## *Kept by God's Power*

*While I was with them in the world, I kept them in Your name. Those whom You gave Me I have kept.*

—John 17:12

*Scripture reading: John 17*

*T*here are evil powers, but Jesus is greater than all evil powers. There are tremendous diseases, but Jesus is the Healer. No case is too hard for Him. The Lion of Judah will break every chain. He came to relieve the oppressed and to set the captive free (Luke 4:18). He came to bring redemption, to make us as perfect as man was before the Fall.

People want to know how to be kept by the power of God. He will contend for your body. When you are saved, Satan will come around and say, "See, you are not saved." The Devil is a liar.

I remember the story of the man whose life was swept and put in order. The evil power had been swept out of him. But the man was not filled with the Holy Spirit. If the Lord heals you, you dare not remain unresponsive to His Spirit. The evil spirit came back to that man, found his house swept, and took seven others worse than himself and dwelt there. The last stage of that man was worse than the first. (See Matthew 12:43–45.) Be sure to get filled with God. Get an Occupier. Be filled with the Spirit.

God's power cannot come out of you unless it is within you. We must have all inward confidence and knowledge that we are God's property, bought and paid for by the precious blood of Jesus. God wants you to know how to claim the victory and shout in the face of the Devil and say, "Lord, it is done." (See Revelation 21:6.)

God has a million ways of undertaking for those who go to Him for help. He has deliverance for every captive. He loves you so much that He even says, "*Before they call, I will answer*" (Isa. 65:24). Don't turn Him away.

## **"A Prayer for Spiritual Revival":**

Disturb us, Lord, to dare more boldly, To venture on  
wider seas Where storms will show your mastery;  
Where losing sight of land, We shall find the stars.  
We ask You to push back The horizons of our  
hopes; And to push into the future In strength,  
courage, hope, and love. Because we have  
dreamed too little, When we arrived safely Because  
we sailed too close to the shore. Disturb us, Lord,  
when With the abundance of things we possess We  
have lost our thirst For the waters of life; Having  
fallen in love with life, We have ceased to dream of  
eternity And in our efforts to build a new earth, We  
have allowed our vision Of the new Heaven to dim.  
Amen.

Sir Francis Drake  
(1540 - 1596)

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

# William Booth

The chief danger that  
confronts the coming century  
will be religion without the  
Holy Ghost, Christianity  
without Christ, forgiveness  
without repentance, salvation  
without regeneration,  
politics without God, heaven  
without hell.

# General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.

At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

## **Luke 18:1-8 (The Persistent Widow)**

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

# I WILL REMOVE YOUR KING

***“OVERLOAD!”***

A Prophetic Warning

By

Pastor Benjamin Faircloth

[www.ignitedchurchlife.com](http://www.ignitedchurchlife.com)

“The time has come for a correction to be made to the human heart. There is an adjustment coming that will produce My desired effect! The mountains will move and the nations will tremble at the sound of My voice. *(He impressed in my heart an increase of earthquake activities, even here in the States)*. I have spoken once in My anger and I will speak again to a nation that has forsaken My Laws and the Ways of My Son. I will stand and judge a people who live by the laws of self. For the hour has come for My righteous correction to be revealed to a rebellious people. America, I have waited patiently for the fruit of repentance but I only hear weeping, carnage, and the shedding of innocent blood! **I will remove your king to prove to you that I am sovereign.** I will prove that My plans will always prevail.

Even still I will not get the glory from those who think I Am as they are. For they have lost the focus and have blurred My purpose to their children's children.

What shall I do? What shall I say? I will judge righteously and I will speak clearly. My actions will not be in a corner, hidden for those who guess about My intentions. It will be plain as the noon day sun. Your tipping point is here America. Your overload is complete. What will you do without Me? Nothing!

# DO NOT LOSE FOCUS

## Do Not Lose Focus

*By Glynda Lomax on Jul 11, 2018 12:00 am*

My children, do not take your focus off Me when I restore to you your heart's desires. The things and people I restore to you are all of the world and are only temporary, as a reward for your much obedience. I am to be your primary focus. I am your eternity and you are coming home to Me very soon.

There are disasters planned that will take many lives and suddenly, and many of you shall be brought home to Me in these. You must be ready and focused at all times. You must have your houses in order that you be ready to leave at any moment, for there shall be no warning beforehand.

