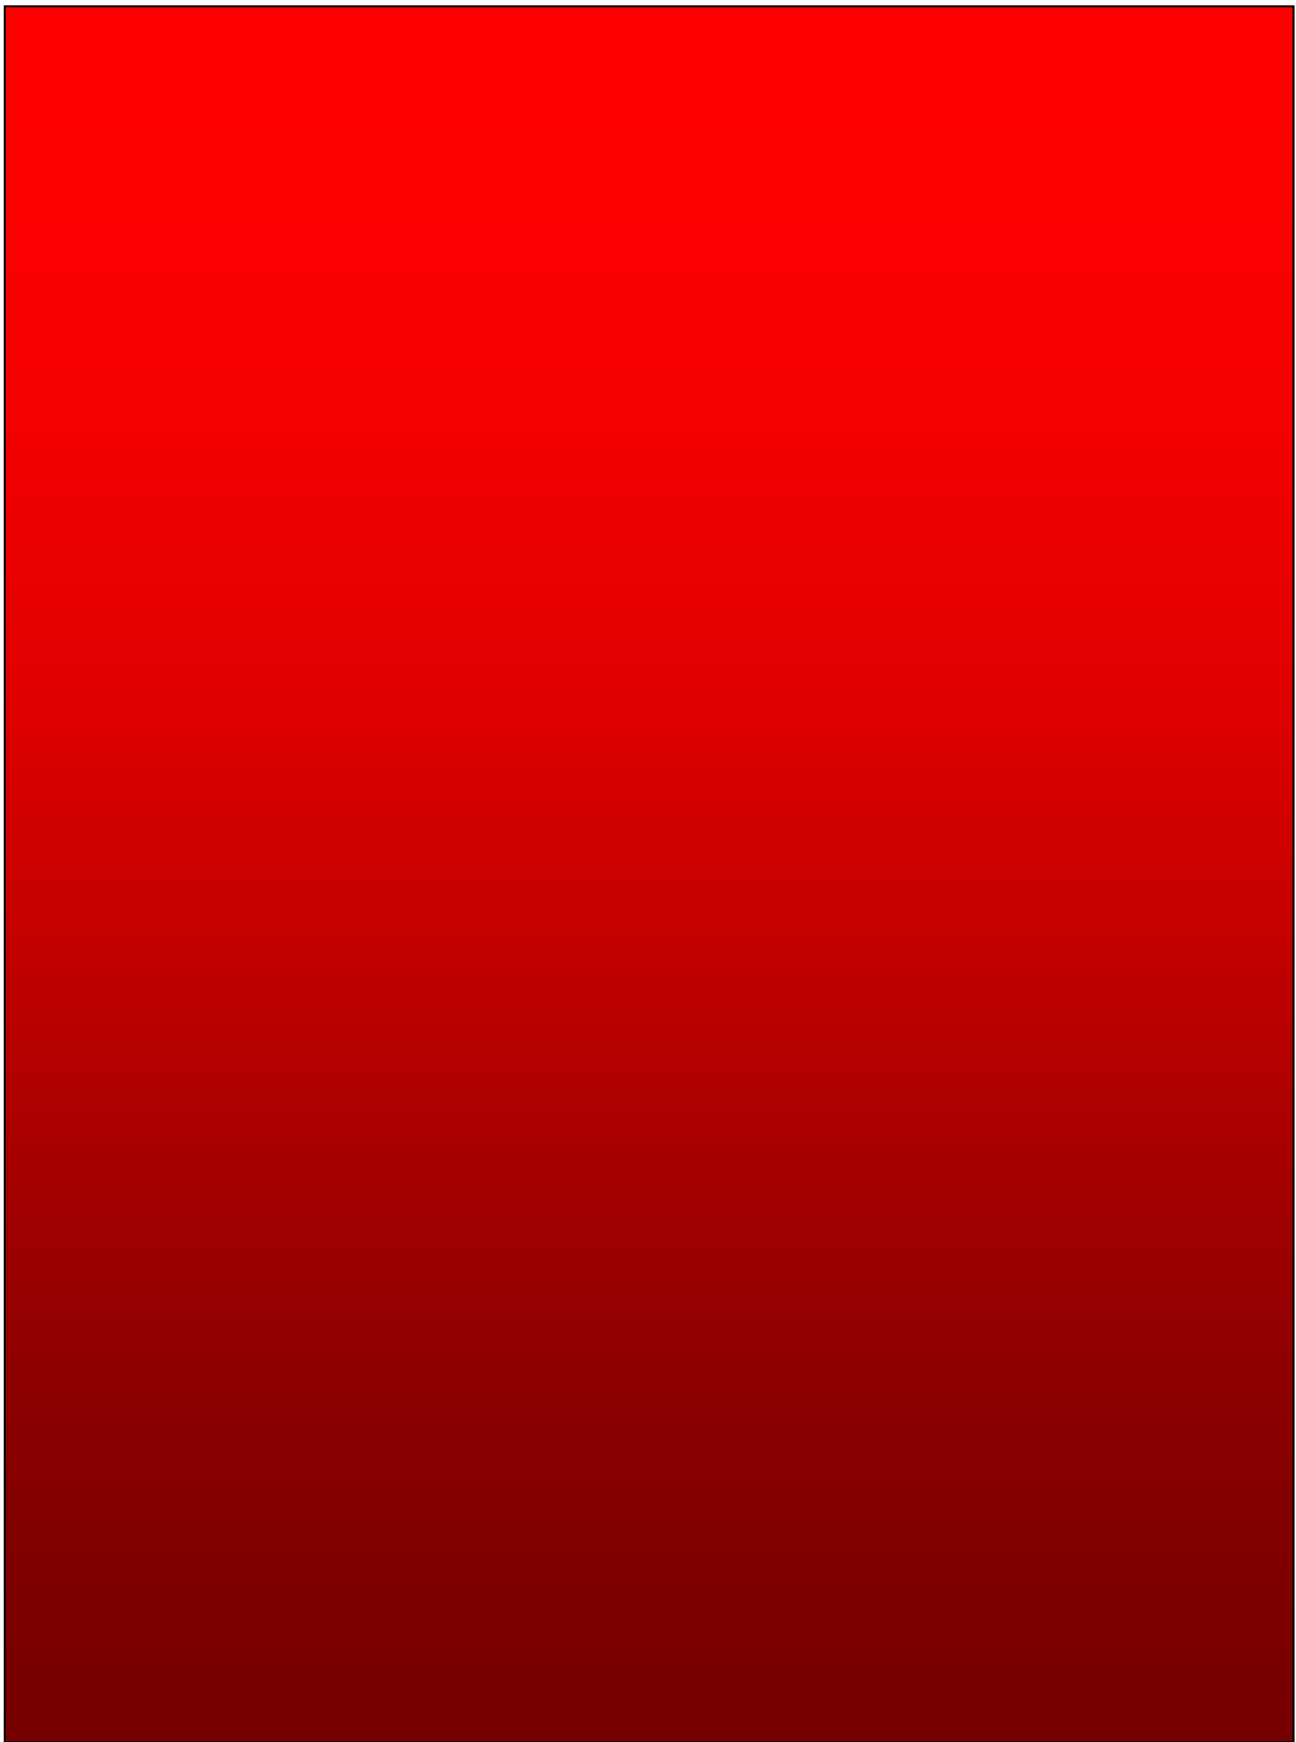

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

Thank you for your prayers. I was praying too because the repair job for a wireless router in this house takes about \$100 and 4 hours. Well praise God I walked away from the problem and looked at my phone and saw something weird in the wireless configuration. It gave me an idea which I tried, and praise Jesus it worked and now it is fixed.

BTR is still broken but I can see they are working on it bc there are parts showing up that were missing about 30 mins ago. So I will take this time to seek the Lord and do my morning prayers with Him.

