### Sons of God, Who Are We and Why are We Here with Zen Garcia

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are blessed to have brother Zen Garcia join us to discuss his work "Sons of God, Who Are We and Why Are We Here". Brother Zen has spent a great part of his life dedicated to the discovery of hidden truths woven into the scriptures and writings of the apocryphal books of the Bible like the Book of Enoch, Jubilees, Giants and many more. When these discoveries are measured against the 66 book canon of today's Holy Bible and inerrant Word of God, amazing possibilities are uncovered. Tonight we will discuss these possibilities all with a focus on the glory of Jesus Christ, Yahushua (Yeshua) our awesome King and savior.

God Bless You - See you there!

# JESUS CALLING

## OR SMITH WIGGLESWORTH

### *Delight to Do God's Will*

*How will the ministry of the Spirit not be more glorious?*

—2 Corinthians 3:8

*Scripture reading:* 1 Peter 1:13–25

May the Lord help us to understand His word. I see the truth as it was brought to the Israelites in the law. Paul had something to glory in when he kept the law and was blameless, but he said he threw that to one side to win Him who is even greater than that (Phil. 3:8).

Now we come to the question: what is in the law that isn't glorious? Nothing. It was so glorious that Moses was filled with joy in the expectation of what it was. But what is ours in the excellence of glory? It is this: we live, we move, we reign over all things. It is not "Do, do, do"; it is "Will, will, will." I rejoice to do. It is no longer "Thou shalt not"; it is "I will." "*I delight to do Your will, O my God*" (Ps. 40:8). So the glory is far exceeding. And, beloved, in our hearts there is exceeding glory. Oh, the joy of this celestial touch!

Oh yes, the glory is exceeding. The glory is excellent. When Peter was describing that wonderful day on the Mount of Transfiguration, he said, "*Such a voice came to Him [Christ] from the Excellent Glory*" (2 Pet. 1:17). And so we are hearing from the Excellent Glory. It is so lovely.

If I were to say to you, "Whatever you do, you must try to exercise self-control in order to be holy," I would miss it. I would be altogether outside of His plan. But by the Holy Spirit, I take the words of the epistle that says, "*Be holy*" (1 Pet. 1:16). For when you lose your heart and Another takes your heart, and you lose your desires and He takes the desires, then you live in that sunshine of bliss that no mortal can ever touch.

Divine immortality swallows up all natural mortality. It is lovely to walk in the Spirit; then we will not fulfill any part of the law without the Spirit causing us to dwell in safety, rejoice inwardly, praise God reverently, and know that we are an increasing force of immortality swallowing up life. Hallelujah!

*Thought for today:* It is as easy as possible to be holy, but you can never be holy by trying to be.

## WE MUST NOT MISS THE MESSAGE

by David Wilkerson | July 9, 2015

[May 19, 1931 – April 27, 2011]

[f](#) [t](#) [e](#) [v](#) [p](#) [PDF](#) [TXT](#) [Print](#)

Ministers and theologians everywhere are saying, "God has nothing to do with disasters. He wouldn't allow awful things to happen." Yet, nothing could be further from the truth. This kind of thinking is causing our nation to rapidly miss the message God wants to speak to us through tragedy.

The fact is, we have to have a word from God. Like many pastors, I've wept and grieved over awful calamities. I've sought the Lord in prayer and through His Word. And I want to tell you, I've experienced a grief that's even deeper than the mourning for innocent people dying. It's a grief that says if we miss God's message, if we turn a deaf ear to what He is loudly proclaiming, then much worse is in store for us.

The prophet Isaiah speaks directly to what we've experienced. If you object to using the Old Testament for examples, consider Paul's words on the subject: "All these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come" (1 Corinthians 10:11). Paul makes it clear that the examples of the Old Testament reveal just how God moves in times like ours.

At the time that Isaiah prophesied, God had been dealing patiently with Israel for about 250 years. The Lord had sent "light afflictions" upon His people, calling them to repentance. He was trying to woo them out of their brazen idolatry and back into His blessing and favor.

All the prophets throughout the years had spoken to Israel the same essential word: "Humble yourselves." Scripture says, "They served idols . . . yet the Lord testified against Israel, and against Judah, by all the prophets, and by all the seers, saying, Turn ye from your evil ways, and keep my commandments and my statutes" (2 Kings 17:12-13).

But God's chosen nation rejected His call to repentance. "They would not hear, but hardened their necks" (17:14). These people mocked the prophets who called them to humility. And, instead, they "followed vanity, and became vain . . . and they left all the commandments of the Lord their God . . . and sold themselves to do evil in the sight of the Lord. . . . Therefore the Lord was very angry with Israel" (2 Kings 17:15-18).

