### Economic Collapse, Word War III, and the Death of America w Michael Snyder

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are blessed to have brother Michael Snyder join us from "The Economic Collapse" site to discuss with us what he sees happening across the world leading up to the imminent collapse of the dollar, World War III, and the ultimate death of America.

God Bless You - See you there!

**"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "**

## **1 John 2:28**

And now, little children, abide in Him, that when f He appears, we may have confidence and not be ashamed before Him at His coming. 29 If you know that He is righteous, you know that everyone who practices righteousness is born of Him.

# STARGATES

As gravity increases and time slows a passage is opened to an unknown dimension  
To those who know it is a gateway, though some deny their real and consider it science fiction.  
But fiction has no empirical proofs or eyewitness testimony.  
The writings of antiquity testified the truth not hypothesis.  
Beware the opening of these gates will bring a global apostasy.

Educated fools play with these passageways thinking they are in control  
But they see not the portentous threats that lie behind the blackness of these holes  
Many have come and many have gone but we are still searching for the keys  
That will allow us to open the gates that lead to mystery.

Now there has been much talk and speculation that governments have found such gates  
And they are willing to shed much blood or even go to war to keep their secrets safe  
Authorities around the world guard the ancient sites  
Hiding or denying the existence of what was moved in the dark of night.

Stories, myths and legends are told, passed down from ancient tribes  
Tribes from every tongue and nation whose stories all describe  
An ancient race of giants and the pathways through which they fly  
An ancient race of hybrids that desire to see that all flesh dies.

The believers intently watch the signs to be prepared for their return  
The scoffers remain ignorant and choose not to listen or discern  
The words of the prophets giving warning or the evidence that abounds  
While the elite are guarding secrets hoping the truth is never found.

That is, the truth should not be found out by the masses or the general population  
For that might set the masses free and we must be kept in mass sedation  
If the truth were preached and the people reached there could be mass salvation  
And that would hamper Satan's plan for the New World Order aberration.

There are beasts that come with the opening of dimensions we cannot see  
And Satan's minions are seeking personal greatness through evil loyalties  
But their greatness will not be long lived for the beast is but an incarnation  
Of a defeated fallen angel that will one day be forced to make proclamation

That Jesus Christ is the only one True King of Kings and Lord of Lords  
If the gateways are opened will we then see the foretold Day of the Lord?  
Men remain in denial of the judgment of the Lord, and they deny His word  
They are too afraid to see the truth, and so they call the truth absurd  
Now those things which God buried in the deep waters of the flood

Were buried to cleanse the earth and to protect the seed within the blood  
The seed remained protected and Jesus came to redeem the man  
He offers to all eternal life and those who accept Him are covered by His hand.

If you are not covered by the blood of Jesus Christ  
When the gates are opened you are at risk of life  
Men must seek the truth while it may be found  
The cost will be too great when the evil has been unbound.

The stories myths and legends have an ancient foundation and are not just passed down orations  
The true watchmen are not barkers spouting lies to dramatize and create a great sensation  
Those who hide the truth are not our great protectors they hide behind lies for personal elevation  
The clues of time and the clues left on the earth reveal the truth of the former altered mutations.

Now I am prepared to make a multi-dimensional journey through a gate that is straight  
There are thieves and robbers who will attempt to do the same through their hidden Star Gates  
Unfortunate for them they will not travel through, but that is not to say the gates will not be used  
Many will come through to rule all men and tribulation will then be loosed.

# HIDDEN MANNA

I am the Bread come down from heaven, and I sustain a holy race.  
I am building up a people, who shall become My dwelling place.

The living stones who fit together, in the temple that I make,  
are strengthened by the living Bread, in this, they all partake.

In the past you ate the manna that was in the wilderness;  
now Canaan lies in front of you, the land you shall possess.

There is a food that has been hidden, from the eyes of worldly ones.  
It strengthens and it satisfies; it is the Manna of the Son.

The Hidden Manna isn't found or gathered, casually.  
But by diligence, and by pressing in, shall you be fed by Me.

I am the Loaf that has been broken, for a multitude of souls.  
When you follow Me and feed on Me, I supply an overflow.

I sustain you and provide for you, by My outstretched, mighty hand.  
And through the days of famine, there will be bread within your land.

So do not eat the bread of idleness, nor drink the wine of sleep.  
Don't be weary in your labors, for soon a harvest, you will reap.

The Hidden Manna is reserved for those who know My ways,  
who live for Me, who look to Me, and walk with Me each day.

It is not prepared by human hands nor spoiled by any leaven.  
It nourishes your inner man, it is the perfect food of heaven.

Fill yourself completely with the substance of My Word.  
And I will come and sup with you, and you shall be preserved.

The sweetness of the promises, are as honey found in there,  
But it only is a foretaste, of the Kingdom I've prepared.

You will drink, and never thirst again; you will taste My Supper, planned.  
Delightful things await the Bride, prepared by My own hand.

I will appear within My temple, to feast with you and dine.  
And those who hear, who watch for Me, shall inherit what is Mine.

Terri Hill

“And the children of Israel did eat manna forty years...until they came unto the borders of the land of Canaan”; Exodus 16:35

“Then Jesus said unto them, Verily, verily, I say unto you, Moses gave you not that bread from heaven; but my Father giveth you the true bread from heaven. For the bread of God is he which cometh down from heaven and giveth life unto the world...I am the bread of life, he that cometh to me shall never hunger...For I came down from heaven, not to do mine own will, but the will of him that sent me”; John 6:32-38

“And they ate and were satisfied; and they picked up seven large baskets full of what was left over of the broken pieces (of bread)”; Mark 8:8

“He that hath an ear, let him hear what the Spirit saith unto the churches. To him that overcometh will I give to eat of the hidden manna”; Revelation 2:17

## FACING STORMS

There are times when life brings me to my knees  
And I find that is exactly where I need to be  
It is there that I forget my fear  
I remember then that God is near.

