### Jesus on the Police Force, A Testimony of Power in the Squad Car w Officer "D"

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are changing the pace and hearing the testimony of sister Nancy about a miraculous moment of blessing through her ministry and bringing on our brother in Christ, Sheriff "D". Officer D was stationed in perilous war duties on the front line in the Middle East and through a series of amazing "coincidences" ended up in the Sheriff's department of a police force that KNOWS about the New Word Order, loves Jesus and uses the power of the Holy Spirit to change lives while they work.

God Bless You - See you there!

**"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "**

# STARGATES

As gravity increases and time slows a passage is opened to an unknown dimension  
To those who know it is a gateway, though some deny their real and consider it science fiction.  
But fiction has no empirical proofs or eyewitness testimony.  
The writings of antiquity testified the truth not hypothesis.  
Beware the opening of these gates will bring a global apostasy.

Educated fools play with these passageways thinking they are in control  
But they see not the portentous threats that lie behind the blackness of these holes  
Many have come and many have gone but we are still searching for the keys  
That will allow us to open the gates that lead to mystery.

Now there has been much talk and speculation that governments have found such gates  
And they are willing to shed much blood or even go to war to keep their secrets safe  
Authorities around the world guard the ancient sites  
Hiding or denying the existence of what was moved in the dark of night.

Stories, myths and legends are told, passed down from ancient tribes  
Tribes from every tongue and nation whose stories all describe  
An ancient race of giants and the pathways through which they fly  
An ancient race of hybrids that desire to see that all flesh dies.

The believers intently watch the signs to be prepared for their return  
The scoffers remain ignorant and choose not to listen or discern  
The words of the prophets giving warning or the evidence that abounds  
While the elite are guarding secrets hoping the truth is never found.

That is, the truth should not be found out by the masses or the general population  
For that might set the masses free and we must be kept in mass sedation  
If the truth were preached and the people reached there could be mass salvation  
And that would hamper Satan's plan for the New World Order aberration.

There are beasts that come with the opening of dimensions we cannot see  
And Satan's minions are seeking personal greatness through evil loyalties  
But their greatness will not be long lived for the beast is but an incarnation  
Of a defeated fallen angel that will one day be forced to make proclamation

That Jesus Christ is the only one True King of Kings and Lord of Lords  
If the gateways are opened will we then see the foretold Day of the Lord?  
Men remain in denial of the judgment of the Lord, and they deny His word  
They are too afraid to see the truth, and so they call the truth absurd  
Now those things which God buried in the deep waters of the flood  
Were buried to cleanse the earth and to protect the seed within the blood

The seed remained protected and Jesus came to redeem the man  
He offers to all eternal life and those who accept Him are covered by His hand.

If you are not covered by the blood of Jesus Christ  
When the gates are opened you are at risk of life  
Men must seek the truth while it may be found  
The cost will be too great when the evil has been unbound.

The stories myths and legends have an ancient foundation and are not just passed down orations  
The true watchmen are not barkers spouting lies to dramatize and create a great sensation  
Those who hide the truth are not our great protectors they hide behind lies for personal elevation  
The clues of time and the clues left on the earth reveal the truth of the former altered mutations.

Now I am prepared to make a multi-dimensional journey through a gate that is straight  
There are thieves and robbers who will attempt to do the same through their hidden Star Gates  
Unfortunate for them they will not travel through, but that is not to say the gates will not be used  
Many will come through to rule all men and tribulation will then be loosed.

# HIDDEN MANNA

I am the Bread come down from heaven, and I sustain a holy race.  
I am building up a people, who shall become My dwelling place.

The living stones who fit together, in the temple that I make,  
are strengthened by the living Bread, in this, they all partake.

In the past you ate the manna that was in the wilderness;  
now Canaan lies in front of you, the land you shall possess.

There is a food that has been hidden, from the eyes of worldly ones.  
It strengthens and it satisfies; it is the Manna of the Son.

The Hidden Manna isn't found or gathered, casually.  
But by diligence, and by pressing in, shall you be fed by Me.

I am the Loaf that has been broken, for a multitude of souls.  
When you follow Me and feed on Me, I supply an overflow.

I sustain you and provide for you, by My outstretched, mighty hand.  
And through the days of famine, there will be bread within your land.

So do not eat the bread of idleness, nor drink the wine of sleep.  
Don't be weary in your labors, for soon a harvest, you will reap.

The Hidden Manna is reserved for those who know My ways,  
who live for Me, who look to Me, and walk with Me each day.

It is not prepared by human hands nor spoiled by any leaven.  
It nourishes your inner man, it is the perfect food of heaven.

Fill yourself completely with the substance of My Word.  
And I will come and sup with you, and you shall be preserved.

The sweetness of the promises, are as honey found in there,  
But it only is a foretaste, of the Kingdom I've prepared.

You will drink, and never thirst again; you will taste My Supper, planned.  
Delightful things await the Bride, prepared by My own hand.

I will appear within My temple, to feast with you and dine.  
And those who hear, who watch for Me, shall inherit what is Mine.