### Some of My Rewards

My children shall enjoy some restoration in their lives before the end comes for them. I am restoring to you now some things and people you have lost in the past as you struggled to do My will. People and things you laid down for My Name's Sake you thought never to see again.

Do not fret that you do not see this happening, as I am working behind the scenes and it shall come about suddenly. These are some of My rewards for those who have served me well.

### All Eyes Are Watching Your Land!

Posted on June 23, 2018 by Stephen Hanson

*"And I will come near to you to judgment; and I will be a swift witness against the sorcerers, and against the adulterers, and against false swearers, and against those that oppress the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right, and fear not me, saith the Lord of hosts," Malachi 3:5.*

"I tell you that the world is about to be turned upside down.

I tell you that you are living in a time when all eyes are directed to your land," says the LORD.

"All eyes are watching and they are seeing how you treat the outsider and the foreigner.

There was a time when the nations looked to you for leadership, but now they see a land that has gone astray.

Now they see a land that proudly displays their lack of humanity for all to see.

Woe to you oh, land! For you will be brought very low.

You will be made to grovel in the dust. Watch as My Hand of Judgment is swiftly seen across your land."

# The Great River

---

Posted on [July 10, 2018](#) by [Stephen Hanson](#)

**This is a continuing theme that I keep seeing and hearing from the LORD.**

I don't know of the time frame for this, other than it will happen within our life time.

Know that those who put their faith in the Almighty will be kept safely from these great upheavals that come upon the earth.

But pray for your safety for yourself and others when the time approaches. None of this is ever to evoke fear but preparation and warning for what lies ahead.

*“And Jesus answered and said to them, “See to it that no one misleads you. For many will come in My name, saying, ‘I am the Christ,’ and will mislead many. You will be hearing of wars and rumors of wars. See that you are not frightened, for those things must take place, but that is not yet the end. For nation will rise against nation, and kingdom against kingdom, and in various places there will be famines and earthquakes. But all these things are merely the beginning of birth pangs,”* **Matthew 24:4-8.**

**“I tell you that everything that you see around you will have changed.**

**For this earth and everything in it, is going through birth pangs.**

**I AM bringing this nation to its knees. For the earth will shake, and the waters will rise; and people will be running in fear for the things that will arise.”**

The Spirit of the LORD showed me a river and as I watched, tall Evergreen and Ponderosa trees began to fall into the river below.

It wasn't long before the land on the sides of the river then crumbled and also fell into the river below.

This event continued for some time as the river widened and got larger and larger in size.

Then I saw people struggling to stay afloat in the river, but many of them were drowning and couldn't escape the fury of the current.

The river continued to widen and I looked out across it and noticed that I couldn't see the other side of the bank.

It seemed that the width of the river was now miles and miles wide. And then the scene faded.

**“For the time of these events is not far off. Men will grasp their breasts in fear as the earth changes its appearance.**

**For behold, on that day you will have two land masses.**

**Many scoff at the idea of this, for they think that these things will never come to pass; but it is coming, it will happen in your life time.**

**Pray that you will be found safe on that day.”**

## **Spiritual Maturity**

I am moving you into a place of spiritual maturity. Look with eyes that see the spiritual, not the natural. This maturity is needed for what you will face in the future, and for the work I have called you to do.

The mature do not run from the meat of My Holy Word, they submit to it. They do not run from hard things, but submit to hard tasks, knowing the time is short and what I accomplish in them will bring great reward.

Do not focus on the world around you, but look eternally. Be eternally minded and watch what I am doing for you. Look and see that you are blessed and greater blessings are being worked out in you and through you.

Remember dearest Sain [REDACTED] that Mark 16:18 guarantees the true, righteous, holy (Bride) believer divine protection from "anything" that can enter the human body.

Mark 16:18 (...) and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover.

The word drink means (essentially) to intake or ingest. This includes all external attacks. Another verse:

Luke 10:19 Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.

I know I am a very big target of Satan. I have tons of 5G systems all over my house. Paul the apostle was bitten by the deadly viper on Malta and shook it off his hand. It had no effect.

But IF you fear or worry about such things as a Royal Priest of God (1 Peter 2:9) you are in sin. The sin of worry, and lack of faith. (the sin of unbelief)

Romans 14:23  
23 (...); for whatever is not from faith is sin.

Many "christians" are not fully protected because they do not wear "the whole armor of God" (Eph 6:14). These have not yet come to the fullness of Christ and His power and protection.