When it is too difficult to rejoice  
The sacrifice of praise will be my voice  
When overwhelmed by my anxiety  
It is God alone who can set me free.

This worry has bound me up in chains  
This burden is now a constant pain  
God gives a peace that transcends my comprehension  
When I give Him my burdens in prayer and in petition

Satan attacks me each and every day  
My emotions wear thin until they're frayed  
But there is a truth in the Bible I find  
God will guard my heart and guard my mind

I will set my mind on things above  
With thoughts of truth and hope and love  
Whatever is pure and worthy of praise  
This is where my mind will stay

I am not able my own heart to shore  
So I have given it to my Lord  
Storms may come and I'll face troubles unknown  
But He has promised I won't face them all alone.

## Milton William Cooper

Author

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.

*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks*

out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Can you imagine? The world power structure can, and will if necessary, make some or all of these things happen to bring about the New World Order.” [[“Behold A Pale Horse”](#)., p. 177-8]

The chief danger that  
confronts the coming century  
will be religion without the  
Holy Ghost, Christianity  
without Christ, forgiveness  
without repentance, salvation  
without regeneration,  
politics without God, heaven  
without hell.

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

## **I DON'T CARE FOR HOW YOU PRAY**

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.

Well then, I like my way much better after all.

## *A Spirit of Hunger and Thirst*

*Blessed are those who hunger and thirst for righteousness, for they shall be filled.*

—Matthew 5:6

*Scripture reading:* Hebrews 1:8–9; 2:1–18

**T**he Beatitudes of the Spirit are truly lovely. We must emphasize that God will not fail to fill us. No man can “*hunger and thirst after righteousness*” unless God has put the desire in him. This righteousness is the righteousness of Jesus.

In 1 John 5:4–5, we find these verses: “*This is the victory that has overcome the world; our faith. Who is he who overcomes the world, but he who believes that Jesus is the Son of God?*” Righteousness is more than paying our way. We hear someone say, “Oh, I never do anything wrong to anybody. I always pay my way.” This is simply life in the flesh, but there is a higher “*law of the Spirit of life in Christ Jesus*” (Rom. 8:2). I must see that Jesus is my perfect righteousness. He came by the power of God:

*For what the law could not do in that it was weak through the flesh, God did by sending His own Son in the likeness of sinful flesh, on account of sin: He condemned sin in the flesh.*  
(Rom. 8:3)

But the divine touches of heaven never leave you stationary but rather increase your thirst and appetite for greater things. Something within makes you press on until you are empty of everything else so that you may be filled with what God is pressing in. This righteousness is a walk with God and a divine inheritance. It is seeking the face of Jesus until you cannot be satisfied without drinking of His Spirit and being overflowed continually with His blessings. I cannot be satisfied without Christ’s righteousness. He gives us thirst for the immensity of God’s power. It is a divine problem that is solved in only one way: having Him.

*Thought for today:* Having Him, we have all things.

# Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

# BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

*“Humility is perfect quietness of heart. It is to expect nothing, to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised. It is to have a blessed home in the Lord, where I can go in and shut the door, and kneel to my Father in secret, and am at peace as in a deep sea of calmness, when all around and above is trouble.”*

## Tribulation-Now Business Cards

Here are images of the Tribulation-Now Business Cards for witnessing to people. These cards are very easy to duplicate using Microsoft Publisher or by leveraging the included templates at Vista Print ([www.vistaprint.com](http://www.vistaprint.com)) as I did. If you create your own cards you can customize them with any text you wish, which can add to the message you are trying to convey to the lost.

## Now Russia's got SEALS too! Armed sea creatures show off their shooting skills at Russia's bizarre VE day parade

- President Vladimir Putin held Russia's largest ever Victory Day military parade in Red Square in Moscow today
- He used the event as a way to showcase Russia's military prowess including their formidable T-14 Armata tanks
- Many world leaders claimed they were boycotting the event because of Russia's continued role in the Ukraine crisis
- Meanwhile there was panic as a BUK missile caught fire during a Russian parade in the Siberian city of Chita

Vladimir Putin today staged Russia's biggest ever Victory Day military parade on the Red Square as he displayed the country's formidable armaments in a show of strength directed at the West.

Thousands of troops marched across the historic cobblestones with formidable-looking new high-tech armour including T-14 Armata tanks were on show for the first time.

Britain - like many leading world nations - boycotted the event because of Russia's role in the Ukraine crisis. Russia is regularly accused of arming separatist rebels in eastern Ukraine, but its officials deny the allegations.

More than 6,000 people have been killed since fighting began in April 2014 in Ukraine's Donetsk and Luhansk regions.

The US, Australia, Canada and most of the EU heads of state snubbed the celebrations in Russia today.

Despite that, US actor Steven Seagal - said to be one of Putin's favorite celebrity icons - was spotted at the display. With dark black hair and beard and sporting tinted glasses, the action hero was sat amongst former military personnel and members of the public in the crowd, watching the celebrations.

But the guest of honour was president of China, Xi Jinping whose attendance is a nod to the growing ties between the two nations in the face of EU and US sanctions on Moscow.

They were joined by Raul Castro of Cuba, Robert Mugabe, president of Zimbabwe, and Abdel Fattah el-Sisi, the leader of Egypt while Winston Churchill's grandson Conservative MP Sir Nicholas Soames, represented the Prime Minister.

