SMITH WIGGLESWORTH

Peter's Words of Wisdom

Humble yourselves under the mighty hand of God, that He may exalt you in due time.

—1 Peter 5:6

Scripture reading: 1 Peter 5:1–11

*L*et's take a look at the fifth chapter of 1 Peter. "*Humble yourselves*" (v. 6). Look at the Master at the Jordan River, submitting Himself to the baptism of John, then again submitting Himself to the cruel Cross. Truly, angels desire to look into these things (1 Pet. 1:12), and all heaven is waiting for the man who will burn all the bridges behind him and allow God to begin a plan in righteousness, so full, so sublime, beyond all human thought, but according to the revelation of the Spirit.

"*Casting all your care upon Him, for He cares for you*" (1 Pet. 5:7). He cares! We sometimes forget this. If we descend into the natural, all goes wrong, but when we trust Him and abide beneath His shadow, how blessed it is. Oh, many times I have experienced my helplessness and nothingness, and casting my care upon Him has proved that He cares.

Verse eight tells us to "*be sober, be vigilant*." What does it mean to be sober? It means to have a clear knowledge that we are powerless to manage, but also to have a rest of faith. The Adversary's opportunity is when we think that we are something and try to open our own door. Our thoughts, words, and deeds must all be in the power of the Holy Spirit. Oh yes, we need to be sober—not only sober, but also vigilant. We need not only to be filled with the Spirit but also to have a "go forth" in us, a knowledge that God's holy presence is with us. To be sober and vigilant, to have an ability to judge, discern, and balance things that differ—this is what we need.

"*Your adversary the devil walks about like a roaring lion, seeking whom he may devour. Resist him, steadfast in the faith*" (vv. 8,9). We must resist in the hour when Satan's schemes may bewilder us, when we are almost swept off our feet, and when darkness is upon us to such a degree that it seems as if some evil thing had overtaken us. "*Resist him, steadfast in the faith.*" "*He who keeps Israel shall neither slumber nor sleep*" (Ps. 121:4). God covers us, for no human can stand against the powers of hell.

"*After you have suffered a while*" (1 Pet. 5:10). Then there is some suffering? Yes! But it is "*not worthy to be compared with the glory which shall be revealed in us*" (Rom. 8:18). The difference is so great that our suffering is not even worthy of mention. Ours is an eternal glory, from glory to glory, until we are swallowed up, until we are swallowed up in Him, the Lord of glory.

Thought for today: God is close at hand to deliver all the time.

I AM YOUR PEACE – TERRI HILL

I AM YOUR PEACE

One of My names is Jehovah Shalom,
I Am your Peace in the midst of the storm.
I never said the storms wouldn't come,
I only promised to deliver you from
the oppressor who rages, but never you doubt,
when the wind starts to blow, and the waves crash about.

Come hide yourself in the cleft of the Rock,
in the hidden pavilion, a place we can talk
about how I Am faithful, as surely you'll see;
there is no shadow of turning in Me.
Come with your praise, and My peace can be yours
when you enter My gates, and walk through My doors.

I Am your Harbor, a Refuge of calm,
secure, where the tempest can do you no harm.
For surely the Earth and the Heavens will shake,
but you have been sealed and are safe in My wake.
For I hold the world in the palm of My hand,
and the peace that I give you, will cause you to stand.

I Am your Bridge, when the flood waters rise,
pass over in faith, and not with your eyes.
The peace of the Lord shall reign in your heart,
divine intervention to you, I impart.
And even through trouble, your strength will increase,
you shall be kept, sustained by My peace.

I Am your Covering, your Pillar of Fire,
and into the heavens, I lift you up higher.
Unfolding events will cause many to fear,
so I call to My people to come and draw near.
I shall preserve you, Mine shall be led,
as they walk through the perilous days yet ahead.

For on the foundation, the Word, you will stand,
the natural world is sinking like sand.
I am your Shield, and your Fortress of peace,
and trusting in Me will bring your release
from all fear and all worry, as you rest in Me,
when calamity touches the land and the sea.

When you hear the thunder, lift up your head,
when you see the lightening, behold Me, instead.
For I will sustain you, there under My wings,
and you shall behold the deliverance I bring.
Then after the storm, your faith will be strong,
and then you will know, I was there all along.

For you, My Beloved, are growing in grace.
You, who are longing for a glimpse of My face,
are coming to the measure, the stature of Christ.
Can you see that I use even satan's device
as a tool to perfect you, to prepare Me the way,
through a people equipped for a glorious day?

And so, I would say to you "Enter My Rest";
as you learn to abide, you can pass any test.
Be strong, and consider the things I have said,
press now, and reach for the prize yet ahead.
And so as you trust Me, through conflict and pain,
know that a crown in the end, you will gain.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.
Amen.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

The outer darkness is the shadowy area of Heaven (look up the Greek word in the Strong's). Think of Heaven like a planet. The City of God is up on a mountain / hill known as Mount Zion. Because of God's light the City of God (where the crystal river flows down into the suburbs and Country Mansion neighborhoods) there is no shadow of turning there. It is luminated by the "glory light" of God but only in the "City of God". Not everyone has a City Mansion in the City of God, that is a reward. Most of the saints get only country mansions and some are not very big. Further out in the suburbs (shadowy area) it gets darker and some of these homes are like apartments etc. this is where disobedient Christians (some of the lucky ones) go when they were not bad enough to be cast into Hell. And according to Chut Thomas's book "Heaven is so Real (?)" there are valleys even further out for some of the worst case scenarios.

The outer darkness (shadowy area) is on planet Heaven but it includes both the suburbs, country mansions and the valleys because they are not part of the "City of God".

I hope this helps
God bless you
John

"Let this one great, gracious, glorious fact lie in
your spirit until it
permeates all your thoughts and makes you

"Hope is called the anchor of the soul (Hebrews 6:19), because it gives stability to the Christian life. But hope is not simply a `wish` (I wish that such-and-such would take place); rather, it is that which latches on to the certainty of the promises of the future that God has made."

-RC Sproul

"A Christian will part with anything rather than his hope; he knows that hope will keep the heart both from aching and breaking, from fainting and sinking; he knows that hope is a beam of God, a spark of glory, and that nothing shall extinguish it till the soul be filled with glory."

-Thomas Brooks

WOE TO THOSE PREACHING PEACE AND SAFETY

Woe to Those Who Preach Peace and Safety!

Posted on March 4, 2018 by Stephen Hanson

"For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?" 1 Peter 4:17.

"For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape," 1 Thessalonians 5:3.

"My people, what would you seek from Me in this hour?

What would be the purposes of your heart?

What would be the things that I would show you?

Do you think that all would be well with your land and that peace would ultimately rule?

I tell you, woe unto those so say that peace will come. Woe to those who preach peace and safety.

Woe to those who preach a different gospel other than the one that I have spoken to them.

Have I not said that judgment must first begin with the household of God?

And now you don't even realize that the dominoes have begun to fall! When will you awaken from your slumber oh church?

You rise early to watch your favorite news reports, but when would you sit before Me?

Even now chaos is spreading all around you. Your government is in disarray and falling apart at the seams.

And yet you still laud your new-founded leader and have treated him like a golden calf. The fall of this man will be great.

At a time of weakness your land will be invaded. Because of your weakness and because your eyes are ever upon your ever-consuming chaos, this is why you will fall prey to outside influences.

And yet you say that you are well. You say that you are righteous. Your righteousness is as a filthy rag to Me!

You care not for the poor or the under-privileged. You care for a whole host of other things rather than for the things of God.