Just so you know in the future, bc misunderstandings are just awful, is that in "my world" (the bears brain), anything that does not focus on the "next big threat" is by definition "noise". But that's because I am a certified risk management professional by trade. In my world, you divvy up the threats and categorize them. Critical, High, Medium and Low. Since we know there are about to be nuclear bombs detonated in major US cities, those "threat events" would be categorized as "Critical" of course. Then what my Risk Management brain does is it looks at the various news articles and it says "Is this Headlines indicative of this threat being realized?". If the answer is yes, then I put that headline in an "Important" category. I do this with every single "threat" that I know. A "Threat" by definition (in my brain) is anything that the NWO might do against the people as a false flag OR anything that the Father might bring down as a "judgment" upon the people. So threats are:

- Major bombings
- Nuclear events
- Chemical
- Biological events
- Major earthquakes
- Planet X events
- Alien events (huge ones)
- (etc.)

Then I say to myself, COULD this "headline" be a trigger or a "catalyst" (a causation) of the threat event? For example ISIS having a base on the Mexican border is an absolute vital headlines because we know this means that the NWO is about to NUKE a US City SINCE they are going to blame ISIS for the nuke. This way in my tiny little risk management brain, it becomes a huge huge issue and need to be a warning.

Everything else that I cannot directly connect to an imminent THREAT event as stated by Sarah Menet, GH7 Maurice Sklar, Dr. Owuor, etc. etc. is by my bear-centric definition is "noise". This does NOT mean that its not an important headlines to 98 % of the "awakened Christian population" because it certainly is. If Jade Helm wakes up sleeping brothers and sisters, or CERN wakes up sleeping brothers and sisters then PRAISE JESUS PRAISE GOD how wonderful we will maybe have some more people at the marriage supper wow.

Believe it or not all day Friday I was attending an ISACA conference for my job. Its all about "Risk Management". Noise isn't a bad term its simply a term that means it is not an "imminent threat vector" at this time. It can be related but not rating "Critical or High" on the scale of events.

I hope this makes sense. I truly did not mean to imply that all these headlines are not important. That would be like saying certain types of "fish in the sea" are not important to Jesus.

God bless you

The toddlers were forced to wear patches emblazoned with the word Jude

An Israeli nursery school teacher has been suspended after making toddlers as young as three wear yellow Star of David patches to commemorate the Holocaust.

Parents voiced outrage after seeing their children leaving the kindergarten in Rishon Letzion on Holocaust remembrance day wearing patches emblazoned with the word Jude (Jew), similar to those that the Nazis forced Jews to wear during the Second World War.

"Shocked, completely stunned, find it hard to speak, refuse to understand...this is how my three-year-old daughter returned from the day care centre today," one mother wrote on Facebook after posting a picture of her child wearing the emblem.

It is likely the first person who will live to be 1,000 years old is already alive today.

This is according to a growing regiment of researchers who believe a biological revolution enabling humans to experience everlasting youthfulness is just around the corner.

At the epicentre of the research is Aubrey de Grey — a Cambridge gerontologist and co-founder of the California-based [Strategies for Engineered Negligible Senescence \(SENS\)](#) Research Foundation.

“The first thing I want to do is get rid of the use of this word immortality, because it’s enormously damaging, it is not just wrong, it is damaging,” he told [Motherboard](#).

UNITED NATIONS – The U.N. general secretary's appearance at an upcoming Vatican event promoting a worldwide movement to combat climate change coupled with a pontifical paper calling for the establishment of a global political, economic and financial authority cultivated by the U.N. has caught the attention of an author who believes the developments support predictions in his 2012 book.

Commemorating Holocaust Remembrance Day in Israel, Israeli Prime Minister Benjamin Netanyahu invoked messages of the Holocaust and biblical prophecy as a warning directed towards the expansionist and violent actions of the Iranian regime.

“Seventy years ago, the bells of freedom rang in the free world. The horrific nightmare that had engulfed all humanity in the depths of blood had come to an end in Europe,” the prime minister said in an address at Yad Vashem on Thursday.