He said today: 'I am honoured to represent the British government at the commemorations in Moscow to mark the 70th anniversary of the end of the Second World War.'

## **GODLY WARNING PLEASE DISCERN**

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

### **We All See Through the Mirror Dimly**

#### **1 Cor 13:12**

*For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.*

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

#### **Deut 18:22**

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST  
by David Wilkerson  
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO  
GOD'S PROPHECIES  
OR FACE RUIN /  
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

# The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

## **House 12 President: ?**

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

*[Note: Could this be the Puerto Rico Comet event?]*

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

*[Note: This is the Sixth Seal Rev 6:12-17]*

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

*[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]*

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

*[Note: This is Obama, the Antichrist]*

Then the dream ended.

# PASTOR TD HALE DREAMS

## The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

**Please Note:** It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

## Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

# THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

**POLE SHIFT**  
Before  
**2017**  
  
Revelation 6:14  
;and every mountain and island was moved  
out of its place.  
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>)

In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

(<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

# Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

Yes praise God I've been through this myself.

First: Personal time.

Try going for a walk with him in a park when it's not too busy. Pick a flower and look at it closely. Show him how utterly amazing it is. And tell him our amazing Father in Heaven and our friend Jesus created all these amazing things for us because they love us. Show him how real this is to you. When he sees your love, he will want it too. It will become much more real to him.

This should be a continuous process

Second : The church (the village)

It's said that it takes a village to raise a child. The church (community) can potentially be helpful. Instead of viewing the church as being inadequate, look at the church as a place that you might be able to "blend into" to help, through love and understanding, a few people that need your perspective. In each gathering there are often many who "know stuff" and have nobody to turn too. This becomes a harvest ground for spiritual preparation. BUT you must always be at peace with love and grace and a happy tone of voice as you gently share how exciting the apocalyptic times are. If I knew this 4 years ago when I was going, I could have helped a lot more people. The wisdom is when one feeds a baby he doesn't jam a steak down his throat. He talks in sweet loving tones and gives little tastes of yummy stuff.

And as a bonus you gain a village for your new "son" where through your "flower stories" he too can help change the lives of other kids.

This can become an opportunity to help others. God knows they need out help. The trick is love, Humility, patience and a contrite heart.

And if all hell breaks loose in the mean time you very well may become the person everyone runs too.

I hope this is helpful  
God bless you

GRANT TOWNSHIP, Mich. (AP) - Michigan authorities say they arrested a naked drunken woman who was driving the wrong way after leaving her naked husband and their child at a rest stop.

The Clare County sheriff's department says 23-year-old Jessie Schwaub-Devault of Harrison left her husband and child along U.S. 127 about 4:30 a.m. Tuesday.

The department says Schwaub-Devault refused to stop but eventually got out of her SUV and ran before being arrested.

The sheriff's department says Shwaub-Devault was arraigned Wednesday on charges of drunken driving, fleeing police, indecent exposure and child abuse. It says 32-year-old Joshua Devault was arraigned on indecent exposure and child abuse charges.

It's unknown if they have lawyers to comment on the charges.

If this isn't a statement on modern society, we aren't sure what is.

Via [The Independent](#):

The Samadhi Game, located in a corner of the Window of the World amusement park in Shenzhen, opened in September 2014 and for roughly £26 [just over \$40 USD] simulates players' deaths by placing them in a coffin and then transporting them to the incinerator.

Once inside, players are then blasted by hot air (up to 40C) and light to create an "authentic experience of burning," according to its creators, Huang Weiping and Ding Rui.

When the "burning" is over, volunteers see a womb projected on the ceiling and must crawl until they reach a large, white padded area – supposedly representing a womb – where they are "reborn".

Two Chinese philanthropists were able to create the "ride" after an Asian version of kickstarter garnered some \$65,000.

People really really want to pay to be pretend cremated, apparently.

# Real-life Star Trek 'replicator' prepares meal in 30 seconds

 REUTERS May 5, 2015 12:09 PM

Email to friends

It's a revolution in food technology that could deliver your food fantasy to your plate in less than a minute.

The Genie, similar in size and appearance to a coffee maker, can produce an unlimited variety of meals using pods, that contain natural dehydrated ingredients. So whether salty or sweet, an appetizer or a dessert, the device can create the food you crave in 30 seconds.

Developed by Israeli entrepreneurs Ayelet Carasso and Doron Marco from White Innovation company, the device uses a mobile app to operate.

"The dish can be anything, it can be a meal like chicken with rice, like couscous with vegetable or an amazing Ramen or even a chocolate soufflé or any other desert that you want," Carasso explains.

"We're using only natural ingredients, we're not using any preservatives or anything that people add to their meals," she added.

Meals are prepared in 140 gram portions in recyclable container.

At the push of a button on Genie's mobile application, the device begins mixing, shaking and adding any required liquids from tubes attached to the back of the compact machine which bakes or cooks the desired dish at the appropriate temperature.

The all-natural ingredients in the pods are freeze-dried and have a shelf-life of between one and two years.

Carasso and Marco conceived of the patent-registered device and pods, when they struggled to find restaurants that delivered to their office during a late night working session.

Russians yesterday insisted there had been a conspiracy over the royal birth and a surrogate mother must have carried the baby princess.

Others bizarrely claimed the child – who shares her birthday with Catherine the Great of Russia – was born several days earlier with the event kept secret.

A leading pro-Kremlin paper also claimed the Duchess of Cambridge 'put the health of her daughter at risk for the sake of her subjects' by appearing in public so soon.