Terri Hill

“And the children of Israel did eat manna forty years...until they came unto the borders of the land of Canaan”; Exodus 16:35

“Then Jesus said unto them, Verily, verily, I say unto you, Moses gave you not that bread from heaven; but my Father giveth you the true bread from heaven. For the bread of God is he which cometh down from heaven and giveth life unto the world...I am the bread of life, he that cometh to me shall never hunger...For I came down from heaven, not to do mine own will, but the will of him that sent me”; John 6:32-38

“And they ate and were satisfied; and they picked up seven large baskets full of what was left over of the broken pieces (of bread)”; Mark 8:8

“He that hath an ear, let him hear what the Spirit saith unto the churches. To him that overcometh will I give to eat of the hidden manna”; Revelation 2:17

## FACING STORMS

There are times when life brings me to my knees  
And I find that is exactly where I need to be  
It is there that I forget my fear  
I remember then that God is near.

When it is too difficult to rejoice  
The sacrifice of praise will be my voice  
When overwhelmed by my anxiety  
It is God alone who can set me free.

This worry has bound me up in chains  
This burden is now a constant pain  
God gives a peace that transcends my comprehension  
When I give Him my burdens in prayer and in petition

Satan attacks me each and every day  
My emotions wear thin until they're frayed  
But there is a truth in the Bible I find  
God will guard my heart and guard my mind

I will set my mind on things above  
With thoughts of truth and hope and love  
Whatever is pure and worthy of praise  
This is where my mind will stay

I am not able my own heart to shore  
So I have given it to my Lord  
Storms may come and I'll face troubles unknown  
But He has promised I won't face them all alone.

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

## *A Spirit of Hunger and Thirst*

*Blessed are those who hunger and thirst for righteousness, for they shall be filled.*

—Matthew 5:6

*Scripture reading:* Hebrews 1:8–9; 2:1–18

**T**he Beatitudes of the Spirit are truly lovely. We must emphasize that God will not fail to fill us. No man can “*hunger and thirst after righteousness*” unless God has put the desire in him. This righteousness is the righteousness of Jesus.

In 1 John 5:4–5, we find these verses: “*This is the victory that has overcome the world; our faith. Who is he who overcomes the world, but he who believes that Jesus is the Son of God?*” Righteousness is more than paying our way. We hear someone say, “Oh, I never do anything wrong to anybody. I always pay my way.” This is simply life in the flesh, but there is a higher “*law of the Spirit of life in Christ Jesus*” (Rom. 8:2). I must see that Jesus is my perfect righteousness. He came by the power of God:

*For what the law could not do in that it was weak through the flesh, God did by sending His own Son in the likeness of sinful flesh, on account of sin: He condemned sin in the flesh.*  
(Rom. 8:3)

But the divine touches of heaven never leave you stationary but rather increase your thirst and appetite for greater things. Something within makes you press on until you are empty of everything else so that you may be filled with what God is pressing in. This righteousness is a walk with God and a divine inheritance. It is seeking the face of Jesus until you cannot be satisfied without drinking of His Spirit and being overflowed continually with His blessings. I cannot be satisfied without Christ’s righteousness. He gives us thirst for the immensity of God’s power. It is a divine problem that is solved in only one way: having Him.

*Thought for today:* Having Him, we have all things.

# Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

# BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

12 “Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. 13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

### **2 Cor 10:4-5**

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not

love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

### **Peter 3:13-17**

13 And who is he who will harm you if you become followers of what is good? 14 But even if you should suffer for righteousness' sake, you are blessed. "And do not be afraid of their threats, nor be troubled." 15 But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; 16 having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. 17 For it is better, if it is the will of God, to suffer for doing good than for doing evil.

## Tribulation-Now Business Cards

Here are images of the Tribulation-Now Business Cards for witnessing to people. These cards are very easy to duplicate using Microsoft Publisher or by leveraging the included templates at Vista Print ([www.vistaprint.com](http://www.vistaprint.com)) as I did. If you create your own cards you can customize them with any text you wish, which can add to the message you are trying to convey to the lost.

Here is the Back Side of the cards.

## **GODLY WARNING PLEASE DISCERN**

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

### **We All See Through the Mirror Dimly**

**1 Cor 13:12**

*For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.*

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

**Deut 18:22**

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST  
by David Wilkerson  
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO  
GOD'S PROPHECIES  
OR FACE RUIN /  
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

VATICAN CITY (AP) — The Vatican officially recognized the state of Palestine in a new treaty finalized Wednesday, immediately sparking Israeli ire and accusations that the move hurt peace prospects.

The treaty, which concerns the activities of the Catholic Church in Palestinian territory, makes clear that the Holy See has switched its diplomatic recognition from the Palestine Liberation Organization to the state of Palestine.

The Vatican had welcomed the decision by the U.N. General Assembly in 2012 to recognize a Palestinian state. But the treaty is the first legal document negotiated between the Holy See and the Palestinian state and constitutes official diplomatic recognition.

The Vatican has become the latest country to recognize the state of Palestine, after a new treaty was finalized on Wednesday. Unsurprisingly Israel has hit out at the move, saying that it damages prospects for peace in the region.

The treaty, which was agreed, though has yet to be formally signed states the Vatican has switched its diplomatic allegiance from the Palestinian Liberation Organization to the state of Palestine. It was finalized days before the Palestinian President Mahmoud Abbas is due to visit Pope Francis.