But I have waited and waited. I have waited to see who else would come to Me. For it is but a short time before all these things must fall.

I have asked many of you to get ready and you have continued to go your own way. But you will be left to your own devices when it falls.

But I have a remnant. I have a remnant who will be ready in that hour.

They have been purged and brought through the fire. They have been brought through many seasons of affliction, and they will come out like gold in this hour.

My people, you need not be afraid. You need not shrink back in fear. But get your houses in order.

Thus would say the Spirit of the Lord."

THE GREAT TRANSFORMATION IS ABOUT TO TAKE PLACE

to me [👤]

“The great transformation of My body is about to take place.”

MARCH 4, 2018 12:17 AM BY DOUG MACCALLUM

Take up your swords, My Word that I have given you. Sharpen, sharpen, sharpen, as a fine razor. Polish, polish, polish, as a crystal clear mirror.

Your assignment is about to go forward. Each of the members of My body has been assigned their Sword. Each function of the members will be determined by how keenly sharpened and beautifully polished their Sword is.

You will be joined together by My Spirit. The unity of My great army will surpass the unity of My original apostles. There will not be one space between each member. No fiery dart will be able to penetrate their armor, for I AM their armor. My armor will carry My full anointing, flowing from the head to the feet.

You will go wherever I send you, just as the wheels in the middle of the wheels. The breath of My Spirit will provide all you need for whatever task I call you to. These multiple tasks will actually be ONE task, carried out in their multiple facets, just as an expertly cut gem stone. These tasks, that are according to My will, will show forth My glory in all its various brilliances.

If you are joined to My body, you will not need to hesitate in the direction I call you to go. My true members will know My voice and hear My instructions.

Are you preparing for this? Can you hear My voice? Do you know Me? You are in My divine boot camp. Stay the course!

You are My hidden arrows and warriors that the enemy is not aware of, for I have chosen to keep the knowledge of this wonder from him. His darkened and depraved mind is not able to grasp all My spiritually discerned knowledge and wisdom. That is why he killed my Son! What he thought was his greatest victory proved to be his ultimate destruction. Just as he has worked to destroy My great plan, My ecclesia, My bride, My body, so too will this great truth and plan be made manifest to deal a mighty blow to him and his work. For all the principalities and powers on high will be amazed at the unveiling of her, who comes forth as the sun, and as the army, terrible with banners, leaning on her beloved out of the wilderness! Her great sword of My spirit, My logos, will reflect My glory and dispel darkness and deal a death blow to the head of satan's servant, antichrist.

Just as My word declares, the sun will rise up with healing in it's wings and crush the enemy under your feet! My word does not return void back to Me.

Rise up mighty warriors! Draw you swords and examine them for their battle worthiness. Allow Me to reveal where My sword, in your hands, needs to be sharpened and polished. Allow the oil and the water of My spirit to facilitate the sharpening and polishing process. Examine yourselves through the reflected light of My word and spirit.

Truly, if each member will humble themselves, just as My dear son, you will be changed and joined to his headship. The great transformation of My body is about to take place. The dry, shameful bones are about to be joined together and transformed into the nation born in a day, fully restored and quickened by My holy spirit. She will magnify and glorify My name through all the earth before I take her home, for I will not be able to keep her from My presence any longer!

Do not fail in this task that I have called you to. Do not be as the foolish virgins who allowed My spirit to ebb from their lamps. Come to My pools of living water and strengthen yourselves for your future work.

It will truly not be by might, nor power of the flesh, but in My Holy Spirit says YHVH.

THE AIRLIFT -THE COURTS OF HEAVEN ARE FILLED WITH ACTIVITY-THE FATHER IS MOUNTING ONE OF THE GREATEST RESCUE MISSIONS HEAVEN HAS EVER SEEN...

Oh beloved beautiful ones...

I've been asking Jesus and The Father a lot of questions this past week to try and gain understanding on the times and season that so many are experiencing...

Multitudes Of faithful champions of God have found themselves in a season almost pushed to their very limit of endurance...

If you are one of the many who have been crying out to the Lord in desperation...

SOS FATHER ...AIRLIFT ME OUT OF HERE...

THE FATHER HAS SAID ENOUGH IS ENOUGH...

I AM MOUNTING ONE OF THE GREATEST RESCUE MISSIONS HEAVEN HAS EVER SEEN

And even as King David my beloved servant cried out to me

Oh God Rescue Me...

'And His cry reached my throne

So the cries of my faithful called out ones have reached my throne

Again I feel I have to say Ministry face off...

we have to be real...

being real and honest doesn't mean we don't have FAITH..

it doesn't mean that we don't believe in the finished work of the cross...

Jesus was REAL with the Father...

In Gethsemane when he was in such severe agony..he sweated blood through such intense trauma he cried out to His Father...Father If it be your will let this cup pass from me...but not my will..your will be done...

Last night when I was talking to Jesus

I received a vision of modern day soldiers

The military

It seemed they were in Afghanistan

They had been cut off from their battalions because of the extreme warfare they had encountered

it seemed the enemy had launched one of the greatest strikes against their battalions in desperation

Using every ounce of firepower

Many of the toughest soldiers were now seemingly Missing in Action

A Few had been able to send an SOS out to Homebase

But most of Communications were cut

And no messages were getting through to them

They were hiding in caves

Isolated

Rations were almost gone

There was no help in sight

Martialling all their courage and endurance

Not knowing if rescue Was coming

What THEY DIDNT KNOW

BUT WERE DESPERATELY HOPING FOR

WAS THAT UNKNOWN TO THEM

HIDING

SCARED

ISOLATED

HANGING ONTO HOPE

WAS THE FACT THAT HOMEBASE WAS LAUNCHING THE MOST INTENSIVE AIRLIFT AND
RESCUE OFFENSIVE

NOT ONE LEFT BEHIND
But THEY had hung on so long
They didn't know if and when they would be rescued
THE FATHER HAS LAUNCHED THE MOST POWERFUL SEARCH AND RESCUE MISSION
ON HIS FAITHFUL CHILDRENS BEHALF
THE MOST POWERFUL ANGELIC BATTALIONS HAVE BEEN RELEASED
AND WE ARE NOW ON THE BRINK OF SEEING THE MOST INCREDIBLE SHIFTS AND
MIRACLES
AND A LITERAL RESCUING OF SEEMINGLY IMPOSSIBLE CIRCUMSTANCES THAT WILL
LITERALLY FLING US INTO DESTINY
HEAVEN IS ON THE CASE
HEAVEN IS ON YOUR CASE
THE AIRLIFT IS BEGINNING
THE HOLY SPIRIT KNOWSSS EXACTLY WHERE YOU ARE
YOUR CO ORDINATES
AND MIGHTY ANGELIC HELP IS ON THE WAY
Oh beloved
I know so many of us have been through the most severe pressure
But THE COMMAND HAS GONE OUT FROM OUR KING..OUR MIGHTY GENERAL
HE WILL NOT FAIL US

TRUMP SUGGESTS US SHOULD DO AWAY WITH TERM LIMITS JUST LIKE CHINA

'Maybe we'll give that a shot someday'.

President Donald Trump suggested that the United States ought to do away with term limits just as China recently did, it was reported on Saturday.

Trump spoke before a crowd of Republican donors in his Mar-a-Lago estate in Florida, according to CNN.

During his remarks, he praised Chinese President Xi Jinping, who recently enacted reforms that will allow him to rule as president indefinitely.

'He's now president for life,' Trump said of Xi. 'President for life. And he's great.

'And look, he was able to do that. I think it's great. Maybe we'll give that a shot some day.'

During the speech, Trump also criticized the 'rigged system' in Washington.