So while these many many technologies are being used by Satan to attack the people, WE do not have to be concerned about it providing WE remain fully emersed in the Faith of Christ. But we do and must pray every day for God's protection for our weaker brothers and sisters as well as the lost victims of this fallen world.

Amen? Praise Him for His AMAZING power and supernaturally protection always. It's going to get much MUCH worse.

Glory to God!

Hello John,

I awakened this morning, with my nine year old grandson, Nathan, telling me that he had to share this dream he had last night and it was mainly about me. Well, he said we were in a store shopping and everything was suddenly free. He became excited and reached for a toy he liked. And instantly, he was teleported (his words) to another location with me, his grandmother. We arrived in a white van, where inside were two or three children huddled together scared and crying, along with their mother. Nathan said, I assured the mother that her children would be fine and I was taking them to a place where they would be safe. Nathan said he could see outside the van and there were fires everywhere. He told me that I looked years younger and had a radiance over my face. I had on a white beautiful dress. He even said I had a much slimmer body! Lol 😊 He said the guard in the van stayed crouched down, as if he was afraid of me. Nathan described some pretty good details. He described the clothes as being brown and black, like military fatigues. The part that really confirmed this vision from the Most High, was me asking Nathan to pass my flute. He also said the flute was in a gold case! Nathan did not know that I had asked the Most High about having a gold flute reserved for me in heaven. Well the Most High had asked me a few months to prepare two flute songs, for my visitation to soothe the saints awaiting their gruesome death. These would be "I surrender All" and "Jesus, there is something about that name"... I know John, this is all pretty sobering... But yet, it will be the greatest harvest ever. These are the ones who love the Most High, however, just got caught up in the cares of this life and did not make good preparation for Jesus' coming... Well, back to my grandson's dream. He said as I asked for the flute, he instantly heard my flute beautifully filling up the van. He said the sound was beautiful and could probably be heard for miles... I thought it best to share with you, to pass on to the remnant of saints that will be assisting during the tribulation period. We will have supernatural and Holy Spirit infused anointing power! My grandson also said a demon type being came into the van and looked at us, and immediately pulverized into dust! It seemed from that vision that our focus will be entirely on gathering the harvest and the wickedness around knows that they are no match for us, as we will be redeemed.. God bless you John and your ministry. You certainly have my permission to share as you see fit...

Sincerely,

Belinda ██████████

# VIDEO: ANTIFA THUGS ATTACK ELDERLY AT #FREETOMMYROBINSON PRAYER VIGIL

A mob of face-covered domestic terrorists assaults peaceful demonstrators

infowars.com - JULY 9, 2018 539 Comments

Violent left-wing terrorists attacked a small group of protesters who were holding a prayer vigil for Tommy Robinson outside the British Consulate in San Francisco, California.

The video, taken Saturday, July 7, shows around fifteen masked individuals approach the group of protesters and start a verbal confrontation.

One of the Antifa members steals a MAGA hat off an older woman's head and takes her glasses off, causing the woman to defend herself with pepper spray which sparks an all-out brawl between the groups.

This is only the latest example of violent leftists pushing America into a second civil war.

# NORTH KOREA FOREIGN MINISTRY SAYS TALKS WITH POMPEO 'REGRETTABLE,' ACCUSES US OF UNILATERAL DEMANDS FOR DENUCLEARIZATION

Secretary of State Mike Pompeo journey to Pyongyang appears to have hit a snag, with a North Korean official calling his visit "regrettable."

High-level talks between the United States and North Korea appeared to hit a snag on Saturday as Pyongyang said a visit by U.S. Secretary of State Mike Pompeo had been "regrettable" and accused Washington of making "gangster-like" demands to pressure the country into abandoning its nuclear weapons.

The statement from the North came just hours after Pompeo wrapped up two days of talks with senior North Korean officials without meeting North Korean leader Kim Jong Un but with commitments for new discussions on denuclearization and the repatriation of the remains of American soldiers killed during the Korean War.

## The Slaughter of Christians

Reports

July 11, 2018

July 11 – 2018

Tens of thousands of Christians have been slaughtered by Muslims in Syria, and throughout the Muslim world, in Egypt alone there are daily mass murders in Christian Churches. As you read this there are Christians being massacred in Nigeria and all over Africa. Europe is being cleared of Christians with thousands of Churches being turned into Mosques.