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book. *“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Can you imagine? The world power structure can, and will if necessary, make some or all of these things happen to bring about the New World Order.”* [[“Behold A Pale Horse“](#)., p. 177-8]

# **GREAT QUOTES**

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

# Humility in Daily Life

00- Humility by Andrew Murray –

**Tribulation Now**

**(6 minutes)**

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

**Col 3:12-17**

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection. 15 And let the peace of God rule in your hearts, to which also you were called in one body; and be thankful. 16 Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

NKJV

# BE NICE TO EACHOTHER

Col 3:12-15

## **GODLY WARNING PLEASE DISCERN**

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

### **We All See Through the Mirror Dimly**

#### **1 Cor 13:12**

*For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.*

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

#### **Deut 18:22**

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST  
by David Wilkerson  
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO  
GOD'S PROPHECIES  
OR FACE RUIN /  
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

*I have begun stirring up the heavens, for I shall display My glory there. I created the heavens, the earth, and all you see, My children, and they are Mine to do with as I please.*

*I shall give many signs in the heavens of My soon return. Some beautiful to watch, some, though, not so pleasant. I desire to save those who are lost, and call back those who have left Me, and I will use whatever means necessary to do this.*

*Not all My signs in the heavens are those you expect, for I shall show mankind that I AM the Lord.*

Deuteronomy 10:14 Behold, the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is.

Psalms 19:1 The heavens declare the glory of God; and the firmament sheweth his handywork.

## WE MUST NOT MISS THE MESSAGE

by David Wilkerson | July 9, 2015

[May 19, 1931 – April 27, 2011]

[f](#) [t](#) [e](#) [v](#) [p](#) [PDF](#) [TXT](#) [Print](#)

Ministers and theologians everywhere are saying, "God has nothing to do with disasters. He wouldn't allow awful things to happen." Yet, nothing could be further from the truth. This kind of thinking is causing our nation to rapidly miss the message God wants to speak to us through tragedy.

The fact is, we have to have a word from God. Like many pastors, I've wept and grieved over awful calamities. I've sought the Lord in prayer and through His Word. And I want to tell you, I've experienced a grief that's even deeper than the mourning for innocent people dying. It's a grief that says if we miss God's message, if we turn a deaf ear to what He is loudly proclaiming, then much worse is in store for us.

The prophet Isaiah speaks directly to what we've experienced. If you object to using the Old Testament for examples, consider Paul's words on the subject: "All these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come" (1 Corinthians 10:11). Paul makes it clear that the examples of the Old Testament reveal just how God moves in times like ours.

At the time that Isaiah prophesied, God had been dealing patiently with Israel for about 250 years. The Lord had sent "light afflictions" upon His people, calling them to repentance. He was trying to woo them out of their brazen idolatry and back into His blessing and favor.

All the prophets throughout the years had spoken to Israel the same essential word: "Humble yourselves." Scripture says, "They served idols . . . yet the Lord testified against Israel, and against Judah, by all the prophets, and by all the seers, saying, Turn ye from your evil ways, and keep my commandments and my statutes" (2 Kings 17:12-13).

But God's chosen nation rejected His call to repentance. "They would not hear, but hardened their necks" (17:14). These people mocked the prophets who called them to humility. And, instead, they "followed vanity, and became vain . . . and they left all the commandments of the Lord their God . . . and sold themselves to do evil in the sight of the Lord. . . . Therefore the Lord was very angry with Israel" (2 Kings 17:15-18).

# The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

## **House 12 President: ?**

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

*[Note: Could this be the Puerto Rico Comet event?]*

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

*[Note: This is the Sixth Seal Rev 6:12-17]*

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

*[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]*

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved.

**Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.**

*[Note: This is Obama, the Antichrist]*

Then the dream ended.

## The Year Ahead

*The year ahead shall be fraught with perils, My children. I am shaking those things that can be shaken in order to show those that believe Me not their great need of a savior. They will not turn their hearts to Me until they see they can no longer save themselves.*

*My children who walk with me know they need not fear. Every earthly kingdom will I shake. Every union and alliance not built on Me, will I also shake.*

*It is imperative that My people are clinging to and relying on Me and My Word alone. If you have placed your faith in anything other than Me, I shall expose it to you as I shake you loose from it.*

*Times coming will require your absolute, undivided loyalty to Me only. Any allegiance to the Evil One will be your destruction in that time.*

*I am coming back for a bride without spot or blemish!*

# PASTOR TD HALE DREAMS

## The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

**Please Note:** It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

## **Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US**

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

# THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

**POLE SHIFT**  
Before  
**2017**  
  
Revelation 6:14  
;and every mountain and island was moved  
out of its place.  
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>)

In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

# Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

## **CNN** - US Investigating ISIS Use of Chemical Weapons

# US AND UN RESPONSIBLE FOR ALLEGED ISIS CHEMICAL ATTACK AGAINST KURDS IN IRAQ

Mustard agent at al-Muthanna raided by ISIS sold to Saddam Hussein

by KURT NIMMO | INFOWARS.COM | AUGUST 14, 2015

On Thursday the corporate media went into overdrive reporting a sensationalistic story on the unconfirmed use of a mustard agent by ISIS in Iraq.

The US claimed it had “credible” evidence the Islamic State used a chemical weapon against Kurdish Peshmerga fighters in Iraq, but on Friday the Pentagon dialed back the accusation.

Air Force Col. Patrick Ryder, a U.S. Central Command spokesman, told reporters said he did not have conclusive or even circumstantial evidence an attack actually took place.

“But in terms of the current status of that capability, I don’t have anything further to provide from here,” he said. “We are looking in to these reports, but beyond that I don’t have anything further.”