“Leaders of modern countries realized that it was a propitious time to establish a new world order based on defending liberty, eradicating evil and opposing oppression. They articulated the most important lesson of World War II: democracies must not turn a blind eye to the aspirations of tyrannous regimes to expand,” Netanyahu stated. “A conciliatory attitude toward these regimes only increases their tendency for aggression. And if this aggression is not stopped in time, humanity might find itself in a much bloodier battle.”

Christians Are Being Systematically Purged From The U.S. Military

By Michael Snyder, on April 17th, 2015

If you are a Bible-believing Christian, there is no place for you in Barack Obama's version of the U.S. military. Christian service members all over the nation are being disciplined for reading their Bibles, talking about their faith publicly and encouraging others to live a moral lifestyle. And just saying the name of "Jesus" at the wrong place or the wrong time while serving in the military is enough to spark a national controversy. We live at a time when political correctness in America is wildly out of control, and

thanks to Obama the U.S. military has become one of the most politically correct institutions in our society. Things have gotten so bad that **dozens of top officers** that did not agree with Obama's views have been forced out of the military in recent years. The U.S. military is being transformed into an overtly anti-Christian institution, and for those of us that are Christians that is a very chilling development.

Perhaps you think that the title of this article is a bit of an exaggeration.

Perhaps you think that there is no way things could have gotten that bad.

Well, I grew up as a military kid. In those days, the U.S. military was actually quite welcoming to Christians. But now things have completely and totally changed.

For example, just the other day **the Washington Times** reported that large numbers of Christians are either leaving the military or never joining in the first place because of the "hostile work environment" that currently exists...

MYSTERIOUS DISEASE THAT KILLS PATIENTS WITHIN 24 HOURS LEAVES AT LEAST 18 DEAD IN NIGERIA

Laboratory tests have so far ruled out Ebola or any other virus

by ABC | APRIL 19, 2015        

A mysterious disease that kills patients within 24 hours has claimed at least 18 lives in a south-eastern Nigerian town, the government says.

"Seventeen people have died of the mysterious disease since it broke out early this week in Ode-Irele town," said Ondo state government spokesman Kayode Akinmade.

The disease, symptoms of which include headache, weight loss, blurred vision and loss of consciousness, killed the victims within 24 hours of their falling ill, he said.

Laboratory tests have so far ruled out Ebola or any other virus, Mr Akinmade added.

The World Health Organisation (WHO) said it had information on 14 cases with at least 12 dead.

"Common symptoms were sudden blurred vision, headache, loss of consciousness followed by death, occurring within 24 hours," spokesman Tarik Jasarevic said.

Another WHO spokesman, Gregory Hartl, told AFP that according to a preliminary report, all those affected began showing symptoms between April 13 and 15.

Mr Akinmade said health officials and experts from the government and aid agencies, as well as WHO epidemiologists, had arrived in Ode-Irele to search for answers.

"There is no patient of the disease in any hospital and the disease has not spread beyond the town," he said.

Near California's Success Lake, more than 1,000 water wells have failed. Farmers are spending \$750,000 to drill 1,800 feet down to keep fields from going fallow. Makeshift showers have sprouted near the church parking lot.

"The conditions are like a third-world country," said Andrew Lockman, a manager at the Office of Emergency Services in Tulare County, in the heart of the state's agricultural Central Valley about 175 miles (282 kilometers) north of Los Angeles.

As California enters the fourth year of a record drought, its residents and \$43 billion agriculture industry have drawn groundwater so low that it's beyond the reach of existing wells. That's left thousands with dry taps and pushed farmers to dig deeper as Governor Jerry Brown, a 77-year-old Democrat, orders the first mandatory water rationing in state history.

'Apocalyptic' dust storm descends upon Belarus – Utah smothered in massive dust storm

Posted on [April 17, 2015](#)

April 2015 – BELARUS – A potent dust storm swept through Belarus this week — turning day into night in a scene straight out the Book of Revelation. Stunning video shows the exact moment when the “apocalyptic” batch of weather invades the city of Soligorsk and plunges one of its bustling roadways into darkness.