Abbas is traveling to the Vatican to attend the canonization of four new saints by the Pope, two of which are Palestinian nuns. The move to grant them sainthood has been described as a "sign of hope" for the region by the Latin patriarch of Jerusalem, Fouad Twal, Vatican Insider reports.

The Vatican has been unofficially referring to the state of Palestine for over a year. Pope Francis visited Israel last year and the Vatican's official program referred to Abbas as the president of the state of Palestine. During his visit to the Holy Land, he called for peace from both sides.

A spokesman for the Vatican, the Reverend Federico Lombardi confirmed the news saying: "Yes, it's a recognition that the state exists," AP reports.

The decision has brought condemnation from Israel, with the country's foreign ministry saying it was "disappointed" at the move.

"This move does not promote the peace process and distances the Palestinian leadership from returning to direct and bilateral negotiations," the ministry said in a text message, AP reported. "Israel will study the agreement and will consider its steps accordingly."

As I waited before the Lord to receive this word, I felt what He was about to speak was one He wanted very urgently for us to hear and heed.

*Model My ways in the earth, My children, for plans are made by children of the Evil One that you know not of, and the results shall be terrible to see.*

*Many lives will be lost in the disasters they now plan, and many more forever changed. If you will walk in My ways, many of those souls may be saved, and your reward here in heaven increases.*

*Stay close to Me, My children, for none are prepared for the horrors to come. I will shelter you, I will walk with you – you never walk alone. I love you, My children, with an everlasting love.*

John 13:35: By this shall all men know that ye are my disciples, if ye have love one to another.

# The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

## **House 12 President: ?**

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

*[Note: Could this be the Puerto Rico Comet event?]*

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

*[Note: This is the Sixth Seal Rev 6:12-17]*

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

*[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]*

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

*[Note: This is Obama, the Antichrist]*

Then the dream ended.

# PASTOR TD HALE DREAMS

## The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

**Please Note:** It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

## Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

# THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

Revelation 6:14  
;and every mountain and island was moved  
out of its place.

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

# Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

Yes praise God I've been through this myself.

First: Personal time.

Try going for a walk with him in a park when it's not too busy. Pick a flower and look at it closely. Show him how utterly amazing it is. And tell him our amazing Father in Heaven and our friend Jesus created all these amazing things for us because they love us. Show him how real this is to you. When he sees your love, he will want it too. It will become much more real to him.

This should be a continuous process

Second : The church (the village)

It's said that it takes a village to raise a child. The church (community) can potentially be helpful. Instead of viewing the church as being inadequate, look at the church as a place that you might be able to "blend into" to help, through love and understanding, a few people that need your perspective. In each gathering there are often many who "know stuff" and have nobody to turn too. This becomes a harvest ground for spiritual preparation. BUT you must always be at peace with love and grace and a happy tone of voice as you gently share how exciting the apocalyptic times are. If I knew this 4 years ago when I was going, I could have helped a lot more people. The wisdom is when on feeds a baby he doesn't jam a steak down his throat. He talks in sweet loving tones and gives little tastes of yummy stuff.

And as a bonus you gain a village for your new "son" where through your "flower stories" he too can help change the lives of other kids.

This can become an opportunity to help others. God knows they need out help. The trick is love, Humility, patience and a contrite heart.

And if all hell breaks loose in the mean time you very well may become the person everyone runs too.

I hope this is helpful  
God bless you

## SUICIDES ON RISE AS DEMONIC BEINGS STALK LAKOTA RESERVATION

The residents of South Dakota's Pine Ridge Reservation are no strangers to teen suicide. The suicide rate in this impoverished community is 150 times the national average. Ninety-seven percent of the population lives below the national poverty line. Infant mortality is 300 times the national average. And yet, the recent rash of teen suicides goes well beyond the already horrific norm.

Over 200 teenagers committed, or tried to commit suicide between December and March this winter. The remaining young people – those who attempted suicide or were close friends of the dead – say there's been an increase in spirit activity on the reservation. Residents call the spirits "shadow people."

Ron Hutchcraft of Ron Hutchcraft Ministries says "shadow people" are convincing the reservation's young people they are worth nothing and that these demonic beings are responsible for the spike in suicides. The U.S. Public Health Service is sending counselors to talk to survivors.

## STUDY: AMERICANS BECOMING LESS CHRISTIAN, MORE SECULAR

BY RACHEL ZOLL  
AP RELIGION WRITER

NEW YORK (AP) -- The number of Americans who don't affiliate with a particular religion has grown to 56 million in recent years, making the faith group researchers call "nones" the second-largest in total numbers behind evangelicals, according to a Pew Research Center study released Tuesday.

Christianity is still the dominant faith by far in the U.S.; 7 in 10 Americans identify with the tradition. However, the ranks of Christians have declined as the segment of people with no religion has grown, the survey says.

Between 2007 and 2014, when Pew conducted two major surveys of U.S. religious life, Americans who described themselves as atheist, agnostic or of no particular faith grew from 16 percent to nearly 23 percent. At the same time, Christians dropped from about 78 percent to just under 71 percent of the population. Protestants now comprise 46.5 percent of what was once a predominantly Protestant country.

Researchers have long debated whether people with no religion should be defined as secular since the category includes those who believe in God or consider themselves "spiritual." But the new Pew study found increasing signs of secularism.