Beijing is not going to "sit idly" if Washington's actions damage Chinese interests, and will take "necessary measures," the spokesman for the National People's Congress has warned.

'Trade wars are good': Trump defends tit-for-tat tariffs

with "virtually every country it does business with."

Earlier, China's Ministry of Commerce condemned Trump's move saying it "seriously damages" the mechanisms of the World Trade Organization (WTO). The ministry also vowed to work with "other affected countries in taking measures to safeguard its own rights and interests," according to head of the MOC trade remedy and investigation bureau, Wang Hejun, as cited by Xinhua.

Washington's decision, which is to come into effect next week, has triggered backlash from other American partners, including the EU and Canada. Shortly after Trump's statement, Canadian Trade Minister Francois-Phillippe Champagne has promised to defend his country's workers, calling the tariffs "unacceptable."

China shrugged off a trade war with the US, but is prepared to retaliate if necessary, a former Chinese ambassador to the US and the spokesman for the country's parliament, Zhang Yesui, told reporters on Sunday.

"China doesn't want a trade war with the United States," Zhang said. "But if the US takes actions that hurt Chinese interests, China will not sit idly by and will take necessary measures."

The statement comes as US President Donald Trump announced plans to impose an import tax of 25 percent on steel and 10 percent on aluminum earlier this week.

On Friday, Trump tweeted that "trade wars are good, and easy to win," claiming that the US loses billions in disadvantageous deals

The 95,000-ton ship will arrive in Danang tomorrow

The USS Carl Vinson strike group's 5,500 soldiers will arrive in Danang on Monday, the same port which served as a major staging post for the US war effort in the country.

It will be the first time a large number of US troops have set foot on Vietnamese soil since 1975.

The four-day port call will allow US troops to visit an orphanage and a centre for victims of Agent Orange, a powerful herbicide used by the US military which is blamed for leaving generations of Vietnamese with serious health issues including cancer, birth defects, and severe psychological and neurological problems.

Rear Admiral John V. Fuller, the commander of the Carl Vinson strike group, whose father served in Vietnam, said: "It's a pretty big and historic step, since a carrier has not been here for 40 years."

The RAF has sent its fleet of spy planes to eastern Europe following Russia's deployment of missiles.

The decision to send all of the RAF's Intelligence, Surveillance and Reconnaissance aircraft to the Baltic followed Moscow deploying missiles to the Russian-controlled enclave of Kaliningrad, just across the border from Poland and Lithuania.

The move was branded as "not just a threat to Lithuania but to half of all Europe" by Lithuanian president Dalia Grybauskaitė.

The deploying of the 300-mile range Iskander missile system gives cause for concern for Nato chiefs, as some see it as a sign that Russia may be preparing to move forces into the Baltic States in a repeat of its incursion into Ukraine in 2014.

Moscow has also deployed state of the art Sukhoi SU-57 stealth jets and an additional 5,000 troops in what it terms a "routine exercise".

FEAR: MI5 believes ISIS is attempting to make deadly ricin and anthrax

MI5 believes Islamic State fanatics back from Iraq and Syria are attempting to make deadly ricin and anthrax.

Both poisons – which could kill hundreds of people – can be made by anyone with basic scientific knowledge, according to senior intelligence sources.

It is feared the terrorists could use them to poison food in supermarkets or contaminate water supplies.

The warning follows mounting concerns by security chiefs that the UK is not prepared for even a basic bio-terror attack.

The new threat comes as one senior intelligence source revealed that security agencies are now disrupting up to one terror plot every month.

The 2018 Winter Olympics in the South Korean city of Pyeongchang will be remembered not only for the Games, but also for the historical rapprochement between North and South Korea. Sputnik discussed this and North Korea's missile and nuclear program with Joseph Cheng, Professor of Political science at the City University of Hong Kong.

Sputnik: Why do the US and the international community so vehemently oppose North Korea's wish to have nuclear weapons? The United States alone has 6,800 warheads, Pakistan and India possess nuclear weapons, and they're not even signatories to the non-proliferation treaty; Israel, a very close ally of the United States, is also said to have nuclear weapons; why then is Washington so preoccupied with the North's nuclear program?

Joseph Cheng: The United States is still very, very concerned with the issue of nuclear proliferation and its basic position is still against any proliferation. With regard to North Korea, the special concern, of course, is that if North Korea develops nuclear weapons this may well provoke South Korea and maybe Japan, and perhaps even Taiwan to develop their own nuclear weapons. We also know that Japan earlier had plans to develop nuclear weapons, and South Korea and Taiwan also had made such attempts many years ago, but they were, of course, forcibly stopped by the United States. So given the strategic situation of North Korea, the real concern, of course, is that the allies of the United States may well be forced to develop their own nuclear weapons.

"Descent Into Hell": China Warns Of Potential War With US Over Taiwan

It's no secret that for Beijing, the most sensitive issue within Sino-American relations is that of Taiwan, the semi-autonomous island territory that China considers to be a breakaway province. Now, a political move made by the U.S. on Taiwan has Beijing warning of the possibility of military action.

Back in January, the House of Representatives unanimously passed the Taiwan Travel Act, a bill aiming to significantly strengthen ties between U.S. officials and their Taiwanese counterparts. The bill reached the Senate floor on Wednesday, where it also passed without opposition. Now, all that's required for the legislation to become law is Donald Trump's signature.

Taiwan welcomed the bill's passage. Speaking to reporters in the capital of Taipei, Premier William Lai said the U.S. is a "solid ally" of Taiwan and that the two sides' ties can now become even stronger.

"We wholeheartedly anticipate that this law can in the future further raise the substantive relationship between Taiwan and the United States," Lai said.

Unsurprisingly, China had an altogether different reaction — one that included a warning to its neighbor and a hint at military confrontation if things continue to progress in this manner.

"We are firmly against the act," China's state-run Xinhua News Agency quoted Taiwan Affairs Office spokesperson An Fengshan as saying. "We sternly warn Taiwan not to rely on foreigners to build you up, or it will only draw fire against yourself."

The U.S. cut formal ties to Taiwan when it recognized Beijing as the Chinese capital in 1979. This event marked official acceptance of the "one China" policy, which regards Taiwan as a Chinese territory.

Bring in MY HARVEST

by [278pikelk](#)

My daughter, write My words for those with ears to hear. I have given this, My daughter, many messages, some warnings in the past, some she doesn't even remember. Even this, My scribe, is a skeptic. Go back, My children, and listen to the messages that I have given this scribe and others. The warnings received through Me will come to pass because much that I have shown has not yet come to pass. Many doubt Me and have settled back into their lives again. I have changed this scribe's heart, but she still doesn't see the writing on the wall. The human mind grapples with Me and My end-time plan. Physical, emotional, and spiritual exhaustion weigh heavily on the hearts of many of My end-time servants. Do not be saddened or frustrated if this is you. All of My end-time servants will be tested and pushed to their limits, the end of themselves. This is not punishment, but refinement and preparation. Warriors are built up. They were not created as warriors, but created to become warriors. Never become confused over this term, "warriors", because My warriors war for Me, Yeshua HaMashiach, and no one else. This message is for you, and you will feel a nudge by My Holy Spirit if you've been chosen for this time of war. What is coming upon your earth is so far beyond what your minds can conceive. There is no way that it can be completely explained to you. It is My promise that all the words in My word will be fulfilled, and that My children who have received Me into their hearts will be prepared, and protected, and powerful beyond their imaginations. This is a time for My warriors to shine. They will not only shine My love and compassion, they will receive My supernatural power beyond their conception. Human words cannot do justice to what is coming, My children. Suffice to say that you must trust in Me. You must not fear, and you must enter a place of final preparation. I promise that I will never allow you to be faced by powers greater than what I have imparted to you. Be prepared to witness the supernatural. Be prepared to operate in My supernatural. The enemy cannot thwart My outcome. It has been written in My word and was conceived before time began. Remember, fear is not of Me and therefore will not be of you. This is My plan unfolding. It cannot be, and will not be, altered by the enemy and his minions. I will search for even the last lost sheep, and though the enemy will try to lure them into his snare, he will fail. Keep your eyes open, and your heads held high. Be at attention, My warriors. Let nothing on this earth or in this world be a distraction to you, My loves. My power is yours you will not only survive, but thrive in My promises. I do not come as a Lamb, but as a Lion, and My warriors will be rising up in My power soon to bring in My harvest. I love you, My children. Yeshua Ha'Mashiach

Prayer Times

I was in my kitchen cooking dinner Saturday evening, thinking about the fact that I had been praying for shorter times the last month or so than I usually do, when the Lord showed me that this was by the enemy's design, and that the same thing was affecting all of God's people lately.

