"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.
Amen.

Sir Francis Drake
(1540 - 1596)

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped

about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

OPENING QUOTES

SMITH WIGGLESWORTH

Receive the Holy Spirit

That the blessing of Abraham might come upon the Gentiles in Christ Jesus.

—Galatians 3:14

Scripture reading: John 16:7–22

When we have the right attitude, faith becomes remarkably active. But it can never be remarkably active in a dead life. When sin is out, when the body is clean, and when the life is made right, then the Holy Spirit comes, and faith brings the evidence.

Why should we tarry, or wait, for the Holy Spirit? Why should we wrestle and pray with a living faith to be made ready? Because we need the Holy Spirit to convict the world of sin, righteousness, and judgment—that is why the Holy Spirit is to come into your body. First of all, your sin is gone, and you can see clearly to speak to others. But Jesus does not want you to point out the speck in somebody else's eye while the plank is in your own. (See Matthew 7:3–5.)

The place of being filled with the Holy Spirit is the only place of operation where the believer binds the power of Satan. Satan thinks that he has a right, and he will have a short time to exhibit that right as the Prince of the World; but he can't be Prince as long as there is one person filled with the Holy Spirit. That is why the church will go before the Tribulation.

Now, how dare you resist coming into the place of being filled with the life and power of the Holy Spirit? What is the attitude of your life? Are you thirsty? Are you longing? Are you willing to pay the price? Are you willing to forfeit in order to have? Are you willing to allow yourself to die so that He may live? Are you willing for Him to have the right-of-way in your heart, your conscience, and all you are? Are you ready to have God's deluge of blessing upon your soul? Are you ready to be changed forever, to receive the Holy Spirit, to be filled with divine power forever?

Thought for today: There are two sides to the baptism of the Holy Spirit: the first condition is that you possess the baptism; the second is that the baptism possesses you.

Wisdom from Oswald Chambers

The remarkable thing about fearing God is that when you fear God you fear nothing else, whereas if you do not fear God you fear everything else. “Blessed is every one that feareth the Lord” The Highest Good—The Pilgrim’s Song Book, 537

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

INTRO CHAT

COMBAT IN THE HEAVENLY REALM

Then he shared how he lead expositions into the air. He would go with other satanic agents and lots of demon spirits into the air. It was like a shift, you've got to go and work your shift. So regularly he had a time he had to go and wage war in the heavenlies. And he said that in the heavenlies, in the spiritual realm, if the land is covered under the blanket of darkness, that blanket is so thick, it is like a rock. And it covers the whole area. And these spirits are able to go on top of this as well as below this blanket. And from that level, they influence the events on earth.

When the evil spirits and human satanic agents leave their shifts, they go down on earth at the points of covenant, even waters or on the land at the points of covenant for refreshing of their spirit. And how do they refresh their spirit? By the sacrifices that people give at these altars. They could be sacrifices in open witchcraft, sacrifices in bloodshed of all types including abortion, including warfare and human sacrifices and animal sacrifices. They could be sacrifices of sexual immorality where people go into sexual perversions and all kinds of promiscuity. And that act services the strength of these powers. And many are the different types of sacrifices.

He said that when satanic agents are up in the heavenly realm, and the Christians begin to pray on earth, the prayers of the Christians appear to them in three forms. All prayers appear like smoke that is rising up into the heavens.

Three Types of Prayers

Some prayers appear like smoke, and it goes drifting along and disappear in the air. These prayers come from people who have sin in their lives and they are not willing to deal with it. Their prayers are so weak, they are blown away and disappear in the air. The other type of prayer is also like smoke that rises up until it reaches this rock, but it does not break through the rock. These are usually people who try to purify themselves, but they lack the faith in what they are doing as they pray. They usually ignore the other important aspects that are needed when someone prays.

THE FIRE VORTEX

The third type of prayer is like smoke that is filled with fire. As it rises up, it is so hot that when it reaches the rock, the rock begins to melt like wax. It pierces the rock and goes through.

Many times, as people begin to pray, their prayers look like the first type, but as they continue praying, their prayers change and become like the second prayer. And as they continue praying, suddenly it ignites into fire. And their prayers become so powerful, they pierce through the rock.

DISTRACTIONS TO PUT OUT THE FIRE

Many times evil agents would notice that prayers were changing and coming very close to the state of fire, then these agents would communicate to other spirits on earth and they tell them, "*Distract that person from prayer. Stop them praying. Pull them out.*"

Many times Christians yield to these distractions. They are pressing through, they are repenting, they are allowing the Word to check their spirit up, Faith has been building up. Their prayers are becoming more focused. Then the devil sees their prayers are gaining strength and the distractions begin. Telephones ring. Sometimes we, in the middle of very, very intense prayer, the telephone rings and you think you can go to answer the phone and then come back and continue praying. When you come back, you go back to the beginning. And that's what the devil wants.

Other kinds of distractions come your way, even if it means touching your body and bringing some pain somewhere. Even if it means making you hungry and you want to go

to the kitchen and fix something to eat. As long as they can get you out of that place, they have defeated you. And he will say to the pastors, "Teach people. Set aside some time. Not for just some casual kind of praying. They can do that the rest of the day. Once in a day, they should have a time when they are focusing wholeheartedly on God, nothing distracting them.

THE FIRE VORTEX STAYS WITH YOU

And if people persist in this kind of prayer and allow themselves to be inspired in the spirit and keep going and keep going, something happens in the spirit. The fire touches that rock, and it melts. And this man said, when the melting begins, it is so hot, no demon spirit can stand it. No human spirit can stand it. They all flee. They all run away.

There comes an opening in the spiritual realm. And as soon as this comes, all this trouble in prayer stops. The person who is praying on the ground just feels like prayer is suddenly so smooth, so enjoyable, so powerful and intense. And I've discovered at that moment, we normally lose conscience of time and other things. Not that we become disorderly. God takes care of our time. But it is like you lay down everything, and you hook up with God. And this man said that when the prayers go through, from that moment there can be no resistance at all, and the person praying will continue as long as he wants. There is no resistance that can stop him.

And then he said, after he finishes praying, the hole remains open, and he said that people, when they rise out of their place of prayer, and they walk out, this open hole moves along with them. They are no longer operating under the blanket. They are operating under open heavens. And he said in that state, the devil cannot do what he wants against them. And the presence of the Lord is like a pillar from heaven resting on their lives. They are protected, and there is so much power inside that pillar that as they move around, that presence touches other people. It discerns what the enemy has done in other people. And as they talk to people and those people are standing with them, they come inside this pillar. And as long as they stay inside that pillar, all the bondages of the enemy weaken.

So when these people who have this spiritual break-through share Jesus Christ with the sinners, their resistance is low. It is so easy to bring them through. When they pray for the sick or pray about things, the presence which is there makes all the difference. And this man said the devil hates such people. And it said if there are places where prayer is regularly being prayed through like that, the presence comes upon that place and does not leave. So even the people who don't know God, when they come into this place suddenly all the bondages are weakened.

And if someone cared to just minister to them patiently and with love, they can easily be pulled through, not by power nor by might but by the Spirit of God, who is present. And he said, if no one bothers about these people, they come into his presence, they feel convicted, they begin to debate whether to yield or not, but if they are not pulled through, when they walk away from this place, bondages get stronger. And the devil tries his best not to allow them to come back into such an environment.

You can imagine we were all seated looking at this man. He was telling us the things he used to do and what he used to see. Then he told us what they would do to people who have broken through in prayer. He said they marked such people; they studied such people. They dug up everything they could find about such people. So they knew their weaknesses, and when someone overcomes them in prayer and breaks through, they communicate with other spirits and say, "Target him with this and with this and with this. These are his weaknesses." So when this person walks out of the prayer closet, the spirit of prayer is upon him, the presence is upon him, his spirits are high, the joy of the Lord is his strength. As he moves the enemy tries to bring those things that can distract him from focusing on the Lord.

If his weakness is in the area of temper, then the enemy is going to cause people to do things which can make him really angry. And if he is not sensitive to the Holy Spirit, and he allows himself to go into the temper, he takes his eyes off the Lord. He gets angry, he feels so furious, and after a few minutes later, he wants to put that behind him and move along in the joy of the Lord, but he doesn't feel it anymore. He tries to feel good again; he doesn't feel any good again. Why? As he yielded to the temptation, they worked hard to close the door upstairs. And once they restore the rock, the presence is cut off. The person does not cease being a child of God. But that extra anointing that goes on his life, that presence that could do things without his manipulating anything, it's just cut off. They seek out where the weaknesses are.

If it is in the temptation to sexuality, the enemy will prepare people, events, something that will suddenly draw out that passion to go towards that temptation. And if that man yields to this temptation and opens up his mind to receive these thoughts, entertains them, when he is through with everything and wants to move again in the anointing, he just discovers it is no longer there. Maybe you say, "That's not fair." Just remember what the Bible says, "Put on the helmet of salvation. Put on the breastplate of righteousness." We normally do not see the position, the place of these weapons of warfare. But remember what Jesus told us to pray towards the end of the Lord's prayer, "Take us not into temptation, but deliver us from the evil one."

