## *Kept by God's Power*

*While I was with them in the world, I kept them in Your name. Those whom You gave Me I have kept.*

—John 17:12

*Scripture reading: John 17*

*T*here are evil powers, but Jesus is greater than all evil powers. There are tremendous diseases, but Jesus is the Healer. No case is too hard for Him. The Lion of Judah will break every chain. He came to relieve the oppressed and to set the captive free (Luke 4:18). He came to bring redemption, to make us as perfect as man was before the Fall.

People want to know how to be kept by the power of God. He will contend for your body. When you are saved, Satan will come around and say, "See, you are not saved." The Devil is a liar.

I remember the story of the man whose life was swept and put in order. The evil power had been swept out of him. But the man was not filled with the Holy Spirit. If the Lord heals you, you dare not remain unresponsive to His Spirit. The evil spirit came back to that man, found his house swept, and took seven others worse than himself and dwelt there. The last stage of that man was worse than the first. (See Matthew 12:43–45.) Be sure to get filled with God. Get an Occupier. Be filled with the Spirit.

God's power cannot come out of you unless it is within you. We must have all inward confidence and knowledge that we are God's property, bought and paid for by the precious blood of Jesus. God wants you to know how to claim the victory and shout in the face of the Devil and say, "Lord, it is done." (See Revelation 21:6.)

God has a million ways of undertaking for those who go to Him for help. He has deliverance for every captive. He loves you so much that He even says, "*Before they call, I will answer*" (Isa. 65:24). Don't turn Him away.

## **"A Prayer for Spiritual Revival":**

Disturb us, Lord, to dare more boldly, To venture on  
wider seas Where storms will show your mastery;  
Where losing sight of land, We shall find the stars.  
We ask You to push back The horizons of our  
hopes; And to push into the future In strength,  
courage, hope, and love. Because we have  
dreamed too little, When we arrived safely Because  
we sailed too close to the shore. Disturb us, Lord,  
when With the abundance of things we possess We  
have lost our thirst For the waters of life; Having  
fallen in love with life, We have ceased to dream of  
eternity And in our efforts to build a new earth, We  
have allowed our vision Of the new Heaven to dim.  
Amen.

Sir Francis Drake

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

# William Booth

The chief danger that  
confronts the coming century  
will be religion without the  
Holy Ghost, Christianity  
without Christ, forgiveness  
without repentance, salvation  
without regeneration,  
politics without God, heaven  
without hell.

# General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.

At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

## **Luke 18:1-8 (The Persistent Widow)**

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

## SIGNS OF TRUE and FALSE PROPHETS extracts by 'AgapEkind'

The time has come when men cannot endure sound doctrine.

Men are heaping up for themselves teachers that say what they

like to hear because of itchy ears. False prophets have risen to

deceive many... Be careful. Be watchful. Open your eyes.

## THE TRAP OF a FALSE PROPHET

False prophets are very gifted, but do not bear the fruit of Christ.

False prophets flatter a lot, they say all the things you want to hear.

False prophets boast in the fact that they do not rebuke.

They will deceive you with the message of Love; they will lead

you away from the message of repentance.

False prophets will lead you away from preparation for the coming King.

False Prophets will say peace, peace when there is no peace.

Don't be deceived by prophets who preach what you like or want to hear.

## GOD'S TRUE PROPHETS

God's true prophets are marked by these three common things

"Rebuke, Reprove and Exalt".

They encourage, comfort and edify according to the will of the Lord

They will "mourn over sin"; they will carry the burden... God's

prophets should not be able to stand sin... hence the need to

"rebuke or reprove"

Yet they are peaceful & merciful.

After a prophet is done releasing the burden, they can almost

immediately (within a matter of minutes) put on another spirit

(of joy, gentleness and mercy).

They hunger and thirst for righteousness, God's true Prophets

must, at one point or another, preach holiness.

The Prophet's level of purity (sanctity) or the heaviness of the

burden laid on him will likely contribute to how the prophet preaches the message of holiness or rebukes sin.

They are marked by persecution because of the message they preach.

They are poor in spirit; after receiving messages and mysteries

from God, they must remain humble in spirit.

They have no undivided loyalties (with their master, Jesus Christ).

They bear the Character of God.

THE CRUX OF THEIR MESSAGE will LEAD PEOPLE to RUN TO GOD!!

# JUST FOLLOW & BELIEVE

TUESDAY, JUNE 26, 2018

## Just Follow

Do not try to understand where I am leading you, just follow. My ways are higher than your ways and your mind cannot fully comprehend My greatness or how I can use you.

The common men who followed Me in My time on the earth would never have been chosen to work by the Pharisees of My time, for their foresight was limited to men's opinions in the now. But I can see much further than that. I can see all eternity. I can see the full scope of your work and how many souls you can touch by obeying Me.

Do not try to understand the way that I am leading you, just follow.