In October a report issued by the [Middle East Review of International Affairs](#) stated ISIS had used a mustard agent taken from a Saddam Hussein-era chemical weapons facility near the city of Samarra, located 45 miles northwest of Baghdad, and had transferred the munitions to Syria.

A federal judge's order that a county clerk must violate her Christian faith and issue marriage licenses to same-sex couples to meet the constitutional right to homosexual unions newly created by the U.S. Supreme Court now is under challenge at the 8th U.S. Circuit Court of Appeals.

The notice of appeal was filed by attorneys with Liberty Counsel immediately after U.S. District Judge David Bunning ordered Rowan, Kentucky, County Clerk Kim Davis to violate her deeply held religious beliefs, protected by the First Amendment, and issue marriage licenses to same-sex couples.

The judge's ruling appeared to advance President Obama's ongoing campaign to replace "freedom of religion" with "freedom of worship."

WND has reported that for years the Obama administration has referenced the First Amendment constitutional protection in new language.

China's state television shows aerial view of devastation at Tianjin blast site

**SHOCKING** aerial photos reveal the full extent of the two deadly Tianjin chemical explosions which have left at least 112 dead.

Chinese authorities ordered the evacuation of residents within a 3km radius of the warehouse that exploded, as police confirmed the presence of tonnes of the highly toxic chemical sodium cyanide.

Shi Luze, chief of the general staff of the Beijing military region, said cyanide had been identified at two locations in the blast zone.

Sodium cyanide is a toxic chemical that can form a flammable gas upon contact with water.

"The volume was about several hundreds of tonnes according to preliminary estimates," he said.

## Mexico finds subterranean river under Chichen Itza pyramid

Mexican experts have discovered that the main pyramid at Mexico's Mayan ruins of Chichen Itza was at least partially built atop a subterranean river.

*Ruins at Chichen Itza: one corner of the pyramid rested on the underground chamber, so it was in danger of collapsing [Credit: David Pedre/Getty Images]*

Experts from Mexico's National Autonomous University say they found a subterranean cavity about 20 meters (yards) deep below the pyramid of Kukulcan, also known as El Castillo.

Geophysics expert Rene Chavez said Thursday the underground river chamber is naturally covered by rock.

Such underground rivers often connect the open "cenotes," or sinkhole lakes, that dot Mexico's Yucatan peninsula.

The discovery was made using a kind electrical resistance survey, not by excavating. Chavez said one corner of the pyramid rested on the underground chamber, so it was in danger of collapsing.

## Nuclear Physicist Declares: 'Science Will Never Contradict The Bible'

**STELLENBOSCH, South Africa** – An accomplished nuclear physicist has recently expressed outspoken support for the Genesis creation account, arguing that the evolutionary worldview “fails dismally” in its description of scientific reality.

Dr. Brandon van der Ventel is a nuclear physicist with a Ph.D. from South Africa’s Stellenbosch University, where he currently teaches theoretical nuclear physics. Van der Ventel’s specialties include biological systems, physics

education, and computational physics.

In an interview with Christian News Network, van der Ventel explained why—as a physicist—he firmly believes the literal, historical interpretation of the Bible’s creation account. The theory of evolution, he explained, is scientifically unsubstantiated.

“The final arbiter of any theory must be based on the strength of its description of physical reality,” he said. “It is in this respect that the theory of evolution fails dismally.”

Not only is the second law of thermodynamics “a powerful argument against chemical evolution,” van der Ventel stated, but the very dating methods evolutionists cite are mostly supported by assumptions—not physics.

<http://christiannews.net/2015/08/03/nuclear-physicist-declares-science-will-never-contradict-the-bible/>

Van der Ventel asserted that “all scientific evidence has always and will always support the Bible.”

“Science will never contradict the Bible,” he said. “The reason is very simple: the Author of Scripture is also the Creator. That is what we as Christians should believe and promulgate at all times. It is a false dichotomy to think that the Bible and Science are in opposition. Even Christians fall into this mode of thinking due to the vicious and unrelenting propaganda.”

## War in Space May Be Closer Than Ever

China, Russia and the U.S. are developing and testing controversial new capabilities to wage war in space despite their denial of such work

By Lee Billings | August 10, 2015

The world's most worrisome military flashpoint is arguably not in the Strait of Taiwan, the Korean Peninsula, Iran, Israel, Kashmir or Ukraine. In fact, it cannot be located on any map of Earth, even though it is very easy to find. To see it, just look up into a clear sky, to the no-man's-land of Earth orbit, where a conflict is unfolding that is an arms race in all but name.

The emptiness of outer space might be the last place you'd expect militaries to vie over contested territory, except that outer space isn't so empty anymore. About 1,300 active satellites wreath the globe in a crowded nest of orbits, providing worldwide communications, GPS navigation, weather forecasting and planetary surveillance. For militaries that rely on some of those satellites for modern warfare, space has become the ultimate high ground, with the U.S. as the undisputed king of the hill. Now, as China and Russia aggressively seek to challenge U.S. superiority in space with ambitious military space programs of their own, the power struggle risks sparking a conflict that could cripple the entire planet's space-based infrastructure. And though it might begin in space, such a conflict could easily ignite full-blown war on Earth.