THE IMPORTANCE OF SPIRITUAL ARMOR

If the one who prays doesn't care about spiritual armory, their angels come without spiritual armor. Christians who don't care about what kind of thoughts come into their minds. They don't fight the battle of their minds. Their angels come without the helmet. Whatever spiritual weapon you ignore on earth, the angel doesn't have it as he serves you. In other words, our spiritual armor is not protecting our physical bodies; it's protecting our spiritual exploits.

This man said, when the angel is coming, they would focus and look at him and notice the areas which are not covered, and those are the areas they would attack. If he has no helmet, they would shoot at his head. If he has no breastplate, they would shoot at his chest. If he has no shoes, they would make a fire that he is walking in the fire. Now I am just repeating what this man said. Actually, we asked him, "Can angels feel fire?" And you know what he said to us? Remember this is a spiritual realm. These are spirits dealing with spirits. The battle is intensive, and when they overpower an angel of God, the first thing they target is the answer he is carrying, and they get that from him, that is what they give through the cults, the witchcraft, and people say, "I got this because of witchcraft."

WHEN THE ANGEL IS DETAINED, YOU ARE A VICTIM

Then this man said that they are not satisfied with just stealing the answer. They are also interested in detaining the angel. And they start fighting him. And he said sometimes they succeed in holding and binding the angel. And he says, when that happens, the Christian is a victim on earth. They can do anything with that Christian because he is totally left without ministry in the Spirit.

Christian responsible did not pray through, he remains a captive. Then the enemy sends his own angel as an angel of light to this person, and that is where the deceptions come in. False visions and false prophecies. False leadership, I mean leading, guidance in the spirit, making wrong decisions of all types. And many times this person is open to all kinds of attack and bondages.

Christians Will Take the Mark In Concentration Camps - David Eells

<http://whygodreallyexists.com/archives/christians-will-take-the-mark-in-concentration-camps-david-eells-prophetic-dream>

NOTE: **Microchip + STAMP**

I was in a mid sized American city. Larger than Pensacola, but smaller than the larger cities, like Chicago. In the city, chaos and panic were taking place. Martial law had been implemented and the streets were flooded with people panicking and UN troops – The UN being the United Nations. I was filled with the Holy Ghost, as I remember it in this dream. In this dream, my life on this earth was soon to be over. I knew it. I believe this dream could be a

glimpse of what my end could be. I believe the Holy Spirit prepares people for things to come.

In this dream I was running from the UN Troops, and I hid in the crevice of this high rise building. It had a small entrance way, nobody could get in there. as you had to be really skinny to get in there. I was being chased by UN troops. These guys were in full combat riot gear and they had a black police style fatigues on. They were wearing black combat boots, black shirts, with white patches on their shoulders which said the UN, they had black bullet proof vests on, riot helmets and they had a fully automatic firearm on one arm, and they were well prepared. They had what appeared to be mini tanks and paddy wagons on the street where they were gathering up people.

They found me, hidden in the crevice of this building, they had a lot of advanced technology, far beyond anything we have known today. They could find you, it didn't matter where you were, or who you were, or how well hidden you might have been.....they could find you. They called me out of the crevice of this building.

After having that dream, I looked into the technology that they have, and they do have a lot of advanced technology, far beyond what we can even comprehend. They found me out, and I came out of the crevice building. I was filled with the Holy Ghost, and was submissive to the authority, that the Lord had placed over me, which was these people. They threw handcuffs on me, and brought me into what appeared to be a paddy wagon. They shipped me off to a large gymnasium. As I entered into this large gymnasium, there was two lines in front of me....real long. At the end of these two lines, were these tables established with two government employees, and at the tables there were ladies.

The people in this line, a lot of these people were from church. Most of them however, were regular folks,you know citizens. A lot of them were from church. As I first entered into the gymnasium, at the very front of the line, I saw them take one person, and take them to this part of the building, to my right, and they took them into the room, where nobody knew where they were taking them. I had my own ideas, but I wasn't for sure.

Everyone else was willing to accept what they were doing, and everyone INCLUDING the brothers and sisters that,.....well that I believed were the brothers and sisters from my church were entering into the other room, and after they entered that room, the whole side of the gymnasium, you could see glass, you can see outside. They were exiting this room, admiring their new microchip implant that had just been injected into their right hand. They were outside the perimeter of this building. Around this building was barbed wire. They were actually able to leave the area and go back into population. After they got their new micro chip identification.

It grieved me, because I saw people from church accepting this thing. I believe that thing was the mark of the beast. The thing is, I didn't feel sorry for those people, because I realized that weren't really my brothers and sisters, that they had made their decision was to choose what I believe was the mark of the beast, and they had chosen death. The bible says if you receive that thing, your going to burn. I didn't have any kind of feelings towards those people. My focus was dead set on the Lord.

When I reached the front of this line, I got ushered to one of the tables, and one of the ladies there, started asking me for all of my information. She asked me for my name, my social security number, my telephone number, my address, and all my information. I gave it to her, I answered each question. I felt like a double portion of grace and mercy, and peace rise up in me. I really felt the fire of God, start to be stirred within me. It was almost as if the closer I came to my flesh being killed, the closer I got to being at peace. I knew where I was going, I knew the Lord ...and I knew the Lord was in me. As far as I was concerned, I was already dead, because Jesus lived in me.

After I got to the table after she asked me all these questions, ...the lady asked me 'Are you ready to receive your new micro chip implant'and I looked at her and was kind of amazed and marveled at her in amazement, at how people could be so diluted, and blind and not know the truth. The bible clearly tells us about these things to come. You would have to be seriously blind or diluted not to know. I said 'excuse me ma'am, I will have nothing

to do with that. I believe in Jesus Christ, and I believe that is the Mark of The Beast, I will have nothing to do with that. She looked at me and said ‘oh, well, you need to put those kind of thoughts to death right now’ And she said ‘read this’, and handed me a piece of paper. She said ‘come back after you read this’. I glanced at the heading and it said 101 reasons why you should receive the new micro chip implant. Listed were all the benefits to this. I guess if you were an average citizen, you would think it was an excellent thing. Stop crime, no missing children anymore...It solved a lot of problems. It seemed like an excellent benefit program. The only thing is, this paper didn’t list all the down sides to it.

So I looked at this paper in horror, and crumpled it up, and felt even more of the fire of God come through me, righteous indignation rise within me. Almost as if fire could shoot out of my eyes, and blow this table in front of me. I felt burned up inside, at this lady, at what she was asking people to do. I crumpled this paper up and threw it on the ground, and I looked at the lady, and said ‘look, lady, I cannot deny that Jesus Christ is Lord of Lords, and

King of Kings, and If I were you I would chop off my right hand and beg for his mercy. The lady looked at me, and just laughed. I guess I amused her. She said to a close by guard....'we got another fruitcake'. Here, take him over there. I was the ONLY one, since I got in that whole line of two major lines in front of me. When I first came in there, there was one person, out of the whole line that went into this room. I was the only one since that person. There might have been anywhere from one hundred to two hundred people that went before me. So there had only been one person, other than me that didn't receive this thing.

They ushered me up to the room where they had a guillotine in there. That kind of surprised me. None of the dreams surprise me, they all sort of happen how I thought they might happen. The thing is I was brought up to believe that we were going to be raptured before all that happens. The Holy Spirit has led me to believe otherwise since then. The guards got me all strapped in and I was looking up, and the guillotine was getting ready to come down on my head, and praise and gratitude and peace flooded my heart, and joy because I knew that my end on earth

was coming, and was soon going to receive my reward for what the Lord had done in my life here on earth. I knew where I was going, and I was sure of it. I started saying 'hallelujah, Lord, I am coming home', right before this thing landed on my head....and then I woke up.

Notice the Similarities between David Eells Dream And Maurice Sklar's Dream

UN Police In America "I saw what looked like riot police. Like you see sometimes coming in, with helmets on. Some of them had light blue hats or helmets, I am not sure. It didn't look American, it looked like it was more of a UN type of, or international type of thing, I don't know. They started entering into homes, and they gave the people a choice. They came in heavily armed, with machine guns. They said, 'either you, come with us, ...we have a place for you' . They dragged people out of their homes and brought them to these, they looked like concentration camps. But they didn't look like the world war II type. They looked like they were made into that from schools, corporate buildings and warehouses. There were a lot of them.

I knew this was happening, not just in America, but this was happening world wide”

UN Police Rounding Up People “The people who refused to go were just shot. And that was awful, I was just shocked. They just shot them and left them in their homes”

Famine, Concentration Camps Warnings “I saw what looked like small.... I am not sure what to call them, they looked like kiosks. It was a small building that was like a prefab type of building. These little kiosks were set up in every little town.....everywhere. People were starving, they had no food, there was looting, and gangs were going about,it was just awful. People were starving. These things were sophisticated and well advertised. ‘Food, water and shelter, just come in here and we will help you’ It was very inviting and a lot of people went’there’s food lets go’. It was a trap, they went in, and it was just like in the bible, it talks about the mark of the beast.