Vision shot from an apartment block in the city of Soligorsk shows a gradual darkening of the sky. Within minutes, the city was pitch black, with drivers gradually seen flicking on their headlights as darkness descended. Television network RT reported police had to escort pedestrians around the streets with flashlights. Subsequent heavy rain led to electricity being cut and some damage to buildings from falling trees.

Residents were said to be both scared and excited by the natural phenomenon, which hit Belarus on Monday, according to the Russian website RT. Local meteorologists in the Eastern European region dubbed the ominous occurrence a “haboob” — which means “intense red dust storm” in Arabic. —**NY Post**

Earthworms rain down from skies over Norway, puzzling scientists

Posted on [April 17, 2015](#)

April 2015 – NORWAY – Meteorologists and biologists have been left baffled by earthworms raining from the sky over Southern Norway. According to Norwegian news service *The Local*, the most recent phenomenon was discovered by biology teacher Karstein Erstad while he was skiing in the mountains. "I saw thousands of earthworms on the surface of the snow," he said. "When I found them on the snow they seemed to be dead, but when I put them in my hand I found that they were alive." He thought they might have crawled through the snow, but rejected this idea, as the snow was over half a meter thick across the mountains. This is not the only time an area experiencing worms raining from the sky in Norway, with other cases found in Molde and Bergen both in the south of the country.

DOCUMENTS: NATIONAL GUARD ORDERED TO CONSIDER AMERICANS AS 'ENEMY FORCES' AND 'ADVERSARIES'

Internal briefings read like a strategy for going to war

by **STEVE WATSON** | **INFOWARS** | APRIL 17, 2015

Documents obtained by **CNN** reveal that the Missouri National Guard referred to Americans in Ferguson as 'enemy forces' and adversaries' in briefings as they prepared to quell protests.

The internal briefing documents, secured under a Freedom of Information Act request, reveal that the National Guard, called in to Ferguson under already tense circumstances, used heavily militarized language to describe protesters, many of whom were merely lawfully executing their First Amendment rights.

The documents highlight that the guard was worried "adversaries" would use phone apps and police scanners to find out about and compromise operational security. Guard higher ups also expressed concern that protesters may use "militants tactics".

"Counterintelligence operations are directed at supporting an information campaign. Their audience does not require the information to be accurate and is easily swayed," one document reads.

Commanders were briefed to use intelligence capabilities to "deny adversaries the ability to identify Missouri National Guard vulnerabilities upon which threat forces may exploit, causing embarrassment, or harm."

THE EMP THREAT: ALL IT WOULD TAKE IS A COUPLE OF EXPLOSIONS TO SEND AMERICA BACK TO THE 1800S

Our entire way of life can be ended in a single day

by **MICHAEL SNYDER** | **ECONOMIC COLLAPSE** | APRIL 7, 2015

Our entire way of life can be ended in a single day. And it wouldn't even take a nuclear war to do it. All it would take for a rogue nation or terror organization to bring us to our knees is the explosion of a couple well-placed nuclear devices high up in our atmosphere. The resulting electromagnetic pulses would fry electronics from coast to coast. Of course this could also be accomplished without any attack. Scientists tell us that massive solar storms have hit our planet before, and that it is inevitable that there will be more in the future. As you will read about below, the most recent example of this was "the Carrington Event" in 1859. If a similar burst from the sun hit us today, experts tell us that life in America could suddenly resemble life in the 1800s, and the economic damage caused could potentially be in the trillions of dollars. This is one of the greatest potential threats that we are facing as a nation, and yet Barack Obama has essentially done nothing to get us prepared.

The technology necessary to conduct such an electromagnetic pulse attack against the United States has become much more accessible in recent years. According to an article in the [Wall Street Journal](#), even rogue nations such as North Korea and Iran either already have or will soon have the capability to hurt us in this way...