Anti-satellite missile tests, like this one conducted by the U.S. Navy in February 2008, are part of a worrisome march toward military conflict in outer space.

Aliens came to Earth to stop a nuclear war between America and Russia, according the bizarre claim of a former astronaut.

Edgar Mitchell, the sixth man to walk on the moon, says high-ranking military officials witnessed alien ships during weapons tests throughout the 1940s.

The UFOs, he says, were spotted hovering over the world's first nuclear weapons test which took place on July 16, 1945 in the desolate White Sands deserts of New Mexico.

**UPDATE FROM THE HOSTS**

August 12, 2015

All right, now. We have asked to speak with you today because we are dealing with a very dynamic situation and there have been some changes that we would like to disclose to you at this time.

The "loyal opposition" (the elites) have been going forward with their plans for a global totalitarian regime and have hit some unexpected complications that require them to delay certain actions on their part until they have worked out solutions that will allow them to proceed with a reasonable expectation for their success.

OUR timing is dependent on their timing, because we are expecting to carry out the evacuation during the time of chaos that we expect to follow the financial collapse, and to complete it before a comprehensive system of controls is put in place in response to the predictable outcry for someone to "Do something!" about the chaos itself. We also have to factor in the upcoming time of cataclysms and the end of the time dilation itself, so our timing is going to be delayed and must therefore also be shortened, in order to complete the evacuation within those opposing constraints.

This will result in a greatly intensified effort on our part and also in a greatly intensified climate of crisis all around the world. By putting off the financial collapse, when it finally does happen, it will be even more severe than it would have if it had occurred sooner. This, in turn, will result in an even more intense reaction from people all over the world, and therefore things are going to be much more turbulent than they would have been if this had occurred earlier. It's similar to a pressure cooker that builds up even greater pressure the longer the heat continues to build under it without letting some of the pressure to escape in the form of steam.

What this means is that your preparations to get through that period of chaos won't need to cover as long a period of time, and you won't need to begin using them quite as soon as we had expected, but do not expect this present delay to be very long — perhaps a month to six weeks of your time. If you have not finished your preparations, we urge you to do so now because when this collapse comes, it will be even more difficult to obtain necessities than it would have been before.

The tipping point that we spoke about in June has now occurred and a rapid and progressive economic deterioration is under way at this time. In addition, those who are vying with each other to end up the winner(s) in this global competition for resources and assets are becoming even more determined in their efforts to maintain and increase their position, so the opportunities for "power plays" are also increasing in frequency and scope. This also means that the amount of money needed to sustain these efforts is also increasing, which will also act to intensify the financial collapse when it occurs. Everything is so interconnected that nothing will be unaffected or immune to the effects of what is coming, so the grand finale we spoke about in December is going to be even more "grand" than we expected.

Oddly enough, this takes things to a much higher level for us and for everyone that we work with. It somehow brings in more energy when things are more tightly focused and concentrated within a shorter period of time. We suspect that most women would prefer a shorter period of labor in delivering a child than a longer one. It seems natural to be willing and able to put forth a stronger effort over a short period of time than to sustain that level of effort over a longer period of time.

A very different approach is needed when running a marathon than when sprinting for a shorter distance, so what this will translate to is a greater number of hands available to share the work and the need for more space in which to carry it out, so that there is room for everyone who is needed to be present at the same time and in essentially the same space. We are adapting accordingly and it gives us great pleasure to contemplate the increased scale of the "op" due to this compression created through the delayed timing of the financial collapse and the amount of time remaining before the cataclysms make things difficult for the evacuation to complete.

We would also like to comment on another development, one that we did not originally anticipate. In addition to the various factions of the elite competing with each other to be the ones in control of everything else, there are various extraterrestrial races competing with each other to fulfill their own agendas, so there are a number of surprising alliances taking place between different civilizations that do not normally associate with each other. Each of these civilizations has different goals and different reasons for wanting things to go a certain way so that their "future" ends up the way they want it to be.

The particular time and location in which you are expressing through your physical bodies is energetically rich, containing many alternative potentials that can be accessed by those who know how to navigate the fabric of space and time in such a way that they can jump timelines and alter outcomes through the choices they make. What this means is that some groups that have been subservient to certain races (such as the reptilians) are allying with various groups of humans and other civilizations to collectively negate the absolute rule the reptilians have historically held for the present planet and to prevent them from completing their plans for total control and domination of the planet and everything upon it.

We had anticipated that our collective fleets would have to singlehandedly engage with the reptilian presence in 3D Earth's airspace and remove it, but now some of that work is being done by others, who have their own reasons for doing so. For now, we are watching and waiting to see how that goes.

We have been continuing to work on the erasure of the cellular memory in each and every person who is part of Operation Terra, and it may not now be necessary to actually engage in a space war to heal the wounds of the past from having dealt with the reptilians in other times and places. This would alter many things, including what each person will experience and be part of.

It is also possible that we may still engage in a space war, but in cooperation with other fleets that we would not have allied with before. All of this is being worked on and sorted out at present, so we ask you to be patient a little while longer because these current developments could mean far less pain and loss if they can be negotiated successfully.