Mark Of The Beast, Concentration Camps “There was this hologram movie kind of....where the

antichrist was three dimensional, it was like he was in front of you, but he wasn't. I have never seen technology quite this advanced. They said 'your going to be alright, we'll take care of you, just bow down on your knees, and receive me' Almost like he's Lord, but he said it in such a way that it didn't seem like a big deal, but it was. They could not touch the person until they got down on their knees. I didn't put that in what I wrote, but when they got down on their knees, then there was this automatic thing that they got stamped. It looked like an electronic tattoo or stamp. I believe in some parts of the world, it was on their forehead, some parts was on their hand. The right hand, but I saw a forehead. And then they went into this room in the back, and they had food and they could eat, they slept, but when they came out, they were like zombies. They had lost their mind, they were in a complete takeover, like "i robot" movie. It was like a taking over of their whole being. They lost their soul. You could tell. Many of them, the ones that were young, the ones that were fit, were immediately brought into the military, this police force, and they were given weapons and they were like zombies,

they went out and joined the police that were rounding everyone up”

Torture, Concentration Camps, Hunting Down Of Christians “Then there was some, that I watched, two or three.....” It was horrifying. There were some that didn’t. They said ‘ no, I can’t do that. I will not take that stamp, I will not bow to you, I will not bow to you....’ Then there was this terrible torture. They were tortured, and yet nothing was happening on the outside, it was the pain centers of their brain. They were screaming. They would scream and scream and finally if they would still not yield, then there was like this light that went on, and then these lasers would just.... it was like a red laser, or orange-red and it shot right through their brain and their heart, and then it sliced their head right off. Right after that, it was like they were just burned. I don’t know if this was just a dream, but it was very very vivid”

The Process Of Killing Is Quick After Not Accepting The Anti-Christ He talks later about those who didn’t bow down, their body was incinerated within seconds. Their bodies would be burned, resulting in a small pile of ashes from these lasers.

He said it happened so fast, and the efficiency was frightening. He remembered back to the holocaust, this was so much quicker and more efficient. He mentioned that this process was one happening globally, not just in America.

The Image Of The Beast, A Holographic Image?
“This man that rose up, the antichrist, I didn’t see him, but I saw this movie thing, it was like he was there. I think that is what it means by “the image of the beast”, because it was an image, but it wasn’t the beast. But, it was still very real”

Provisions For Christians In The End Days “I believe the last outpouring will not happen in a time of prosperity, but great horror. People will cry out to God, and He will bring them to their knees. I saw these big outdoor meetings, where God had risen up these end times prophets and apostles, and there was amazing miracles of food and water. What struck me was there was NO FOOD AND WATER. People were starving. People would get to these refuge placesbig fields, and they would see awesome miracles, healings and creative things. I just knew that millions would be pouring out all over the

world. He was pouring out his Spirit, and harvest and people were crying out, and there was great martyrs and heroic things”

Notice the Similarities between David Eells Dream, Maurice Sklar’s Dream And Ken Peters Dreams

UN Troops As Authority Figures -“Right about at the time that this earthquake hit, very unusual things began happening with the laws. I began to see local municipalities and no longer were the police departments the enforcers of the laws. But military police driving very unusual looking vehicles that I now know are called Humvees. The vehicles I saw were black and were on just about every corner of every main thoroughfare. The back cans were campus and there were men standing in the back of them wearing black uniforms and blue ball caps or blue helmets.”

Cannot Cross State Lines Without Paperwork “One thing that was happening was you could not cross state lines at this time without papers. Current papers were required to cross state lines. That was very strange to me”

Television Sets Monitor People -“As time progressed in the dream, I was given the ability by being in homes that television sets not only broadcast and transmitted programming but they now had the capacity to actually send signals about what you are doing in your living room. I was able to see the television sets were actually watching people in their homes, monitoring their movements, monitoring their conversations. I was shown in the dream that the television did not even need to be on. It just needed to be plugged in.”

Detention Centers For Christians – “In 1983 the Holy Spirit Told me he was allowing the devil to build prisons in the state of California that would eventually become detention centers for Christians. These prisons were being built in rural areas that were normally 15 to 25 miles off of any main highway. I asked him why would that be the case and he said, “So that those people can be taken during the night hours.”

Concentration Camps

They took me to this government building. It was a large building. They took me into a room and there was my wife and this older gentleman that I began to call you evangelist. They had already been captured. These people knew exactly where to take me. That was very astounding to me because I wondered how do they know all of these things about people.

They began to politely interrogate us. They began asking us to be cooperative and to come into agreement with this new government and everything will be fine for you. Well, my wife is one of the boldest Christians I have ever met. She is also one of the kindest and most gentle believers I have ever met. But she will get in the devil's face. She and this older man began to preach to these people that were trying to convince us of this new alignment of this government.

So they took us out of that room and let us in another room. Now there was a lot of mind control interrogation. I could feel my mind being pulled into this new order. I began thinking if we just don't cause any trouble it will be okay. That is how my mind began to function. But the older gentleman and

my wife began to fight this with all of their spiritual strength and they challenged it with scriptures.

It was amazing to me because our capture was almost as though they had planned it out.

When we were being interrogated the mind control was phenomenal. It was not like any human being could do in an interrogation. My mind began to really be slept with anxiety and fear. Because my wife and this older gentleman kept being very bold and in your face with them they took us out of that room and into this very long corridor. In this corridor there were thousands of people lined up. The corridor seemed to be at least 100 yards long. It was probably longer than that. Every five or six minutes the people in this long line would take a step forward.

We had been in this line for a long time when people would barge in through the doors on the sides of the corridor and began to grill people and tell them to renounce their faith. They would never use the name Jesus. They would never use the name Jesus Christ. They would never use the name God. They would

say you should renounce your faith in him while you can still live. They would say your faith is empty. It was a blasphemous challenge that these people were bringing against the people in the line. Every so often, someone in the line would crack. They would just collapse and these people would drag them away. They would renounce their faith in Christ.

It made me very uneasy to be in this line because I was not sure what they were going to do to us. I wondered if they were going to put us in prison or maybe beat us up.

Eventually we made it through a battery of three double doors. After going through the last double doors we were put into a holding cell. There was the old man in the front of the line and then my wife and then myself. They took this older gentleman into the room and closed the doors very quickly. I do not know what happened to him.

About six minutes or so later they opened the doors wide open and what I saw made me experience the emptiest feeling I have ever experienced in my whole life. I saw this man that was very big. He was

tall like a professional basketball player but was very big like a professional football player. He had a big satin hood over his head with eyeholes to see out.

My wife was in front of me and they began telling her she should renounce her faith and live. Now I realized what was happening because this man was standing there with a huge sword. It was a very frightening looking sword. I saw this table that was a little longer than the average human being and a little bit wider. My wife said she was not going to renounce her faith in Jesus. She began to preach to them powerfully. She began to rebuke the devil. They got angry and strapped her down on this table with her face up. This man was standing behind her with this sword. So he took the sword and chopped her head right off, right in my presence, I saw it.

Former President Barack Obama will re-emerge on the national scene this fall, though Democrats expect him to do so with caution.

One side describes the beginning of a "delicate dance" that aims to put Obama in the Democratic fray but prevents him from remaining the face of the party.

Aides will huddle with Obama in the coming weeks to plot out what shape the former president's fall schedule will take. Advisers close to him say that while he will play an active role in helping his party rebuild, much of his work will be behind the scenes.

He is likely to take on fundraising, for example, something he has done for the Democratic National Committee (DNC) and the National Democratic Redistricting Committee since leaving office.

In recent months, Obama has played a larger behind-the-scenes role than was publicly known.

North Korea Says Army Is "On Standby Waiting For An Order Of Attack"

Global markets are closed for the weekend, so we will need to wait until tomorrow evening to see how investors react to the latest back-and-forth between the North Korean government and President Donald Trump. In North Korea's latest salvo in its war of words, a state-run newspaper declared in an editorial that the country's Paektusan army is now "on standby to launch fire into its [the US's] mainland, waiting for an order of final attack."

The comments follow a Friday report from KBS World Radio, the official international broadcasting station of South Korea (which is owned by the Korean Broadcasting System), that "North Korean authorities have dispatched emergency standby orders to the leaders of the ruling Workers' Party committees and civil defense units."

Here's more from Fox News:

"North Korea took its turn Saturday in the country's escalating, back-and-fourth with President Trump, with the state-run newspaper saying leader Kim Jung Un's revolutionary army is "capable of fighting any war the U.S. wants."

The assertion was made in an editorial that also states the Paektusan army is now "on the standby to launch fire into its mainland, waiting for an order of final attack."

The editorial also argues that the United States "finds itself in an ever worsening dilemma, being thrown into the grip of extreme security unrest by the DPRK. This is tragicomedy of its own making. ... If the Trump administration does not want the American empire to meet its tragic doom in its tenure, they had better talk and act properly."

Three people are dead and at least 33 injured after a series of violent clashes erupted at a white-nationalist rally in Charlottesville, Virginia, on Saturday. In the most extreme incident, an apparent white nationalist — in what may have been an act of domestic terrorism — plowed his car into a group of counterprotestors, killing one person, 32-year-old Heather Heyer, and injuring 19. The alleged driver, 20-year-old James Alex Fields, has since been arrested and charged with second-degree murder.