And believe.

# WILL YOU TRUST ME?

WEDNESDAY, JUNE 27, 2018

## Will You Trust Me?

The path before you is rocky and sometimes rough. Will you obey Me in spite of your lack of comforts? Will you lay down your life as I did Mine, to do the will of My Father in Heaven that your rewards may be great?

Will you trust Me?

The end of all things is upon you who dwell in the earth and many events will happen now that you never thought to see. There will be many terrifying sights to behold as the way is prepared for My soon return.

The way I am taking you is necessary, though not easy.

Will you trust Me?

## All Eyes Are Watching Your Land!

Posted on June 23, 2018 by Stephen Hanson

*"And I will come near to you to judgment; and I will be a swift witness against the sorcerers, and against the adulterers, and against false swearers, and against those that oppress the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right, and fear not me, saith the Lord of hosts," Malachi 3:5.*

"I tell you that the world is about to be turned upside down.

I tell you that you are living in a time when all eyes are directed to your land," says the LORD.

"All eyes are watching and they are seeing how you treat the outsider and the foreigner.

There was a time when the nations looked to you for leadership, but now they see a land that has gone astray.

Now they see a land that proudly displays their lack of humanity for all to see.

Woe to you oh, land! For you will be brought very low.

You will be made to grovel in the dust. Watch as My Hand of Judgment is swiftly seen across your land."

## **Spiritual Maturity**

I am moving you into a place of spiritual maturity. Look with eyes that see the spiritual, not the natural. This maturity is needed for what you will face in the future, and for the work I have called you to do.

The mature do not run from the meat of My Holy Word, they submit to it. They do not run from hard things, but submit to hard tasks, knowing the time is short and what I accomplish in them will bring great reward.

Do not focus on the world around you, but look eternally. Be eternally minded and watch what I am doing for you. Look and see that you are blessed and greater blessings are being worked out in you and through you.

While Elon Musk is using some of his non-Mars-destined billions to build flamethrowers for home use , the Chinese military is working on portable laser weapons about the same size as Elon's "Not a Flamethrower" that really are not flamethrowers – the promotional info says they can fire a laser at a target 800 meters (.5 miles) away and, if the target is wearing clothing over its skin, cause "instant carbonisation" and the "pain will be beyond endurance." Those disappointed in their "Not a Flamethrower" who want something more like this will have to join the Chinese Armed Police ... for now.

The prototype was said to have been built by ZKZM Laser, a technology company owned by the Xian Institute of Optics and Precision Mechanics at the Chinese Academy of Sciences, but the only source of information seems to be the *South China Morning Post*, which [revealed this week](#) that the laser company is seeking a partner, preferably in the weapons or security industry, to begin production at a cost of 100,000 yuan (\$15,000 US) per ZKZM-500 laser assault rifle.

**BEIJING (Sputnik) - Beijing calls on the United States to stop putting pressure on Chinese companies and put more effort into building mutual trust, the Chinese Foreign Ministry said on Tuesday.**

*"We urge the United States to stop making unfounded guesses and exerting unreasonable pressure on Chinese companies, provide fair investment conditions for Chinese companies, commit more to strengthening mutual trust and cooperation," Lu Kang, the ministry's spokesman, said at the briefing, commenting on the NTIA recommendations.*

The spokesman also called on the US side to abandon the mindset of the "cold war and the outdated concept of risky action."

Earlier this week, the US telecommunications agency (NTIA) recommended that the US Federal Communications Commission (FCC) reject Chinese state-owned telecommunications corporation China Mobile's request for a license to provide its services in the United States over national security concerns.

In recent months, Beijing and Washington have been engaged in tense trade disputes. The sides seemed to settle the issue of Trump's steel and aluminum tariffs by negotiating to cut China-US trade imbalance in mid-May.

# Iranian General: Israel Creating Drought by Causing Clouds Not to Release Rain

An Iranian general on Monday accused Israel of manipulating the weather to prevent rain in Iran, adding that his country is facing "cloud and snow theft."

Brigadier General Gholam Reza Jalali, head of Iran's Civil Defense Organization, said the "changing climate in Iran is suspect" during a press conference, the *Times of Israel* reported.

"Foreign interference is suspected to have played a role in climate change," Jalali said, according to the semi-official ISNA news

agency. "Israel and another country in the region have joint teams which work to ensure clouds entering Iranian skies are unable to release rain."

"On top of that, we are facing the issue of cloud and snow theft," he added.

Iranian meteorological service chief Ahad Vazife had a rebuttal, however: It is not possible for one country to steal another country's clouds.

Jalali "probably has documents of which I am not aware, but on the basis of meteorological knowledge, it is not possible for a country to steal snow or clouds," ISNA quoted Vazife as saying, according to the *Times*.

"Iran has suffered a prolonged drought, and this is a global trend that does not apply only to Iran," Vazife said.