In what was an "unambiguously" unpleasant April jobs payrolls report, with a March revision dragging that month's job gain to the lowest level since June of 2012, the fact that the number of Americans not in the labor force rose once again, this time to 93,194K from 93,175K, with the result being a participation rate of 69.45 or just above the lowest percentage since 1977, will merely catalyze even more upside to the so called "market" which continues to reflect nothing but central bank liquidity, and thus - the accelerating deterioration of the broader economy.

## SAVAGE: OBAMA MAY ARM U.S. GANGS FOR RACE WAR

"The guillotines are ready and they are greasing the blades"

Published: 4 days ago

Michael Savage

Warning of a coming race war, talk-radio host Michael Savage, appearing as a guest on Alex Jones "Infowars" program Monday, said President Obama would deputize and arm gang members such as the "Crips and the Bloods" to keep order in American streets.

"Remember my last book, 'Stop the Coming Civil War'? Guess what. It started," said Savage.

"Has there been a civil war? Yeah, it's a slow-burning civil war. What do you think we are looking at here? It's a race war. These are their shock troops, they don't have the brown shirts yet, they don't have the armbands, but soon Obama could deputize them. Isn't that a natural army for him, Alex? Take the Crips and the Bloods, give them a green uniform and give them a weapon and they'll keep order in the streets. Won't they?"

**The White House has refused to release information about a secret policy that permits the Department of Homeland Security to unilaterally shut down private cellphone service in the event of a national crisis.**

Enacted almost ten years ago without public notice or debate, Standard Operating Procedure (SOP) 303, often referred to as the cellphone kill switch, has been shrouded in secrecy from its inception and has been targeted by civil liberties groups looking to make the policy public.

"We have no clue what's in it or what it's about," Harold Feld, the senior vice president of Public Knowledge, a public interest advocacy group, told Al Jazeera America.

In 2012, the Electronic Privacy Information Center (EPIC) filed suit in federal court seeking disclosure of information about SOP 303's basic guidelines and policy procedures.

After a lower court ordered the policy be made public, the DOH successfully argued on appeal that releasing any information about SOP 303 would risk public safety. Last month, however, EPIC's petition for a rehearing of that appellate court decision was allowed to proceed.

I heard the Emergency Broadcast System throughout the neighborhood and went in to watch. Fires were started throughout the U.S. The main body of which was caused by an unexpected meteor. The shuttle was forced to land because of the meteor showers. When the burning objects hit the ground, they started oil, coal and gas fires from Texas to Virginia. (...)

Events that I saw, but am not sure of their order. Earthquake affecting the East Coast of the United States. Large amounts of water affecting the East Coast. Power outage in scattered parts of the U.S. Starvation within the U.S. (...)

This was the most amazing part of the dream and there is no way to describe the changes with the people that were gathering into groups. They were all so beautiful but nothing I could describe. # China Preparing for Drone Warfare

PLA plans to build 42,000 UAVs, Pentagon says

BY: **Bill Gertz**  Follow @BillGertz

May 8, 2015 6:55 pm

China's military plans to produce nearly 42,000 land-based and sea-based unmanned weapons and sensor platforms as part of its continuing, large-scale military buildup, the Pentagon's annual report on the People's Liberation Army (PLA) disclosed Friday.

China currently operates several armed and unarmed drone aircraft and is developing long-range range unmanned aerial vehicles (UAVs) for both intelligence gathering and

bombing attacks.

"The acquisition and development of longer-range UAVs will increase China's ability to conduct long-range reconnaissance and strike operations," the report said.

China's ability to use drones is increasing and the report said China "plans to produce upwards of 41,800 land- and sea-based unmanned systems, worth about \$10.5 billion, between 2014 and 2023."

Four UAVs under development include the Xianglong, Yilong, Sky Saber, and Lijian, with the latter three drones configured to fire precision-strike weapons.

"The Lijian, which first flew on Nov. 21, 2013, is China's first stealthy flying wing UAV," the report said.

The drone buildup is part of what the Pentagon identified as a decades-long military buildup that last year produced new multi-warhead missiles and a large number of submarines and ships.

They are ready. Are you?

The government powers that be are preparing for continuity under any conditions.

The potential for an electromagnetic pulse (EMP) event that could wipe out the electric grid, and with it, the society that is dependent upon it is considered by security experts to be inevitable and perhaps likely in the short term.

An EMP can be caused by a solar flare or by a rogue nation using a single nuclear bomb, and it could happen at virtually any time. This makes the threat strong enough for Congress and Homeland Security officials to acknowledge and plan for – while acknowledging that the general public are completely vulnerable:

"The grid is utterly unprotected from an EMP attack. It's not adequately protected from cyber or physical sabotage," Pry told FOX. "It's why North Korea and Iran want the bomb, have the bomb. North Korea has actually practiced this against the United States." ([source](#))

Now, the military is making preparations to spend more than \$1 billion to move vital equipment and personnel back to the Cheyenne Mountain bunker-fortress. Essential to Cold War contingencies and operations, today, the facility offers a place for continuity of government (COG) to take hold in case of the worst.

On Friday we reported that for the first time in history, Chinese and Russian navies will begin a significant joint naval exercise in The Mediterranean Sea in mid-May.

Cited by RT, Chinese Defense Ministry spokesman Geng Yansheng said that "The aim is to deepen both countries' friendly and practical cooperation, and increase our navies' ability to jointly deal with maritime security threats," but diplomatically added "these exercises are not aimed at any third party and have nothing to do with the regional situation."

Against a background of this week's "upgraded Japan-American military relationship" following Abe's visit to Obama, as one analyst notes, "the geopolitical significance of its exercising alongside Russia will not be lost on the U.S. and NATO."