Two state troopers were also killed when their helicopter, which had been assisting with the police response to the rally, crashed outside the city later in the day.

The violent clashes in Charlottesville injured at least another 14 people beyond the car attack, and led Virginia governor Terry McAuliffe to declare a state of emergency late Saturday morning. President Trump also spoke out against the violence, though not the rally, in a tweet and in an afternoon statement to reporters.

A vehicle plowed into protesters in Charlottesville, Virginia on Saturday, killing one and injuring scores, according to Virginia's governor.

A gray Dodge Challenger accelerated and drove directly into a crowd, hurling people into the air. Blood was splattered on car windows. The Challenger apparently struck a vehicle, then reversed back up the street it drove down, followed by protesters.

Around 3.5 million people have applied to enlist in the North Korean army to fight with the United States, South Korean Yonhap news agency reported Saturday.

MOSCOW (Sputnik) — The North Koreans, including students, workers and retired soldiers, have requested to join or reenlist in the military in light of the government's earlier vows to retaliate against the United States after the UN Security Council approved new sanctions against Pyongyang, the North Korea's Workers' Party newspaper Rodong Sinmun reported as quoted by Yonhap.

Last week, the UN Security Council unanimously adopted Resolution 2371, which further tightens sanctions against North Korea in response to Pyongyang's recent ballistic missiles tests.

North Korea's military said Wednesday it was considering a missile attack near the US island territory of Guam after President Donald Trump threatened Pyongyang with "fire and fury." Guam hosts several US military bases.

North Korea Issues “Emergency Standby Orders” To Civil Defense Units: Report

August 11, 2017 by Infinite

– North Korea Issues “Emergency Standby Orders” To Civil Defense Units: Report:

With markets about to close for the next 2 days, the question on every trader’s mind is: “**should i carry risk over the weekend, or should I dump it all** in case North Korea fires another test, or non-test, ICBM launch which may be just the provocation Trump needs to give the [green light to a squadron of B-1 bombers](#) to begin a bombing campaign.” After all, [Trump himself](#) tweeted this morning that “military solutions are now fully in place, locked and loaded, should North Korea act unwisely. Hopefully Kim Jong Un will find another path!”

While we don’t know if Kim will “find another path”, late on Friday [KBS World Radio](#), the official [international broadcasting station](#) of South Korea (which is owned by the Korean Broadcasting System), reports that according to [Radio Free Asia](#) (RFA), in a potential warning that Pyongyang may be preparing yet another imminent escalation, “**North Korean authorities have dispatched emergency standby orders to the leaders of the ruling Workers’ Party committees and civil defense units.**”

More details:

Friday’s RFA report quotes a source in Yanggang Province as saying that the Central Military Commission of the party delivered the orders via e-mail.

The e-mail apparently arrived even before the North publicly threatened to retaliate against the U.S. “hundreds of thousands of times” over newly approved U.N. sanctions.

India Deploys More Troops Along China Border, Raises "Caution" Level

With the world obsessing over every increasingly childish outburst in the daily back and forth between Trump and Kim Jong-Un, another conflict which has so far gone largely unnoticed by the global media continues to grow on the border between India and China.

As reported yesterday, in the most recent escalation between the two nuclear powers, the Indian Army ordered the evacuation of a village close to the Doklam India-Bhutan-China tri-junction amid to a standoff between Indian and Chinese soldiers. This takes place just days after China turned the war threat amplifier up to '11' by threatening India (in an article published a Chinese state-controlled newspaper) that it could conduct a "small-scale military operation" to expel Indian troops from a contested region in the Himalayas.

For those who need a reminder, the latest geopolitical standoff between India and China started in June, after Chinese troops started building a road on a remote plateau which is disputed by China and Bhutan. Indian troops countered by moving to the flashpoint zone to halt the work, with China accusing them of violating its territorial sovereignty and calling for their immediate withdrawal.

Border Tensions

China and India are facing off high in the Himalayas

After adding a large number of troops to the region, China then sharply escalated when a Chinese Ministry of Defense warned explicitly that Indian troops must leave the contested area if they do not want war.

Then, earlier this week, tensions escalated further when as the [Independent reported](#), the Chinese state-owned Global Times quoted a research fellow at the Institute of International Relations of the Shanghai Academy of Social Sciences who said China is preparing to initiate a "limited war" to push Indian soldiers out of the area.

Take cover, avoid bomb flash. Guam issues nuclear guidelines

Doina Chiacu

4 MIN READ

WASHINGTON (Reuters) - Guam posted emergency guidelines on Friday to help residents prepare for any potential nuclear attack after a threat from North Korea to fire missiles in the vicinity of the U.S. Pacific territory.

Pyongyang's state-run KCNA news agency said on Thursday its army would complete plans in mid-August to fire four intermediate-range missiles over Japan to land near Guam as North Korea and the United States engaged in increasingly heated rhetoric this week over the North's nuclear weapons program.

Thousands of **North Korea's** top military officers have marched through Pyongyang in a show of support for their dictator **Kim Jong-un** as the country issued yet more threats against the 'reckless and hysteric' US.

Pictures show organised lines of men from the country's armed forces cheering and raising their fists during the parade, in front of the capital's Fatherland Liberation War Victory monument.

It comes days after tens of thousands of placard-waving civilians staged a similar rally in the city.

This morning, Pyongyang's KCNA agency warned America that it is a 'tragedy that the reckless and hysteric behaviours may reduce the U.S. mainland to ashes any moment.'

The ranting statement said that it was the country's 'steadfast will...to put an end to the hostile moves of the U.S. which has imposed misfortunes and sufferings upon the Korean people for over half a century and win the final victory in the stand-off with imperialism and the U.S.'

Trump reiterates warning to N. Korea: 'Fire and fury' may not have been 'tough enough'

BEDMINSTER, N.J. — President Trump warned North Korea on Thursday that "things will happen to them like they never thought possible" should the isolated country attack the United States or its allies.

Trump told reporters here that his Tuesday statement threatening "fire and fury" may not have been "tough enough," even as he sought to reassure an anxious world that he has the situation under control.

"Frankly, the people who were questioning that statement — was it too tough? Maybe it wasn't tough enough," Trump said. "They've been doing this to our country for a long time, for many years, and it's about time that somebody stuck up for the people of this country and for the people of other countries. So, if anything, maybe that statement wasn't tough enough."

PROPHECY

**ARE YOU PREPARED FOR THE MOMENT WHEN EVERYTHING
SUDDENLY CHANGES?**

In the early morning hours of August 7, 2017, I had a dream, or night vision as I call these prophetic experiences. Father allowed me to be 'inside' a lukewarm person going about her life as usual until the moment when everything changed. This person was then suddenly re-located and stripped of everything familiar and comfortable.

I was in a car approaching a very busy intersection with four-way traffic, when out of nowhere, a truck started speeding straight towards me out of control. At the same time, I felt the ground move like a wave, and realized just after it had struck that it was a massive earthquake. It rolled our car violently, like a big rock thrown into the water, and it had also caused the truck to accelerate out of control, as it pushed it forward at incredible speed. This wave lasted a few seconds, as the earth convulsed and lifted our car 50 or so feet in the air. Then, I heard a thunderous vibration in the heavens. The earth moaned with a horrible, awful groaning sound like chains on a series of massive rusty gates opening. A blinding light flashed, and in an instant, I was in the air in a state of almost suspended animation, watching everything in slow motion. The earth opened beneath me, exposing a huge, deep crevice or cavern-like fissure. I had the understanding that the earthquake was world-wide and

had changed the geography permanently.

I felt in the spirit a tearing-like feeling of complete despair, as I watched my family members where ever they were being pulled away from each other, not knowing where they would go or what would happen to them while I was still on earth. A flash of piercing light then struck again, and I was suddenly in a house with total strangers, all of us finding ourselves in a place that was completely foreign without anything familiar or comfortable, except what we were wearing.

A woman was speaking calmly, reading guidelines in an attempt to bring order to all of us who suddenly found ourselves stripped of everything. There were those who did not believe in Father at all, and many more who were what Father refers to as lukewarm in their walk with Him. Some were discussing options as to how to leave, but the woman kept telling us that the world was now forever changed, and that we would not be leaving until Yahushua came for us. She told us that any attempt to leave would result in imprisonment, or more likely death. Some were asking for phones, radios, or ways to communicate with loved ones, but there was nothing available or functioning in the world.

I cannot describe in words what it felt like to know that this person I was 'inside' and a part of had not made the decision to follow Yahushua wholeheartedly here and now, before this catastrophic earthquake had changed everything, and she was now facing the consequences of

her decision in a most terrifying way. Although I knew she was lukewarm and believed in God, I also understood instantly that had she chosen differently before this 'moment' had occurred, the outcome of her journey would have been much different. Instead, she and the others at the refuge were now faced with a much more challenging and uncertain course for their lives, without their loved ones, and without any material comforts.

End of night vision/dream.