# Real-life Star Trek 'replicator' prepares meal in 30 seconds

 REUTERS May 5, 2015 12:09 PM

Email to friends

It's a revolution in food technology that could deliver your food fantasy to your plate in less than a minute.

The Genie, similar in size and appearance to a coffee maker, can produce an unlimited variety of meals using pods, that contain natural dehydrated ingredients. So whether salty or sweet, an appetizer or a dessert, the device can create the food you crave in 30 seconds.

Developed by Israeli entrepreneurs Ayelet Carasso and Doron Marco from White Innovation company, the device uses a mobile app to operate.

"The dish can be anything, it can be a meal like chicken with rice, like couscous with vegetable or an amazing Ramen or even a chocolate soufflé or any other desert that you want," Carasso explains.

"We're using only natural ingredients, we're not using any preservatives or anything that people add to their meals," she added.

Meals are prepared in 140 gram portions in recyclable container.

At the push of a button on Genie's mobile application, the device begins mixing, shaking and adding any required liquids from tubes attached to the back of the compact machine which bakes or cooks the desired dish at the appropriate temperature.

The all-natural ingredients in the pods are freeze-dried and have a shelf-life of between one and two years.

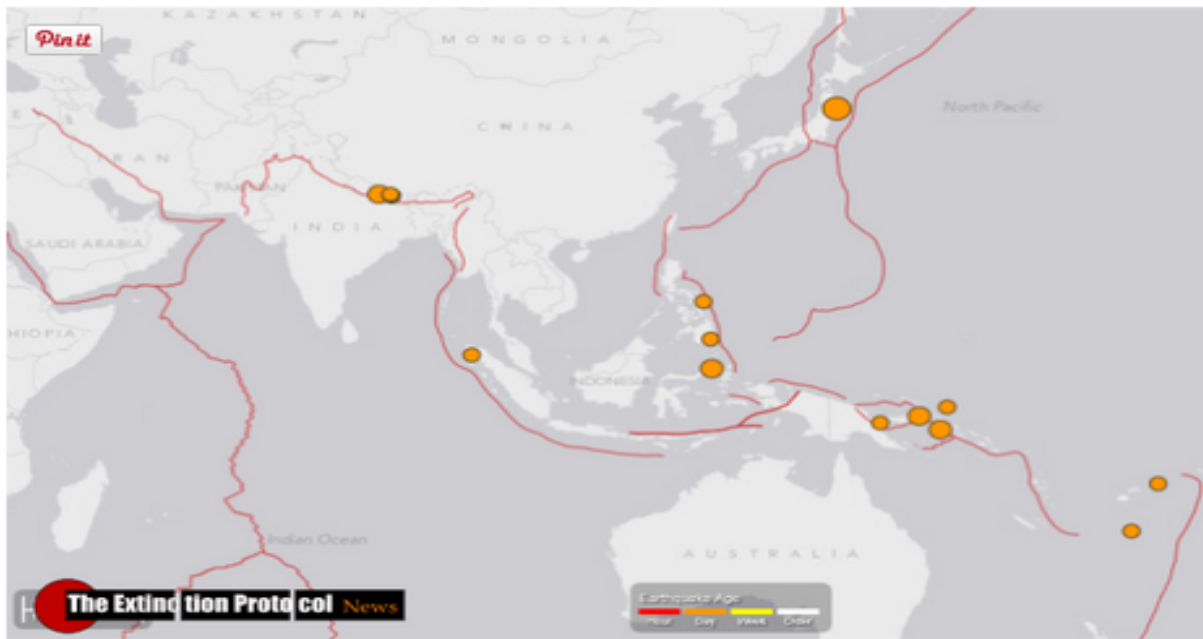

Carasso and Marco conceived of the patent-registered device and pods, when they struggled to find restaurants that delivered to their office during a late night working session.

## Planet reeling from a series of earthquake strikes – may be indicator more quakes are on the horizon

Posted on [May 13, 2015](#)

**May 2015 – GEOLOGY** – As the above map indicates, seismic stress factors appear to be building along the Alpid Belt and across the ever-volatile Pacific Ring of Fire. 97% of the earthquakes on the planet occur in these two densely-populous regions. The occurrence of large earthquake events could continue, as tectonic plates across the globe readjust to the recent flurry of seismic unrest. People living in the regions of Mexico and Central America should also remain alert for the outbreak of moderate to large-scale seismic events that could come on the heels of these recent events. –TEP

**Earth's magnetic field weakening 10 times faster than thought:** Earth's magnetic field, which protects the planet from huge blasts of deadly solar radiation, has been weakening over the past six months, according to data collected by a European Space Agency (ESA) satellite array called Swarm. The scientists who conducted the study are still unsure why the magnetic field is weakening, but one likely reason is that

Earth's magnetic poles are getting ready to flip, said Rune Floberghagen, the ESA's Swarm mission manager. In fact, the data suggest magnetic north is moving toward Siberia. While changes in magnetic field strength are part of this normal flipping cycle, data from Swarm have shown the field is starting to weaken faster than in the past. Previously, researchers estimated the field was weakening about 5 percent per century, but the new data revealed the field is actually weakening at 5 percent per decade, or 10 times faster than thought. As such, rather than the full flip occurring in about

2,000 years, as was predicted, the new data suggest it could happen sooner. Floberghagen hopes that more data from Swarm will shed light on why the field is weakening faster now. –[Live Science](#) Filed July 8, 2014

GRANBURY —The dramatic scene unfolding in front of the Brookshire's supermarket in Granbury on Sunday is evidence of the power of water.