While it was unclear if directly related to the upcoming "historic" drill, the Bosphorus Navy Blog reports that in what is a comparable "first" yesterday two warships from Peoples Republic of China were seen passing through the Bosphorus, and entering the Black Sea.

More:

*Two Jiangkai II (type 054A) class frigates 550 Weifang and 547 Linyi from PLAN North Sea Fleet made a northbound passage through the Turkish Straits. The destination of these Chinese ships were not disclosed.*

Finland has fired warning shots at a suspected foreign submarine off the coast of Helsinki in the early hours of Tuesday morning, amid growing military tensions with neighbouring Russia.

Carl Haglund, Finland's defence minister, did not say whether Russia was involved, but the incident was reminiscent of a Swedish hunt for a foreign submarine in its waters last October that many thought to be Russian.

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are blessed to have brother Michael Snyder join us from "The Economic Collapse" site to discuss with us what he sees happening across the world leading up to the imminent collapse of the dollar, World War III, and the ultimate death of America.

# 25 Signs That America Is Rapidly Becoming More Like Nazi Germany

By Michael Snyder, on February 15th, 2012

The United States of America is becoming more like Nazi Germany every single day. In fact, the Nazification of America is almost complete. The parallels between Nazi Germany and the United States of today are going to absolutely shock many of you. Most Americans simply have never learned what life was really like back in Nazi Germany. Under Adolf Hitler, Germany was a Big Brother totalitarian police state that ruthlessly repressed freedom and individual liberty. Under Adolf Hitler, Germany adopted socialism, dramatically increased government spending and raised taxes to astronomical levels. Under Adolf Hitler, abortion became legal in Germany, the government took over health care and Christianity was pushed out of the public schools and out of public life. To prove all of these points, I am going to use extensive quotes from two sources. Kitty Werthmann was a child living a peaceful life in Austria when Hitler took over her nation. Her eyewitness accounts about what life was like under Nazi Germany [are invaluable](#). In addition, I will also be quoting extensively [from author Bruce Walker](#). He is the author of a book entitled "The Swastika Against The Cross: The Nazi War On Christianity", and during his years of research he has uncovered some absolutely jaw dropping stuff. After reading the information in the rest of this article, there should be no doubt that the United States is becoming just like Nazi Germany.

Nazi Germany shows us what happens when the state becomes god. Adolf Hitler was certainly more racist than the leaders of America are today, but other than that there are very few differences between the road that Adolf Hitler led Germany down and the path that the United States is being led down.

The following are 25 signs that America is rapidly becoming more like Nazi Germany....

**#1 Nazi Germany was a totalitarian Big Brother police state that constantly monitored everything that German citizens did.**

Today, the bureaucrats that run things in the United States are also [absolutely obsessed](#) with constantly trying to monitor us. For example, there are now control freaks [that inspect the lunches of preschool students](#) in certain areas of the country in order to make sure that they contain the "right" foods....

*A preschooler at West Hoke Elementary School ate three chicken nuggets for lunch Jan. 30 because the school told her the lunch her mother packed was not nutritious.*

*The girl's turkey and cheese sandwich, banana, potato chips, and apple juice did not meet U.S. Department of Agriculture guidelines, according to the interpretation of the person who was inspecting all lunch boxes in the More at Four classroom that day.*

*The Division of Child Development and Early Education at the Department of Health and Human Services requires all lunches served in pre-kindergarten programs – including in-home day care centers – to meet USDA guidelines. That means lunches must consist of one serving of meat, one serving of milk, one serving of grain, and two servings of fruit or vegetables, even if the lunches are brought from home.*

## **#2 Nazi officials often used their positions of power to force others to do dehumanizing things.**

This is exactly what the TSA is doing today. It would be really easy to imagine some Nazi military officers forcing a young woman to walk back and forth in front of them several times so that they could admire her form. Well, that is what TSA agents are doing to American women today. The following comes from [a recent Wired article](#)....

*TSA agents in Dallas singled out female passengers to undergo screening in a body scanner, according to complaints filed by several women who said they felt the screeners intentionally targeted them to view their bodies.*

*One woman who flew out of Dallas-Ft. Worth International Airport several months ago said a female agent sent her through a body scanner three times after the agent commented on her "cute" body.*

## **#3 In Nazi Germany, even women and children were treated like dehumanized cattle.**

Well, today schoolchildren are being strip-searched all over the United States. Down in Georgia, one student was recently [strip-searched](#) by public school officials after another student falsely accused him of having marijuana.

Another student down in Albuquerque was recently forced to strip down to his underwear while five adults watched because he had [\\$200 in his pocket](#). The student was never formally charged with doing anything wrong.

## **#4 In Nazi Germany, authorities could stop you and search you at any time and for any reason.**

In America that is not supposed to happen, but it is happening. Last year, TSA "VIPR teams" conducted approximately [8,000 "unannounced security screenings"](#) at subway stations, bus terminals, seaports and highway rest stops.

If you are not able to produce "your papers", there is a good chance that you will get thrown into prison in America. For example, a 21-year-old college student named Samantha Zucker was recently arrested and put in a New York City jail for 36 hours just because [she could not produce any identification for police](#).

## **#5 Under Adolf Hitler, there were massive increases in government spending.**

According [to eyewitness Kitty Werthmann](#), just about everyone was getting some sort of a handout from the German government....

*Newlyweds immediately received a \$1,000 loan from the government to establish a household. We had big programs for families. All day care and education were free. High schools were taken over by the government and college tuition was subsidized. Everyone was entitled to free handouts, such as food stamps, clothing, and housing.*

Of course, as I have written about so many times before, this is [the exact same thing](#) that we are seeing in the United States today.