I used to think that with the Muslims killing Jews and running them out of Europe that the Christians won't care too much until the Muslims come after them. Well I was wrong it seems they don't even care when they are the target of the Muslims. Sure I know there are some who really care but the truth is the large majority just don't care as long as their Church opens its doors on Sunday morning with Pastors preaching prosperity messages giving little to no attention to the slaughter of Christians and Jews around the world. And when they come after you there may be no one left to help you. But we've all heard that before and the sun comes up the same way every day and goes down on time as well, so everything will be okay.

## SCIENTIST DISCOVERS MATHEMATICAL PROOF OF GOD OF ISRAEL

By Adam Eliyahu Berkowitz July 10, 2018 , 1:29 pm

The scientist who mathematically proved prophecy claims his formula has cosmic implications, showing that the creation of the world was calibrated according to the location of Jerusalem and the return of the Jews to Israel. According to the scientist, Saul Kullook, his discovery is indisputable proof of the existence of the God of Israel.

Last month, *Breaking Israel News* published a [synopsis](#) of Kullook's remarkable discovery. Simply stated, he discovered that the dates of major events affecting the return of the Jewish people to the Land of Israel can be numerically obtained by a mathematical relation between two observable physical factors: the inclination of the planet and the latitude of the Biblical borders in Israel.

"This is not a theory," Kullook explained to *Breaking Israel News*. "It was there, waiting to be seen. I just worked out the mathematical proof."

## REPORT: N. KOREA DEMANDED \$1 BILLION FROM ISRAEL TO CANCEL MISSILE DEAL WITH IRAN

By Adam Eliyahu Berkowitz July 9, 2018 , 1:15 pm

“

*"I will gather all the nations And bring them down to the Valley of Yehoshafat. There I will contend with them Over My very own people, Yisrael, Which they scattered among the nations. For they divided My land among themselves." Joel 4:2 (The Israel Bible™)*

On Monday, the [Wall Street Journal](#) (WSJ) reported that in 1999, the North Korean government made an offer to the Israeli government: they would cancel their agreement to sell missile technology to Iran and other enemies of Israel in exchange for \$1 billion cash.

According to the report, the negotiations took place at a cafe in Stockholm between the Iranian and Israeli ambassadors to Sweden. Israel counter-offered with an offer to supply North Korea with food shipments. The counteroffer was rejected and the negotiations ended.

The account of the meeting was written in the memoirs of Thae Yong Ho, the translator at the meeting and former senior North Korean diplomat who defected to South Korea two years ago.

Israel's ambassador to Sweden at the time, Gideon Ben-Ami, revealed in an interview on [Israel Public Broadcasting Corporation](#) (IPBC) last week that he and then-North Korean ambassador Son Mu Sin did meet covertly many times, including three times in 1999.

"Today, an international Islamic army has been formed in Syria, and the voices of the Muslims are heard near the Golan," Salami [said](#), as quoted by the Times of Israel.

***"Orders are awaited, so that...the eradication of the evil [Israeli] regime will land and the life of this regime will be ended for good. The life of the Zionist regime was never in [so much] danger as it is now," the officer added.***

According to Salami, Israel "constitutes a threat...to the entire Islamic world. That is the philosophy of the establishment of this regime."

The IRGC officer also warned that Lebanon's Hezbollah militia, which is participating in the war in Syria against Islamist militants, has some 100,000 missiles aimed at Israel. "We are creating might in Lebanon because we want to fight our enemy from there with all our strength," Salami said.

The Presbyterian Church USA passed several resolutions critical of Israel at its biennial General Assembly.

Among the 11 resolutions on Israel that the assembly dealt with late on Friday was one opposing anti-BDS legislation at the state and federal level, and another referring to Israel as an apartheid state. The assembly also voted against resolutions that it said were not sufficiently critical of Israel because they also mentioned Palestinian Authority transgressions, particularly of the terrorist group Hamas.

The Assembly also passed two resolutions from its Middle East Committee that were not Israel-related, one dealing with the crisis in Syria and one on disengagement from Iran.

A resolution on the recent violence between Gaza rioters and Israeli troops on the border with the coastal strip was stripped of references to the terrorist organization Hamas, which has fomented violence on the border. The amended resolution completely removing Hamas, about which some members of the Middle East Committee expressed misgivings, passed by a vote of 438-34, according to the Presbyterian Outlet news service.