A large chunk of the parking lot along Morgan Street was washed away by flooding, leaving a deep, gaping hole in the pavement estimated at 40 feet

across.

By Sunday afternoon, the Granbury City Council convened an emergency meeting at the site of the sinkhole/landslide to discuss the damage here and elsewhere.

Council member Rose Myers showed up with pizza for workers who had been at the scene through the night.

# Drug-resistant 'superbug' strain of typh worldwide

LONDON | BY KATE KELLAND

A boy infected by typhoid from polluted water, lies at a hospital in al-Qouniya village in Idlib countryside, May 27, 2013. REUTERS/MUZAFFAR SALMAN

An antibiotic-resistant "superbug" strain of typhoid fever has spread globally, driven by a single family of the bacteria, called H58, according to the findings of a large international study.

The research, involving some 74 scientists in almost two dozen countries, is one of the most comprehensive sets of genetic data on a human infectious agent and paints a worrying scene of an "ever-increasing public health threat", they said.

Typhoid is contracted by drinking or eating contaminated matter and symptoms include nausea, fever, abdominal pain and pink spots on the chest. Untreated, the disease can lead to complications in the gut and head, which may prove fatal in up to 20 percent of patients.

Vaccines are available -- although, due to limited cost effectiveness, not widely used in poorer countries -- and regular strains of the infection can be treated with antibiotic drugs. However, this study found that the H58 "superbug" version, which is resistant to multiple types of antibiotics, is now becoming dominant.

# THE GREATEST WATER CRISIS IN THE HISTORY OF THE UNITED STATES

What are we going to do once all the water is gone?

Image Credits: zionfiction, flickr.

by **MICHAEL SNYDER** | **ECONOMIC COLLAPSE** | MAY 13, 2015

What are we going to do once all the water is gone?

Thanks to the worst drought in more than 1,000 years, the western third of the country is facing the greatest water crisis that the United States has ever seen. Lake Mead is now the lowest that it has ever been since the Hoover Dam was finished in the 1930s, mandatory water restrictions have already been implemented in the [state of California](#), and there are already widespread reports of people stealing water in some of the worst hit areas. But this is just the beginning. Right now, in a desperate attempt to maintain somewhat "normal" levels of activity, water is being pumped out of the ground in the western half of the nation at an absolutely staggering pace. Once that irreplaceable groundwater is gone, that is when the real crisis will begin. If this multi-year drought stretches on and becomes the "megadrought" that a lot of scientists are now warning about, life as we know it in much of the country is going to be fundamentally transformed and millions of Americans may be forced to [find somewhere else to live](#).

Simply put, this is not a normal drought. What the western half of the nation is experiencing right now is highly unusual. In fact, scientists tell us that California has not seen anything quite like this in at least 1,200 years...

Analyzing tree rings that date back to 800 A.D. — a time when Vikings were marauding Europe and the Chinese were inventing gunpowder — there is no three-year period when California's rainfall has been as low and its temperatures as hot as they have been from 2012 to 2014, the researchers found.

# FEDERAL BILL WOULD REQUIRE ALL PUBLIC SCHOOL STUDENTS BE VACCINATED

“Vaccinate All Children Act” does not contain exemptions for reasons of conscience or religion

by ADAN SALAZAR | INFOWARS.COM | MAY 13, 2015

**A bill introduced at the federal level earlier this month would require all children attending public and secondary schools nationwide to be immunized as prescribed by the CDC.**

H.R. 2232, the “Vaccinate All Children Act of 2015,” introduced on May 1 by Florida democrat Frederica S. Wilson, would withhold federal health service grants to states unless they demonstrate school immunization requirements “to the Secretary’s satisfaction.”

The bill currently “requires each student enrolled in one of the State’s public elementary schools or public secondary schools to be vaccinated in accordance with the recommendations of the Advisory Committee on Immunization Practices,” a CDC panel of 15 “experts.”

Congresswoman Wilson said vaccines have a proven track record of being safe and effective.

“As a former elementary school principal, I know the importance of childhood vaccinations. Research has shown that vaccinations are effective; they keep children healthy, save lives, and protect future generations of Americans,” Wilson stated in February.

“The health and safety of children must be our top priority,” Wilson said in a press release accompanying the introduction of her bill.

(NaturalNews) You might be aware that it is illegal to collect rainwater on your own property in some states, but did you know that doing so could actually land you in jail? That is exactly what is happening to Gary Harrington of Eagle Point, Oregon. He is now facing a 30-day jail sentence and fines of more than \$1,500.

His crime? Harrington has been collecting rainwater in three reservoirs on his property, and the government doesn't like it. In Oregon, all water is considered property of the state whether it flows from the tap or falls from the sky.

Collecting, storing and using rainwater is permitted if you obtain a permit from the state, but Harrington's permits were revoked. The reasons why are not clear.

