## THE ANSWER TO THIS PROBLEM

Here is an exercise of amazing mathematical genius. Do you think you are up to it? How smart do you think you might be?

I challenge you to do the following.

Write a genealogy of Hebrew names in the Greek Language using the following rules.

1. The number of words must be divisible by seven evenly
2. The number of letters must be divisible by seven evenly
3. The number of vowels must be divisible by seven evenly
4. The number of consonants must be divisible by seven evenly
5. The number of words that begin with a vowel, divisible by seven

6. The number of words that begin with a consonant, divisible by seven
7. The number of words that occur more than once, divisible by seven
8. The number of words that occur in more than one form, divisible by seven
9. The number of words that occur in only one form, divisible by seven
10. The number of nouns, divisible by seven
11. Only seven words, shall not be nouns
12. The number of names, divisible by seven
13. Only seven other kinds of nouns may be used
14. The number of “male names”, divisible by seven
15. The number of generations, divisible by seven

**This is Matthew Chapter One – Verses 1 – 11**

**THIS IS THE GENEALOGY OF  
YOUR KING  
JESUS CHRIST**

**'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "**

## *Life in the Word*

*As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him.*

—Psalm 18:30

*Scripture reading:* Psalm 119:9–28

*I*n the days when the number of disciples began to multiply, there arose a situation in which the Twelve had to make a definite decision not to occupy themselves with serving tables, but to give themselves continually to prayer and to the ministry of the Word. How important it is for all God's ministers to be continually in prayer and constantly feeding on the Scriptures of Truth. I often offer a reward to anyone who can catch me anywhere without my Bible or my New Testament.

None of you can be strong in God unless you are diligently and constantly listening to what God has to say to you through His Word. You cannot know the power and the nature of God unless you partake of His inbreathed Word. Read it in the morning, in the evening, and at every opportunity you get. After every meal, instead of indulging in unprofitable conversation around the table, read a chapter from the Word, and then have a season of prayer. I endeavor to make a point of doing this no matter where or with whom I am staying.

The psalmist said that he had hidden God's Word in his heart so that he might not sin against Him (Ps. 119:11). You will find that the more of God's Word you hide in your heart, the easier it is to live a holy life. He also testified that God's Word had given him life (v. 50). As you receive God's Word, your whole physical being will be given life, and you will be made strong. As you receive with meekness the Word (James 1:21), you will find faith springing up within. You will have life through the Word.

*Thought for today:* I find nothing in the Bible but holiness, and nothing in the world but worldliness. Therefore, if I live in the world, I will become worldly; on the other hand, if I live in the Bible, I will become holy.

## **"A Prayer for Spiritual Revival":**

Disturb us, Lord, to dare more boldly, To venture on  
wider seas Where storms will show your mastery;  
Where losing sight of land, We shall find the stars.  
We ask You to push back The horizons of our  
hopes; And to push into the future In strength,  
courage, hope, and love. Because we have  
dreamed too little, When we arrived safely Because  
we sailed too close to the shore. Disturb us, Lord,  
when With the abundance of things we possess We  
have lost our thirst For the waters of life; Having  
fallen in love with life, We have ceased to dream of  
eternity And in our efforts to build a new earth, We  
have allowed our vision Of the new Heaven to dim.  
Amen.

Sir Francis Drake  
(1540 - 1596)

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

# William Booth

The chief danger that  
confronts the coming century  
will be religion without the  
Holy Ghost, Christianity  
without Christ, forgiveness  
without repentance, salvation  
without regeneration,  
politics without God, heaven  
without hell.

# General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

**Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.**

**At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.**

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

## **Luke 18:1-8 (The Persistent Widow)**

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

## **IRAN (LYBIA) NUKES ISRAEL**

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

## **OTHER NUCLEAR MISSILES FIRED**

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

# I WILL REMOVE YOUR KING

***“OVERLOAD!”***

A Prophetic Warning

By

Pastor Benjamin Faircloth

[www.ignitedchurchlife.com](http://www.ignitedchurchlife.com)

“The time has come for a correction to be made to the human heart. There is an adjustment coming that will produce My desired effect! The mountains will move and the nations will tremble at the sound of My voice. *(He impressed in my heart an increase of earthquake activities, even here in the States)*. I have spoken once in My anger and I will speak again to a nation that has forsaken My Laws and the Ways of My Son. I will stand and judge a people who live by the laws of self. For the hour has come for My righteous correction to be revealed to a rebellious people. America, I have waited patiently for the fruit of repentance but I only hear weeping, carnage, and the shedding of innocent blood! **I will remove your king to prove to you that I am sovereign.** I will prove that My plans will always prevail.