## **#6 Under Hitler, taxes were raised dramatically in order to pay for all of these social programs.**

Kitty Werthmann says that "[our tax rates went up to 80% of our income.](#)"

In the United States our tax rates have not gotten that bad yet, but when you total up all federal taxes, all state taxes, all local taxes, all property taxes and all sales taxes, there are a significant number of Americans that do pay more than 50% of their incomes in taxes.

## **#7 The economy of Nazi Germany was very highly socialized.**

As Ludwig Von Mises once [correctly observed](#), the German economy under Hitler was not capitalist at all....

*What Mises identified was that private ownership of the means of production existed in name only under the Nazis and that the actual substance of ownership of the means of production resided in the German government. For it was the German government and not the nominal private owners that exercised all of the substantive powers of ownership: it, not the nominal private owners, decided what was to be produced, in what quantity, by what methods, and to whom it was to be distributed, as well as what prices would be charged and what wages would be paid, and what dividends or other income the nominal private owners would be permitted to receive. The position of the alleged private owners, Mises showed, was reduced essentially to that of government pensioners.*

The United States has not gotten to the level of Nazi Germany yet, but we do have a socialist president and back in 2009 the cover of Newsweek boldly proclaimed that "[We Are All Socialists Now](#)".

## **#8 In Nazi Germany, if you conducted business outside of the socialist paradigm you were heavily punished.**

Well, the same thing is happening in the United States today. For example, the FDA has been running [elaborate entrapment schemes](#) that are designed to entrap producers of raw milk. Any "unauthorized commerce" is dealt with very strictly by the U.S. government these days.

## **#9 In Nazi Germany, government regulation of business got wildly out of control.**

The following is eyewitness testimony [from Kitty Werthmann](#)....

*My brother-in-law owned a restaurant that had square tables. Government officials told him he had to replace them with round tables because people might bump themselves on the corners. Then they said he had to have additional bathroom facilities. It was just a small dairy business with a snack bar. He couldn't meet all the demands. Soon, he went out of business.*

*If the government owned the large businesses and not many small ones existed, it could be in control.*

*We had consumer protection. We were told how to shop and what to buy. Free enterprise was essentially abolished. We had a planning agency specially designed for farmers. The agents would go to the farms, count the live-stock, then tell the farmers what to produce, and how to produce it.*

Of course we all know about all of the [ridiculous regulations](#) that the U.S. government is burdening businesses with today. In every day and age control freaks love to stick it to business people that are just trying to make a living.

## **#10 Under Hitler, free market capitalism was absolutely hated.**

National Socialist theologian Gregor Strasser once stated [the following](#)....

*We National Socialists are enemies, deadly enemies, of the present capitalist system with its exploitation of the economically weak ... and we are resolved under all circumstances to destroy this system.*

And as I have written about previously, a lot of Barack Obama's strongest supporters are [socialists and communists](#), and an increasing number of Americans are showing disdain for capitalism. In fact, some recent polls show that young adults in America actually have a more favorable view of socialism than they do of capitalism.

### **#11 In Nazi Germany, the health care system was taken over by the government.**

The following is more eyewitness testimony [from Kitty Werthmann](#)....

*Before Hitler, we had very good medical care. Many American doctors trained at the University of Vienna . After Hitler, health care was socialized, free for everyone. Doctors were salaried by the government. The problem was, since it was free, the people were going to the doctors for everything. When the good doctor arrived at his office at 8 a.m., 40 people were already waiting and, at the same time, the hospitals were full. If you needed elective surgery, you had to wait a year or two for your turn. There was no money for research as it was poured into socialized medicine. Research at the medical schools literally stopped, so the best doctors left Austria and emigrated to other countries.*

Of course we all know what is going on in America today. The government spends nearly half of all health care dollars and Obamacare is going to mean more government control over the health care system than ever before.

### **#12 Under Adolf Hitler, abortion was made "safe and legal" in Germany.**

It turns out that Hitler was a huge fan of the founder of Planned Parenthood, Margaret Sanger. And as I wrote about [recently](#), it was Sanger that once said the following....

*"The most merciful thing that a family does to one of its infant members is to kill it."*

Hitler echoed this sentiment when he wrote the following in Mein Kampf....

*"The demand that defective people be prevented from propagating equally defective offspring. . . represents the most humane act of mankind."*

After the Nazis came to power in 1933, abortion was very quickly legalized. By 1935 there were approximately [500,000 abortions](#) being performed in Germany every single year.

Yes, Hitler very much encouraged Aryan women to have as many children as possible. But he also very much viewed abortion as a way to reduce "undesirable" populations.

Unfortunately, something very similar is happening today. Abortion clinics are often located in the "poor" part of town, and a staggering [72 percent](#) of Planned Parenthood's "customers" have incomes that are either equal to or beneath 150 percent of the federal poverty level.

### **#13 In Nazi Germany, killing the "defective", the "weak" and the "disabled" was considered to be a good thing because it made the German people "stronger".**

Unfortunately, many in America today have fully embraced the eugenics principles which were so dominant in Nazi Germany.

A 3 year old girl named Amelia was recently [denied a kidney transplant](#) because she is considered to be "mentally retarded", and we all remember what happened [to Terri Schiavo](#).

Not only that, the editorial page editor of the Detroit News recently proposed putting contraceptives into the drinking water in Michigan because the state has become a "[breeding ground for poverty](#)".

This kind of sick thinking is rapidly spreading in America, and that is a very frightening thing.

#### **#14 In Nazi Germany, education was nationalized and God was kicked out of the schools.**

The following is more eyewitness testimony [from Kitty Werthmann](#)....