Harrington has been wrangling with Oregon's Water Resources Department for more than ten years. In 2002, the state informed him that they had received "complaints" regarding three reservoirs located on his property. The reservoirs were used to collect and store rainwater and snow melt. One of the reservoirs has been on the property for nearly four decades.

When Harrington received notice from the Water Resources Department, he applied for the appropriate permits required to house storm and snow water runoff. In 2003, the permits were granted, but the state later reversed the decision.

## TOP SENATOR: DOMESTIC SURVEILLANCE NEEDS TO BE RAMPED UP

BY DEB RIECHMANN  
ASSOCIATED PRESS

WASHINGTON (AP) -- The chairman of the Senate Foreign Relations Committee says he is shocked at how little information the National Security Agency is collecting through American phone records. He says the American public should be less worried about privacy and should back increased collection as a means of foiling terrorist attacks.

Republican Sen. Bob Corker of Tennessee said Wednesday that "it's beyond belief how little data is a part of the program."

House leaders have reached a bipartisan compromise on a bill that seeks to codify President Barack Obama's proposal to end the NSA's collection of domestic calling records, but it would allow the agency to request certain phone records under a court order.

Senate leaders have introduced a bill that would allow the NSA to continue collecting phone records.

**The White House has refused to release information about a secret policy that permits the Department of Homeland Security to unilaterally shut down private cellphone service in the event of a national crisis.**

Enacted almost ten years ago without public notice or debate, Standard Operating Procedure (SOP) 303, often referred to as the cellphone kill switch, has been shrouded in secrecy from its inception and has been targeted by civil liberties groups looking to make the policy public.

"We have no clue what's in it or what it's about," Harold Feld, the senior vice president of Public Knowledge, a public interest advocacy group, told Al Jazeera America.

In 2012, the Electronic Privacy Information Center (EPIC) filed suit in federal court seeking disclosure of information about SOP 303's basic guidelines and policy procedures.

After a lower court ordered the policy be made public, the DOH successfully argued on appeal that releasing any information about SOP 303 would risk public safety. Last month, however, EPIC's petition for a rehearing of that appellate court decision was allowed to proceed.

Does the Ford Super Duty not look enough like a superhero for you?

California boutique automaker [US Specialty Vehicles](#) (USSV) is now selling a military-look truck called the [Rhino GX](#). The much-more-than-full-size SUV is built on a Ford F-450 chassis and features an up-armored style that might cause an MRAP to give it the right of way.

The United States Air Force's X-37B space plane will launch on its fourth mystery mission next month.

The unmanned [X-37B space plane](#), which looks like a miniature version of NASA's now-retired space shuttle orbiter, is scheduled to blast off atop a United Launch Alliance Atlas V rocket from Florida's Cape Canaveral Air Force Station on May 20.

"We are excited about our fourth X-37B mission," Randy Walden, director of the Air Force Rapid Capabilities Office, said in a statement. "With the demonstrated success of the first three missions, we're able to shift our focus from initial checkouts of the vehicle to testing of experimental payloads." # You Tube “Rapture Mighty Vision / Dream”

This dream began as two very large volcanoes erupted. (A photo is show of the global seismic indicators pegged with event data). While the first was erupting many did nothing. But when the second spewed fire and ash, the world’s attention turned to it. In all, at least six volcanoes erupted within a very close time.

I heard the Emergency Broadcast System throughout the neighborhood and went in to watch. Fires were started throughout the U.S. The main body of which was caused by an unexpected meteor. The shuttle was forced to land because of the meteor showers. When the burning objects hit the ground, they started oil, coal and gas fires from Texas to Virginia. (...)

Events that I saw, but am not sure of their order. Earthquake affecting the East Coast of the United States. Large amounts of water affecting the East Coast. Power outage in scattered parts of the U.S. Starvation within the U.S. (...)

This was the most amazing part of the dream and there is no way to describe the changes with the people that were gathering into groups. They were all so beautiful but nothing I could describe. They looked like pure perfection and were no longer bound by any force on earth. I, myself, could go anywhere instantly. (...)

But I remember being attracted to a large blue object sitting above the earth. I felt so incredibly drawn to this object, a huge object. (...)

I could hear in my head, someone telling me to “Look away from the earth”.

# North Korea executes defense chief with an anti-aircraft gun: South Korea agency

SEOUL | BY JU-MIN PARK AND JAMES PEARSON

North Korea executed its defense chief by putting him in front of an anti-aircraft gun at a firing range, Seoul's National Intelligence Service told lawmakers, which would be the latest in a series of high-level purges since Kim Jong Un took charge.

Hyon Yong Chol, who headed the isolated nuclear-capable country's military, was charged with treason, including disobeying Kim and falling asleep during an event at which North Korea's young leader was present, according to South Korean lawmakers briefed in a closed-door meeting with the spy agency on Wednesday.

His execution was watched by hundreds of people, according to NIS intelligence shared with lawmakers.

It was not clear how the NIS obtained the information and it is not possible to independently verify such reports from within secretive North Korea.

They are ready. Are you?

The government powers that be are preparing for continuity under any conditions.

The potential for an electromagnetic pulse (EMP) event that could wipe out the electric grid, and with it, the society that is dependent upon it is considered by security experts to be inevitable and perhaps likely in the short term.