Rogue nations such as North Korea (and possibly Iran) will soon match Russia and China and have the primary ingredients for an EMP attack: simple ballistic missiles such as Scuds that could be launched from a freighter near our shores; space-launch vehicles able to loft low-earth-orbit satellites; and simple low-yield nuclear weapons that can generate gamma rays and fireballs.

The latest reports suggest that Islamic State fighters have largely withdrawn from the Palestinian refugee camp of Yarmuk, on the outskirts of Damascus.

The jihadis have returned to the district of Hajar al-Aswad, from where they launched their assault into the camp on April 1; the strongest element in the camp now is Jabhat al-Nusra, the Syrian franchise of al-Qaida.

ISIS' Strategy Leak Reveals Syrian Takeover Plot, US "Created A Group Of Very Intelligent Enemies"

While western propaganda would like ISIS to appear to be run by religious fanaticism, it instead, as RT reports, has been functioning more like a secret intelligence service, calculating every operation and drafting plans of a covert Syrian takeover for years. According to detailed organization chart and strategy blueprints seen by Der Spiegel, it has been revealed that the former colonel in the intelligence service of Saddam Hussein's air defense force (among many ex-Saddam officers who now make up the leadership of ISIS) was secretly pulling the strings at ISIS for years. From recruitment and training to PsyOps tactics and overall strategy, ISIS mastermind Haji Bakr rose to power after he became "bitter and unemployed," when the US suddenly dissolved the Iraqi army after the 2003 invasion.

When Haji Bakr was shot and killed after a brief firefight in the town of Tal Rifaat on a January morning in 2014, not even those on the mission knew the true identity of the tall man in his late fifties. Samir Abd Muhammad al-Khlifawi was the real name of the Iraqi, and as Der Spiegel reports, the former colonel in the intelligence service of Saddam Hussein's air defense force had been secretly pulling the strings at ISIS for years.

But when the architect of the Islamic State died, he left something behind that he had intended to keep strictly confidential: the blueprint for this state. It is a folder full of handwritten organizational charts, lists and schedules, which describe how a country can be gradually subjugated. Der Spiegel has gained exclusive access to the 31 pages, some consisting of several pages pasted together.

ISIS HAS CAMPS ON THE U.S. BORDER, BUT OBAMA SAYS 'RIGHT-WING EXTREMISTS' ARE THE GREATEST TERROR THREAT

ISIS camps have now been discovered directly across the U.S. border with Mexico

by MICHAEL SNYDER | ECONOMIC COLLAPSE | APRIL 15, 2015

ISIS camps have now been discovered directly across the U.S. border with Mexico, ISIS operatives have been captured illegally entering the United States, and ISIS is threatening to conduct a massive campaign of terror against U.S. targets, and yet Barack Obama and his underlings continue to insist that "right-wing extremists" are the greatest terror threat that this nation is facing.

One recent survey found that **84 percent** of all Americans believe that ISIS is a "direct threat to the USA", but Obama refuses to secure our borders and he is even allowing dozens of American citizens that fought for ISIS overseas to come back into this country.

DHS TO PURCHASE 62 MILLION MORE ROUNDS OF AR-15 AMMO

Feds attempting to control the market, dry up supply? Purchase in addition to billions of bullets previously bought by feds

by PAUL JOSEPH WATSON | APRIL 15, 2015  19963      

The Department of Homeland Security is set to purchase over 62 million rounds of ammo typically used in AR-15 semi-automatic rifles, just weeks after the ATF was forced to back down on a ban on M855 bullets.

A posting on FedBizOpps.gov this week reveals that the DHS is looking to contract with a company to provide 12.6 million rounds of .223 Remington ammunition per year for a period of five years – totaling 62.5 million bullets.

The solicitation explains that the purchase is intended, “to achieve price savings over the current .223 Rem duty ammunition.” The bullets will be used by U.S. Customs and Border Protection agents nationwide for “training” purposes.

The .223 Remington is one of the most common rifle cartridges in use in the United States and is used both in bolt action rifles and semi-automatic rifles such as the AR-15 and the Ruger Mini-14.