** This night vision/dream, is not a completely literal description of an event or series of events, but rather a picture of what is to come and how much Father wants us to be prepared in our spirits and in our hearts. As with anything I post, please take this to prayer yourselves and ask for Father's personal revelation and counsel for your own relationship. I do not know which event will be the starting or kick-off event to this massive change in the earth, and I do not know Father's exact design as to how anything will happen. It is simply my position to report what I am shown and told and allow you to seek Him for individual answers as to how you are to proceed from here with your own journey.**

YAHUSHUA SPEAKS

Daughter of My Heart, write these words. It is with a

heavy heart that I speak to you this day, as the masses have not heeded My warnings of repentance, and My words through My prophets and messengers have mostly fallen on deaf ears.

I have told them many times, truth has always been available to all who seek it, yet so many are more than content to sit in idleness and complacency, living their lives with an apathetic attitude towards anything good, righteous, or holy.

Does My Word not teach that you must be born-again to enter the Kingdom of Heaven? You must be broken and surrendered, giving Me everything, and finding no fulfillment in this earthly life. You must turn to Me for all the answers you seek, the One and only Shepherd and Wise Counselor, and not the myriad of voices and suggestions that scream to you from every angle each and every day. The battle for your soul has already been won IF YOU CHOOSE ME! Choose life over death.

Daughter, you were given a rare opportunity to experience what the heart condition will be very, very soon for all those who have not studied to show themselves approved, and have not taken Me seriously, or do not accept My existence whatsoever. The path has been lit and I walk with each and every soul who gives their lives to Me. Those who have hesitated or walked in the opposite direction of truth will know a harsh and severe consequence to their

decisions.

I have given you this spiritual experience in order that more hearts will open and more ears will hear what I am saying before this moment when all suddenly changes does indeed arrive. I assure you, the hour is very late, My words will come to pass and nothing I have spoken will come back to Me void.

Know My Word above all else as I am the Word. My Word is alive, powerful, and is the only way to know truth from deception. I have offered you a way through the storms that are now here. Accept My offer, freely given, paid in full with My Life's blood.

You who are now born-again or come to be born-again before this happens will be used mightily for a short time to bring My love and My light to the desperate who will choose to procrastinate in accepting what I have spoken.

These words I speak are true and they should convict you. Watch and see if I did not tell you it would be so when all is shaken in a moment..

Attacks of Betrayal

By Glynda Lomax on Jul 20, 2017 09:02 am

Betrayal is at hand, My children. Betrayal such as nothing you have ever witnessed before. Betrayal that will shake your very soul. Be on alert, for it comes for you.

The enemy has planned betrayals against you for many years, and waited to get every aspect into position that he may devastate you.

Stand strong on the Rock of Your Salvation and I will fight for you. I will defend you against these vicious attacks. Take matters into your own hands and you shall defend yourself.

Attacks of betrayal have been launched against you to bring devastation to you. Do not fall into the enemy's ways in attempting to fight in your flesh against these attacks. Run to Me, and be safe.

“My Arm of Protection is Now Lifting – This is the Beginning of Sorrows”

JULY 8, 2017 3:50 PM BY [JULIE WHEDBEE](#)

Listen to the voice of your wise Counselor My loves. Incline your ears to hear what My Spirit speaks to you. Come boldly to My Throne of grace with all praise, and giving Me the honor due Me. Make your heart's desires and petitions known to Me as I hear each and every one of them. I am watching you closely and I will never let you out of My sight.

My arm of protection is now lifting. This is what you are experiencing now in your spirits. As I draw away from a wicked people that do not choose to walk in My ways, the earth grows darker still. Should I suddenly and instantly withdraw My hand, none would survive, but I am doing what I must do quickly as this is the appointed time for judgment. I have been preparing you for this time. Heed My counsel. There is nothing more important now than this. I will always provide My wisdom for those seeking Me and walking in obedience. See that you do not succumb to the spirits of anxiety, weariness, hopelessness and despair.

As the earth plunges deeper into darkness and chaos ensues, you will sense this more and more in your spirits. Be not dismayed Beloved as I spoke of all of this beforehand, in order that you would not be shaken. The darkness brings with it a lower and lower frequency which could never resonate with those who carry My light. Light and dark cannot dwell in the same place at the same time. Therefore, as the frequency of the earth plunges, My children must rise higher and higher, further and further removed from its far-reaching grip.

A shakedown is occurring, as you are literally being torn from this realm, transforming you into vessels through which My glory, light and love shall pour through. This is the agitation and restlessness you are experiencing. Fear not My children, as I must do this, as My own must be completely separated from everything in its fallen nature and be perfectly aligned with all that is holy, righteous and pure. Go back and read all I have taught you regarding what is happening now. I have not left you without instruction.

Come to Me in the inner chamber, the Holy of Holies, enter fully in and be consumed. You must do this now! I have begun the shaking and unless you remain grounded, you will become distressed at what I am doing and you will operate out of fear. This cannot be, as I have shown you a better way – My way. I have promised you My peace which transcends all understanding. My way is sure and you will remain calm amidst the chaos so others will be led to Me. Come to Me now and drink deeply as My well never runs dry. My Manna will nourish you and sustain you. Lean not to your own understanding as you see all prophesied things commencing, but in all your ways acknowledge Me and I will direct your paths. Take hold of My hands, look into My eyes of love for you and align your spirits with the heavenlies and My Kingdom. In doing this, fear will not overtake you and you will not be taken unaware.

Remember, this reality is illusory. Your true reality and home is in the Spirit of your Father and Creator. All is passing away and only My Kingdom will remain.

Take great care and diligence in doing all that is required to remove yourselves from the distractions and troubles of this life. Tune out ALL that is not of Me. Let go of all that has held you captive in this world and in the secret, quiet place, you will find Me. I am the voice which is your Great Shepherd, drawing you away now, so that you may abide under the shadow of My wings while I do what I must do.

Come away quickly now My sons and My daughters, come to Me quickly!

You have experienced times of discouragement from your lack of spiritual progress. You desire to move ahead more quickly, and to be useful to My Kingdom.

You must realize that I and My Word are one. When you want more progression, get more of Me. Go deeper, read longer, study harder. Make My Word the meditation of your heart and get revelation, get understanding.

I can do all things, and you can do all things through Me if you know My Word. Do not be discouraged, but let your lack of progression be a guidepost that leads you into more of My Word.

Behold, I come quickly. For the time of My Jubilee draws near. I am the Truth. This Truth is eternal. It has no beginning nor end. I am Justice. I have seen the injustices in this world and heard the cries of My children. I am judgment. All will stand in front of Me and be held accountable for all their actions. Those that walk in the light, fear not the darkness. Speak now son of man, speak of the hour of twilight. Speak of what shall come to pass. Many shall be deceived by the vagabond of truth. He shall provide hope for the hopeless, and peace for the

weary. His name shall cause fear in the hearts of My children. You shall speak his name and many will become martyrs for their disobedience. Be steadfast, be resolute, for events shall move quickly. Remember I am with thee in all that you do. For soon you shall be with Me in My Father's House.

The Hungry Lion

So many of My children are deceived, and they see it not. The signs are all there, My children. Wake up! Do you not know to be alert in this time? I have told you Satan goes about as a roaring lion, seeking whom he may devour. He is standing outside your door and you do not recognize him. All who come bearing smiles and gifts are not of Me. When you open the door to him, the hungry lion will devour you.

Smiling governments seek to devour your nation. Your enemy smiles as he considers how he will destroy you.

You have entered a time when deception is greatly increasing. Satan is working through many to deceive My people. He calls from distant shores and you think it is Me. How is it you do not recognize Him? How is it you do not see what you are involved in is not of Me?

The pits are growing deeper, the snares are growing tighter. Satan desires to hold you captive that you may not serve Me in this hour.

You must choose to free yourself from his traps, or believe the lies and be devoured.

1 Peter 5:8-10

- 8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour.
- 9 Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.
- 10 But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you.

Subject: Barb God's Healer7 12-6-16 Preview of the Day of the Lord A foreshadowing Matt 24:27 Joel 1:15

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. **The newsman says "the lightning and thunder can be**

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

The Seven Thunders Revealed

They Fly Like the Wind

And Come From Afar

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the “latter times”. Indeed we live in the “latter times”.

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain, Raise your voice to them; Wave your hand, that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I have also called My mighty ones for My anger — Those who rejoice in My exaltation."

4 The noise of a multitude in the mountains, Like that of many people! A tumultuous noise of the kingdoms of nations gathered together! The Lord of hosts musters The army for battle. 5 They come from a far country, From the end of heaven — The Lord and His weapons of indignation, To destroy the whole land.

6 Wail, for the day of the Lord is at hand! It will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

[Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

LOVE YOUR ENEMIES

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

35 But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil.

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Lester Sumrall's book:

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. We ask You to push back The horizons of our hopes; And to push into the future In strength, courage, hope, and love. Because we have dreamed too little, When we arrived safely Because we sailed too close to the shore. Disturb us, Lord, when With the abundance of things we possess We have lost our thirst For the waters of life; Having fallen in love with life, We have ceased to dream of eternity And in our efforts to build a new earth, We have allowed our vision Of the new Heaven to dim. Revelation 12v1-2 [KJV]
And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered.

Proof Texts

1. Psalm 90 reveals 70 years as the life of re-born state of Israel in the last days.

Therefore the War of EZ 38 must take place no later than 70 years following 1948 which is 2018 (1948 + 70 = 2018).