An EMP can be caused by a solar flare or by a rogue nation using a single nuclear bomb, and it could happen at virtually any time. This makes the threat strong enough for Congress and Homeland Security officials to acknowledge and plan for – while acknowledging that the general public are completely vulnerable:

"The grid is utterly unprotected from an EMP attack. It's not adequately protected from cyber or physical sabotage," Pry told FOX. "It's why North Korea and Iran want the bomb, have the bomb. North Korea has actually practiced this against the United States." ([source](#))

Now, the military is making preparations to spend more than \$1 billion to move vital equipment and personnel back to the Cheyenne Mountain bunker-fortress. Essential to Cold War contingencies and operations, today, the facility offers a place for continuity of government (COG) to take hold in case of the worst.

But the last one was the biggest and it created a huge mushroom cloud over the Midwest part of America. Then the ground shook and everything just went black. **There wasn't any electric light coming out of any homes.** Then candles began to be lit and fires, and a **little light was seen.** There were other nuclear explosions, and many people perished throughout the nation. Finland has fired warning shots at a suspected foreign submarine off the coast of Helsinki in the early hours of Tuesday morning, amid growing military tensions with neighbouring Russia.

Carl Haglund, Finland's defence minister, did not say whether Russia was involved, but the incident was reminiscent of a Swedish hunt for a foreign submarine in its waters last October that many thought to be Russian.

### An unknown submarine was captured on camera, sailing off the coast of Finland, local media reported Monday.

The picture was taken by a fisherman on board a Finnish trawler in international waters southwest of the capital Helsinki. The fisherman, who asked not to be named, said the sub was 800 meters away and heading east.

*"Submarines use certain types of signals when they are surfaced and, moving closer, we could clearly see its silhouette," he added.*

Meanwhile, Finnish Coast Guard officials said the snapshot gave no reason for worry. "Submarines are built at St. Petersburg shipyards and are often tested off Gotland Island in the Baltic, Finnish Coast Guard Commander Ismo Siikaluma told Yle.

### Jesus on the Police Force, A Testimony of Power in the Squad Car w Officer "D"

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 8). Tonight we are changing the pace and hearing the testimony of sister Nancy about a miraculous moment of blessing through her ministry and bringing on our brother in Christ, Sheriff "D". Officer D was stationed in perilous war duties on the front line in the Middle East and through a series of amazing "coincidences" ended up in the Sheriff's department of a police force that KNOWS about the New Word Order, loves Jesus and uses the power of the Holy Spirit to change lives while they work.

God Bless You - See you there!

## SPECIAL FORCES TRAIN WITH COPS FOR HOUSE TO HOUSE RAIDS

South Carolina residents warned they may encounter military vehicles

by PAUL JOSEPH WATSON | MAY 13, 2015

Special Forces out of Fort Bragg are training with SWAT officers in Richland County, South Carolina this week for house to house raids, another unnerving sign of the militarization of domestic law enforcement.

BREAKING: Special Forces Drill with Local SWAT for Domestic Raids

The late night and pre-dawn exercises, which will involve the 3rd Special Forces Group out of Fort Bragg, North Carolina, have been running since May 8 and will conclude on Friday.

Previous exercises conducted by the 3rd Special Forces Group, seen in the video above, show troops conducting house to house raids and arresting individuals at gunpoint.

Residents in Lower Richland County have been warned that they may encounter military vehicles and "hear ordinance being set off or shots being fired."

According to Sheriff Leon Lott, "Deputies will provide simulated scenarios for the military," while Richmond County will provide, "an ideal location for training that cannot be replicated at Fort Bragg."

During a similar drill last year, journalists were barred from reporting on the exercise.

Concerns over drills such as this have heightened since the announcement of Jade Helm, a nationwide military exercise set to begin in July during which troops will operate undercover amongst local populations.

# Fusion center

---

From Wikipedia, the free encyclopedia

A **fusion center** is an information sharing center, many of which were jointly created between 2003 and 2007 under the U.S. Department of Homeland Security and the Office of Justice Programs in the U.S. Department of Justice.

They are designed to promote information sharing at the federal level between agencies such as the Central Intelligence Agency (CIA), Federal Bureau of Investigation (FBI), U.S. Department of Justice, U.S. military, and state- and local-level government. As of July 2009, the U.S. Department of Homeland Security recognized at least 72 fusion centers. Fusion centers may also be affiliated with an [Emergency Operations Center](#) that responds in the event of a disaster.

The fusion process is an overarching method of managing the flow of information and intelligence across levels and sectors of government to integrate information for analysis.<sup>[1]</sup> That is, the process relies on the active involvement of state, local, tribal, and federal law enforcement agencies—and sometimes on non-law enforcement agencies (e.g., private sector)—to provide the input of raw information for intelligence analysis. As the array of diverse information sources increases, there will be more accurate and robust analysis that can be disseminated as intelligence.

