### UFOs, Biblical Time Travel and Hollow Earth with Pastor Jim Wilhelmsen

Join Kenneth, John and Cathy in the chat room while they discuss the empirical events across the world leading up to World War III, the trickery and deceit of the New World Order, and the bizarre weirdness of the fallen angelic UFO phenomenon as we plunge head first into the forthcoming apocalypse and the Seven Seals of Revelation (chapter 6). Tonight we are blessed to have pastor Jim Wilhelmsen join us to share his insights on UFOs, aliens, time travel in the Bible, and Hollow Earth theory. Brother Jim worked as a pastor on the front lines in Roswell New Mexico and has an amazing testimony and insight to many of these amazing subjects.

## *The Comfort of the Holy Spirit*

*I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever.*

—John 14:16 KJV

*Scripture reading:* John 14:15–31

Jesus knew that He was going away and that, if He went away, it was expedient, it was necessary, it was important that Another come in His place and continue guiding and teaching them as He had been (John 16:7, 14 KJV). “*You in Me, and I in you*” (John 14:20). There was a plan of divine order. So the Holy Spirit was to come.

I want you to see what has to take place when the Holy Spirit comes:

*And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you. I will not leave you comfortless: I will come to you.*  
(John 14:16–18 KJV)

I don't know a word that could be as fitting at this time as this word “*Comforter*.” I want to take you with me into the coming of this Holy Spirit.

After Jesus ascended to heaven, He asked the Father to send the Comforter. It was a needy moment, a needy hour, a necessity. Why? Because the disciples would need comforting.

How could they be comforted? The Holy Spirit would take the word of Christ and reveal it to them (John 16:14). What could help them as much as a word by the Spirit? For the Spirit is breath, is life, is person, is power. He gives the breath of Himself to us, the nature of Him. How beautiful that, when the Spirit came, He should be called the “*Spirit of truth*” (John 14:17). Oh, if we would only let that truth sink deep into our hearts!

Some people have wondered that if they were to ask for the baptism of the Holy Spirit, if an evil power could come instead or if an evil power could possess them while they were waiting for the Holy Spirit. No! When you receive the Holy Spirit, you receive the Spirit of Truth, the Spirit who gives revelation, the Spirit who takes the words of Jesus and makes them life to you. In your moment of need, He is the Comforter.

*Thought for today:* When the Holy Spirit comes into your body, He comes to unveil the King, to assure you of His presence.

## WE MUST NOT MISS THE MESSAGE

by David Wilkerson | July 9, 2015

[May 19, 1931 – April 27, 2011]

[f](#) [t](#) [e](#) [v](#) [p](#) [PDF](#) [TXT](#) [Print](#)

Ministers and theologians everywhere are saying, "God has nothing to do with disasters. He wouldn't allow awful things to happen." Yet, nothing could be further from the truth. This kind of thinking is causing our nation to rapidly miss the message God wants to speak to us through tragedy.

The fact is, we have to have a word from God. Like many pastors, I've wept and grieved over awful calamities. I've sought the Lord in prayer and through His Word. And I want to tell you, I've experienced a grief that's even deeper than the mourning for innocent people dying. It's a grief that says if we miss God's message, if we turn a deaf ear to what He is loudly proclaiming, then much worse is in store for us.

The prophet Isaiah speaks directly to what we've experienced. If you object to using the Old Testament for examples, consider Paul's words on the subject: "All these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come" (1 Corinthians 10:11). Paul makes it clear that the examples of the Old Testament reveal just how God moves in times like ours.

At the time that Isaiah prophesied, God had been dealing patiently with Israel for about 250 years. The Lord had sent "light afflictions" upon His people, calling them to repentance. He was trying to woo them out of their brazen idolatry and back into His blessing and favor.

All the prophets throughout the years had spoken to Israel the same essential word: "Humble yourselves." Scripture says, "They served idols . . . yet the Lord testified against Israel, and against Judah, by all the prophets, and by all the seers, saying, Turn ye from your evil ways, and keep my commandments and my statutes" (2 Kings 17:12-13).

But God's chosen nation rejected His call to repentance. "They would not hear, but hardened their necks" (17:14). These people mocked the prophets who called them to humility. And, instead, they "followed vanity, and became vain . . . and they left all the commandments of the Lord their God . . . and sold themselves to do evil in the sight of the Lord. . . . Therefore the Lord was very angry with Israel" (2 Kings 17:15-18).