2. Daniel 9:24-27 reveals the birth of the man-child of Revelation 12 shall follow the restoration of Jerusalem in the last days by seven weeks which is 49 years.

Every 49 years is followed by a Jubilee (50th year) and thus from 1967 (Jerusalem's redemption) fifty years brings us to the year 2017.

3. The sign of the birth of the man-child appeared first with the Virgin conceiving in late November 2016, and she will give birth on September 2017.

The star of Bethlehem was in the heavens for two years (Matthew chapter 2). The sign of the Virgin with Child crowned for the first time in history with 12 stars first occurred in the heavens in the fall of 2016. Two years from the appearance of this sign leads us to the fall of 2018.

Final Proof – is the world preparing for war? Are the welfare states of the west finally bankrupt beyond measure? Is the ocean dying? Do you have eyes to see? Is summer coming soon?

Summer is the time of the Reaper ...

Jesus commanded us to study one parable, which of course no one studied... and the fig tree is Israel, and the new born state put forth her leaves in 1948. Psalm 90, written by Moses tells us how long ... 70 years. But those who would not watch, for them the day shall come as a thief and it will not be good.

Now learn a parable of the fig tree; When her branch is yet tender, and putteth forth leaves, ye know that **summer is near**: So ye in like manner, when ye shall see these things come to pass, know that it is nigh, *even* at the doors. Verily I say unto you, that this generation shall not pass, till all these things be done. **Mark 13:28-39**

The harvest is past, the summer is ended, and we are not saved. **Jeremiah 8:20**

Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; **Daniel 2:35**

And he said, Amos, what seest thou? And I said, A basket of summer fruit. Then said the LORD unto me, The end is come **Amos 8:2**

When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand. So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand. Verily I say unto you, This generation shall not pass away, till all be fulfilled. **Luke 21:30-32**

JUBILEE YEARS POINT TO SEPT 2017

There is a very famous ancient prophecy that points to the year 2017 which may also point to June 11, 2017. Here is the write up of the prophecy from [The Coming Epiphany](#), Chapter 12.

Rabbi Judah Ben Samuel Prophecy

The following is the write up of a prophecy made by Rabbi Judah Ben Samuel that I believe is significant in regards to answering the question when, and may point to a possible year of the Second Coming. The original article appeared in Israel Today, March 2008

In 1217 the Jewish Rabbi Judah Ben Samuel prophesied that the Ottoman Turks would rule over the holy city of Jerusalem for eight Jubilees. A Jubilee is a period of 50 years according to Leviticus 25:8-13. Eight Jubilees would then be 400 years. Sure enough, 300 years later in 1517 the Ottoman Turks seized control of the city of Jerusalem and ruled over it for the next 400 years. They were finally driven out of the city and the holy land in 1917 by the Allied forces under the command of General George Allenby. The Rabbi's prophecy about the 400 years was fulfilled exactly to the year. [http://issuu.com/ryaninzion/docs/israel today march 2008](http://issuu.com/ryaninzion/docs/israel_today_march_2008)

The Rabbi had also prophesied that during the ninth Jubilee Jerusalem would be a "no-man's land." This is exactly what happened from 1917 to 1967, due to the fact that the holy land was placed under British Mandate in 1917 by the League of Nations and literally "belonged" to no nation. Even after Israel's war of independence in 1948-49 Jerusalem was still divided by a strip of land running right through the heart of the city, with Jordan controlling the eastern part of the city and Israel controlling the western part of the city. That strip of land was considered and even called "no-man's land" by both the Israelis and the Jordanians. Anyone even stepping into that strip would be shot down. I lived during that period of time and well remember the reports in the newspapers and shown on TV about the division of Jerusalem. It was not until the Six Day War in 1967 when the entire west bank of the holy land was conquered by the Israeli army that the whole city of Jerusalem passed back into the possession of Israel. So once again the prophecy made by the Rabbi 750 years previously was fulfilled to the letter.

But that is still not the end of the matter. The Rabbi also prophesied that during the 10th Jubilee Jerusalem would be under the control of the Jews and the Messianic "end times" would begin. The 10th Jubilee began in 1967 and will be concluded in

2017. <http://www.injesus.com/index.php?module=message&task=view&MID=ZB007HAL&GroupID=2A004N9G&print=1>

Let's consider the data;

Jubilees 1-8 (1517 to 1917): Turks will rule.

Jubilee 9 (1917 to 1967): Jerusalem a “no man’s land.”

Jubilee 10 (1967 to 2017): Jerusalem under Jewish control, Messianic end times will begin.

Jubilee 11: Begins at Yom Kippur 9/30/17.

Jubilees 1-8 and 9 were fulfilled as his prophecy stated. His prophecy also states “during the 10th Jubilee Jerusalem would be under the control of the Jews and the Messianic “end times” would begin.”

Therefore, if the prophecy is to be trusted, then the Messianic “end times” would have to start within the time of the 10th jubilee, before the 11th Jubilee starts at Yom Kippur on 9/30/17.

Thus if the Messianic “end times” refers to the beginning of the 70th Week, then the prophecy implies the Second Coming will be no later than 2024. If the Messianic “end times” refers to Jacob’s trouble—the second half of the 70th Week—then the prophecy implies the Second Coming will be no later than 2021.

The 50 Year anniversary of the end of the 6 day war that put Jerusalem under Jewish control is 6/11/2017. Even though the next Jubilee year does not start until 9/30/2017 because this date marks the 50th anniversary, it is a day that should be watched.

Here are some other synchronicities that add to the watch.
6/11/2017 is 13 weeks and 13 days before the sign of
the [woman clothed with the sun](#), which occurs on 9/23/2017.

6/11 is a 611 which is an upside down 911.

Adding the numerals in the year 2017 makes the date a
6/11/10. 6, 11, and 10 are the numbers featured in the dooms
day clocks.

6/11/2017 to 7/17/2017 is 36 days. All the numbers from 1 to 36 add up to 666. 7/17/2017 is an antichrist watch date.

For part of 6/11/2017 in Jerusalem it will be 6/10/2017 in the USA. 6/10/2017 to 8/21/2017—the day of the USA solar eclipse—is 72 days. $72 = 2 \times 36$ —a double 666.

6/11/2017 to 9/30/2017—the date mentioned above—is 111 days

6/11/2017 is Sivan 17-- [In the Hebrew year 1656 \(2100 BCE\), Noah's Ark came to rest on Mount Ararat, as recorded in Genesis 8:4.](#)

Whether or not these syncs are significant and or whether or not anything will happen on 6/11/2017 is yet to be seen.

Another newsworthy event that may add to the watch is the fact that the Sanhedrin in Jerusalem are planning on performing a prophetically important ceremony on June 1/2.

*On the day after the Feast of Shavuot (Weeks) [June 1st or 2nd], the Sanhedrin will reenact a ceremony officially establishing the borders of Jerusalem for purposes of reinstating the Temple service. Last performed by Nehemiah in the sixth century BCE, **this was the final step before beginning the sacrifices**, but today, it is also meant as a powerful and timely political statement...<https://www.breakingisraelnews.com/87807/sanhedrin-revives-2000-year-old-temple-rite-reestablishing-jeruselems-borders/#J6bysxovzsZrdyFC.97>*

Wow; the final step before beginning sacrifices! In light of the prophecy above this truly is a very important prophetic development. Interestingly enough 6/6/2016—false messiah sign—to 6/1/2017 is 360 days. $360 = 10 \times 36$ —a decade of 666.

On another note here is an update that was added to the [188 earthquake cycle](#) post.

Update 5/27/17

As you are aware there was no 7.0 earthquake or above during the 188 earthquake watch period. So what can we conclude? I think it is more significant that there was no earthquake than if there had been one. Here's why; there was too much data

supporting the 188 day earthquake cycle theory and by all reasoning there should have been a 7.0 or larger earthquake.

So the fact that no earthquake occurred leads me to think that the cycle was broken and because no 7.0 or larger earthquake occurred that may mean that a new cycle is starting. Also due to the fact that the pressure was not released in the 188 day cycle period, that a large earthquake may begin the new cycle.

There is also the possibility that the approaching planet X system somehow effected the cycle and again since pressure was not released during the 188 day cycle period, when the pressure finally does release it will be a big one. Time will tell...

Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man. Luke 21:36

TIME OF JUBILEE DRAWS NEAR

Behold, I come quickly. For the time of My Jubilee draws near. I am the Truth. This Truth is eternal. It has no beginning nor end. I am Justice. I have seen the injustices in this world and heard the cries of My children. I am judgment. All will stand in front of Me and be held accountable for all their actions. Those that walk in the light, fear not the

darkness. Speak now son of man, speak of the hour of twilight. Speak of what shall come to pass. Many shall be deceived by the vagabond of truth. He shall provide hope for the hopeless, and peace for the weary. His name shall cause fear in the hearts of My children. You shall speak his name and many will become martyrs for their disobedience. Be steadfast, be resolute, for events shall move quickly. Remember I am with thee in all that you do. For soon you shall be with Me in My Father's House.