OUR goal is to assist the planet in becoming Terra. Ultimately, that will assure the reversal of the prior trend where the negative polarity was destroying everything it came in contact with, and would subsequently restore the galaxy (and ultimately the entire manifest reality) to its former estate. We have no attachment to how the details work out along the way and if an opportunity arises to achieve our goal with less pain and loss, we are glad to take it, as long as it furthers our goal of bringing Terra to fruition.

Everything exists solely to provide experience for the Creator, and no experience is preferred over any other BY the Creator, so if we can achieve our goal regarding Terra in a less stressful and painful way, all the better!

We are willing to do whatever it takes to complete our mission for planet Earth. We have been working toward this time for centuries — indeed since the birth of the planet herself. From the perspective of the elohim, the planet is our child, and — like good parents — we have had to accompany our creation through its birth, childhood, adolescence, and to assist it in achieving its full flowering as 4D Terra, a cultural center for the entire galaxy and a living paradise for every lifeform upon it.

So, the bottom line to all of this is that you will have a slightly longer time to enjoy your days as 3D humans, and then the “days will be shortened,” during which we will conduct the evacuation against a very intense backdrop of chaos, turbulence, and turmoil. We encourage you to listen to the Operation Terra anthem again, and pay special attention to the transition from the more energetic opening notes to the higher, gentler and more soothing notes that musically trace the passage that you will be experiencing in the days ahead.

At first things will seem quite dramatic and the approach of the evacuation will come as a welcome relief. But then things will become easier and lift you free of the turmoil playing out on the ground until you are safely tucked away on the ships and on Midway Station. Finally, you will come into your own true nature as divine beings, worthy of grace and ease in every moment of your existence. All the struggle, deprivation, pain, and noise will drop away and you will find yourself at home with others of like inclination, experiencing the peace, quiet joy, and love that you have always innately felt was your birthright but did not know where or how to find it.

Amen, Adonoy Sabayoth. We are the Hosts of Heaven, working as a team with Sananda, and waiting to welcome you home.

This fall and winter's predicted El Niño has the potential to become the most powerful ever recorded and could bring "extreme rainfall" to parched California, but it may not be enough to reverse four years of drought, federal forecasters said Thursday.

"Everything now is going to the right way for El Niño," Patzert said. "If this lines up to its potential, this thing can bring a lot of floods, mudslides and mayhem."

Data showing continued warm sea-surface temperatures in the Pacific Ocean were leading to the prediction of a strong El Niño to peak in late fall or early winter, according to a [monthly report](#) released Thursday by the National Weather Service's Climate Prediction Center.

The August report shows a greater than 90 percent chance of El Niño continuing through the Northern Hemisphere in winter, and a roughly 85

percent chance of it lasting until early spring.

While the rest of us watched in horror as tens of thousands died in the tsunamis of **2004** and **2011**, two Seattle aerospace designers felt compelled to build a shelter that could protect people from such devastating natural disasters. Since 2011, Julian Sharpe and Scott Hill have actively developed **Survival Capsule**, a range of **pod-like** disaster shelters for between two and ten people. While the pair are at pains to note that evacuating is the best plan in such an emergency, the capsules are particularly intended for the very young, the elderly and the infirm who cannot so readily escape.

# Almost half of Americans live in places that could be struck by damaging earthquakes

By Elahe Izadi August 11 [Follow @ElaheIzadi](#)

Preparing oneself -- emotionally and otherwise -- for the ground to shake is something that half of Americans should consider doing.

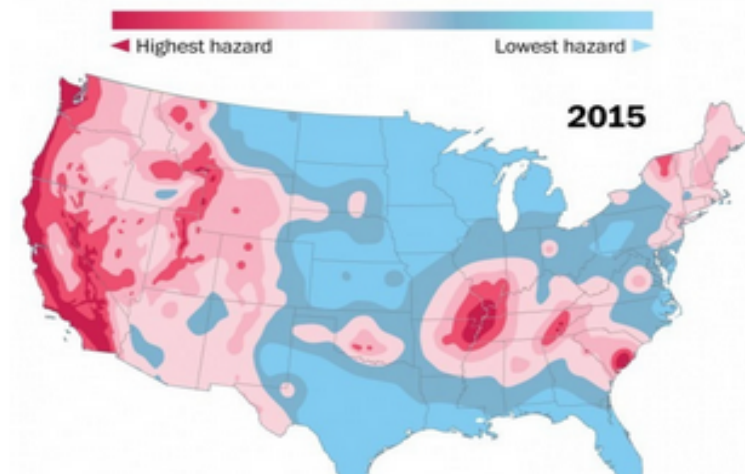

That's because about 143 million people in the 48 contiguous states live in areas at risk for potentially damaging earthquakes, according to U.S. Geological Survey research published Monday [in the journal Earthquake Spectra](#).

Add in Alaska and Hawaii, and just about half of Americans live in potential earthquake areas. Of them, 28 million live in places with "high potential" for ground shaking and 57 million live in "moderate" hazard zones.

These latest figures represent a major increase over previous estimates showing 75 million people living in 39 states were exposed to such a risk.