Even still I will not get the glory from those who think I Am as they are. For they have lost the focus and have blurred My purpose to their children's children.

What shall I do? What shall I say? I will judge righteously and I will speak clearly. My actions will not be in a corner, hidden for those who guess about My intentions. It will be plain as the noon day sun. Your tipping point is here America. Your overload is complete. What will you do without Me? Nothing!

*Talk about a family feud!*

(United Kingdom)—The news is currently circulating in several media outlets that Democratic candidate Hillary Clinton and her Republican rival, Donald Trump, are distant cousins. However, the story actually broke almost two years ago in the UK-

based *Daily Mail*, but nonetheless, it's still interesting, especially considering that each is a leading candidate in one of the two main political parties and seems to have a decent chance, at least at this point in time, of winning the presidential race. (Photo: AP/via *United With Israel*)

Trump's latest nickname for Clinton is "Crooked Hillary." She doesn't seem to like him much either. But then again, isn't that often the case with relatives?

The two candidates, it seems, are 19th cousins, descending from 14th-century 1st Duke of Lancaster John of Gaunt and his third wife Katherine Swynford, according to the ancestry site *MyHeritage.com*.

According to historical records, Swynford was Gaunt's mistress, but they married after he divorced his wife.

"Clinton claims the lineage to her 18th great-grandparents through the Rodham family of her father's side, while Trump is related to her through his mother Mary Anne Macleod, who was born in Scotland. The common relative means that the Democrat and Republican are 19th cousins," the *Daily Mail* reported.

"John of Gaunt, a royal in the 14th century, was the son of King Edward III and featured in the Shakespearean play *Richard II*, named after his nephew," the *Mail* continued.

Then again, if we go back far enough, aren't we all related?

One thing they do have in common is that they both offered strong support for Israel in their recent AIPAC speeches. Let's hope that if one of these candidates is elected, he or she will stay true to that promise.

*"He tested so far positive for alcohol, 0.37 milligrammes per litre. We are testing him as well for banned substances," Laura Dan told Reuters.*

According to emergency service officials, a 20-year-old man stabbed a local resident, took his car, hit at least two people on the ring road, and then rammed the doors of a shopping mall in the Romanian city of Braila, injuring seven people, including two children.

## Brutal deadly knife crime epidemic has London in a grip of fear: More than 39,000 knife attacks in just six months; homicide 25% increase

Photo breitbart.com

- Some point fingers at gangs and the sale of drugs.
- Others blame recent mass migration.
- Another theory is that police resources are stretched due to a plummeting number of officers.
- Experts say what's unmistakable is that the victims and assailants in these crimes are growing younger.
- Doctors are also reporting an increase in the severity of the attacks.

On Wednesday, London police responded to separate stabbings within hours of each other, the victims, a young boy believed to be in his teens and a man, were sent to the hospital with life-threatening or serious stab wounds.

That makes two attacks this morning, five this week...and more than 39,000 in just six months. Quietly, a brutal, deadly knife attack epidemic is overwhelming residents and police forces throughout the United Kingdom.

Of the five people stabbed this week, the youngest was 15-year-old Jay Hughes, who was attacked outside a chicken shop in broad daylight.

## 9 dead 35 missing and the death toll set to rise significantly: 250,000 evacuated from Malibu as 3 wildfires ravage California

NOAA

Authorities say the Camp Fire in the north and the Woolsey Fire and Hill Fire in the south are being fanned by strong winds. The three major fires are now raging across the state as California as the most destructive wildfire in its history kills at least 9 people along with 35 missing and razes 6,500 homes to the ground, while 250,000 evacuate Malibu, the home of celebrities, flames rage over 200 square miles.

In the north, a huge wildfire destroyed the town of Paradise.

The 20,000-acre (8,100-hectare) fire north of Sacramento started in the Plumas National Forest on Thursday and quickly engulfed the town of Paradise.