"Raising such questions not only does not solve any of our problems, but will deter us from finding the right solutions," he added, in apparent reference to Jalali's claims.

Iranian officials are [calling for calm](#) after protests broke out over the weekend concerning the country's drought and what critics call the government's mismanagement of resources.

### President Buhari, Please Stop the Muslim Slaughter of Nigerian Christians

Babies are being hacked to death. Children kidnapped. Women raped and savaged. Young and old burned alive. Houses destroyed, livestock plundered. Muslim herdsmen are massacring their Christian neighbors while the Nigerian media misreports and the Nigerian government refuses to act. Some even claim the government is complicit in these attacks.

President Buhari, as the watching, worldwide community, we appeal to you to act decisively and put an end to this horror. Right now, sir, many believe that there is blood on your hands. Please show the world that this is not true.

A Christian colleague texted me from Nigeria on June 25, "Did yesterday's killing of over 200 in plateau state make the news? Babies chopped to death. Charred bodies loaded into trucks and buried in mass graves. Many missing including my host's friend. Herdsman to blame. Weeping here."

**JOS, Nigeria** (*Morning Star News*) – An Assemblies of God Nigerian pastor, his wife and son were among at least 218 people killed in Muslim Fulani herdsmen attacks on predominantly Christian areas near Jos on June 23-25, a denominational leader said.

Two days after the general superintendent of the AG-Nigeria denomination, Pastor Chidi

Okoroafor, reported the deaths of Pastor Musa Choji and family members in the Barkin Ladi area near Jos, the federal government on Thursday (June 28) ordered the arrest of a pastor who organized protests of the killings, Christian leaders said.

Isa Nenman, a pastor in Jos, was arrested on Thursday after the protests reportedly resulted in property destruction when he led demonstrators to the Government House, the residence of the governor of Plateau state, on Wednesday (June 27). Nenman is northern zone chairman of the Christian Association of Nigeria (CAN), Plateau state chapter.

“Following yesterday’s peaceful protest by CAN supported by youth groups, the CAN chairman, Northern Zone, is in police custody, and there is a directive from Abuja to make arrests,” Paul Dekete, one of the facilitators of the protest march, said in a press statement.

# SHOCK REPORT: ISIS PLANNING TO USE ORPHANS FOR SUICIDE MISSIONS IN EUROPE

After losing ground in Syria and Iraq, terrorist group sets sights on the West

Sputnik - JULY 1, 2018 144 Comments

In early 2017, French Jihadist Jonathan Geffroy was captured by the Free Syrian Army as he tried to flee Syria with his wife and two children. In September 2017, he was extradited to France, where he was accused of "criminal conspiracy in connection with a terrorist enterprise."

Former Daesh\* militant Jonathan Geffroy was quoted by *Le Monde* as saying that the terrorist group planned to use children in order "to carry out suicide missions" in Europe.

"They recruited and trained orphans, and then you also have the wives of ISIS [Daesh] militants whose children have been indoctrinated with the group's ideology and who have been taught to hate the US-led coalition and Europe," Geffroy noted.

He revealed that he knew about "future external operations" due to be conducted "by children who grew up in the area and who, after adolescence, will be sent to the West, to Europe."

Geffroy added that Daesh's plan stipulated sending child soldiers off

once they become teenagers – something that he said would keep security officials from using DNA and facial recognition software to monitor these kids.

Food For Thought  
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

# ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

### **- A Second Century Letter to Diognetus**

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

# **A Pastor's Mansion**

**I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.**

**They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.**

**I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.**

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. **The newsman says "the lightning and thunder can be**

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national

Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I  
have also called My mighty ones for My  
anger — Those who rejoice in My  
exaltation."

4 The noise of a multitude in the mountains,  
Like that of many people! A tumultuous  
noise of the kingdoms of nations gathered  
together! The Lord of hosts musters The  
army for battle. 5 They come from a far  
country, From the end of heaven — The  
Lord and His weapons of indignation, To  
destroy the whole land.

6 Wail, for the day of the Lord is at hand! It  
will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

### [Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book. *“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? Can you imagine? The world power structure can, and will if necessary, make some or all of these things happen to bring about the New World Order.”* [[“Behold A Pale Horse”](#)., p. 177-8]

## **"A Prayer for Spiritual Revival":**

Disturb us, Lord, to dare more boldly, To venture on  
wider seas Where storms will show your mastery;  
Where losing sight of land, We shall find the stars.  
We ask You to push back The horizons of our  
hopes; And to push into the future In strength,  
courage, hope, and love. Because we have  
dreamed too little, When we arrived safely Because  
we sailed too close to the shore. Disturb us, Lord,  
when With the abundance of things we possess We  
have lost our thirst For the waters of life; Having  
fallen in love with life, We have ceased to dream of  
eternity And in our efforts to build a new earth, We  
have allowed our vision Of the new Heaven to dim.  
Amen.

## LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

# ***PRAYING THROUGH***

## **What it means to Pray Through**

**Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.**

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. All who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

*Jesus went about... teaching... preaching... and healing.*

—Matthew 4:23

*Scripture reading:* Isaiah 58:8–12

**O**ne day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

*Thought for today:* A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

## Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 06:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

# Humility in Daily Life

## 00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

## OSWALD CHAMBERS

**My Unstoppable Determination for His Holiness.** "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

## Will You Go Without Knowing?

### Will You Go Out Without Knowing?

*"He went out, not knowing where he was going" (Hebrews 11:8).*

**H**ave you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

## **Godshealer7** - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1      Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves.

Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

# **SARAH MENET PROPHECY 1979**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

## **SARAH MENET PROPHECY**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

### **INTRODUCTION**

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

### **IRAN (LYBIA) NUKES ISRAEL**

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

## **OTHER NUCLEAR MISSILES FIRED**

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

# **THE PRECURSOR EVENTS**

## **EVENTS LEADING UP TO NUCLEAR WAR**

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

## **SHE SEES 911 NYC**

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

## **THIRD SEAL - FINANCIAL COLLAPSE**

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **\*\*throughout the world\*\***. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

## **CHEMICAL ATTACKS**

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and \*\*\*they didn't even know it\*\*\*.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

## **EBOLA**

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

## **DISEASE SPREADS MURDER MAYHEM**

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

## **EMP NO ELECTRICITY (US & ISRAEL)**

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

## **HORRIBLE WINTER**

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

## ***(SENSE OF TIMING OFF)***

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

## **CHAOS, STARVATION, MAYHEM, CONTINUES**

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

## **HOMES/CITIES OF LIGHT & REFUGE**

***(ISAIAH 60:1-3)***

### **(Glory Light)**

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

***(ISAIAH 60:1-3)***

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

## **CITIES OF LIGHT MOVED OFTEN**

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

# **BABYLON THE GREAT DESTROYED**

## **FINAL NUCLEAR DESTRUCTION**

**As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities.** I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

## **SIXTH SEAL - FIRE BALLS & COMETS START FIRES**

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

## **RUSSIAN CHINESE INVADE**

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

## **RUSSIAN CHINESE INVASION SHORT DURATION**

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

## **GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM**

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

## **MEGAQUAKES WORLDWIDE**

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

## **PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS**

### **(More Sixth Seal)**

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

## **FIRST TRUMPET (BURNING)**

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

## **RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)**

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

## **VISION ENDS**

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don't remember any more until I woke up in the hospital."Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

Prophetic Alert – I Saw an Aircraft Carrier Sink

*(NOTE – I have posted a few reader comments at the bottom of this page.)*

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know](#).

### **The Dream Begins**

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

## Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

# REJOICING IN JUDGMENT

## Rejoicing in Judgment

---

Posted on 12 March 2017 by Stephen Hanson

*"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.*

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

# Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

### Goth teen eats female admirer with potatoes & onions

Sixteen-year-old schoolgirl Karina Buduchyan's loved 19-year-old goth Maksim Glavatskikh but her feelings went unrequited.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

# Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

# Muslim Woman Who 'Hated Christians' Converts After Jesus Appears in Dream, Tells Her to Attend Church

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

# Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from Bibles for Mideast, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert"

## Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT ([email protected]) Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

## 'Alternative Sexual Identity': Austria Recognizes 'Third Gender'

**Austria's Constitutional Court has handed down a verdict that will allow people to be registered in official documents as something other than male or female if they wish.**

The Austrian court, in response to a request from an intersexual activist known as Alex Juergen, called upon the European Convention on Human Rights to introduce the option of "other" or "inter" on civil register forms that ask for a person's gender.

*"For the first time in my life, I feel like am being recognized as what I am, how I was born," said Alex Juergen, whose real name remains a secret.*

The court emphasized in its ruling that Article 8 of the European Human Rights Convention certifies the right to "an individual sexual identity" and defends "in particular, people with an alternative sexual identity."

**BLYTHEVILLE, Ark.** — Concerns are being raised after the leader of Prince of Peace Church in Blytheville, Arkansas recently claimed at a young man's funeral that "Hell is an imaginary place," and that Hell is just what a person creates upon the Earth.

Footage of the funeral was posted to social media this past week, showing Timothy Rogers asserting that people have been "bamboozled" into believing in Hell, and suggesting that Heaven isn't an eternal destination either.

"If he's asleep, he ain't got to endure the pale horse or escape the pale horse no more," he said, the casket just feet away. "You see, because when you're dead, you're done."

Relatives mourn outside the house, where 11 members of a family were found dead inside their home in the Indian capital of Delhi, on July 1, 2018.