My child, all My people are being tempted right now to shorten or abandon their normal prayer times. Many are discouraged by current news, and some have abandoned praying to Me altogether, convinced nothing will change if they pray.

This is the enemy's work, to keep My people from praying because he knows I will answer them. My people are entering a time of great trials, and a time of much tribulation will soon follow this. They shall be altogether unprepared if they have been out of My Presence all of the time from now until then, and will not survive this.

The time of the Great Tribulation is almost upon My people. This will be a terrible and perilous time when many shall be martyred for My Name's Sake. This will be a time when it will seem the enemy has won, but he has already been defeated at the Cross on Calvary. I have told you in My Word that he shall prevail for a time. But only for a time.

In this time shall many miracles be seen, that souls may be saved for My Kingdom. Many will still refuse to believe because of hardships and lawlessness. Those who walk through this time and witness for Me shall receive special rewards in heaven not given to others, for it shall indeed be very trying.

My people, pray! Lift up many prayers now for yourselves and those you love. Lift up to Me prayers for those lost you do not know for I shall reward you for these prayers, for the time you spend praying for these lost souls.

Watch. And pray, for it comes soon.

2018: A Year of Mourning

Posted on January 3, 2018 by Mens Lee Grebin

The LORD spoke and said that 2018 ~ 5778 will be **a year of mourning**.

Many tears will flow. There are those who will grieve the loss of life, and those who will grieve the loss of their anointing. Understand His appointed times and seasons.

It is a season when the Jacobs and the Esaus will become apparent. The last two years have been a time of sifting. The LORD has searched hearts and exposed what was hidden deep within.

The Esaus are those who sold their birthright for the things of the now: those who have built their treasures in this life, who have sold their calling to serve mammon.

Although it is written that Jacob was loved, he had to be refined. And when he was refined, his name was changed to Israel.

The LORD said, In this final season, those who have endured trials, tribulations, persecution (for His name sake) and refinement; those who have wrestled with God and didn't let go, your name will be changed to triumphant (Note: This has NOTHING to do with the president).

The LORD said, **"Follow not the voices of those who have fallen away. Follow not the ones who claim peace when there is no peace. I AM YHVH-Shalom, and peace is only found under the shadow of My mighty wing."**

The LORD will rise up in this hour. He will stand as ELOHIM; the one who judges and brings justice.

Woe unto the inhabitants of the land who speak His name in blasphemy, who lead His little ones astray, that they know not the hour in which they live.

Repent... REPENT! For the Kingdom of God is at hand!

The LORD said to tell His Bride to study and live according to [James 5](#).

The Bridegroom draws nigh...

Shabbat Shalom

A Time of Great Mourning

I had been reading the Word for awhile this morning and asking for a word for us, when I felt a deep sadness rise up in my spirit, and I realized it was from the Lord. *Lord, what is this sadness You are sharing with me?*

My people, a time of great mourning is coming for you soon, for great destruction looms in the distance just ahead. Man has devised war in his heart, and it shall be a great war indeed, as men fight for control of countries.

This war shall start suddenly and without warning, and it shall come from a small country, but its impact shall be very great. It shall diminish food supplies and bring much suffering. Death will spread quickly and lives be forever changed as a terrible sequence of events plays out as a result.

There is nothing you can do or pray to stop this war, for it is the beginning of the end, and all scripture must be fulfilled. Pray that your faith be strong, and strengthen it while there is yet time. Pray for those you love for mercy, for you shall see many peoples die in this time, and many you love may be among them. Pray for those you do not know, for salvation and for mercy, for you shall lay up for yourselves a great harvest in doing so.

Do not fear for what you shall eat or what you shall drink, for I am able to provide for you even where nothing remains, if your faith is strong. Be sure your faith is strong. Ask of Me for great faith and I shall give it you, that you may survive what is coming if that is your desire.

My children, prepare your hearts for mourning, for this will be a time of much grief. This will be a time of losing many dear to you. This will be a time of great change, such as nothing the world has ever endured before.

I am with you always, even to the end of the age.

JESUS AND HIS ANGELS VERSUS ALIENS!

By William Mixon: (Hope note, I received this in an email so there is no link to the story)

Jude, Hi, my name is Bill. I have had an experience when my daughter was in middle school, she is a senior this year. I was dropping her off to school one morning and as I got to stop to drop her off I noticed a huge saucer shaped disc at tree top level, this thing was 100 yards long, silver with lights going around it. It would be visible only for 30 seconds at a time and disappear and reappear. My daughter and I just stared at it. Mesmerized. The couple of cars around me did not notice it or could not see it which is what I believe. My daughter said wow God really did make aliens, I told her no honey He didn't those are fallen ones/demons trying to make us think they are aliens. Finally I said to her go into school you will be safe there she did. She also told me later that this craft followed us from home to school but I did not notice this craft till I stopped driving. I then drove toward praying and as I approached the craft it disappeared and never returned.

This is when it gets interesting. A few days later or maybe two weeks later I can't remember how long after the sighting, I awoke at 3 am shaking violently and uncontrollably, it was like the shaking that a prophet in the Bible did, I had read, and I could actually hear my bones of my joints clank together. I was fully conscious but no physical control, I thought to myself something is about to happen and then pop I was out of my body fully conscious. Immediately I sensed an infestation of demons in my house, it was very evil and I can't explain this sense but I knew, I immediately started calling on Jesus for his help, as I did this I noticed this entity crawling up my bedroom wall, he was invisible except for an outline of his shape and it was in human form with Roman sandals on as best as I can describe. I thought to myself that this thing is trying to get to my daughter. I said well I can try and grab it sense I knew I was in the spirit with it. So I grabbed this entity's leg and behold I could grab it. I started swinging him around all the while calling the name of Jesus to help. As I was wondering what to do with this entity Jesus showed up with His angels, 6 I think, I was put in a circle or semi circle of angels and I was sitting back to back with whom was Jesus. All I could see was a wall of white the angels were that big. A melee broke out as the demons fought the angels to no avail. Jesus was in the circle with me relaxed and I believe He was eating an apple. As fast as it started an angel grabbed me by the collar of the robe I was wearing and put me upstairs next to my daughter, in spirit. Then pop I was back in my body. As soon as I was I heard my daughter scream for me. She was terrified and I ran to my daughters bedroom and laid down beside her and she said she had a nightmare of something trying to get her. I then heard a voice in my right ear, stay with her until morning, it's ok they are gone and I have posted my angels on watch. I knew it was Jesus.