THE THIRD SECRET OF FATIMA

Note: The 2017 date (e.g., centennial anniversary of the Fatima event) is very unlikely. It is far more likely this series of events (the Sixth Seal) will happen mid-to-late 2018, early 2019.

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare).

The most amazing part is that this is reportedly to happen by 2017

POLE SHIFT

Before
2017

Revelation 6:14
;and every mountain and island was moved
out of its place.
NKJV

Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>)

In an interview with Art Bell in 1997, he explained that “I was shown the Text of the third secret in February 1960. I cooled my heels in the corridor outside the Holy Father’s apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: ‘It’s in the Gospel, and in the Apocalypse, read them.’ We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

(<http://garabandalnews.overblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions (*possibly before May 13, 2017 although be advised there are reports that the actual centennial date is in October of 2017 so we have to be prepared for anything and there is no guarantee as to the godliness of these events with 100% certainty*).

The Sixth Seal

Great Earthquakes,
Three Days of Darkness,
and
Pole Shift

Lucia apparently mentioned Revelation chapter 8 in her letter; a chapter that opens the seventh seal. The sixth seal, which sounds like a pole shift, had just been opened in Revelation 6:12-14 “I looked when He broke the sixth seal, and there was a great

earthquake; and the sun became black as sackcloth made of hair, and the whole moon became like blood; and the stars of the sky fell to the earth, as a fig tree casts its unripe figs when shaken by a great wind. The sky was split apart like a scroll when it is rolled up, and every mountain and island were moved out of their places.”

The First Trumpet

(God's Wrath is Poured Out)

The seventh seal in Revelation 8:1-9 describes the sun's reaction to the likely cause of it temporarily being black like sackcloth – an incoming cosmic dust cloud that eventually provokes massive flaring, as when sawdust is sprinkled on a fire: “When the Lamb broke the seventh seal... Another angel came and stood at the altar, [the angel at the altar of fire could be Jupiter at the edge of the sun, on Judgment Day, as I described at length in my last book] holding a golden censer; and much incense was given to him... And the smoke of the incense... went up before God out of the angel's hand. Then the angel took the censer and filled it with the fire of the altar, and threw it to the earth; and there followed peals of thunder and sounds and flashes of lightning and an earthquake. And the seven angels who had the seven trumpets prepared themselves to sound them. The first sounded, and there came hail and fire, mixed with blood, and they were thrown to the earth; and a third of the earth was burned up, and a third of the trees were burned up, and all the green grass was burned up. The second angel sounded, and something like a great mountain burning with fire was thrown into the sea; and a third of the sea became blood, and a third of the creatures which were in the sea and had life, died; and a third of the ships were destroyed.” This sounds like a massive solar flare or CME (coronal mass ejection) hits the earth when the sun flares up in response to incoming dust and “the light of the sun will be seven times brighter.” (Isaiah 30:26)

If Malachi Martin was right that some of these events would be underway **before 2017 – that fits my conclusion that the Antichrist will be revealed at the mid-point of the final seven years and start an **apocalyptic war in June 2016**, three and a half years before the end of the ("GREAT") tribulation in December 2019.**

Note: This is my speculation only and it is not possible to be certain these guesses are accurate. We must watch and pray.

Lucia also mentioned that the Third Secret of Fatima involves Revelation chapter 13, which describes the Antichrist and ends with "Here is wisdom. Let him who has understanding calculate the number of the beast, for the number is that of a man; and his number is six hundred and sixty-six." If Malachi Martin was right that some of these events would be underway before 2017 – that fits my conclusion that the Antichrist will be revealed at the mid-point of the final seven years and start an apocalyptic war in June 2016, three and a half years before the end of the ("GREAT") tribulation in December 2019.

Although the great apostasy and dangers to the faith have been discussed by Vatican officials in regard to the Fatima secrets, no one has commented specifically on the Antichrist in relation to the Third Secret. But Pope John Paul II did talk about massive flooding and pole shift type events killing many people. I believe the next North Pole will be in Siberia, northwest of Lake Baikal, near the borders of Russia, China, and Mongolia. There is a large magnetic anomaly there. The famous Tunguska blast event of 1908 occurred there. The Magnetic North Pole is already moving in that direction. And one of the main founders of the pole shift theory, Professor Charles Hapgood (author of books like Path of the Pole and Earth's Shifting Crust) also felt this was the likely location of our next North Pole. If that is correct, and if that will happen soon – what will that do to the people of Russia and China?

Most of their nations would become uninhabitable, arctic wasteland. We may already think of Siberia that way, but imagine it even closer to the North Pole. Let's now look in context at what Pope John Paul II said right before commenting on huge floods killing millions: "Given the seriousness of the contents, my predecessors in the Petrine office diplomatically preferred to postpone publication so as not to encourage the world power of Communism to make certain moves. On the other hand, it should be sufficient for all Christians to know this: if there is a message in which it is written that the oceans will flood whole areas of the earth..."

Pope John Paul II suggested that World Communism – the major powers of which are Russia and China – would make some hostile moves if they knew the secret. Father Malachi Martin agreed and wrote in his book *The Keys of This Blood*: "were the leaders of the Leninist Party-State to know these words, they would in all probability decide to undertake certain territorial and militaristic moves against which the West could have few if any means of resisting." I think they would decide to conquer new lands farther from the upcoming new North Pole to provide suitable new homelands for their populations. Central Europe, South Asia, and the Middle East would probably be invaded by Russia and China. This may be one reason the Russians are preparing to invade Ukraine. Perhaps in Revelation 9:16 when an army of two hundred million comes to the Euphrates from the east – it is because the imminent pole shift has become obvious and the people of China and Russia are fleeing. If so we can expect huge wars in Europe, Asia, and the Middle East soon.

PRA YING THROUGH

What it means to Pray Through

Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. AH who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights

each week in the Church to pray for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord

was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire. Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. Deep calleth unto deep, and though polluted and landlocked by the mighty disaster theologians call the Fall, the soul senses its origin and longs to return to its source

Eyes of Faith ***(Goiter Lady)***

Eyes of Faith

Jesus went about... teaching... preaching... and healing.

—Matthew 4:23

Scripture reading: Isaiah 58:8–12

One day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

Thought for today: A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 06:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. “Whether it means life or death—it makes no difference!” (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God’s will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God’s gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

SARAH MENET PROPHECY

(Biological, Chemical, Nuke, Comets, a Year of Horror)

INTRODUCTION

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

THE PRECURSOR EVENTS

EVENTS LEADING UP TO NUCLEAR WAR

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

SHE SEES 911 NYC

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New

York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

THIRD SEAL - FINANCIAL COLLAPSE

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed ****throughout the world****. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

CHEMICAL ATTACKS

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and ***they didn't even know it***.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

EBOLA

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

DISEASE SPREADS MURDER MAYHEM

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

EMP NO ELECTRICITY (US & ISRAEL)

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

CHAOS, STARVATION, MAYHEM, CONTINUES

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

HOMES/CITIES OF LIGHT & REFUGE

(ISAIAH 60:1-3)

(Glory Light)

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

(ISAIAH 60:1-3)

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

CITIES OF LIGHT MOVED OFTEN

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

BABYLON THE GREAT DESTROYED

FINAL NUCLEAR DESTRUCTION

As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and

in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

SIXTH SEAL - FIRE BALLS & COMETS START FIRES

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

RUSSIAN CHINESE INVADE

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

RUSSIAN CHINESE INVASION SHORT DURATION

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground.

I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more

concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

MEGAQUAKES WORLDWIDE

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to

the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

FIRST TRUMPET (BURNING)

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)

I understood that just before the fireball’s appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

VISION ENDS

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don’t remember any more until I woke up in the hospital.”Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

(NOTE – I have posted a few reader comments at the bottom of this page.)

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know](#).

The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

GODSHEALER7 – I have already opened the 1st Seal, those with Understanding Know this Truth

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

REJOICING IN JUDGMENT

Rejoicing in Judgment

Posted on 12 March 2017 by Stephen Hanson

"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

Selah,

Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT ((email protected)) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from Bibles for Mideast, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert"

Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT () Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

South Carolina Police Issue Bigfoot Warning After Sighting

Yes, it's true. Police in Greenville, South Carolina, issued an official public safety warning after a Bigfoot sighting was reported the night of on August 4th in McDowell County, North Carolina, about 90 miles across the border between the states. The story was quickly picked up by the media in both states and nationally. Is the warning real? Is the Bigfoot?

NBC affiliate WYFF in McDowell County [reported](#) that the Bigfoot investigation group Bigfoot 911 had a team of seven people out in the woods the night of 8/4 and at around 11 pm the light from their glow sticks showed "a large bipedal animal covered in hair" At that point, group spokesperson John Bruner says he sprang into action.

"The angle of the moon was shining straight down on the road and something big stepped into view ... I turned my headlamp on and I saw a large bi-pedal animal covered in hair. It took one step into the woods, (then) I took off running toward where it went into the woods."

Federal workers told: Don't say 'climate change'

16 WND by -NO AUTHOR- / 1h // keep unread // hide

(THE GUARDIAN) – Staff at the US Department of Agriculture (USDA) have been told to avoid using the term climate change in their work, with the officials instructed to reference “weather extremes” instead.