There was a sharp increase the intensity of the training of NATO troops near the borders of Russia last year, Russian General Staff said.

"In 2014, the intensity of NATO's operational and combat training activities has grown by 80 percent," said Lieutenant General Andrey Kartapolov, head of the Main Operation Directorate of General Staff.

The leadership of the North Atlantic Treaty Organization made no effort to hide the clear anti-Russian orientation of these activities, he added.

"During this period, NATO created a grouping of its member states' forces in the Baltic States, consisting of over 10,000 troops, about 1,500 armored vehicles, 80 planes and helicopters and 50 warships," Kartapolov said during the IV Moscow Conference on International Security.

Russian military activities and strategic nuclear forces are returning to a Cold War-era posture, the commander of U.S. forces in the Pacific said Wednesday.

"Russia in the last few months has returned to, I would say, nearly a Cold War level of activity that goes towards our homeland, with long-range attacks, exercises and those types of things," Adm. Samuel Locklear, the commander, told the House Armed Services Committee. "We also know that Russia will improve their strategic nuclear deterrent on what's thought as their east coast, which is in the Northern Pacific."

A nuclear strikes exchange between the United States and Russia will lead to the complete destruction of the United States, leaving Russia and China in a far better position, editor of the French portal EuropeSolidaire Jean-Paul Baquiast said.

A potential nuclear war with Russia will have fatal consequences for the US, whose territory would be completely destroyed in the event of mutual rocket exchange, Jean-Paul Baquiast said.

His comment came in the wake of recent internet speculation about the US' possible intent to carry out a preemptive nuclear attack on Russia.

While the escalation of the second Cold War between Russia and the US over their proxy conflict in Ukraine has been relegated to the back pages due to the lack of any flash points in recent months, events in eastern Europe continue to build up to an increasingly unstable equilibrium. Just yesterday, Russia again accused the United States of "seeking political and military dominance and sought to put blame on the West for international security crises, including the conflict in east Ukraine."

It didn't stop there. According to the WSJ, Russia's top general warned European **countries planning to host installations for a U.S.-led missile-defense shield that Russian forces would be forced to target them.**

"Nonnuclear powers where missile-defense installations are being installed have become the objects of priority response," Gen. Valery Gerasimov said, referring to Poland and Romania.

It was unclear if Russia would use conventional weapons or tactical short-range nuclear missiles for deterrence purposes.

The comments came at a defense conference in Moscow where a series of high-level Russian leaders repeatedly warned of perceived threats that the U.S. and the North Atlantic Treaty Organization posed to modern Russia.

Russian Defense Minister Sergei Shoigu said, according to Reuters, that a drive by the United States and its allies to bring Kiev closer to the West was a threat to Moscow and had forced it to react.

"The United States and its allies have crossed all possible lines in their drive to bring Kiev into their orbit. That could not have failed to trigger our reaction," he told an annual security conference in Moscow.

General Valery Gerasimov, chief of the General Staff of the Russian Armed Forces, reiterated Russia's warning: "Considering themselves the winners of the Cold War, the United States decided to reshape the world to fit its needs."

"Aiming at complete dominance, Washington stopped taking into account the interests of other countries and respect international law."

Images show rapid Chinese progress on new South China Sea airstrip

WASHINGTON | BY DAVID BRUNNSTROM

(Reuters) - Recent satellite images published on Thursday show China has made rapid progress in building an airstrip suitable for military use in contested territory in the South China Sea's Spratly Islands and may be planning another, moves that have been greeted with concern in the United States and Asia.

IHS Jane's Defense Weekly said March 23 images from Airbus Defence and Space showed work on the runway on reclaimed parts of Fiery Cross Reef in the Spratly archipelago, which China contests with the Philippines, Vietnam, Malaysia, Brunei and Taiwan.

It said images from earlier in March showed reclamation work on Subu Reef in the Spratlys creating landmasses that, if joined together, could create space for another 3,000-meter airstrip.