I could not get this experience out of my head I did not put the UFO sighting and the demon attack together until I inquired God on why I had seen this craft. I had purchased Tom Horns Exo Vaticana and God told me to look in it. I opened it up and 4 pages letter it said that people with abduction experiences will see or have a UFO encounter before the abduction event occurs. God revealed to me that these two events were related.

Now I have an uncle who was visiting my parents. My daughter and I were there visiting with them. He works for the NSA. My daughter let slip that we saw a UFO. Everyone of course laughed and blew it off except my uncle. He then asked me if it was true I said yes. He took me away from everyone and asked very seriously what I saw and what did it do. I explained to him how it would go in and out of visibility and what it looked like and I did tell him that it looked man made because it did. He took it serious and I felt he knew about these crafts.

Now I feel led to get this made known to help people understand the coming great deception that there are aliens. They are not aliens but demons and they flee in the name of Jesus.

I felt led from the Lord to share this with you so it will get out as I don't know how to get it out there to do the most good. Feel free to share this testimony for His benefit. Time is short.

Thanks, Bill

[REDACTED]

When, God, When?

My people, the futures you have planned for yourselves will not happen as you have planned them. There are events coming that will change everything, and the futures you desired for yourselves will no longer be possible in this place.

The end approaches quickly, and brings with it much grief and destruction. I tell you these things that you may prepare your hearts and build your faith to withstand them. Many will turn from faith in Me in this time, believing no God who loves them could allow these terrible things to happen, but look at all that has happened in the past already.

Do you not know of those who have laid down their lives for My Names' sake already? Do you not know there are many souls under my altar crying When, Oh God, when, will you avenge us? These things are not new, but you have been spared thus far.

Begin to prepare your faith.

Glynda Lomax

A Call To Intimacy

Beware, My people, for the intensity of the time you live in is increasing daily. When the events culminate to a certain point, it will increase suddenly, exponentially. When this happens, your choices will be very limited and many of My people will not survive.

I tell you these things that you may prepare by knowing Me more intimately than ever before. If you know Me intimately, I am able to help you in these times I tell you of. If you do not know Me this way, your faith will not sustain you in them, for they will be dire, indeed.

Plans have been made by those who are privileged, those who have power, and those with special advantages, to make changes according to their liking.

NOTE: I immediately thought of President Trump, and the many who hate him when He spoke that, but He did not say this has anything to do with him.

Their plans will be carried out, because the time of the end is upon all flesh and all scriptures must be fulfilled, that My people can come home to be with Me here in heaven.

The people making these plans are against Me. They are against My people, they are against My Word. They will usher in My enemy.

NOTE: I felt He was speaking of the AntiChrist here, but He did not say that.

This group is made up of many peoples (nations) and they have long plotted to destroy this country because of its foundation in Me. Though many in this country no longer love My Name or serve Me, this country once stood for Me and My ways like no other.

NOTE: He sounded so sad when He said that, like a father who has lost his child.

My children, you must get ready for what is coming. Becoming close to Me, walking in intimacy with Me, is not an overnight process. If you do not begin, you will not arrive. You will not have enough time to do this if you do not begin now.

This year will bring many changes for My people, and many opportunities for those who do evil against them. See that you have no part in oppressing My people. See that you take no part in siding with what is wrong. See that you worship only Me, for the end is at hand, and those who do not will suffer a terrible end.

“The day is coming soon when the earth will no longer seem as if it is Mine.”

NOVEMBER 18, 2017 2:11 AM BY LOIS VOGEL SHARP 6 COMMENTS

I received this word on November 11th 2017.

“I have a word to tell My people who are called by My name. The day is coming soon when the earth will no longer seem as if it is Mine any longer. What you need to know is no one can pluck you out of My hand and evil will never win this battle that is already over from the beginning of time.

You see, time moves on and evil plays its' game of torment to anyone who gets in its' way. The pleasures of this life that evil can give you are not compared to My glory that shines for eternity and you glow in My Kingdom power on earth for all to see and witness. It does not matter if you are tall or short or black or white or skinny or fat. Your outward appearance has nothing to do with My spirit

that dwells in your very heart, your spirit, where I have breathed the breath of life to make you a living soul. I have created you in My image and likeness and no man or spirit can rob you of the life I gave you.

What the enemy does is come in with lies and deception to make you believe what is not true about yourself, which is that you are not loved and accepted by Me. Once you understand that you are My child, you will walk in My Spirit and My truth and the gifts that I give you through My Spirit will be used in My Kingdom.

If you do not know who you are, how can you walk in My kingdom? You will stand by the door and never knock or come in. Come into My Kingdom and sup with Me for I have given you eternal life where you will never shed another tear, once My Son returns with all My people to the earth. It will be a time of cleaning up the mess the enemy has made on My planet.

I have not suffered you unto My wrath so you must follow My Holy Spirit where He will guide you to go. Persecution will become very strong before you leave the earth and I will make sure you have all the weapons of your warfare to continue on the earth until all who are meant to be part of My Kingdom come in. The door will shut at the due time and you will no longer long to be with Me, for you will make it into My kingdom and will be with Me forever. For now, the only truth you need to know is that I love you with an everlasting love and will never leave you or forsake you and My Spirit is one with you to show you all truth.

Love one another as I have loved you and listen to your Father for He is speaking to you to assure you that all is well with your soul if you keep your eyes on eternity and not the world you live in, that is fleeting. There is no security in a world that is filled with sin and darkness that keeps trying to pull you in so you can be destroyed. Once you truly realize that sin is not a pleasure, but a tool to kill you, you will be able to stand against it and fight the good fight of faith and receive victory over all the works of the devil to destroy you. For now let Me assure you that you are loved and that My Son will come to deliver you from the hands of the evil one.

Shalom,

Your Father who art in heaven, and love one another as I have loved you.”

Your life is a vapor. Don't spend your time with the worries of the day. Cast your cares on Me. I AM your strength. I AM the Light of the World. Do you trust Me? I look deep into your heart. Even after all the trials you have been through, you call on Me for help. Even after all your suffering and your sickness, you have never raised your voice. Even after all your loss, you call My name in the night, and I hear you. I know you trust Me, I see your courage. I know your faith in Me. You are My precious child. My Light shines from within you. Those of the Light are drawn to you. The adversary knows this, too. He sees your Light. He will continue his attacks by day and by night. He will whisper lies into your ear. Resist him, and he will flee. You have My Spirit inside of you. You have power over him. Use this power. Because you trust Me, you know you will be with Me soon.

The Time of Satan's Wrath

As I am separating My people from the sinful masses, My mighty power is flowing more strongly through them. My light shall be seen upon them.

My children, the time is coming soon when you will not be able to conceal My light within you or upon you. You will be known as Mine, even as you try to hide it in times of persecution. But watch, for as you obey Me, I shall protect you until it is time for you to come home to Me.

The time of Satan's wrath approaches, My people, and it shall be a terrifying time in the earth. My people shall know what is happening, but those who know Me not will only know fear and trembling.

Be careful, My people, that you be not found on the wrong side of light and darkness, for there shall no remedy be found in that time for those who are.

Pray and Prioritize

My children, the storm that is coming will overtake your lives. It is much stronger than you imagine, and it will bring chaos, and change like nothing you have seen before.

War is coming soon, and war changes everything it touches. The war that is coming will usher in the end, and the last trumpet sounds soon. The door will shut and the Bridegroom will be inside. Those who will enter into My Kingdom must enter soon.

Pray. Pray for those you love who do not know Me. If you will pray for them, I will save them, for it is My will they be saved as well. Some of them have precious little time, so do not put off to pray, for soon it will be too late. I am taking many of them home soon.