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

# General Booth

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

# Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

**Col 3:12-17**

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection. 15 And let the peace of God rule in your hearts, to which also you were called in one body; and be thankful. 16 Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.

NKJV

# BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

## **GODLY WARNING PLEASE DISCERN**

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

### **We All See Through the Mirror Dimly**

**1 Cor 13:12**

*For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.*

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

**Deut 18:22**

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST  
by David Wilkerson  
[May 19, 1931 – April 27, 2011]

**WE MUST LISTEN TO  
GOD'S PROPHECIES  
OR FACE RUIN /  
DESTRUCTION**

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26), He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

*In coming months you will see two trends. Doors of great opportunity will open for My people who are doing My Will, and hardships for those who continue to refuse Me, and those who refuse to believe in My Son.*

*I have told you how to prosper in what is coming. Wrap yourself in My Word. Soak in My Word, know My Word. Get understanding, and you can survive anything, any hardship.*

*Watch as I open doors of opportunity now for My people who are doing My Will. I will set apart those who have set apart themselves for My work. These will prosper and grow even as world conditions around them decline.*

*Get into My Word. Get into My Will, and grow with Me.*

## **ONLY THE OVER-COMERS WILL PERFORM THE TASKS SET BEFORE THEM IN MY POWER AND AUTHORITY**

*Message received August 5, 2015*

*My people perish for lack of knowledge, but wisdom and knowledge are always available to those who seek it, and wisdom has found her place in My people. I AM teaches you personally and has granted your prayers, that you would be taught from the Tree of Life. Every good gift and blessing comes from the Father of lights above. I always wish to shower My people with love, blessing, and with My knowledge and wisdom from on high. All is available to those who seek it. You walk with Me, you talk with Me, you are in My company; therefore all things are yours as they are Mine.*

*I am teaching you to walk in the authority that has been given to you. Now is the time to wield your swords mightily, to utilize all that has been taught. It is your spirit man that must rule your soul man, not the reverse. Placed within you is the understanding of how to walk as an over-comer. You must come to this realization now My people. For it is only those who come to this understanding now, who will walk in My complete authority and power in this place that I will enable to perform all the tasks that I have set before them.*

*Subdue your soul nature, rise above the physical imperfections and infirmities in this life. Speak health and wellness in your beings, in these My sanctuaries. Rise with healing in My wings to the standard I have set before you. Accept nothing less. Deception abounds all around you, in every aspect in your lives, but you are fed truth continually by Me, your great Teacher and Shepherd.*

*Put on the garments of praise for the spirit of heaviness for My grace is sufficient for all needs. You do not walk this path alone for My rod and My staff, they guide you and in your weakness, I am made strong. Forget not this day all that has been taught to you and shared with you from My heart. Seek to encourage yourselves through the words I have shared and the promises I have made to My over-comers. Nourish yourselves in My word and in My presence. Allow Me to find My rest in you, and in this you will have great peace. Seek wisdom My people and it shall be found. Greater revelation is always available unto you. Do not stop seeking and asking, praying, knocking, for the door is open. I shall make My home within you.*

## WE MUST NOT MISS THE MESSAGE

by David Wilkerson | July 9, 2015

[May 19, 1931 – April 27, 2011]

[f](#) [t](#) [e](#) [v](#) [p](#) [PDF](#) [TXT](#) [Print](#)

Ministers and theologians everywhere are saying, "God has nothing to do with disasters. He wouldn't allow awful things to happen." Yet, nothing could be further from the truth. This kind of thinking is causing our nation to rapidly miss the message God wants to speak to us through tragedy.

The fact is, we have to have a word from God. Like many pastors, I've wept and grieved over awful calamities. I've sought the Lord in prayer and through His Word. And I want to tell you, I've experienced a grief that's even deeper than the mourning for innocent people dying. It's a grief that says if we miss God's message, if we turn a deaf ear to what He is loudly proclaiming, then much worse is in store for us.

The prophet Isaiah speaks directly to what we've experienced. If you object to using the Old Testament for examples, consider Paul's words on the subject: "All these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come" (1 Corinthians 10:11). Paul makes it clear that the examples of the Old Testament reveal just how God moves in times like ours.

At the time that Isaiah prophesied, God had been dealing patiently with Israel for about 250 years. The Lord had sent "light afflictions" upon His people, calling them to repentance. He was trying to woo them out of their brazen idolatry and back into His blessing and favor.