Like most images of God, the Roman fresco "The Eternal in Glory," painted by Luigi Garzi in 1685, shows God as a man. (iStock)

The terms for God, in the poetic language of the prayers written for centuries, have almost always been male: Father. King. Lord.

And in the Episcopal Church, the language of prayer matters. The Book of Common Prayer, the text used in every Episcopal congregation, is cherished as a core element of Episcopal identity.

This week, the church is debating whether to overhaul that prayer book — in large part to make clear that God doesn't have a gender.

## SCIENTIST RECALCULATES TIME TILL END-OF-DAYS

By Adam Eliyahu Berkowitz June 28, 2018 , 2:11 pm

“

*For in Your sight a thousand years are like yesterday that has passed, like a watch of the night. Psalms 90:4 (The Israel Bible™)*

Rendering of End of Days. (Credit: Shutterstock)

The Hebrew calendar year 6,000, 222 years from now, marks the end of the age of the Messiah but scientist Saul Kullook, has calculated a different date, potentially bringing redemption much closer.

Kullook has made an intense study into physical-mathematical structures contained in the Hebrew Bible and the ancient tradition of Israel. His correlation between major events affecting the return of the Jewish people to the Land of Israel and the latitude of the Biblical borders in Israel was [published](#) in *Breaking Israel News* last week.

He presented an additional theory that bears enormous implications for how our current era fits into the framework of prophecy.

As a preface to Kullook's latest discovery, he cited the Talmud (Tractate Avodah Zarah 9a) which states that the world will last for 6,000 years. This is broken down into three periods: for 2,000 years, the world stood empty, for 2,000 years the world existed "in Torah", and the final 2,000 years will be the age when the Messiah may come, depending on mankind's actions. At the end of the 6,000 years, the Messiah must come, even if mankind has not prepared itself.

According to the current Hebrew calendar, the current year is 5778, meaning the age of the Messiah is set to end in 222 years, or 2240 CE.

Americans trapped in Haiti hotel amid rioting 02:43

**(CNN)** — A number of US missionary groups are stranded in Haiti after protesters took to the streets following a fuel price hike ordered by the government.

One group described burning barricades preventing them from reaching the airport in the nation's capital, Port-au-Prince.

The US Embassy in Haiti warned its citizens Saturday to stay inside amid continued demonstrations in Port-au-Prince and a northern city.

Prime Minister Jack Guy Lafontant on Saturday announced a temporary stop to the price increases and appealed for calm. Prices for gasoline were to rise 38% while diesel prices were to go up 47% and kerosene 51%, the Haitian daily newspaper Le Nouvelliste reported.

Brussels (AFP) - NATO leaders face a major threat to the credibility of their military alliance at their summit this week-- not from traditional foe Russia, but from the head of their most powerful member, US President Donald Trump.

The gathering at NATO headquarters in Brussels, days before Trump meets his Russian counterpart Vladimir Putin, is shaping up to be the most difficult in years, analysts and officials told AFP.

Allies are braced for a barrage of invective from Trump for not spending enough on defence, and are apprehensive that his often sceptical tone on the alliance that has underpinned European security for 70 years might turn into outright hostility.

The 28 other NATO leaders fear a repeat of what happened at last month's G7 summit, which ended in disarray when Trump abruptly rejected the closing statement.

Food For Thought  
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

# ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

### **- A Second Century Letter to Diognetus**

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

# **A Pastor's Mansion**

**I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.**

**They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.**

**I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.**

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. **The newsman says "the lightning and thunder can be**

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain, Raise your voice to them; Wave your hand, that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I have also called My mighty ones for My anger — Those who rejoice in My exaltation."

4 The noise of a multitude in the mountains, Like that of many people! A tumultuous noise of the kingdoms of nations gathered together! The Lord of hosts musters The army for battle. 5 They come from a far country, From the end of heaven — The Lord and His weapons of indignation, To destroy the whole land.

6 Wail, for the day of the Lord is at hand! It will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

### [Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. # Link Angels, etc.

## LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

# ***PRAYING THROUGH***

## **What it means to Pray Through**

**Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.**

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. All who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

**The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. *Jesus went about... teaching... preaching... and healing.*

—Matthew 4:23

*Scripture reading:* Isaiah 58:8–12

**O**ne day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

*Thought for today:* A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

## Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

## Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 06:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

# Humility in Daily Life

## 00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

## OSWALD CHAMBERS

**My Unstoppable Determination for His Holiness.** "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

## Will You Go Without Knowing?

### Will You Go Out Without Knowing?

*"He went out, not knowing where he was going" (Hebrews 11:8).*

**H**ave you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

## **Godshealer7** - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1      Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves.

Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

# **SARAH MENET PROPHECY 1979**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

## **SARAH MENET PROPHECY**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

### **INTRODUCTION**

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

### **IRAN (LYBIA) NUKES ISRAEL**

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

## **OTHER NUCLEAR MISSILES FIRED**

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

# **THE PRECURSOR EVENTS**

## **EVENTS LEADING UP TO NUCLEAR WAR**

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

## **SHE SEES 911 NYC**

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

## **THIRD SEAL - FINANCIAL COLLAPSE**

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **\*\*throughout the world\*\***. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

## **CHEMICAL ATTACKS**

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and \*\*\*they didn't even know it\*\*\*.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

## **EBOLA**

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

## **DISEASE SPREADS MURDER MAYHEM**

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

## **EMP NO ELECTRICITY (US & ISRAEL)**

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

## **HORRIBLE WINTER**

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

## ***(SENSE OF TIMING OFF)***

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

## **CHAOS, STARVATION, MAYHEM, CONTINUES**

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

## **HOMES/CITIES OF LIGHT & REFUGE**

***(ISAIAH 60:1-3)***

### **(Glory Light)**

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

***(ISAIAH 60:1-3)***

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

## **CITIES OF LIGHT MOVED OFTEN**

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

# **BABYLON THE GREAT DESTROYED**

## **FINAL NUCLEAR DESTRUCTION**

**As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities.** I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

## **SIXTH SEAL - FIRE BALLS & COMETS START FIRES**

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

## **RUSSIAN CHINESE INVADE**

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

## **RUSSIAN CHINESE INVASION SHORT DURATION**

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

## **GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM**

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

## **MEGAQUAKES WORLDWIDE**

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

## **PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS**

### **(More Sixth Seal)**

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

## **FIRST TRUMPET (BURNING)**

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

## **RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)**

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

## **VISION ENDS**

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don't remember any more until I woke up in the hospital."Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

*(NOTE – I have posted a few reader comments at the bottom of this page.)*

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know](#).

### **The Dream Begins**

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

## Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

# REJOICING IN JUDGMENT

## Rejoicing in Judgment

---

Posted on 12 March 2017 by Stephen Hanson

*"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.*

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

# Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

### Goth teen eats female admirer with potatoes & onions

Sixteen-year-old schoolgirl Karina Buduchyan's loved 19-year-old goth Maksim Glavatskikh but her feelings went unrequited.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

# Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

# Muslim Woman Who 'Hated Christians' Converts After Jesus Appears in Dream, Tells Her to Attend Church

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

# Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from Bibles for Mideast, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert"

## Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT ([email protected]) Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

When Georgia Bowen was born by emergency cesarean on May 18, she took a breath, threw her arms in the air, cried twice, and went into cardiac arrest.

The baby had had a heart attack, most likely while she was still in the womb. Her heart was profoundly damaged; a large portion of the muscle was dead, or nearly so, leading to the cardiac arrest.

Doctors kept her alive with a cumbersome machine that did the work of her heart and lungs. The physicians moved her from Massachusetts General Hospital, where she was born, to Boston Children's Hospital and decided to try an experimental procedure that had never before been attempted in a human following a heart attack. ○

They would take 1 billion mitochondria — the energy factories found in every cell in the body — from a small plug of Georgia's healthy abdominal muscle and infuse them into the injured muscle of her heart.

Mitochondria are tiny organelles that fuel the operation of the cell, and they are among the first parts of the cell to die when it is deprived of oxygen-rich blood. Once they are lost, the cell itself dies. ○

A California vice-mayor's declaration that July should be "straight pride" month has resulted in calls for his resignation or recall and threats of a demonstration at the next city council meeting.

Ted Hickman, the vice mayor of Dixon, California, noted in his "That's Life" column in Dixon's Independent Voice at the end of June that "last Sunday ended LGBTQF-WTF month ... with tens of thousands of folks dancing and prancing all over American celebrating the fact they are different than most of the rest of us and showing their 'pride' in being so."