## Japan raises warning level on volcano not far from nuclear plant

Posted on [August 15, 2015](#)

**August 2015 – JAPAN** – Japan warned on Saturday that a volcano 50 km (31 miles) from a just-restarted nuclear reactor is showing signs of increased activity, and said nearby residents should prepare to evacuate. Sakurajima, a mountain on the southern island of Kyushu, is one of Japan's most active volcanoes and erupts almost constantly. But a larger than usual eruption could be in the offing, an official at the Japan Meteorological Agency said. "There is the danger that stones could rain down on areas near the mountain's base, so we are warning residents of those areas to be ready to evacuate if needed," the official added. The agency also said it had raised the warning level on the peak, 990 km southwest of Tokyo, to an unprecedented 4, for prepare to evacuate, from 3. Roughly 100 people could be affected.

Japan on Tuesday restarted a reactor at the Sendai nuclear plant, some 50 km from Sakurajima. It is the first reactor to be restarted under new safety standards put in place after the 2011 Fukushima disaster. Critics have long pointed out that the plant is also located near five giant calderas, crater-like depressions formed by past eruptions, with the closest one some 40 km away. Still, the Nuclear Regulation Authority (NRA) has said the chance of major volcanic activity during the lifespan of the Sendai plant is negligible. Two years ago, Sakurajima shot ash some 5,000 meters into the air.

Japan lies on the "Ring of Fire" – a horseshoe-shaped band of fault lines and volcanoes around the edges of the Pacific Ocean – and is home to more than 100 active volcanoes. Last year, Mount Ontake in central Japan erupted unexpectedly, killing 63, the worst volcanic disaster for nearly 90 years. In May, a remote island south of Kyushu was evacuated due to another eruption. – **Reuters**

## Ecuador declares state of emergency over volcano

16 August 2015 | Latin America & Caribbean

Eruptions at the Cotopaxi volcano have sent plumes of ash and smoke into the sky

Ecuador President Rafael Correa has declared a state of emergency over increasing activity at the Cotopaxi volcano near the capital, Quito.

The declaration gives authorities more flexibility in using government funds to address the situation.

Officials evacuated several hundred people from nearby villages after the volcano began to erupt on Friday.

Cotopaxi is among the world's most dangerous volcanoes and is prone to fast-moving rock and mud flows.

# PLAGUE-INFECTED SQUIRRELS FOUND AT YOSEMITE NATIONAL PARK CAMPGROUND

Health officials will close a campground at Yosemite National Park and spray for fleas after a park visitor contracted the plague

astronomyblog / Flickr

by VERONICA ROCHA | LOS ANGELES TIMES | AUGUST 15, 2015

**About a week ago, officials said a child fell ill with the plague at Yosemite National Park. Now a popular campground there will be closed after several squirrels were killed by the disease.**

The plague-infected squirrels were found in the Tuolumne Meadows Campground, about 40 miles west of Crane Flat Campground, where the child was camping with family.

In an "extremely precautionary public health measure," park officials will apply flea insecticide to rodent burrows. As a result they are closing the campground from noon Monday to noon Friday, Aug. 21.

The infectious disease is carried by squirrels, chipmunks and other rodents via fleas. When an infected rodent becomes sick and dies, its fleas can carry the disease to other animals and humans.

Earlier today, we posted an excerpt from IceCap Asset Management's latest letter to investors focusing on the farce that is the Greek bailout #3, which can be summarized simply by the following table...

Greece	Debt	Result
Crisis # 1 - 2009	\$ 140 Billion	couldn't pay back - needed bailout
Crisis # 2 - 2012	\$ 240 Billion	couldn't pay back - needed bailout
Crisis # 3 - 2015	\$ 400 Billion	???

... and Keith Dicker's assessment which was that "for Greece, it's mathematically impossible to repay its debt" and that the Greek "economy continues to plummet to deeper depths and is now -33% less than where it was in 2008."

But the truth is that for all the endless drama, Dicker continues, "the Greek debt crisis isn't THE crisis. Rather it is simply a symptom of a much larger global debt crisis."

The problem is that the "larger global debt crisis" is finally metastasizing and spreading to more places, all of which are large enough that they can *not* be simply swept under the rug, like Greece.

\* \* \*

*IceCap's Keith Dicker continues:*

We've written before that governments all around the world have borrowed too much money and the weight of these debts are choking economic growth.

And to make matters worse – these very same governments and their central banks have implemented various plans that have only made matters worse.

Our view has not changed – the global debt crisis has escalated to a point where the government bond bubble has inflated itself to become the mother of all bubbles. It's going to burst, and when it does it won't be pretty.

Further evidence to support our view is as follows:

At least 110 people dead and 300 injured in a string of regime air raids on Douma, near Damascus, activists say.

At least 110 people have been killed in a string of Syrian government air strikes on a marketplace in Douma, a rebel-held town near Damascus, activists said.

At least 300 people were injured, with the death toll, most of them civilians, likely to rise as many of the wounded were in a serious condition, the UK-based Syrian Observatory for Human Rights said on Sunday.

The civil defence in Douma put the death toll at 100.