All the prophets throughout the years had spoken to Israel the same essential word: "Humble yourselves." Scripture says, "They served idols . . . yet the Lord testified against Israel, and against Judah, by all the prophets, and by all the seers, saying, Turn ye from your evil ways, and keep my commandments and my statutes" (2 Kings 17:12-13).

But God's chosen nation rejected His call to repentance. "They would not hear, but hardened their necks" (17:14). These people mocked the prophets who called them to humility. And, instead, they "followed vanity, and became vain . . . and they left all the commandments of the Lord their God . . . and sold themselves to do evil in the sight of the Lord. . . . Therefore the Lord was very angry with Israel" (2 Kings 17:15-18).

# The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

## **House 12 President: ?**

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

*[Note: Could this be the Puerto Rico Comet event?]*

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

*[Note: This is the Sixth Seal Rev 6:12-17]*

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

*[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]*

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved.

**Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.**

*[Note: This is Obama, the Antichrist]*

Then the dream ended.

## The Year Ahead

*The year ahead shall be fraught with perils, My children. I am shaking those things that can be shaken in order to show those that believe Me not their great need of a savior. They will not turn their hearts to Me until they see they can no longer save themselves.*

*My children who walk with me know they need not fear. Every earthly kingdom will I shake. Every union and alliance not built on Me, will I also shake.*

*It is imperative that My people are clinging to and relying on Me and My Word alone. If you have placed your faith in anything other than Me, I shall expose it to you as I shake you loose from it.*

*Times coming will require your absolute, undivided loyalty to Me only. Any allegiance to the Evil One will be your destruction in that time.*

*I am coming back for a bride without spot or blemish!*

# PASTOR TD HALE DREAMS

## The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

**Please Note:** It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

## Russian Kremlin Pastor Says Orchestrated Financial Collapse will Precede Planned Nuclear Attack on US

For example, here below is an audio clip of David Herzog speaking with Paul Keith Davis on an April 13th, 2013 Webinar that was unfortunately later removed by the Davis ministry.

Here brother Herzog testifies that he met with a Russian pastor who works at the Kremlin. Reportedly Herzog was told "they" are planning an orchestrated financial collapse of the United States (and other nations) AND "they" intend to set off a nuclear attack on the west coast of the US as well. He also mentions that he has confirmed Russian and Chinese troops are working inside the US borders at the invitation of the US government.

# THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

**POLE SHIFT**  
Before  
**2017**  
  
Revelation 6:14  
;and every mountain and island was moved  
out of its place.  
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.”

(<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

<http://garabandalnews.verblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are “not 200 years away, it is not 50 years away, it is not 20 years away...” He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions **(before May 13, 2017.)**

# Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

A series of explosions erupted early Monday morning, at Sagami General Depot, a US army outpost in Kanagawa Prefecture, on the outskirts of Tokyo.

"There are no reports of injury, and base firefighters and first responders are currently fighting the resulting fire to prevent its spread to nearby buildings," said Pentagon spokesman Bill Urban.

The fire department of the city of Sagamihara said the blasts rang out shortly before 1:00am local time, national broadcaster NHK reported, and involved what they termed "*dangerous materials*."

*"The building that exploded was not a hazardous material storage facility. We are in the process of determining the contents of the building. The depot does not store ammunition or radiological materials,"* clarified US army spokesman Kevin Toner in an email to Reuters.

One person has been killed and nine injured after an explosion at a chemical plant in China's eastern Shandong province, state media report.

Xinhua news agency said a warehouse in Zibo city exploded, triggering a fire. Huge flames were visible.

The site is just 1km from a residential area. No contamination had been detected, the agency said.

Earlier this month, blasts involving chemicals killed at least 121 people in the city of Tianjin, further north.

**China's technological advancement raises concern in the US as they feel that China is challenging all major foundations of America's military power, a former US defense official said in a speech on Wednesday.**

Following the end of the World War II, US military superiority was based on three major foundations, strategic intelligence, surveillance and reconnaissance capabilities (ISR); the ability to project power globally; and an overwhelming dominant technological advantage across a spectrum of conflict, Trey Obering the former director of the Missile Defense Agency (MDA) said, reports US magazine The National Interest.

According to Obering, China is now challenging all three of these major foundations of American rule.

*China has demonstrated great capability in terms of military technology in the past few years. Following its aptitude to destroy low, earth-orbiting satellites with its anti-satellite missile test in 2007, Beijing is already developing technology to reach even higher orbits in order to target more space assets.*

/begin my translation

Dozens of N. Korean submarines left their bases at both Eastern and Western coast, and can't be located. Military are increasing their surveillance capability to track them, it is confirmed.