NOTE: I saw car accidents, etc. taking people very suddenly from the earth, and the saints who knew them realizing they had put off praying because they were busy.

Prioritize, My children – put what is first, first. Meditate each day on what is most needful, and do those things. Soon chaos will abound and there will be no time to think.

The Time of Great Terror

In the time coming when My people are taken out of the world, those left behind will suffer a terrible fate. Those who continue to reject Me and all I have done will truly suffer the ultimate judgment.

I have told you all those being interceded for in this time, I will save, and I will, but the others who rail against Me, who torment My people, who refuse My great sacrifice, for them the end will be terrifying.

The earth will turn on those who are left behind. Those who have tormented My children, who have taken everything from those who serve Me, who have changed the laws and made My people's life a misery in that time will suffer a fate you cannot imagine now.

The earth will begin to swallow them up without warning. Fire will leap from the earth in places. Fire will fall from the sky as well. Holes will open up in the ground and take them suddenly. Severe weather will come upon them with no warning. In that time of hate and no love, great greed will take over men's hearts. They will watch as all they hold dear is taken from them, and some will be left to wander the earth in fear, seeing as these things happen to others and not to them. They will long for death but not find it, as the punishment will be much longer for those who have caused great suffering to others.

NOTE: Here I saw something that looked like spots where gravity did not work correctly (???) and people could not choose where they were, but would suddenly be thrown or moved someplace else.

My people will not suffer these horrors and the others written about in My Word (I saw He meant the seals in Revelations) for, though so many will be martyred, martyrdom will be an easy death compared to what is waiting for those left behind. Though they will have great wealth and many will have power, their world will become terrifying suddenly and they will have no control over what happens to them then.

Hold strong to your faith, My people. Hold strong and pray for those you love, and pray for those who do not know Me, that they will not see these events. Do not give up your belief in Me. Know My Word for the time comes when only the Word in your hearts will be available to you. As the earth becomes a dark and evil place, know that you are coming home to Me and you will not see the Time of Great Terror that will be the end.

“The Walking Dead Among You”

Saturday, November 11, 2017 posted by dpulliam

[read comments \(1\)](#)

One morning, the middle of October, 2017, I'd just finished making a list of errands I needed to run when, as I turned to get out of the chair, I saw the following vision:

As I turned, I was facing a large plate glass window. In the vision, I saw myself leaving in my car to run the errands. As I drove along the street, I saw several people walking. When I turned my head to look at them, I noticed they all had blank stares and their faces were a weird ashen color.

I parked my car and went into a store. There too, all I saw were people walking around with blank stares and that pale grayish skin. As I walked toward an aisle, I heard the Lord say,

“These are the walking dead among you.”

“Will you share with them the life I've placed within you?”

I then walked towards a woman and began interacting with her. As I smiled and began speaking words given by the Holy Spirit, I saw a tiny sparkle of light appear in her eyes. I reached out and placed my hand on her shoulder, and immediately felt the intense love of God flow from me straight into her. It was as if she came alive right before my eyes!

End of Vision

Since that day, the Lord has been showing me how His Saints are missing precious opportunities to share the life He has placed within us. We tend to go about the day with our list of errands and goals we wish to accomplish, without noticing the countless lost souls we encounter in the process.

Darkness has begun to cover the face of this earth and the walking dead are all around us – in and outside the “church.” But Jesus died for every one of them, and He said we're to be the light of the world (Matt. 5:14). When a Saint of the Most High God enters a room, it should have the effect of someone turning on a light switch! And it will give light to everyone in the house!

Watching for Wrong Things

My church watches and waits for My return. They believe many things about what is coming, but they are watching for the wrong things.

Those who call themselves by My Name who do not know Me are watching for wealth and showers of blessings, but My children, what is coming as well (at the same time as the blessings) is very different.

Prepare now, My children, for the release of the demonic into the earth on a massive scale. You will witness horrors you never imagined and they will go on and on and not stop, for this is the time of the end.

Demons of great magnitude are behind deceptive beliefs. Yes, I bless My Children – those who are focused on My Will and doing My Will in the earth. Not those who do not seek Me, who do not know My Name, those who care not for My Word and the things of Me. Not for those who refuse suffering and sacrifice when it is required of them.

When you open the door to deception, you open the door to the devil and he comes in to kill, steal and destroy in your life.

Prophetic words to lift you up and encourage you to move forward in your walk with Christ.

Get Ready

America, you face nothing but waiting for fiery indignation. You have incurred My judgment and you shall feel it. The wicked who reside in you shall feel it. All those who helped to make you what you are today shall feel it.

NOTE: For just a second, I saw flames, and I felt we had been hit with a missile. I heard the words "preemptive strike," but I didn't know what the situation I was seeing actually meant. I saw President Trump's face for a split second after I saw the flames and heard those words, but I knew even as I saw it that we had not fired a missile on anyone else. Someone else had fired on us.

America you have already been found guilty. Get ready. I would have washed you clean but you refused me. You have continued to push me out. Out. Out. You did not desire to know Me. Now you don't. I will cleanse America with fire. Only my remnant shall I protect.

They shall walk through fire and overcome to witness to others of Me.

Hebrews 10:30

- 30 For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people.

"You will be brought to your knees Oh America."

"From the depths of My mercy, I have heard the cries for your nation. I have heard the prayers. I have seen those who utter prayers, and yet their hearts are far from Me. But most don't send prayers to Me; instead they believe that everything will somehow turn around and get better.

Those who have chosen to believe this way have put their faith and trust in man rather than in Me. For they think that the arm of the flesh is able to save them from calamity. These are those who have put their faith and trust in a man that would lead them out of the dangers that now beset them. I have said time after time, that your nation will fall. I have said repeatedly that you have looked for a king just as Israel had done. And now you wonder why all of this is happening to you.

You will be brought to your knees Oh America. You have been promised some things, but those promises will fail you utterly. You will go through a time of upheaval and calamity and outside forces will see your weaknesses. For they will come circling your land as vultures do. Oh, if you would have turned from your ways!

And yet I have a few who have not fallen for the lies and the deceit. You are not innocent. My angels stand at the corners of your nation. They stand ready to carry out My orders. Because you are so divided, because you are so separated from one another, because you carry such a fervor of hatred for one another, these things will come.

Oh, once land that was called to be the land of the free and the home of the brave, your prairies and hills will be gone on that day. The ocean waves will cover her and tumult and confusion will fill the land. Gone will be the halls of justice. Gone will be the great centers of learning. Many will perish in that day.

But I will lead My own on that day. They will be kept safe from the calamity that comes. When the storms arise upon the land, an echo will be heard, and those who have remained true to My word, will find sanctuary. Places of safety will be established. And the one doomed for perdition will not come near them. You will work together as one. You will put aside your petty arguments. And when the land is wasted, I will take you unto My own self. For the days that go on after this, no man would endure. But blessed are those who then will come unto Me. And yet, endurance is needed unto the end."

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.

*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks*

out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Subject: Barb God's Healer7 12-6-16 Preview of the Day of the Lord A foreshadowing Matt 24:27 Joel 1:15

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. The newsman says "the lightning and thunder can be

Heard and seen all over the world. The lightning is causing fires everywhere."

What's that? It looks like airplanes. I don't know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let's go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I'm going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We'd better hurry! The place looks jammed already. Put the news on. I can't. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

The Seven Thunders Revealed

Posted on December 21, 2011 by John Baptist

They Fly Like the Wind And Come From Afar

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the “latter times”. Indeed we live in the “latter times”.