*Our education was nationalized. I attended a very good public school. The population was predominantly Catholic, so we had religion in our schools. The day we elected Hitler (March 13, 1938), I walked into my schoolroom to find the crucifix replaced by Hitler's picture hanging next to a Nazi flag. Our teacher, a very devout woman, stood up and told the class we wouldn't pray or have religion anymore. Instead, we sang Deutschland, Deutschland, Uber Alles, and had physical education.*

Unfortunately, the exact same thing is happening to [U.S. public schools](#).

#### **#15 Under Adolf Hitler, God was mocked and religion was pushed out of every corner of public life.**

Just check out the following information uncovered by [author Bruce Walker](#)....

*The Nazi tract Gott und Volk was distributed in 1941, and it describes the life cycle of German youth in the future, who would: "With parties and gifts the youth will be led painlessly from one faith to the other and will grow up without ever having heard of the Sermon on the Mount or the Golden Rule, to say nothing of the Ten Commandments... The education of the youth is to be confined primarily by the teacher, the officer, and the leaders of the party. The priests will die out. They have estranged the youth from the Volk. Into their places will step the leaders. Not deputies of God. But anyway the best Germans. And how shall we train our children? Thus, as though they had never heard of Christianity!"*

Once again, this parallels what we are seeing happen in America today. Last year, a high school student in Southern California [was suspended for two days](#) because he had private conversations with his classmates during which he discussed Christianity. He was also banned from bringing his Bible to school ever again.

For many more examples of this phenomenon, please see this article: "[18 Examples Of How Christians Are Being Specifically Targeted By Big Brother](#)".

#### **#16 Adolf Hitler fully embraced the theory of evolution, and Darwinism provided the intellectual foundation for much of Nazism.**

At a Nazi Party rally in Nuremberg in 1933, Hitler [declared](#) that "higher race subjects to itself a lower race . . . a right which we see in nature and which can be regarded as the sole conceivable right".

Hitler was obsessed with the "survival of the fittest" and he took this theory to its logical extremes. The following is how [one author](#) put it....

*"Hitler was influenced above all by the theories of the nineteenth-century social Darwinist school, whose conception of man as biological material was bound up with impulses towards a planned society. He was convinced that the race was disintegrating, deteriorating through faulty breeding as a result of a liberally tinged promiscuity that was vitiating the nation's blood. And this led to the establishment of a catalogue of 'positive' curative measures: racial hygiene, eugenic choice of marriage partners, the breeding of human beings by the methods of selection on the one hand and extirpation on the other"*

But of course we have no problem with teaching this [flawed theory](#) to our children in the public schools of America today.

Haven't we learned anything from history?

### **#17 Under Adolf Hitler, the state started taking over the job of child care.**

The following is more eyewitness testimony [from Kitty Werthmann](#)....

*When the mothers had to go out into the work force, the government immediately established child care centers. You could take your children ages 4 weeks to school age and leave them there around-the-clock, 7 days a week, under the total care of the government. The state raised a whole generation of children. There were no motherly women to take care of the children, just people highly trained in child psychology.*

Of course this is exactly what is happening in America today. Children are raised by day care centers and public schools, and most parents spend very little time with their own children.

### **#18 In Nazi Germany, it became fashionable to mock Christians and the Christian faith.**

The following is more from [author Bruce Walker](#)....

*By 1935, the virulently anti-Christian leader of the Hitler Youth, Baldur von Shirach issued a regulation that prohibited any child from belonging simultaneously to a church youth group and the Hitler Youth, and gradually membership in the Hitler Youth became almost obligatory – parents were told that their children would not get jobs in the civil service unless they belonged to the Hitler Youth and employers were told not to hire children who did not belong to the Hitler Youth. Christian schoolchildren who did not belong to the Hitler Youth or its female counterpart were routinely beaten up by young Nazi thugs.*

*Boys inducted into the Hitler Youth were required to explicitly reject Christianity by oaths like this: "German blood and Christian baptismal water are completely incompatible." At Hitler Youth center at Halle, was the following prominent statement: "The Faith fanatics, who still to-day slide down on their knees with faces uplifted to heaven, waste their time in churchgoing and prayers, and have not yet understood that they are living on the earth and that therefore their task is of a thoroughly earthly kind. All we Hitler people can still only look with the greatest contempt on those young people who still run to their silly Evangelical or Catholic Churches in order to vent their quite superstitious religious feelings."*

Those that believe that the Nazis embraced Christianity are delusional. The following are direct quotes [out of Hitler Youth training manuals](#)....

"Christianity is a religion of slaves and fools."

"How did Christ die? Whining at the Cross!"

"The Ten Commandments represent the lowest instincts of man."

"Christianity is merely a cloak for Judaism."

This is definitely where things are going in America today. Our television shows and our movies regularly mock Christians and they are always portrayed as the "bad guys".

In addition, the name of Jesus is rapidly becoming a forbidden word. Some U.S. courts have even ruled that it is unconstitutional to use the name of "Jesus Christ" during any official government meeting. The following comes from a recent [WorldNetDaily article](#)....

*But the American Civil Liberties Union and Americans United for Separation of Church and State are standing by their victory in a U.S. circuit court decision that states even "a solitary reference to Jesus Christ" in invocations before the Forsyth County Board of Commissioners' meetings could do "violence to the pluralistic and inclusive values that are a defining feature of American public life."*

## **#19 Under Adolf Hitler, sexual promiscuity was actually encouraged.**

The following is more eyewitness testimony [from Kitty Werthmann](#)....