**DAVAO CITY** — In the latest of a number of controversial statements about the divine, and in venting his frustration with the Roman Catholic Church, Philippine President Rodrigo Duterte stated during a speech on Friday that if anyone can prove that they have talked to God personally or saw Him face-to-face, he will resign.

"I just need one witness who will say, 'Mayor, those fools at the church ordered me to go to Heaven and talk to God. God really exists. We have a picture together and I brought a selfie,'" he said. "You do that today, one single witness that there is a guy, a human being, who's able to talk and to see God. Of the so many billions that passed through Earth, I just need one. And if there is one, ladies and gentlemen, I will announce my resignation immediately."

## Mass Exodus From the Church: Percentage of Young Adults With No Religious Affiliation Has Nearly Quadrupled Since 1986

We are witnessing a religious shift that is unprecedented in size and scope in American history. With each passing year, the percentage of Americans who claim no religious affiliation is growing, and this trend is especially pronounced among our young people. If things continue to steadily move in this direction, that will have enormous implications for the future of our society.

The United States was founded by people who were extremely committed to their faith, and now we are rapidly becoming a nation where people are choosing no religion at all. We live at a time when there is a mass exodus from Christian churches, and while it is true that some smaller faiths are growing, the reality of the matter is that most of the people that are leaving are remaining unaffiliated. According to PRRI, if you go back to 1991, only 6 percent of all Americans were "unaffiliated", but today that number has shot up to 25 percent:

## Japanese flood horror "Hillsides gave way under the weight of water" death toll now 122 while hope fades for the dozens still missing

Photo [newindianexpress.com](http://newindianexpress.com)

The toll in deadly rainfall that has devastated parts of Japan with flooding and landslides rose Tuesday to 122, as hopes faded that further survivors could be found.

Dozens of people are still missing, and with the rains finally letting up on Monday, rescue workers were able to reach previously cut-off places where authorities fear more bodies may be trapped beneath debris.

With the toll mounting, Prime Minister Shinzo Abe cancelled a four-country foreign trip, and he was expected to visit the disaster-hit region later this week.

Over 70,000 emergency workers have been deployed to dig through flood waters and the aftermath of landslides that have transformed the landscape in parts of central and western Japan.

But four days after the worst of the rains began, hope was starting to fade that the search would find new survivors.

"I have asked my family to prepare for the worst," said Kosuke Kiyohara, 38, as he waited for word of his sister and her two young sons in the town of Kumano.

"I can't reach her phone," he told AFP on Monday, sitting across from a house that had been ripped apart and tossed on its side by a huge landslide.

## Drought emergency expanding through the breadbasket of America as the entire state of Kansas is under some stage of drought

Photo [healthinsurance.org](http://healthinsurance.org)

Kansas has expanded the number of counties classified as having a drought emergency so that nearly half are covered.

Gov. Jeff Colyer issued an executive order Friday listing 50 of the state's 105 counties as having a drought emergency.

His new order replaces one in March listing 28 counties as having an emergency.

That status allows counties to use water from some state fishing lakes and federal reservoirs.

The entire state is under some stage of drought.

The least serious stage is a drought watch.

Under Colyer's new order, that status applies to 28 counties, down from 48 in March.

Twenty-seven counties are covered by a drought warning, down from 29 in March.

Twelve counties jumped from a warning to an emergency, and 10 from a watch to an emergency.

A very large landslide detached from the Fagráskógarfjall massif near Hitardal in western Iceland early Saturday morning, July 7, 2018. The slide blocked a well-known salmon fishing river with mud and rock, almost completely changing the landscape. Although not everyone agrees, local media currently consider this event as the largest landslide ever to hit Iceland.

The landslide was mapped with drones, Icelandic Coast Guard airplane and satellites.

## Comet With Glowing Green Atmosphere Twice the Size of Jupiter May be Visible to the Naked Eye

Sequoyah Kennedy

July 9, 2018

Get ready for another round of doomsday predictions. A comet en-route to our solar system has dramatically increased in brightness and carries with it a giant, glowing green atmosphere twice the size of Jupiter, according to astronomers. The comet, [PANSTARRS \(C/2017 S3\)](#), is visible with low power telescopes now, but if it does continue to increase in brightness it may be visible to the naked eye in parts of the northern hemisphere in early August. It might also disintegrate due to the gas cloud, and as it's the first time the comet has passed through our solar system, there's no telling what might happen when the [comet's visit](#) brings it inside Mercury's orbit and it takes a face-full of unfiltered sunshine.