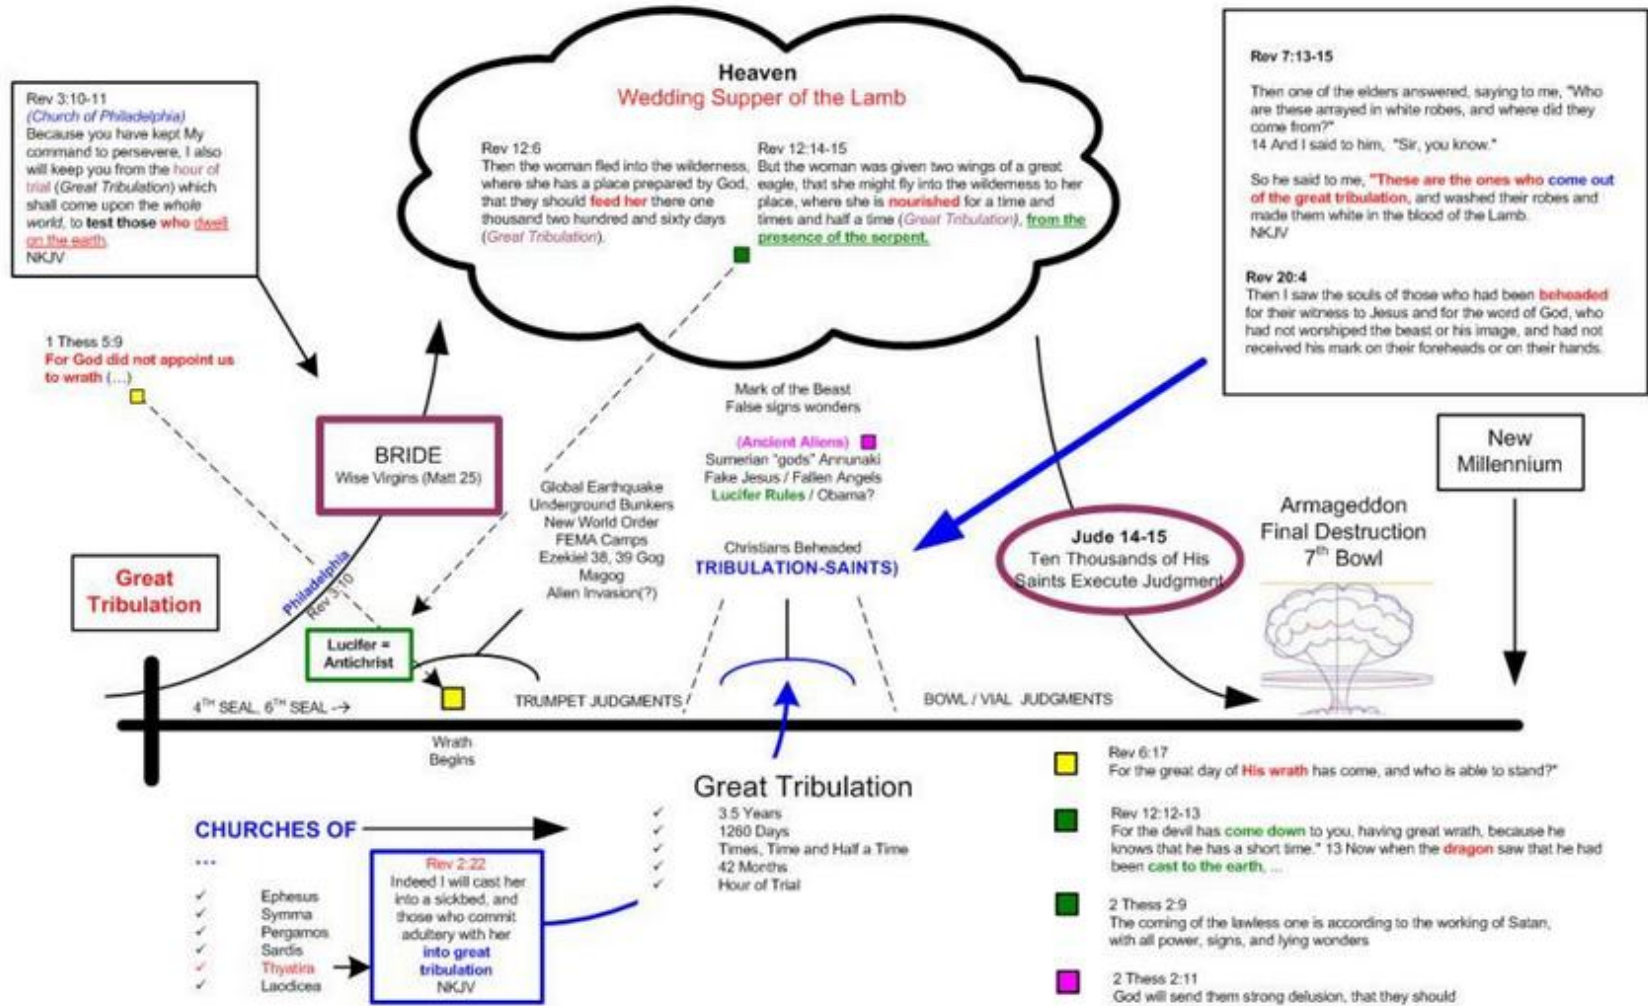

A two-year senate investigation found that "the fusion centers often produced irrelevant, useless or inappropriate intelligence reporting to DHS, and many produced no intelligence reporting whatsoever."<sup>[2][3]</sup> The report also said that in some cases the fusion centers violated civil liberties or privacy.<sup>[4]</sup>