More than 6,700 homes and businesses were destroyed and residents fled for their lives.

The flames moved so fast that some had to abandon their cars and escape the town on foot.

Butte County Sheriff Kory Honea told a news conference on Friday that the remains of five victims were found in or near burnt-out cars.

Three others were found outside homes and one inside a home

Among the towns under evacuation orders is Thousand Oaks, where a gunman killed 12 people in a rampage on Wednesday.

The blaze started on Thursday near Thousand Oaks, about 40 miles (64km) north-west of central Los Angeles.

Another blaze, the Hill Fire, started at about the same time, also near Thousand Oaks.

More than 250,000 people have been evacuated across the areas.

With the exception of the destruction of the Paradise town, the wildfire in the south is the most destructive of the wildfires.

**PARADISE, Calif.** — A fast-moving wildfire raging in Northern California has destroyed the entire town of Paradise, killing nine people and being described as a vision of “Hell.”

“Honestly, it looks like Armageddon,” Brian Rice, chairman of the California Fire Foundation, told NBC News. “There’s a part of me that wonders if this city will come back. It is that devastating.”

The entire town of nearly 27,000 was ordered to evacuate just a day after the now-widespread fire began in a wooded area in Butte County, and by Thursday night, an estimated 80 to 90 percent of Paradise was decimated. Outlets describe a frantic scene where cars were backed up urgently seeking to escape, and some abandoned their vehicles to flee on foot.

## MESSAGE FROM AUTISTIC CHILD IN JERUSALEM: MESSIAH IS ABOUT TO BE REVEALED

By Adam Eliyahu Berkowitz November 11, 2018 , 1:45 pm

A new message from an autistic man in Jerusalem said to be gifted with the power of prophecy warns that the difficult times preceding Messiah are very near while explaining that the preparations may not be what you think.

Two young autistic men in Jerusalem have garnered much attention for several years. The most recent communication, given over by 'Daniel' (not his real name), was published on the website [Ki La'Hashem Melucha](#), a Hebrew language website dealing with Jewish mysticism and the end-of-days. Daniel's message warns that the final stages preceding Messiah are imminent and they will be difficult. He also describes how to prepare for them.

"Most people don't want to understand that we are near the end," Daniel said. "The Messiah is about to be revealed but we have to undergo something very difficult first. God is going to destroy two-thirds of the world. Don't think this is going to be due to a nuclear war, though that may be part of it. Man can't destroy the world. Only God, who created the world, can destroy it."

## US Hopes Russia Will Allow Israel to Bomb Iranian Forces in Syria

**The US is seeking to push all foreign military forces from Syria, the US ambassador to the country said. Besides Russian ones, of course.**

US Ambassador to Syria James Jeffrey said Wednesday that Washington hopes Russia will allow Israeli forces to bomb Iranian military forces in Syrian territory after the delivery of S-300 air defense systems.

*"Russia has been permissive, in consultation with the Israelis, about Israeli strikes against Iranian targets inside Syria. We certainly hope that that permissive approach will continue," Jeffrey said during a press conference, according to Business Insider.*

Earlier in October, Russia delivered its S-300 air defense systems to Syria following an incident in which a Russian Il-20 aircraft was shot down by a Syrian S-200 missile because of maneuvers carried out by Israeli jets.

Iran is another key ally of Syrian President Bashar Assad, besides Russia. However, Israel considers Tehran its number one enemy and vowed to fight Iran's military build-up in the bordering Syria.

THOUSAND OAKS, Calif., Nov 8 (Reuters) - A U.S. Marine Corps veteran opened fire on a crowd of mostly college students and young adults dancing at a crowded country and western bar in a suburb of Los Angeles late on Wednesday, killing 12 people including a sheriff's deputy.

Ventura County Sheriff Geoff Dean named the suspect, who was also killed, as Ian Long, aged 28. Dean told a news conference Long had likely shot himself.

He said he appeared to have shot at random, using only a Glock .45-caliber handgun. There was no known motive.

An unknown number of people were wounded in the shooting at the Borderline Bar and Grill, a popular venue with college students and young adults in the suburb of Thousand Oaks. Wednesday was dubbed "College Country Night".