That accounts for 70% of (N. Korea's) submarine fleet, which totals 70 ships. This is the largest rate of deployment since the Korean War.

Military sources said, "This is 10 times more than their normal deployment level. Dozens of them left their bases at both coasts, and we are unable to track them."

They said, "70% of their submarine fleet is not located. We are increasing our surveillance capability to find them."

They suspect that the unusually high level of N. Korea's submarine movements may be for further military provocation, and raised their level of alert.

N. Korea also more than doubled its front-line deployment of artillery power, since the high-level talks began.

The sources said, "Since the talks began, their front-line artillery power has more than doubled."

## North Korea positions its artillery inside DMZ

South Korean soldiers are firing a 155-millimeter artillery gun in a drill. / Yonhap

North Korea has set up its artillery inside the Demilitarized Zone (DMZ) in its efforts to stop South Korea's broadcasts against the North.

The North reportedly brought 76.2-millimeter artillery guns into the DMZ and positioned more military units behind the DMZ on Saturday, according to Yonhap News Agency. The guns are supposedly the same weapons the North recently used in its preemptive strikes at the South's western border regions in Thursday afternoon.

The North's regrouping of the artillery inside the DMZ is a clear violation of the armistice and their non-aggression agreement, the source said. The North has been keeping the weapons outside the DMZ until now.

The South has been monitoring the North's movement of its military units as the North demanded the South stop the psyop propaganda using loudspeakers before 5:00 p.m. Saturday, Aug. 22.

### S. Korea, US Raise WATCHCON to Level 2

Write : 2015-08-23 11:31:31 Update : 2015-08-23 18:14:16

South Korea and the United States stepped up their intelligence and surveillance status for North Korea's possible provocation although the two Koreas started inter-Korean high-level talks on Saturday.

The South Korea-U.S. Combined Forces Command on Sunday raised their five-level Watch Condition alert system, or WATCHCON, from level three to level two.

The South Korean military is closely watching the movements of North Korean troops and mobilizing all available reconnaissance assets.

The South Korean military and U.S. troops also remain ready to immediately respond in case the North attacks South Korea's loudspeakers on the border.

The South Korean military is said to have detected 72-point-two millimeter field guns, which were used for the North's artillery provocation on Thursday, being deployed at some parts of the front-line areas. Some North Korean soldiers were also observed conducting a firing drill.

# Magnetic wormhole created in a laboratory

**Scientists have managed to create a device that can transmit a magnetic field from one place to another.**

A science fiction staple, wormholes are most commonly associated with the idea of opening up a portal between two points in space to enable almost instantaneous travel between them.

While researchers at the University of Barcelona in Spain haven't quite managed to do that, what they have done is developed a device that can do something very similar with magnetic fields.

"This device can transmit the magnetic field from one point in space to another point, through a path that is magnetically invisible," said study co-author Jordi Prat-Camps.

Despite its name however what they've created isn't really a wormhole in the classic sense - instead employing a mechanism more akin to an invisibility cloak than a tunnel through space.

"From a magnetic point of view, you have the magnetic field from the magnet disappearing at one end of the wormhole and appearing again at the other end of the wormhole," said Prat.

The scientists are hoping that their invention could one day make it possible to use magnetic resonance imaging (MRI) on a patient from outside the confines of a conventional MRI scanner.

# UK to host international werewolf conference

The conference should appeal to werewolf enthusiasts. Image Credit: CC BY 2.0 Angell Williams

## Lycanthropy experts from around the world will descend on the University of Hertfordshire next month.

The unique three-day event could have easily been mistaken for any other academic gathering if it weren't for the fact that the subject being discussed happens to be werewolves.

Starting on September 3rd, just four days after the next full moon, the event will host a series of talks pertaining to the history of werewolves and their continued influence on modern culture.

There will even be an opportunity for visitors to encounter some real-life wolves as well as a chance to check out the Berkhamsted churchyard where the remains of 'Peter the Wildboy' reside.

"People have been fascinated by human-to-wolf transformations down the years, especially in film," said conference convener Dr Sam George. "Many remember Lon Chaney in *Wolf Man* or the cult classic *An American Werewolf in London*, which brought werewolves to contemporary audiences."

"But how many people actually know the different ways that you can become a werewolf according to folklore or that there were actually werewolf trials in France and Germany where people were hanged and found guilty of lycanthropy?"