**New Delhi (CNN)** — Eleven members of a family in India's capital Delhi were found dead in their house Sunday, 10 of them hanging from an iron grill on the ceiling, in an incident police say may be related to occult practices.

Most of the bodies had their feet and hands bound, a cloth covered the eyes and their mouths were gagged with tape, senior North Delhi police officer Vinit Kumar told CNN.

The oldest member of the family, Narayan Devi, 77, was found dead on the floor. She had a noose around her neck and the police are investigating the cause for her death.

Seven of the dead were females and two teenage boys were amongst the victims.

## A cafe in San Antonio has closed up shop after its owners captured something unusual on camera.

The On Live Hall of Fame Cafe, which opened back in November, had proven quite a hit with customers thanks to its enticing retro style and focus on old-school food and music.

On Thursday however, its owners took the unexpected decision to close its doors after they were spooked by a seemingly inexplicable occurrence caught on one of the cafe's CCTV cameras.

In the video, which can be viewed below, a barricade can be seen suddenly collapsing on its own.

"We are closed today to make sure everyone is safe," said co-owner April Ward. "I still get chills, my husband won't come in here. It's weird, it's crazy."

When the couple first discovered that the barricade had been knocked over, they initially believed that someone had broken in and had been prowling around the cafe. It wasn't until they checked the security footage that they realized the barricade had fallen down on its own.

The cafe will remain closed until a satisfactory explanation for the phenomenon can be found.

There is also a large doorway into the side of mountain near it. The doorway is wider on the bottom, thinner on its top, but clearly and entrance to an underground base.

LAKE PLACID, Fla. -- Several children at a summer camp in Highlands County have been released from the hospital after mysteriously falling ill and being examined by doctors.

None of the 33 kids attending the Clover Leaf 4-H camp were seriously sick enough to require additional medical attention, aside from being hospitalized, according to county fire rescue. Three adults who also fell ill are under the same condition.

Highlands County Fire and EMS said the victims suffered a range of symptoms from fever to nausea and vomiting.

# Neanderthal Brains To Be Implanted in Robots to Create Cyborg Cavemen

Paul Seaburn

June 30, 2018

While "Neanderthal Cyborg Cavemen" would be a great name for a band, it sounds like a bad thing to create in a lab which is on a college campus filled with kids tired of playing beer pong. Yet that's exactly what's happening at the University of California, San Diego (UCSD) School of Medicine where researchers are using Neanderthal DNA (bad idea number one) to grow Neanderthal mini-brains (bad idea number two) that they plan to connect to robotic bodies (a bad idea hat trick) to test the Neanderthal mini-brains' ability to learn (a good movie idea but still a bad idea in general). What could possibly go wrong? (Say this four times quickly.)

| "We're trying to recreate Neanderthal minds."

At a recent UCSD conference called *Imagination and Human Evolution*, UCSD geneticist Alysson Muotri [explained](#) why he thought creating Neanderthal organoids (another great band name) using human stem cells combined with Neanderthal DNA into brains the size of peas (ironic?) that they called Neanderoids (a good nickname for the band's drummer).

## Giant rats the size of cats 'that stand on their hind legs and hiss' invade a Swedish town

Photo evoke.ie

The giant rats' invasion in Swedish town made the local residents to keep their homes close, Daily Mail reported on Thursday. Sundsvall keeps doors, windows closed due to a plague of enormously big rodents the size of cats. Swedish town Sundsvall faced a rather unusual problem like an escalating rat problem, which was caused by the relocation of a recycling centre.

The giant rats invade the place and even forced a local kindergarten to keep children indoors.

The local authorities prefer to forget about so-called human traps when it is about the public health and rodents' invasion.

Sundsvall town council has now launched an extermination campaign using snap traps, and if that doesn't solve the issue - the rats face guillotine traps and electric shocks.

'They're as big as cats.

If we can't stop it, there's no knowing how big the issue might get.

But I know we will put a stop to it - no matter the cost,' Benny Sagmo, head of wildlife preservation in Sundsvall where about 52,000 residents live.

Residents describe how huge rats 'that stand on their hind legs and hiss' have been seen swarming the area of Johannedal.

The people who live in the area can't have their doors or balcony doors open, confirmed Mr Sagmo. The Swedish tradition of letting small children nap outdoors has been put on hold at Tradets kindergarten in Johannedal, and they are no longer allowing any food or drink outside.

The rapid rise of synthetic biology, a futuristic field of science that seeks to master the machinery of life, has raised the risk of a new generation of bioweapons, according a major US report into the state of the art.

Advances in the area mean that scientists now have the capability to recreate dangerous viruses from scratch; make harmful bacteria more deadly; and modify common microbes so that they churn out lethal toxins once they enter the body.

## 2018 the year of the wildfire? The summer has just started but already the U.S. UK and Europe are being ravaged by wildfires

Photo Wikipedia

The summer has just started but already the U.S. UK and Europe are being ravaged by wildfires.