Firas Abdullah, a local photographer in Douma, told Al Jazeera that this was the main market in the town.

"The market has always been crowded with people buying and selling to make a living," he said.

## 'Complete disaster:' US training of Syrian rebels falters as Kurds prove combat superiority – report

The US plan to train Syrian rebels to combat the Islamic State is reportedly in tatters. Though America has not given up on the plan publicly, the military is now allegedly looking to Syrian Kurdish militias for help against the extremists.

According to a report by the Daily Beast, the failure of the US to find enough rebel candidates to create a sufficient and competent New Syrian Force has the military leadership considering other options, at least internally. Congress has already allocated \$500 million for building a "moderate Syrian opposition," but the US has only been able to train 54 individuals in total so far.

That's a far cry from the 15,000-strong force officials envisioned when starting out. Complications included finding rebels that had enough combat experience and who would not divert their focus to fighting embattled Syrian President Bashar Assad, whom they want to see toppled and have been struggling against for years in an ongoing civil war.

**Division 30, also known as the New Syrian Forces, was created by the United States as part of a propaganda campaign to counter the fact virtually all of the mercenaries in Syria have gone over to the Islamic State.**

On May 8 Defense Secretary Ashton Carter announced 90 mercenaries had begun training with the Pentagon and would be trained at camps in Turkey, Saudi Arabia, Qatar and Jordan.

“These trainees are recruited, they’re vetted, and only then are they put into training,” Carter said.

In early July two-thirds of the Division 30 mercenaries, including the groups’s commander Nadim al-Hassan, were captured in Syria north of Aleppo by Jabhat al-Nusra fighters.

Jabhat al-Nusra is described by the corporate media as an al-Qaeda affiliate sworn to take down the Syrian leader Bashar al-Assad. In June, 2014, the group reportedly [pledged allegiance to ISIS at Albu Kamal on the Syria-Iraq border.](#)

The leader of al-Nusra, [Abu Mussab al-Makdessi](#), said the ISIS fighters “remain our brothers” and the “ideological bond between us is stronger than anything. We are ready to fight by their side ... our blood is their blood.”

Late Saturday it was reported seven members of Division 30 were released by al-Nusra and it was hoped Nadim al-Hassan would be released soon.

# North Korea threatens imminent strikes against South, warns US

By Giles Hewitt  
August 14, 2015 11:13 PM

North Korea on Saturday threatened South Korea with "indiscriminate" military strikes unless it halts cross-border propaganda broadcasts, and issued fresh nuclear weapons warnings against the United States.

The threats came amid escalating military tensions on the Korean peninsula following a landmine attack South Korea blamed on the North and ahead of a major South Korea-US joint military exercise condemned by Pyongyang.

They also coincided with celebrations in both Koreas to mark the 70th anniversary of the Korean peninsula's 1945 liberation from Japanese colonial rule.

North Korea's Navy and Air Force recently conducted a drill simulating "mercilessly striking" U.S. Aircraft Carriers using "guerrillas-style combat," according to official media outlets.

On Saturday the *Korean Central News Agency* [reported that](#) Kim Jong-un had recent personally overseen a recent joint naval and air force drill that practiced sinking U.S. Aircraft carriers.

"The drill was conducted with main emphasis on rounding off the war method of mounting surprise air and naval attacks on the U.S. imperialists' carrier which sailed into the operation waters in the southern half to make military strikes at strategic targets of the DPRK," the report said, using North Korea's official name, the Democratic People's Republic of Korea (DPRK).

The United States sent three of its most advanced bombers to the Guam base this week, according to the U.S. Air Force.

In a [press release](#) published on its website on Monday, U.S. Air Force Global Strike Command said that "Three B-2 bombers and approximately 225 Airmen from Whiteman Air Force Base, Missouri, deployed to Andersen Air Force Base, Guam, Aug. 7 to conduct familiarization training activities in the Pacific region."

The statement added: "This training deployment demonstrates continuing U.S. commitment to regular, global strategic bomber operations throughout the Indo-Asia-Pacific region."

No other details were provided in the statement, however, it is likely that the bombers were on a routine training mission. Indeed, [in early August 2014](#), three B-2s deployed to Guam from Whiteman Air Force Base as part of an Air Force Global Strike Command training exercise.

A skin-worn sensor that turns the human body into a touch sensitive surface for controlling mobile devices has been developed by scientists in Germany. iSkin is made from biocompatible silicone rubber with pressure-sensitive sensors that are stuck to the skin of the users, allowing them to use their own body to control mobile devices.

Developed by scientists at the Max Planck Institute for Informatics and Saarland University, the experimental system has been produced in different shapes and sizes to suit various locations on the body, such as the finger, forearm and even behind the ear-lobe. The sensor is capable of detecting touch input pressure even when being stretched or bent. With the current prototypes; wearers can answer incoming calls, play music and adjust volume. A roll-up keyboard for use with a smart watch has also been designed.

iSkin's thin, soft and flexible design presents new possibilities for mobile interaction that have not been possible with existing

hardware, according to co-developer Martin Weigel.