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain,
Raise your voice to them; Wave your hand,
that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I
have also called My mighty ones for My
anger — Those who rejoice in My
exaltation."

4 The noise of a multitude in the mountains,
Like that of many people! A tumultuous
noise of the kingdoms of nations gathered
together! The Lord of hosts musters The
army for battle. 5 They come from a far
country, From the end of heaven — The
Lord and His weapons of indignation, To
destroy the whole land.

6 Wail, for the day of the Lord is at hand! It
will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

[Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and blessed”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.

*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our

we sailed too close to the shore. Disturb us, Lord,

PRAYING THROUGH

What it means to Pray Through

Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. All who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. Deep calleth unto deep, and though polluted and landlocked by the mighty disaster theologians call the Fall, the soul senses its origin and longs to return to its source

Eyes of Faith ***(Goiter Lady)***

Eyes of Faith

Jesus went about... teaching... preaching... and healing.

—Matthew 4:23

Scripture reading: Isaiah 58:8–12

One day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

Thought for today: A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 05:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). Mighty Prevailing Prayer:

General Booth

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. 

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

Godshealer7 - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1 Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves. Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

SARAH MENET PROPHECY

(Biological, Chemical, Nuke, Comets, a Year of Horror)

INTRODUCTION

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

THE PRECURSOR EVENTS

EVENTS LEADING UP TO NUCLEAR WAR

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

SHE SEES 911 NYC

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

THIRD SEAL - FINANCIAL COLLAPSE

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **throughout the world**. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

CHEMICAL ATTACKS

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and ***they didn't even know it***.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

EBOLA

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

DISEASE SPREADS MURDER MAYHEM

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

EMP NO ELECTRICITY (US & ISRAEL)

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

CHAOS, STARVATION, MAYHEM, CONTINUES

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

HOMES/CITIES OF LIGHT & REFUGE

(ISAIAH 60:1-3)

(Glory Light)

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

(ISAIAH 60:1-3)

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

CITIES OF LIGHT MOVED OFTEN

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

BABYLON THE GREAT DESTROYED

FINAL NUCLEAR DESTRUCTION

As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

SIXTH SEAL - FIRE BALLS & COMETS START FIRES

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

RUSSIAN CHINESE INVADE

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

RUSSIAN CHINESE INVASION SHORT DURATION

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

MEGAQUAKES WORLDWIDE

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

FIRST TRUMPET (BURNING)

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

(NOTE – I have posted a few reader comments at the bottom of this page.)

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know.](#)

The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

GODSHEALER7 – I have already opened the 1st Seal, those with Understanding Know this Truth

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

REJOICING IN JUDGMENT

Rejoicing in Judgment

Posted on 12 March 2017 by Stephen Hanson

"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

Selah,

Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

The arrest of a couple suspected of killing and eating dozens of victims in Krasnodar is but the latest in a string of cannibalism cases in Russia. Fueled by mental illness, desperation and perverse fantasy, their oddness doesn't detract from the shocking cruelty.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to [kill](#) the pastor of a local church, according to a report from [Bibles for Mideast](#), an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert."

Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT () Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

The stunning stats on the East Coast bomb cyclone

By Doug Criss, Brandon Miller and Dave Hennen, CNN

Updated 12:02 PM ET, Fri March 2, 2018

Source: CNN

Powerful nor'easter expected to hammer coast 00:56

(CNN) — Check out these eye-popping stats from the bomb cyclone hammering the East Coast:

-- About **1 in 4 Americans** will feel the effects from this storm. Some **80 million people** are in the storm's path along the East coast, and they'll suffer through high winds -- **exceeding 50 mph** in some cases -- flooding and snowfall.

-- This particular **storm will be a powerful one**. A nor'easter is considered a bomb cyclone when it drops 24 millibars in 24 hours. This one is expected to drop at **35 mb in 24 hours**. What are millibars? It's a pressure measurement that tells the strength of the storm. Just remember that the lower the storm's pressure the stronger storm it is.

The Bizarre Mystery Shrieks of Oregon

Lying within the Tualatin Valley of Oregon, in the United States, just 25 miles from the major city of Portland, is the rustic suburb of Forest Grove. Originally sprouted from a farming community, the quiet town has a population of just over 20,000, and is usually a peaceful place outside of major news and the noise of the city. However, in 2016 the usual quiet was rudely broken when terrified residents of the rural town began to report hearing an unearthly loud shrieking noise piercing out from the surrounding countryside at night that no one could explain, and which would go on to generate national news and baffle experts.

To those who heard it, the sound was described variously as being a shrill squeal, a flute-like blare, the screeching of car brakes, a steam whistle, a mechanical scream, metal scraping against metal, an off-kilter siren, or a banshee like moan, but it was agreed by all that no matter what exactly it sounded like it was a truly intense and nerve-wracking racket which purportedly kept people awake and was said to drive pets nuts. The weird noise was also described as coming from the trees, from backyards, and even from the middle of the street, and no one could quite figure out where or what it was emanating from. The story was propelled even further into the mainstream consciousness when a video made by resident Paula Lynch was released purporting to contain one of the mystery shrieks, and the Internet went nuts trying to figure out what it was. One Dave Nemeyer, fire marshal of Forest Grove Fire and Rescue, investigated and said of it:

Lab-grown meat could go on sale by end of year

'Clean meat' that has been grown in a laboratory could become available to buy within a matter of months.

The world's first lab-grown burger, which was developed by a team in the Netherlands and cost a whopping \$325,000 to produce, was seen as a major milestone in the development of a new and sustainable food source that could help feed our planet's ever-growing population.

Now, a mere five years after this accomplishment, it looks as though lab-grown meat may soon become an actual viable, affordable alternative to traditional animal-based meats.

According to Josh Tetrick, CEO of clean meat manufacturer JUST, lab-grown meat products such as chicken nuggets and sausages could be available to order "before the end of 2018".

He predicts that restaurants in the US and Asia will be the first to offer the new products, however there are still regulatory issues that will need to be solved before this can happen.

Even animal charity PETA has been investing in lab-grown meat technology over the last few years.

"We believe it's the first important step toward realising the dream of one day putting environmentally sound, humanely produced real meat into the hands and mouths of the people who insist on eating animal flesh," the charity said in a statement.

Whether Tetrick's "end of 2018" prediction will come to fruition however remains to be seen.

Cook County Announces Task Force To Fight Cemetery Violence

Filed Under: Cemetery Violence, Cook County, Funeral Violence, Local TV, Mai Martinez, Rev. Ira Acree, Richard Boykin, Tom Dart

CHICAGO (CBS) – Violence at cemeteries, and during funeral processions, in Cook County is increasing.

A Hillside police chase is just one example of some of the violence. Chief Joe Lukaszek says three guns were recovered from the stolen SUV, which had just left a cemetery.

"There's no respect for the dead anymore," he said.

Cemeteries in Hillside are the final resting place for many gang members killed in Chicago. Funeral processions from the city often end up on the expressways, which lead to dangerous situations.

"People, literally, are jumping on other sides of the road, driving next each other, weaving in and out of traffic, guns being waived out of cars. There's been shots fired from vehicles, as well," Sheriff Tom Dart said.

As a result, Dart is creating a new task force to tackle the problem. It will be comprised of community leaders, citizens and law enforcement, as well as cemetery and funeral home owners.

According to Paul Hellyer the US government, in cooperation with extraterrestrial forces, have developed new green sources of energy, but the small elitist group withhold it, trying to suck out the last profits from their fossil fuel assets.