A fire in Lake County, California, reached almost 14,000 acres by Saturday morning.

The Pawnee Fire is only about 56 per cent contained.

A Red Flag warning remained in effect for the area through the weekend due to heightened fire weather.

Meanwhile, more than 2,000 firefighters aided by water-dropping helicopters battled a wind-driven wildfire raging out of control in Northern California on Monday, threatening homes and other structures as thick black smoke drifted across the San Francisco Bay Area.

In Europe, the situation is no better, in Norway which is in the grip of a heat-wave, train cancellations due to forest fire have caused major transport delays as Norwegian rail operator NSB struggles to find enough replacement buses.

The fire, which broke out on the line between Sandermosen in Oslo and Hakadal on Sunday, is now under control, but services were still suspended on Monday.

Wild-fires are not considered a threat in the UK due to their Marine West Coast climate, however, a two-week long heatwave and tinder-dry winds have caused destruction among large swathes of the UK.

Fire crews are returning for a seventh day as a 'rapidly developing, aggressive fire' ravages moorland across Lancashire.

Emergency services have been desperately battling wildfires on Winter Hill, Horwich and Scout Road near Bolton for days, but declared a 'major incident' yesterday afternoon as they failed to keep them from spreading. Two large-scale moorland fires merged on Saturday due to increasing wind speed and a major incident was declared as crews tackled the blaze Lancashire Fire and Rescue Service said 10 crews remained on the scene overnight, but the number was increased to 22 from 4.30am this morning. Firebreak trenches are also being dug to try to protect local buildings.

Bay Area residents woke up to streets blanketed with ash and a surreal sky right out of an Instagram filter.

Smoke from several Northern California fires drifted into the Bay Area over the weekend and cast an burnt orange hue across San Francisco, the East Bay and farther north.

Ash blanketed cars and the streets like snowfall, a harrowing deja vu to the hazy pink skies and masses of masks after strong winds carried smoke from October's deadly wildfires into the Bay Area. Some said the thick, blazing yellow sky looked eerie, like a scene out of a dystopian film.

Photo mashable.com

As summer hits the Northern Hemisphere heatwaves are being reported from Canada, the U.S. the UK, Europe and Asia as the northern half of the planet bakes.

Of course, it is summer but for the whole Northern Hemisphere to witness heat-wave weather this is unusual.

In parts of south-west France, temperatures are expected to hit 40 deg C (104 deg F) today.

In Canada residents in the Toronto area had to endure a humidex temp which pushed into the mid-40s deg C (113 deg F) this weekend as the heat is expected to last the rest of this week.

Meanwhile, a dangerous, oppressive heat wave has scorched central, and the eastern US this weekend.

Temperatures have reached at least 30 Celsius in England, Scotland, Wales and Northern Ireland during the last week with the hot weather expected to hold well into next week.

Here in western and northern Europe, we are also basking in glorious sunshine with very hot temperatures and no let up in the coming week.

High temperatures along with high humidity have been hindering the players during the World Cup in Russia.

It's unusual, incredible, strange and totally wrong. Clouds should not look like a square. But such clouds that began appearing all across over our planet in recent years are now constantly increasing... And this is alarming!

The strange phenomenon is back. A strong water receding was reported along several beaches situated in the Gulf of Thailand. According to residents, such a strong tidal phenomenon – with water disappearing over more than 2 kilometers away – wasn't experienced in the last 20 years.

*This phenomenon was so intense that water disappeared over more than 2km from the shores*

## Thousands of dead fish off the coast of Florida caused by a smelly, "guacamole-thick" algae fueled by freshwater flows controlled by the Army

Photo MySuncoast.com

A charter captain says he saw thousands of dead fish while taking clients out on Wednesday.

"It was the largest amount of dead fish I have ever seen in my career," said Rhett Morris, of Beyond Borders Outfitters. Morris has been a charter captain for more than 20 years.

"This is what makes this red tide event so scary, is these snook are getting wiped out right now and they are all full of eggs." According to the Florida Fish and Wildlife Commission, fish kills can be caused by algae blooms cutting off oxygen below the surface.

But Morris says red tide is unusual this late in the year, and they've gotten worse over the past few years.

He blames Lake Okeechobee water releases, but also says Floridians are too blame, especially ones fertilizing their lawn.

"As soon as we get rain, we had 13 inches of

rain before the month of May ended, and that is excessive, and that flushes that top level of fertilizer straight into the water," Morris says lately some of his charter customers have come back empty handed because most of the fish are dying and he worries about what that will do to his bottom line.

"I've been a full-time captain, I've never done anything else since I was 18, this all I've got, and I'm extremely concerned." Rhett also blames poor water management practices by the state for contributing to the problem.