*My mother was very unhappy. When the next term started, she took me out of public school and put me in a convent. I told her she couldn't do that and she told me that someday when I grew up, I would be grateful. There was a very good curriculum, but hardly any fun no sports, and no political indoctrination. I hated it at first but felt I could tolerate it. Every once in a while, on holidays, I went home. I would go back to my old friends and ask what was going on and what they were doing. Their loose lifestyle was very alarming to me. They lived without religion. By that time unwed mothers were glorified for having a baby for Hitler. It seemed strange to me that our society changed so suddenly. As time went along, I realized what a great deed my mother did so that I wasn't exposed to that kind of humanistic philosophy.*

Of course the exact same thing is happening in America today. If you doubt that your tax dollars are going to promote sexual promiscuity, then I have a video for you to watch. It is a video from the American Life League, and you can view it [right here](#). **DO NOT** let any children watch this video. It is done by a pro-life organization but it is very graphic. I have posted a link to it because it is **imperative** that parents understand what is really going on out there. But please be warned that it is very, very graphic.

## **#20 Once the Nazis took power, they rapidly implemented gun control legislation and later on they took all of the guns away from the populace.**

Kitty Werthmann [remembers very well](#) what happened in Austria under the Nazis....

*Next came gun registration. People were getting injured by guns. Hitler said that the real way to catch criminals (we still had a few) was by matching serial numbers on guns. Most citizens were law abiding and dutifully marched to the police station to register their firearms. Not long after-wards, the police said that it was best for everyone to turn in their guns. The authorities already knew who had them, so it was futile not to comply voluntarily.*

Last year, more than 10 million guns were sold in the United States, but gun control legislation continues to become even more strict, and it is only a matter of time before the federal government tries to disarm the U.S. population completely.

## **#21 Under the Nazis, large numbers of children were taken away from good families.**

The following is more from [author Bruce Walker](#)....

*Parents who resisted Nazi anti-Christian indoctrination too strongly simply had their children taken away from them. The Nazis even forbade parents to give their children Christian names and ordered babies instead to be given names like Dietrich, Otto or Siegfried. The home teaching of Christianity by parents in the home was forbidden. Not content with simply driving Christianity out of public schools, Himmler banned all Confessing Church seminaries and instruction in 1937 and he closed all private religious schools two years later.*

Doesn't this sound exactly like where America is headed?

In many states, CPS ("child protective services") has become one of the most feared government agencies. All over the nation, thousands upon thousands of children have been removed from good homes because the parents were not raising them "correctly".

You can read about one particularly bad CPS horror story [right here](#).

## **#22 Under Adolf Hitler, society became very highly militarized.**

Of course we are seeing the same thing in the U.S. right now.

Sadly, this is even happening to our public schools. According to blogger Alexander Higgins, students in kindergarten and the 1st grade in the state of New Jersey are now required by law to participate "in monthly anti-terrorism drills". The following is an excerpt [from a letter](#) that he recently received from the school where his child attends....

*Each month a school must conduct one fire drill and one security drill which may be a lockdown, bomb threat, evacuation, active shooter, or shelter-in place drill. All schools are now required by law to implement this procedure.*

This is the kind of thing that a sicko like Adolf Hitler would try to do, and it is not good for our children.

### **#23 In Nazi Germany, the prisons were absolutely packed.**

Right now, the United States has [the highest incarceration rate](#) in the world by far and the [largest total prison population](#) on the entire globe by far.

Even children are being arrested in alarming numbers. In a [previous article](#), I described how one 12-year-old girl down in Texas was recently arrested [for spraying herself with perfume](#) and how police were recently sent out to collect an overdue library book [from a 5-year-old girl](#) in Massachusetts.

### **#24 Under Adolf Hitler, there was basically no freedom of speech.**

In the United States today we are told that we still have freedom of speech, but that freedom is being "chilled" in thousands of different ways.

For example, the FBI is now admittedly recording Internet talk radio programs all over the United States. The following comes from a recent article [by Mark Weaver of WMAL.com](#)....

*If you call a radio talk show and get on the air, you might be recorded by the FBI.*

*The FBI has awarded a \$524,927 contract to a Virginia company to record as much radio news and talk programming as it can find on the Internet.*

*The FBI says it is not playing big brother by policing the airwaves, but rather seeking access to what airs as potential evidence.*

So please speak freely on talk radio. Just realize that the feds will be recording every single word.

### **#25 Under Adolf Hitler, paranoia was standard operating procedure.**

In Nazi Germany, every citizen was a potential threat and everyone had to be constantly watched for suspicious activity.

Of course the exact same thing is happening in America today. Just about anything you do can get you labeled as a "potential terrorist" by the government.

According to [a new DHS report](#), the following are some of the beliefs and ideologies of potential terrorists....

- "fiercely nationalistic (as opposed to universal and international in orientation)"

- "anti-global"

- "suspicious of centralized federal authority"

- "reverent of individual liberty"

- “believe in conspiracy theories”
- “a belief that one’s personal and/or national “way of life” is under attack”
- “a belief in the need to be prepared for an attack either by participating in paramilitary preparations and training or survivalism”
- “impose strict religious tenets or laws on society (fundamentalists)”
- “insert religion into the political sphere”
- “those who seek to politicize religion”
- “supported political movements for autonomy”
- “anti-abortion”
- “anti-Catholic”
- “anti-nuclear”

And the definition of “suspicious activity” has become so broad in America that it pretty much covers 100% of us. In 2012, the following activities are considered to be “suspicious” [by the FBI](#)....

- shielding your computer screen from others
- paying with cash
- acting “nervous”
- using multiple cell phones
- requesting a specific room at a hotel
- traveling with a large amount of luggage
- refusing maid service at a hotel
- staying in your room for too long