## *News and Updates*

**UPDATE FROM THE HOSTS**

August 12, 2015

All right, now. We have asked to speak with you today because we are dealing with a very dynamic situation and there have been some changes that we would like to disclose to you at this time.

The "loyal opposition" (the elites) have been going forward with their plans for a global totalitarian regime and have hit some unexpected complications that require them to delay certain actions on their part until they have worked out solutions that will allow them to proceed with a reasonable expectation for their success.

OUR timing is dependent on their timing, because we are expecting to carry out the evacuation during the time of chaos that we expect to follow the financial collapse, and to complete it before a comprehensive system of controls is put in place in response to the predictable outcry for someone to "Do something!" about the chaos itself. We also have to factor in the upcoming time of cataclysms and the end of the time dilation itself, so our timing is going to be delayed and must therefore also be shortened, in order to complete the evacuation within those opposing constraints.

This will result in a greatly intensified effort on our part and also in a greatly intensified climate of crisis all around the world. By putting off the financial collapse, when it finally does happen, it will be even more severe than it would have if it had occurred sooner. This, in turn, will result in an even more intense reaction from people all over the world, and therefore things are going to be much more turbulent than they would have been if this had occurred earlier. It's similar to a pressure cooker that builds up even greater pressure the longer the heat continues to build under it without letting some of the pressure to escape in the form of steam.

What this means is that your preparations to get through that period of chaos won't need to cover as long a period of time, and you won't need to begin using them quite as soon as we had expected, but do not expect this present delay to be very long — perhaps a month to six weeks of your time. If you have not finished your preparations, we urge you to do so now because when this collapse comes, it will be even more difficult to obtain necessities than it would have been before.

The tipping point that we spoke about in June has now occurred and a rapid and progressive economic deterioration is under way at this time. In addition, those who are vying with each other to end up the winner(s) in this global competition for resources and assets are becoming even more determined in their efforts to maintain and increase their position, so the opportunities for "power plays" are also increasing in frequency and scope. This also means that the amount of money needed to sustain these efforts is also increasing, which will also act to intensify the financial collapse when it occurs. Everything is so interconnected that nothing will be unaffected or immune to the effects of what is coming, so the grand finale we spoke about in December is going to be even more "grand" than we expected.

Oddly enough, this takes things to a much higher level for us and for everyone that we work with. It somehow brings in more energy when things are more tightly focused and concentrated within a shorter period of time. We suspect that most women would prefer a shorter period of labor in delivering a child than a longer one. It seems natural to be willing and able to put forth a stronger effort over a short period of time than to sustain that level of effort over a longer period of time.

A very different approach is needed when running a marathon than when sprinting for a shorter distance, so what this will translate to is a greater number of hands available to share the work and the need for more space in which to carry it out, so that there is room for everyone who is needed to be present at the same time and in essentially the same space. We are adapting accordingly and it gives us great pleasure to contemplate the increased scale of the "op" due to this compression created through the delayed timing of the financial collapse and the amount of time remaining before the cataclysms make things difficult for the evacuation to complete.

We would also like to comment on another development, one that we did not originally anticipate. In addition to the various factions of the elite competing with each other to be the ones in control of everything else, there are various extraterrestrial races competing with each other to fulfill their own agendas, so there are a number of surprising alliances taking place between different civilizations that do not normally associate with each other. Each of these civilizations has different goals and different reasons for wanting things to go a certain way so that their "future" ends up the way they want it to be.

The particular time and location in which you are expressing through your physical bodies is energetically rich, containing many alternative potentials that can be accessed by those who know how to navigate the fabric of space and time in such a way that they can jump timelines and alter outcomes through the choices they make. What this means is that some groups that have been subservient to certain races (such as the reptilians) are allying with various groups of humans and other civilizations to collectively negate the absolute rule the reptilians have historically held for the present planet and to prevent them from completing their plans for total control and domination of the planet and everything upon it.

We had anticipated that our collective fleets would have to singlehandedly engage with the reptilian presence in 3D Earth's airspace and remove it, but now some of that work is being done by others, who have their own reasons for doing so. For now, we are watching and waiting to see how that goes.

We have been continuing to work on the erasure of the cellular memory in each and every person who is part of Operation Terra, and it may not now be necessary to actually engage in a space war to heal the wounds of the past from having dealt with the reptilians in other times and places. This would alter many things, including what each person will experience and be part of.