Well, that's something new. It turns out that climate change could have been averted long ago and fossil fuels are already history. There is one small problem – according to former Canadian Defense Minister Paul Hellyer, a small group of people is withholding crucial green technologies in order to gain maximum profit from their fuel assets. But the real cherry on top of this story is that those technologies were created nearly ten years ago in collaboration between the US and extraterrestrials!

The earthquake struck at 5:01 UTC and witnesses have reported indoor objects visibly shaking.

There were no immediate reports of casualties or damage.

The "Ring of Fire", also called the Circum-Pacific belt, is the zone of earthquakes surrounding the Pacific Ocean- about 90 per cent of the world's earthquakes occur there.

Return of BLACK DEATH? Scientists uncover PLAGUE in soil and water after over 200 DEATHS

DEADLY bacteria that triggers a plague could be hiding in soil and water sources across the globe, causing a serious risk to the public's health, after the disease tore across Madagascar last year killing 202 people, it has been claimed.

The latest findings could explain why the plague suddenly breaks out in countries such as Madagascar.

The latest findings, published in the journal *Emerging Infectious Diseases*, could explain why the plague suddenly breaks out in countries such as Madagascar, where the disease killed 202 people last year.

There have also been outbreaks in the US, with 16 cases including four deaths in 2015.

David Markman, from Colorado State University, who led the study, said that plague is endemic in many parts of the world and its origins are still not really understood.

Mr Markman said: "The interesting and troubling part of plague, and part of the reason why there are so many unanswered questions, is that it is present in many different environments - from the jungle to the desert and everywhere in between.

"It's difficult to find one mechanism that unites all these different locations which explains when, where and why plague breaks out when it does."

Timebomb: Thawing Permafrost Harbors Potential Catastrophic Threat to the World

The ongoing thawing of Arctic permafrost may pose a serious risk to Earth's climate due to vast amounts of ancient carbon dioxide poised to be ejected into the atmosphere.

Having conducted radiocarbon dating of the contents of rivers and lakes in Canada's Northwestern Territories, scientists at VU University Amsterdam have detected an increase in dissolved carbon and carbon dioxide; some samples are over 2,000 years old.

Over the course of many centuries, the frozen soil of the Arctic Circle came to contain an abundance of carbon, harboring vast quantities of dead plant matter that was locked in the permafrost and thus prevented from decaying completely.

Now, however, as the permafrost thaws, these carbon deposits are starting to decompose and are being released into the atmosphere as methane and carbon dioxide further exacerbate problems related to global warming and climate change.

Christians and other minorities in Pakistan are bolting away from the predominantly Muslim nation by the “thousands” as Islamabad ignores harassment at the hands of Islamic extremists, reports *Asia Times*.

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

From [Christian Aid Mission:](#)

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn’t invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord’s prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey’s Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We’re not even leading from behind anymore, we’re just ceding ground to Satanic evil every day.

(ChinaAid) — According to Christians in China's central Henan province, the local public security bureaus and religious affairs bureaus have started targeting house church members with threats and fines since early February.

A new initiative in Nanyang, Henan, explicitly forbids any kind of religious gatherings in people's homes. Anyone caught attending or hosting meetings outside of a registered religious venue will be subject to a fine of 30,000 yuan (U.S. \$4,700). All Christians in the area are ordered to join an officially registered church.

North Korea Will "Counter" US Over Military Drills, "Dark Clouds Of War"

The South Korean Olympics are over which means that your regular, scheduled jawboning over a war between North Korea and the US can resume: overnight Pyongyang threatened to "counter the US" if Washington holds joint military exercises with Seoul stating that it would not beg for talks with Washington.

"If the US finally holds joint military exercises while keeping sanctions on the DPRK [Democratic People's Republic of Korea], the DPRK will counter the US by its own mode of counteraction and the US will be made to own all responsibilities for the ensuing consequences," the North Korean official KCNA news agency said in a commentary on Saturday. "The US should clearly understand this and exercise prudence."

The United States is set to begin joint exercises in early April, a South Korean presidential security adviser said this week according to Yonhap news agency - the latest in a series of drills that the north has regularly described as a threat. The latest exercise has angered North Korea, which has long seen joint drills as a threat.

Kim Jong Un seen during a military drill marking the 85th anniversary of the establishment of the Korean People's Army

The KCNA referred to the scheduled drills as an intention by America "to bring dark clouds of a war to hang over the Korean Peninsula." It also called for the US to be denounced by the international community, accusing Washington of aiming to "aggravate the situation on the Korean peninsula at any cost."

Separately, Reuters reported that North Korea also said that it was willing to talk to the United States but said it would never sit with any precondition. A North Korean foreign ministry spokesman was quoted by state media KCNA news agency as saying "we will neither beg for dialogue nor evade the military option claimed by the U.S."

Regional governor Bernard Okalia Bilai stated that the driving ban will last for "30 days."

According to reports, one of Cameroon's provinces has banned driving at night because of continuing clashes between government forces and separatists.

No vehicles are allowed to be on the road between 7:00 pm and 6:00 am, although exceptions are made only for ambulances and police cars, according to an official announcement.

Many have been killed in the Southwest Region and Northwest Region and tens of thousands have fled to bordering Nigeria after violent anti-government protests, which began due to a push for independence among the English-speaking provinces.

Some Believe Return Of Surveillance Plane Will Deter Crime, Police Corruption In Baltimore

By Mike Helligren March 1, 2018 at 6:29 pm

Filed Under: Local TV, Surveillance plane

BALTIMORE (WJZ)– The recent shootings are among the crimes some community activists believe could be solved with more eyes watching the streets.

The controversial private plane that once flew over Baltimore, taking pictures of the entire city, could be making a comeback.

While privacy advocates are alarmed, some community activists say Baltimore needs the eyes in the sky to fight crime

It's gaining support as a way to keep an eye on police to stop police brutality and corruption. Advocates believe it could also stop crime with powerful cameras that beam images to an office near police headquarters.

SWEDEN: WOMAN INTERROGATED & IMPRISONED FOR POSTING JOKE MEME ABOUT ISLAM

Thought criminal faces two years in jail after authorities grilled her on her support for "multiculturalism"

Paul Joseph Watson | Infowars.com - MARCH 2, 2018 923 Comments

A woman in Sweden was interrogated by police, had her DNA taken and was subsequently imprisoned for the "crime" of sharing a joke meme about Islam on Facebook.

The 32-year-old woman from Gothenburg drew the attention of authorities after she posted the image below, which depicts a Muslim man having his brain removed and then being wrapped in Islamic head dress.

While the meme may be considered offensive, what happened next was truly Orwellian.

A reporter alerted police to the post, claiming that the woman had expressed herself "in a threatening manner" towards a protected group.

Nuclear missile threat a 'red line' for Trump on North Korea

The necessity of dialogue after Olympic games 01:30

Washington (CNN) — The Trump administration is considering military action against North Korea if the rogue regime successfully builds a nuclear missile capable of hitting the United States, according to multiple sources with knowledge of the administration's latest thinking. Senior national security officials believe a nuclear armed Pyongyang represents an unacceptable risk to the US.

Beyond the missile threat to the US homeland, the national security officials pushing for military action believe that if North Korea becomes a full nuclear power, it will proliferate, potentially sharing nuclear and missile technology with states such as Iran, Pakistan and Libya, and non-state actors.

THROW SILVER AND GOLD INTO THE STREETS

Ezek 7:19

'They will throw their silver into the streets,
And their gold will be like refuse;
Their silver and their gold will not be able to

In the day of the wrath of the Lord;
They will not satisfy their souls,
Nor fill their stomachs,
Because it became their stumbling block of
iniquity.