"Current electronics are mostly using rigid components which are very uncomfortable to wear on the body and are limiting the locations to, for example, the wrist or on the head to be worn. But our sensor is a flexible and stretchable sensor, so it can cover many locations. For example, even the backside of the ear or the forearm. So, we have a much larger input space than current electronics allow for," he said.

# MYSTERIOUS DEATH: BODY OF DOCTOR WHO LINKED VACCINES TO AUTISM FOUND FLOATING IN RIVER

Dr. Jeff Bradstreet helped families whose children were believed to have been damaged by immunizations

by ADAN SALAZAR | INFOWARS.COM | JUNE 26, 2015

**A prominent autism researcher and vaccine opponent was found dead floating in a North Carolina river last week under what many are calling suspicious circumstances.**

A fisherman found the body of Dr. James Jeffery Bradstreet in the Rocky Broad River in Chimney Rock, North Carolina, last Friday afternoon.

“Bradstreet had a gunshot wound to the chest, which appeared to be self-inflicted, according to deputies,” reported WHNS.

In a [press release](#), the Rutherford County Sheriff's Office announced, “Divers from the Henderson County Rescue Squad responded to the scene and recovered a handgun from the river.”

An investigation into the death is ongoing, and the results of an autopsy are also reportedly forthcoming.

Dr. Bradstreet ran a private practice in Buford, Georgia, which focused on “treating children with Autism Spectrum Disorder, PPD, and related neurological and developmental disorders.”

Among various remedies, Dr. Bradstreet's Wellness Center reportedly carried out “mercury toxicity” treatments, believing the heavy metal to be a leading factor in the development of childhood autism.

Dr. Bradstreet undertook the effort to pinpoint the cause of the disease after his own child developed the ailment following routine vaccination.

# Look mum, I'm microchipped! Boy, 15, injects himself with tiny controller that can operate his mobile phone, unlock doors and even hand out business cards

- Bryon Wake carried out DIY operation while his parents were downstairs
- He believes he is the youngest person in the world to have chip implanted
- Chip emits radio-frequency that triggers events like unlocking phones or starting a car

By BEN WILKINSON FOR THE DAILY MAIL

PUBLISHED: 17:29 EST, 30 June 2015 | UPDATED: 01:27 EST, 1 July 2015

Most parents fear their teenager might get a tattoo or a piercing without their permission.

But technology enthusiast Bryon Wake, 15, injected himself with a microchip in a DIY operation in his bedroom while his unwitting mother and father were downstairs.

The tiny chip – the size of a grain of rice – can be programmed so the schoolboy can control his mobile phone, unlock doors, and even hand out electronic business cards.

The cyborg teenager – who believes he is the youngest person in the world to have the chip implanted – ordered the kit from the United States and went ahead with the procedure despite being warned a medic should help.

He said: 'I didn't tell my parents until three days later. They took it better than expected because they had already told me not to do it.'

'And then when I did tell them I'd done it, they just went with it.'

'Afterwards I had checked it out at the doctor who said it was fine and they were happy.'

'My grandpa is a surgeon and he said that he was proud, and my mum wasn't expecting that at all.'

The chip works by using near field communication (NFC) which emits a low power radio-frequency signature that triggers pre-programmed events like unlocking a phone or starting a car.

So far, Byron, of Martock in Somerset, has been using the chip's ability to unlock his phone automatically and also to control the Bluetooth function to play music from his speakers.

He is also able to send business cards by touching his hand onto other Android user's phones, which will automatically transfer his details.

# U.S. military pays Syrian rebels up to \$400 per month: Pentagon

WASHINGTON | BY DAVID ALEXANDER

Syrian rebels receiving U.S. military training to battle Islamic State militants are being paid \$250 to \$400 per month, depending on their skills, performance and leadership position, the Pentagon said on Monday.

It was not immediately clear how many Syrian rebels were currently being paid. Army Colonel Steve Warren, a Defense Department spokesman, said last week that up to 200 Syrian fighters were undergoing training. A further 1,500 have completed the necessary screening.

Defense Secretary Ash Carter said in May that Syrian fighters participating in the U.S.-led mission would receive "some compensation," but he gave no figures.

### DAY THREE

Father Creator allowed Niburu to be captured as part of the solar system so that He could utilize this interloper planet to repattern the number, arrangement, and orbits of all of the other planetary members. Niburu would split the heavens, firmaments, or waters into two main divisions, thus its name as the planet of the crossing. After the destruction of Tiamat, Ki, or the new Earth, was shifted from an orbit outside of to one inside of Mars, usurping it as the new third planet from the sun. This event was celebrated by the ancients as having resulted in the perfect circumstance for life to begin multiplying rapidly on what was the recreated planet Earth. The Annunaki would target this planet in order to acquire the gold necessary to heal a breach in the atmosphere of their planet. Way stations were established by the fallen ones on the moon and Mars for the transportation of gold as both had less gravitational pull, making it possible to lift heavier loads for transport back to Niburu.

And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so. And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.

Genesis 1 (KJV)

The pillars of heaven are stunned at His rebuke. He quiets The sea with his power, and by his understanding He shatters, Rahab, by His spirit the heavens were beautiful, His hand forbids the fugitive snake.

Job 26:11, KJV