It is also possible that we may still engage in a space war, but in cooperation with other fleets that we would not have allied with before. All of this is being worked on and sorted out at present, so we ask you to be patient a little while longer because these current developments could mean far less pain and loss if they can be negotiated successfully.

OUR goal is to assist the planet in becoming Terra. Ultimately, that will assure the reversal of the prior trend where the negative polarity was destroying everything it came in contact with, and would subsequently restore the galaxy (and ultimately the entire manifest reality) to its former estate. We have no attachment to how the details work out along the way and if an opportunity arises to achieve our goal with less pain and loss, we are glad to take it, as long as it furthers our goal of bringing Terra to fruition.

Everything exists solely to provide experience for the Creator, and no experience is preferred over any other BY the Creator, so if we can achieve our goal regarding Terra in a less stressful and painful way, all the better!

We are willing to do whatever it takes to complete our mission for planet Earth. We have been working toward this time for centuries — indeed since the birth of the planet herself. From the perspective of the elohim, the planet is our child, and — like good parents — we have had to accompany our creation through its birth, childhood, adolescence, and to assist it in achieving its full flowering as 4D Terra, a cultural center for the entire galaxy and a living paradise for every lifeform upon it.

So, the bottom line to all of this is that you will have a slightly longer time to enjoy your days as 3D humans, and then the “days will be shortened,” during which we will conduct the evacuation against a very intense backdrop of chaos, turbulence, and turmoil. We encourage you to listen to the Operation Terra anthem again, and pay special attention to the transition from the more energetic opening notes to the higher, gentler and more soothing notes that musically trace the passage that you will be experiencing in the days ahead.

At first things will seem quite dramatic and the approach of the evacuation will come as a welcome relief. But then things will become easier and lift you free of the turmoil playing out on the ground until you are safely tucked away on the ships and on Midway Station. Finally, you will come into your own true nature as divine beings, worthy of grace and ease in every moment of your existence. All the struggle, deprivation, pain, and noise will drop away and you will find yourself at home with others of like inclination, experiencing the peace, quiet joy, and love that you have always innately felt was your birthright but did not know where or how to find it.

Amen, Adonoy Sabayoth. We are the Hosts of Heaven, working as a team with Sananda, and waiting to welcome you home.

For most people, seeing snow falling in the middle of summer might come as a bit of a surprise.

But not for the residents of Calgary, who happily watched the white stuff falling all of yesterday and barely batted an eyelid.

In one video uplod to Twitter, snow can be seen falling in a supermarket car park while a woman in the background says: 'Only in Alberta, eh?'

Snow settled on the ground in Calgary yesterday as temperatures tumbled causing rain to turn to ice, despite it being the middle of summer

## Global Trade In Freefall: Container Freight Rates From Asia To Europe Crash 60% In Three Weeks

Three weeks ago, when we last looked at the collapse in trade along what may be the most trafficked route involving China, i.e., from Asia to Northern Europe, we noted that while that particular shipping freight rate Europe had crashed some 23% on just one week, there was some good news: at least the Baltic Dry index was still inexplicably rising, and at last check it was hovering just above 1,100.

That is no longer the case, and just as with everything else in recent months, the Baltic Dry dead cat bounce is now over, with the BDIY topping out just above 1200 on August 4, and now back in triple digit territory, rapidly sliding back to the reality of recent record lows which a few months ago we suggested hinted that much more is wrong with global trade, and the global economy, than artificially manipulated stock markets would admit.

More importantly, a major source of confusion appears to have been resolved. Recall that as we noted on August 3, "many were wondering how it was possible that with accelerating deterioration across all Chinese asset classes, not to mention the bursting of various asset bubbles, could global shippers demand increasingly higher freight rates, an indication of either a tight transportation market or a jump in commodity demand, neither of which seemed credible. We may have the answer."

We did. To wit:

# This 2 Day Stock Market Crash Was Larger Than Any 1 Day Stock Market Crash In U.S. History

By Michael Snyder, on August 21st, 2015

We witnessed something truly historic happen on Friday. The Dow Jones Industrial Average plummeted **530 points**, and that followed a **358 point crash** on Thursday. When you add those two days together, the total two day stock market crash that we just witnessed comes to a grand total of **888 points**, which is larger than any one day stock market crash in U.S. history. It is also interesting to note that this 888 point crash comes in the 8th month of our calendar. Perhaps that is just a coincidence, and perhaps it is not. It just struck me as being noteworthy. This is the first time that the Dow has dropped by more than 300 points on two consecutive days **since November 2008**, and we all remember what was happening back then. Overall, this was the worst week for the Dow in four years, and there have only been **five other months throughout history** when the Dow has fallen by more than a thousand points (the most recent being October 2008). Of course we still have six more trading days left in August, so there is plenty of time remaining for even more carnage.