The smelly, "guacamole-thick" muck is fouling a stretch of beaches promoted as Florida's "Treasure Coast," where lawmakers and residents blame the federal government, saying the algae crisis is fueled by freshwater flows controlled by Army officials to protect an erosion-prone dyke.

The blue-green algae is the latest contaminant featured in yearslong arguments over water flowing from Lake Okeechobee, which is critical to South Florida's water supply and flood control systems. Florida Governor Rick Scott declared a state of emergency Thursday as blooms of toxic algae plagued beaches along the state's Atlantic coast.

# Telica volcano in Nicaragua has erupted sending a massive ash cloud into the atmosphere: Close to the deadly Fuego Volcano Guatemala

Photo Wikipedia

Telica volcano has erupted, sending a massive ash cloud into the atmosphere. The volcano is located in the city of Leon in Western Nicaragua.

The Nicaraguan Institute of Territorial Studies (INETER) registered the explosion at 7.08pm local time (2pm BST) on Thursday.

The eruption sent a plume of smoke 500 metres into the air, as well as shooting rocks and volcanic gasses.

INETER has reported pyroclastic material in the smoke column, but no pyroclastic flows have occurred.

A pyroclastic flow is the most dangerous volcanic activity to human life.

These flows are fast-moving currents of extremely hot gas and volcanic matter that pour down volcanic slopes at incredibly high speeds and are impossible to outrun.

A pyroclastic flow was responsible for the

recent death toll after the Guatemala volcano eruption. Telica is one of the most active volcanoes in Nicaragua.

Telica's largest eruption occurred in 1529, but little detail is known of the impact.

The volcano became active again in 1993 when an eruption prompted ash fall and a lava lake was observed at the summit.

The stratovolcano has since erupted frequently, most recently in 2015.

Since then, INETER has had a seismic station at the summit.

# Mt Shinmoe volcano Japan explodes large volcanic rocks and pyroclastic flows Friday after more than a 100 quakes rock the volcano

Photo timesnownews.com  
The Mt Shinmoe volcano in southwestern Japan erupted explosively again on Friday after having a similar eruption on April 5, the Japan Meteorological Agency said.

The 1,421-meter mountain straddling Kagoshima and Miyazaki prefectures erupted at 9:09 a.m., spewing ash and smoke up to 2,600 meters in the air and with large volcanic rocks flying as far as 1.1 kilometres from the crater, the agency said. Local authorities said there have been no reports of injuries or damage to houses so far. The eruption has not affected flights to and from Miyazaki and Kagoshima airports.

The weather agency maintained a level 3 alert on a scale of 5 that restricts access to the volcano.

It also warned of flying rocks in areas within 3 kilometres of the crater and pyroclastic flows within a 2-km radius.

The mountain has remained volcanically active, particularly since the eruption on March 6, which was the first explosive eruption in seven years.

More than 100 volcanic earthquakes were registered between Sunday and Tuesday.

The volcano is among some 50 volcanoes around Japan constantly being monitored.

# Science explains why volcanoes are erupting all over the place right now

**By Robin Wylie** September 29, 2014

Robin Wylie is a PhD researcher in volcanology at University College London.

Some think it's that time of year. Ecuador's Tungurahua volcano erupts. (EPA)

The Earth seems to have been smoking a lot recently. Volcanoes are erupting in [Iceland](#), Hawaii, Indonesia, Ecuador and Mexico right now. Others, in the Philippines and [Papua New Guinea](#), erupted recently but seem to have calmed down. Many of these have threatened homes and forced evacuations. But among their spectators, these eruptions raise question: Is there such a thing as a season for volcanic eruptions?

## **Eruptions caused by a shortened day**

The four seasons are caused by the Earth's axis of rotation tilting toward and away from the sun. But our planet undergoes another, less well-known change, which affects it in a more subtle way, perhaps even volcanically.

Due to factors like the gravitational pull of the sun and moon, the speed at which the Earth rotates constantly changes. Accordingly the length of a day actually varies from year to year. The difference is only in the order of milliseconds. But new research suggests that this seemingly small perturbation could bring about significant changes on our planet – or more accurately, within it.

A study published in the journal [Terra Nova](#) in February showed that, since the early 19th century, changes in the Earth's rotation rate tended to be followed by increases in global volcanic activity. It found that, between 1830 and 2013, the longest period for which a reliable record was available, relatively large changes in rotation rate were immediately followed by an increase in the number of large volcanic eruptions. And, more than merely being correlated, the authors believe that the rotation changes might actually have triggered these large eruptions.

Altering the spin of a planet, even by a small amount, requires a huge amount of energy. It has been estimated that changes in the Earth's rotation rate dissipate around 120,000 petajoules of energy each year – enough to power the United States for the same length of time. This energy is transferred into the Earth's atmosphere and subsurface. And it is this second consequence that the Terra Nova authors believe could affect volcanoes.