Writing in *Sky and Telescope*, astronomer Bob King describes the comet's extreme increase in brightness:

Comet PanSTARRS (C/2017 S3), which had been chillin' at magnitude 12.5, experienced an outburst some time on June 30th, rocketing to magnitude ~9.5 overnight. Located in Camelopardalis northeast of the Double Cluster, it was super obvious in the 15-inch [telescope] at low power on July 2.18 UT, appearing as a dense, tailless cotton ball about 3' across. It looked suspiciously "gassy," so I applied the Swan Band filter and both the brightness and size of the coma increased,

## 70 people have died in Quebec due to heat as the planet recovers from record smashing global heatwave which shocked the experts

Global heatwave shown on University of Maine Map

Health authorities say up to 70 people may have died in Quebec as a result of heat-related complications since the beginning of an early July heat wave that saw temperatures climb to more than 40 C with the humidex.

Temperatures have since cooled off across the province and a spokesperson with Quebec's Public Health Department says Monday it would no longer be giving updates on heat-related deaths because "the situation is back to normal."

Most of the deaths occurred in Montreal, with 34 cases reported to authorities.

The city's morgue became so overcrowded during the heat wave that it partnered with a funeral home, where it sent bodies for storage.

Montreal's public health official says the majority of people who died in the city during the heat wave were over 60 and suffered from chronic illnesses.

Quebec Premier Philippe Couillard says no patients died in government-run health-care centres.

# New outbreak of Ebola kills 17 in northwest DR Congo

AFP - May 8, 2018

Ebola is one of the world's most notorious diseases, being both highly infectious and extremely lethal (AFP Photo/CARL DE SOUZA)

Kinshasa (AFP) - Seventeen people in northwest Democratic Republic of Congo (DRC) have died from Ebola, the health ministry said on Tuesday, describing the fresh outbreak as a "public health emergency with international impact."

"Twenty-one cases of fever with haemorrhagic indications and 17 deaths" have been recorded in Equateur province, it said, citing a notification to the ministry as of May 3.

It is the DRC's ninth known outbreak of Ebola since 1976, when the deadly viral disease was first identified in then-Zaire by a Belgian-led team.

In Geneva, the World Health Organization (WHO) said lab tests in the DRC confirmed the presence of Ebola virus in two out of five samples collected from patients.

## Yellow fever threatens South Florida after Zika scare

By Larry Barszewski Sun Sentinel (TNS) May 6, 2018 3

The Zika scare of 2016 could lead to a yellow fever panic this year if South Florida residents let down their guard when it comes to protecting themselves from disease-carrying mosquitoes.

There hasn't been a yellow fever outbreak in the United States in more than 100 years, but state health officials are concerned that a large outbreak in Brazil and others in South and Central America could lead to infected travelers bringing the disease to South Florida, which has the right mosquitoes and climate for it to spread.

The disease is deadlier than the Zika virus. Zika raised alarms because many infected pregnant women gave birth to infants having microcephaly, a condition that causes abnormally small heads and developmental defects. Yellow fever can kill. Brazil reported 1,131 cases and 338 deaths attributable to yellow fever from July to March.

Most people infected with yellow fever will get symptoms so minor they won't realize they have been infected. Even for those who do notice, the symptoms such as fever, chills and headaches don't make it stand out from many other illnesses.

Christians and other minorities in Pakistan are bolting away from the predominantly Muslim nation by the “thousands” as Islamabad ignores harassment at the hands of Islamic extremists, reports *Asia Times*.

“Thousands of Christians, Ahmadis, and Hindus are fleeing as the government turns a blind eye to Islamic groups’ harassment of other faiths and beliefs; even atheists have now gone quiet,” notes the news outlet, adding “A closer look at the situation reveals that religious minorities and atheists are at a higher risk than ever.”

The report comes soon after U.S. President Donald Trump’s administration placed Pakistan on a U.S. watchlist for countries of “particular concern” over “severe violations of religious freedom” after the commander-in-chief blasted Islamabad for harboring jihadists.

“This is only going to get worse,” Ibn Abdur Rehman, secretary-general of the Human Rights Commission of Pakistan, told *Asia Times*, referring to the persecution of religious minorities. “The state has surrendered to the radical Islamists and plans on gradually taking away every last bit of freedom from its citizens.”

## ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

**And then they became captives of ISIS. Relatives relate what happened.**

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.