By itself, the 530 point plunge on Friday was **the ninth worst stock market crash in all of U.S. history**. The following list of the top eight comes from Wikipedia...

- #1 2008-09-29 - 777.68
- #2 2008-10-15 - 733.08
- #3 2001-09-17 - 684.81
- #4 2008-12-01 - 679.95
- #5 2008-10-09 - 678.91
- #6 2011-08-08 - 634.76
- #7 2000-04-14 - 617.77
- #8 1997-10-27 - 554.26

**FORT BRAGG, N.C. (WTVD) --** The notice came overnight: Get ready to respond to a nuclear disaster situation in Southwest Florida. Be ready to deploy for a week.

So early Friday morning, more than 300 20th Engineer Brigade soldiers prepped convoys. Over the next five days they will join more than 400 additional troops in an Emergency Deployment Readiness Exercise.

The 18th Airborne Corps soldiers have a focus.

"We're specially trained and equipped for chemical, biological, radiological, and nuclear hazards," said Colonel Jayson C. Gilberti, the Brigade's commander.

While the soldiers may be called on domestic or foreign disasters, this exercise is about the home front, and how to handle a situation that's overwhelming to local and state officials.

## Latin American Nations Blame US for Sabotaging Regional Stability

US attempts to destabilize Latin American countries in order to establish "client states" in the region, US journalist Stephen Lendman wrote.

*"Washington's dirty hands are involved in all Latin American violent and destabilizing activities – part of US policy aiming to establish client states throughout the region," Stephen Lendman claimed.*

Lendman cited violence that had erupted in Ecuadorian city of Quito last week as an example. The attack by opposition forces left dozens of police and several journalists injured. Such violence is coordinated US attempt to topple Ecuadorian President Rafael Correa's government, Stephen Lendman believes.

*"I've never seen them so violent, so aggressive," Correa commented on the attack. "Those who used violence will be punished with the full vigor of the law."*

Ecuador's opposition forces "want to show their political strength through violence, not through popular support, not through organization, not through legitimate forms of social protest. Social protest is profoundly democratic. But what is going on here is what actions they are taking and what interests are at play," Lendman cited political analyst Isabel Ramos as saying.

Our correspondent said that while hundreds on Saturday night had managed to cross the border by sprinting through open fields, many others had been sent back to Greece, where they alleged harsh treatment from Macedonian police and showed Al Jazeera their injuries.

One Syrian refugee told Al Jazeera what is happening to them is not what they expected when they fled Syria.

"We just want to pass or at least let those who are sick or with children pass. We are humans. We are not animals. We ran away from death and came here to die from the border police? Or from the cold?" the refugee said.

"Is it our fault there is fighting in our country? This is not fair.

"We are nothing to them, our passports are nothing to them. Imagine if this were you in

our place, we have children. Don't you have children? Wouldn't you want the same?"

London, United Kingdom - An [online petition](#) urging the arrest of Israel's prime minister for alleged war crimes over the 2014 Gaza assault is on course to hit the 100,000 signatures needed to have it debated in the UK parliament.

"I honestly don't expect him to get arrested because of the universal jurisdiction laws," said Damian Moran, who created the petition in response to Benjamin Netanyahu's announcement he would visit the United Kingdom in September.

"It is a clear message to him that there's a massive amount of people who don't want him here."

## Newly released documents show US attempts to halt Israeli nuclear weapons program

Gov't papers dating from 1969-72 reveal American discussions about how to convince Israel to abandon pursuit of atomic weapons and to sign the non-proliferation treaty.

The US State Department published last week a volume documenting its Israeli foreign policy in 1969-72, which dealt directly with development of Israeli nuclear weapons, as well as a possible American response to a Soviet invasion of Israel.

- Follow Ynetnews on [Facebook](#) and [Twitter](#)

The documents deal with secret meetings on the subject of Israeli development of Jericho surface-to-surface missiles with nuclear warheads, and the American decision to force Israel to quickly stop the project.

The volume was compiled using presidential papers and White House records, and in particular the files of the National Security Council, including memoranda sent to President Richard Nixon by his Assistant for National Security Affairs Henry Kissinger.

The Nixon administration established an ad hoc special review group to consider discussions with Israel on its nuclear program, whose position paper provides insight into the US government's approach to dealing with the question of Israeli nuclear weapons.