# Cold-wave hits Peru killing more than 600 people as temperatures plunge to - 15 °C (5 °F)

Photo [yamkin.wordpress.com](http://yamkin.wordpress.com)

According to Chile's Ministry of Health (Minsa), 604 people have died of pneumonia by June 20, 2018, due to low temperatures.

The number includes more than 400 older adults and 72 children under the age of 5.

Since winter season is just beginning, low temperatures, snow and frost are expected to continue.

The director of the National Center of Epidemiology, Gladys Ramirez, said that Lima has the highest number of influenza A(H1N1), followed by Piura, Puno, Cuzco, Madre de Dios and Tacna.

This season's frost arrived earlier than usual and has already affected more than 32,000 Peruvians in 11 regions of the country.

In some areas, such as San Antonio de Putinas in Puno, temperatures plummeted to - 15 °C (5 °F), causing deaths of at least 6 children.

The Peruvian doctor, Elmer Huertas, said that the Minsa data show that hundreds of children in the high Andean areas die every year from lung complications caused by common respiratory infections triggered by the cold, such as colds, flu and bronchitis.

"That is, children in these regions die of pneumonia," he explains.

According to a recent study released by University of Oxford scientists, it is not just about the low temperature, but poverty and malnutrition, which does not allow children to form an adequate amount of defence cells and antibodies to fight against viral infections common in the winter.

# First human case of virus spread by mosquitoes reported in Florida

**TAMPA (FOX 13)** - It's mosquito season and it's almost impossible to avoid being bitten.

Concerns about mosquito-borne viruses like Zika and West Nile are renewed every year, but a mosquito-borne disease thought only to be transmitted to animals seems to have jumped the barrier to humans.

Scientists first discovered the Keystone virus in the Keystone area of Tampa 50 years ago.

The first known human case of the disease was just identified in North Florida, but it took doctors a year to make the diagnosis.

# New outbreak of Ebola kills 17 in northwest DR Congo

AFP - May 8, 2018

Ebola is one of the world's most notorious diseases, being both highly infectious and extremely lethal (AFP Photo/CARL DE SOUZA)

Kinshasa (AFP) - Seventeen people in northwest Democratic Republic of Congo (DRC) have died from Ebola, the health ministry said on Tuesday, describing the fresh outbreak as a "public health emergency with international impact."

"Twenty-one cases of fever with haemorrhagic indications and 17 deaths" have been recorded in Equateur province, it said, citing a notification to the ministry as of May 3.

It is the DRC's ninth known outbreak of Ebola since 1976, when the deadly viral disease was first identified in then-Zaire by a Belgian-led team.

In Geneva, the World Health Organization (WHO) said lab tests in the DRC confirmed the presence of Ebola virus in two out of five samples collected from patients.

## Yellow fever threatens South Florida after Zika scare

By Larry Barszewski Sun Sentinel (TNS) May 6, 2018 3

The Zika scare of 2016 could lead to a yellow fever panic this year if South Florida residents let down their guard when it comes to protecting themselves from disease-carrying mosquitoes.

There hasn't been a yellow fever outbreak in the United States in more than 100 years, but state health officials are concerned that a large outbreak in Brazil and others in South and Central America could lead to infected travelers bringing the disease to South Florida, which has the right mosquitoes and climate for it to spread.

The disease is deadlier than the Zika virus. Zika raised alarms because many infected pregnant women gave birth to infants having microcephaly, a condition that causes abnormally small heads and developmental defects. Yellow fever can kill. Brazil reported 1,131 cases and 338 deaths attributable to yellow fever from July to March.

Most people infected with yellow fever will get symptoms so minor they won't realize they have been infected. Even for those who do notice, the symptoms such as fever, chills and headaches don't make it stand out from many other illnesses.

Christians and other minorities in Pakistan are bolting away from the predominantly Muslim nation by the “thousands” as Islamabad ignores harassment at the hands of Islamic extremists, reports *Asia Times*.

“Thousands of Christians, Ahmadis, and Hindus are fleeing as the government turns a blind eye to Islamic groups’ harassment of other faiths and beliefs; even atheists have now gone quiet,” notes the news outlet, adding “A closer look at the situation reveals that religious minorities and atheists are at a higher risk than ever.”

The report comes soon after U.S. President Donald Trump’s administration placed Pakistan on a U.S. watchlist for countries of “particular concern” over “severe violations of religious freedom” after the commander-in-chief blasted Islamabad for harboring jihadists.

“This is only going to get worse,” Ibn Abdur Rehman, secretary-general of the Human Rights Commission of Pakistan, told *Asia Times*, referring to the persecution of religious minorities. “The state has surrendered to the radical Islamists and plans on gradually taking away every last bit of freedom from its citizens.”

## ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

From [Christian Aid Mission](#):

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

**And then they became captives of ISIS. Relatives relate what happened.**

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.