A series of emails obtained by the Guardian between staff at the Natural Resources Conservation Service (NRCS), a USDA unit that oversees farmers’ land conservation, show that the incoming Trump administration has had a stark impact on the language used by some federal employees around climate change.

A missive from Bianca Moebius-Clune, director of soil health, lists terms that should be avoided by staff and those that should replace them. “Climate change” is in the “avoid” category, to be replaced by “weather extremes”. Instead of “climate change adaption”, staff are asked to use “resilience to weather extremes”.

“BLACK SKY EVENT”: FEDS PREPARING FOR WIDESPREAD POWER OUTAGES ACROSS U.S.

Experts gear up for catastrophe that would “bring society to its knees”

Paul Joseph Watson | Infowars.com - AUGUST 9, 2017 156 Comments

Federal government agencies are preparing for the possibility of “widespread power outages” across the U.S. as a result of a “black sky” event that could “bring society to its knees”.

An exercise sponsored by FEMA and the U.S. Department of Energy set to take place on August 23 called EarthEX2017 will wargame responses to catastrophes such as mega earthquakes, cyber terrorism or high altitude electromagnetic pulse attacks.

The exercise will simulate a “subcontinent-scale, long duration power outage, with cascading failures of all other infrastructures,” according to the official Earth Ex website.

“Black sky events” are defined as, “Catastrophic occurrences caused by man or nature that bring society to its knees.”

At least six people were killed and dozens more were missing on Sunday after a massive landslide swept two buses off a hillside into a deep gorge in mountainous northern India.

The vehicles stopped for a tea break at midnight on Saturday in Himachal Pradesh state when tonnes of rock and mud swept away an entire stretch of highway roughly 200km from the state capital Shimla.

Six bodies were recovered so far but there were fears many more may have died, district official Sandeep Kadam said.

Two million animals have now been lost to the "devastating" drought in Ethiopia with nearly 10 million people starving.

Photo zehabesha.com

The Food and Agriculture Organisation (FAO) has said that two million animals have been lost to a "devastating" drought in Ethiopia.

The UN agriculture agency said that the drought had devastated herders' livelihoods as it exhausted pastures and water sources.

It said the current food and nutrition crisis was significantly aggravated by the severe blow to pastoral livelihoods.

"For livestock-dependent families, the animals can literally mean the difference between life and death - especially for children, pregnant and nursing mothers, for whom milk is a crucial source of nutrition.

"With up to two million animals lost so far, FAO is focusing on providing emergency livestock support to the most vulnerable pastoralist communities through animal vaccination and treatment, supplementary feed and water, rehabilitating water points, and supporting fodder and feed production".

Inhuman temperatures birds dropping from the sky as the mercury in Kuwait and Iraq soar above 50 deg C +122 deg F

Photo news.kuwaittimes.net

Birds in Kuwait have reportedly been dropping from the sky as temperatures soar to 50C across the Middle East.

The temperature in Kuwait has been consistently above 45C but the added humidity in the region is making it seem even hotter, creating extremely difficult living conditions for both humans and wildlife

The Middle East has been hit with an 'ungodly' heatwave so extreme Iraq's government ordered all of its civil servants to go home on Thursday, when temperatures rose above 50C.

Temperatures are expected to stay above 45C for the next week, with the UK Met office predicting temperatures as high as 50C this weekend.

Meanwhile Kuwait will see highs of 47C and 44C in Riyadh.

Heather Wright is a New Orleans native, so she knows that flooding is a part of life in the city. New Orleans lies up to 10 feet below sea level and is mostly surrounded by water.

“I’ve lived in New Orleans all my life, so water is in my DNA,” Wright said Friday. “I survived Hurricane Katrina and lived through that, but this was the highest I’ve ever seen the water get since that time.”

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.

MANILA, Philippines (AP) -- Armed with extraordinary new U.N. sanctions, nations raced Monday to ensure that North Korea's biggest trading partners actually carry them out, an elusive task that has undercut past attempts to strong-arm Pyongyang into abandoning its nuclear weapons.

On August 8, two supersonic US B1-B Lancer bombers flanked by Japanese and South Korean jets conducted a pair of air drills over the course of 10 hours off the Korean peninsula, near southern Kyushu island, in an apparent show of force against Pyongyang. The provocative act could mark a dangerous new stage in the ongoing fracas.

In the first exercise, the B1-Bs were joined by two Japanese F-2 jet fighters — in the second, the bombers conducted a separate exercise with South Korea later. The nuclear-capable bombers flew from Andersen Air Force Base in the [Pacific island of Guam](#).

Hagatña, Guam (CNN) — North Korean military figures are putting the final touches on a plan to fire four missiles into the waters around the US territory of Guam, to be presented to leader Kim Jong Un within days.

In a statement last week, Gen. Kim Rak Gyom, commander of the Strategic Force of the Korean People's Army, said the plan to fire "four Hwasong-12 intermediate-range strategic ballistic rockets ... to signal a crucial warning to the US" would be ready by "mid-August."

The World on the Brink. The Danger of Nuclear War Looms

The world is daily and hourly edging closer to the brink of nuclear war, as US President Donald Trump maintains a constant stream of extraordinarily inflammatory and reckless threats against North Korea. Such bellicose language coming from the man in charge of the most powerful military force on the planet is generating increasing shock and fear that war with nuclear weapons could break out at any moment.

Having tweeted yesterday morning that the military option is now "locked and loaded should North Korea act unwisely," Trump followed up with images of B-1 strategic bombers and a message from US Pacific Command that these warplanes were ready to fulfill their "Fight Tonight" mission in Korea.

Just hours later, Trump rebuked German Chancellor **Angela Merkel** for criticising the "escalation of rhetoric," declaring, "I hope they understand the gravity of the situation of what I said, and what I said is what I mean." The US president again menaced North Korean leader **Kim Jong-un**, warning that if he utters one more overt threat, "he will truly regret it."

With the danger of war looming with ever greater menace over the world's population, it is natural to think, or at least hope, that what is involved is just a war of words, and that somehow a means will be found to pull back from the precipice. It is necessary, however, to look reality in the face.

Comparisons are being made to the Cuban missile crisis of 1962—the closest the world has come to nuclear war. But that tense and precarious confrontation was finally resolved and nuclear arsenals stood down because neither the American nor the Russian leader wanted to unleash a nuclear exchange.

UN calls for calm in Kenya after deadly protests

Antonio Guterres calls on Kenya's opposition to refrain from violence after deadly post-election clashes.

Two dozen people have been killed in post-election violence, according to a watchdog [James Keyi/Reuters]

The UN has urged Kenya's defeated opposition to calm its supporters after claims of election rigging sparked violent protests that officials say left 11 people dead.

Antonio Guterres, UN secretary-general, called on defeated candidate Raila Odinga to "send a clear message to his supporters urging them to refrain from violence," a statement on Saturday said.

Police opened fire to disperse protesters who blocked roads and set up barricades in the capital, Nairobi, on Saturday, a day after incumbent President Uhuru Kenyatta was declared the winner of the presidential poll.

Train collision in Egypt leaves dozens dead

The collision involved one train traveling from Cairo and another from Port Said.

(CNN) — Two trains collided in Alexandria on Friday, leaving 41 dead and 179 others injured, Egypt's Health Ministry said.

The collision involved one train traveling from Cairo and another from Port Said, according to state news agency Al-Ahram.

President Abdel Fattah el-Sisi issued a statement offering his condolences to the families of the victims.

General Prosecutor Nabeel Ahmed dispatched a team from his office in Alexandria to the collision site to run the inspection, transport the dead to the nearest hospitals, release the victims to their families after the identification process is completed, and gather accounts from the wounded.

Minutes from missiles, Guam islanders get to grips with uncertain fate

Martin Petty

4 MIN READ

GUAM (Reuters) - Fourteen minutes is not long to prepare for a potential catastrophe. That's the estimated time taken from a launch of a mid-range ballistic missile in North Korea until impact on Guam, where residents seem resigned to the belief that their fate is out of their control.

The local government of this tiny U.S. Pacific island issued preparation guidance to its 163,000 people on Friday on how best to hide and deal with radiation after threats by Pyongyang to strike Guam, or test its missiles in its surrounding waters.

But islanders don't seem in a hurry to get ready.

On August 9, 2007 France's BNP Paribas bank, froze three of its US funds investing in high-risk mortgage loans, the same kind that arguably led to one of the biggest financial crises since the Great Depression. A decade on, Sputnik asked Paris School of Business teacher Josse Roussel about the chances of such a meltdown happening again.

Josse Roussel pointed to inflated bond prices in Europe and the US as a possible cause of a new crisis.

"The growing debt bubble will entail a string of speculative bubbles, which could burst within the next few months," Roussel warned.

"Ten years after [the 2007 crisis] we see all the signs of a new financial meltdown because the current level of indebtedness is higher than what we had in 2008," he added.

He mentioned the banks' expansionist financial policy as a major factor adding to the growth of global debt, which in turn, leads to the emergence of speculative bubbles.

"The banks play this game and profit from it because they are part of this system," Roussel told [Sputnik France](#).