## Fears Of Another Mid-East War After Israel Conducts Air Strikes In Syria

*"Israel is trying to divert attention from the defeat that it suffered in the face of the determination of the hero prisoner, Mohammed Allan."*

That's from a spokesperson for the subtly named Islamic Jihad, a rebel group whose leadership is based in Damascus. Mohammed Allan had been starving himself for more than two months while in Israeli detention. He apparently decided to start eating again on Wednesday after Israel's high court suspended his arrest warrant.

This "defeat", Islamic Jihad claims, prompted Israel to blame the group for a rocket attack that hit an Israeli village on Thursday.

The rockets fell harmlessly into the brush and even if they hadn't, Israel had deployed Iron Dome interceptors "as a precaution," so in the event citizens were at risk, the missiles likely would have been shot down, but nevertheless, the Israeli military retaliated in characteristically disproportionate fashion striking targets in the Syrian Golan Heights "five or six times" on Friday. Here's Reuters:

*Israeli officials said two rockets struck close to a northern village in the upper Galilee, near the Lebanese border, setting off brush fires but causing no casualties. Air-raid sirens had sent residents to shelters.*

*The attack was unusual as that frontier had been largely quiet since the 2006 war between Israel and the Lebanese guerrilla group Hezbollah. By contrast, the Israeli-occupied Golan, about 16 km (10 miles) to the east, has occasionally come under fire from within Syria during the four-year-old civil war there.*

*An Israeli military source said the air force and artillery had struck "five or six times" in the Syrian Golan.*

A skin-worn sensor that turns the human body into a touch sensitive surface for controlling mobile devices has been developed by scientists in Germany. iSkin is made from biocompatible silicone rubber with pressure-sensitive sensors that are stuck to the skin of the users, allowing them to use their own body to control mobile devices.

Developed by scientists at the Max Planck Institute for Informatics and Saarland University, the experimental system has been produced in different shapes and sizes to suit various locations on the body, such as the finger, forearm and even behind the ear-lobe. The sensor is capable of detecting touch input pressure even when being stretched or bent. With the current prototypes; wearers can answer incoming calls, play music and adjust volume. A roll-up keyboard for use with a smart watch has also been designed.

iSkin's thin, soft and flexible design presents new possibilities for mobile interaction that have not been possible with existing

hardware, according to co-developer Martin Weigel.

"Current electronics are mostly using rigid components which are very uncomfortable to wear on the body and are limiting the locations to, for example, the wrist or on the head to be worn. But our sensor is a flexible and stretchable sensor, so it can cover many locations. For example, even the backside of the ear or the forearm. So, we have a much larger input space than current electronics allow for," he said.

# Look mum, I'm microchipped! Boy, 15, injects himself with tiny controller that can operate his mobile phone, unlock doors and even hand out business cards

- Bryon Wake carried out DIY operation while his parents were downstairs
- He believes he is the youngest person in the world to have chip implanted
- Chip emits radio-frequency that triggers events like unlocking phones or starting a car

By BEN WILKINSON FOR THE DAILY MAIL

PUBLISHED: 17:29 EST, 30 June 2015 | UPDATED: 01:27 EST, 1 July 2015

Most parents fear their teenager might get a tattoo or a piercing without their permission.

But technology enthusiast Bryon Wake, 15, injected himself with a microchip in a DIY operation in his bedroom while his unwitting mother and father were downstairs.

The tiny chip – the size of a grain of rice – can be programmed so the schoolboy can control his mobile phone, unlock doors, and even hand out electronic business cards.

The cyborg teenager – who believes he is the youngest person in the world to have the chip implanted – ordered the kit from the United States and went ahead with the procedure despite being warned a medic should help.

He said: 'I didn't tell my parents until three days later. They took it better than expected because they had already told me not to do it.'

'And then when I did tell them I'd done it, they just went with it.'

'Afterwards I had checked it out at the doctor who said it was fine and they were happy.'

'My grandpa is a surgeon and he said that he was proud, and my mum wasn't expecting that at all.'

The chip works by using near field communication (NFC) which emits a low power radio-frequency signature that triggers pre-programmed events like unlocking a phone or starting a car.

So far, Byron, of Martock in Somerset, has been using the chip's ability to unlock his phone automatically and also to control the Bluetooth function to play music from his speakers.

He is also able to send business cards by touching his hand onto other Android user's phones, which will automatically transfer his details.