Dean said there were six off-duty law enforcement officers from various agencies in the bar when the shootings occurred, and some survivors said the law enforcement officers stood in front of them to protect them.

"It's a horrific scene in there," Dean said earlier. "There is blood everywhere and the suspect is part of that."

CHESTERFIELD COUNTY, Va. – A Chesterfield Reverend is in disbelief after someone broke into his church, ripped Bibles, spray-painted walls, and smashed a glass window.

For 28 years, Ironbridge Church has served the community. Tuesday it was a polling location for Election Day.

"So apparently our electronic system did not work properly to relock one of the doors, that was unlocked for the polling," said Rev. Dennis Green.

Around 11:30 Tuesday night, surveillance cameras caught a male suspect make his way to the unlocked door, walked in and grabbed a couple of Bibles.

"Came through, just throwing pages, ripping and throwing them out as he came through," said Rev. Green.

**Frictions in the Taiwan Strait have been on the rise after the United States sailed its warships through the narrow waterway last month. The move drew criticism from Beijing, which considers Taiwan part of its territory in line with the One-China principle that the US backs.**

Taiwanese President Tsai Ing-wen has promised that her country would not "concede one step" in self-defence and backed up her claim by adding two former USS frigates to Taiwan's fleet.

"We want to send a clear and firm message from Taiwanese people to the international community that we will not concede one step in defending... Taiwan and protecting our free and democratic way of life," Tsai said, as quoted by AFP, after inspecting the ships that were officially commissioned at a military base in southern Taiwan on Thursday.

*Although the PM didn't mention what caused Taiwan to boost its defence capability, it was hardly a surprise that she went on to scold China's military actions in the region as an "attempt to weaken Taiwan's sovereignty" and "damage regional peace and stability."*

Food For Thought  
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. ### **- A Second Century Letter to Diognetus**

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.**

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the “latter times”. Indeed we live in the “latter times”.

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

# The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain, Raise your voice to them; Wave your hand, that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I have also called My mighty ones for My anger — Those who rejoice in My exaltation."

4 The noise of a multitude in the mountains, Like that of many people! A tumultuous noise of the kingdoms of nations gathered together! The Lord of hosts musters The army for battle. 5 They come from a far country, From the end of heaven — The Lord and His weapons of indignation, To destroy the whole land.

6 Wail, for the day of the Lord is at hand! It will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

### [Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

35 But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil.

36 Be merciful, even as your Father is merciful. (Luke 6 : 32-36 - ESV)

Milton William "Bill" Cooper was an American conspiracy theorist, radio broadcaster, and author best known for his 1991 book *Behold a Pale Horse*, in which he warned of multiple global conspiracies, some involving extraterrestrial aliens. [Wikipedia](#)

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book. *“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? ## **"A Prayer for Spiritual Revival":**

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. We ask You to push back The horizons of our hopes; And to push into the future In strength, courage, hope, and love. Because we have dreamed too little, When we arrived safely Because we sailed too close to the shore. Disturb us, Lord, when With the abundance of things we possess We have lost our thirst For the waters of life; Having fallen in love with life, We have ceased to dream of eternity And in our efforts to build a new earth, We have allowed our vision Of the new Heaven to dim. # Link Angels, etc.

## LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

# ***PRAYING THROUGH***

## **What it means to Pray Through**

**Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.**

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. All who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

## ***Eyes of Faith***

*Jesus went about... teaching... preaching... and healing.*

—Matthew 4:23

*Scripture reading:* Isaiah 58:8–12

**O**ne day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

*Thought for today:* A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

## Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

# Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 06:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

## **INTENSIFIED PREVAILING PRAYER**

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

# Humility in Daily Life

## 00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

## OSWALD CHAMBERS

**My Unstoppable Determination for His Holiness.** “Whether it means life or death—it makes no difference!” (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God’s will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God’s gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

# OSWALD CHAMBERS

## Will You Go Without Knowing?

### Will You Go Out Without Knowing?

*"He went out, not knowing where he was going" (Hebrews 11:8).*

**H**ave you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

## **Godshealer7** - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1      Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves.

Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

# **SARAH MENET PROPHECY 1979**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

## **SARAH MENET PROPHECY**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

### **INTRODUCTION**

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

### **IRAN (LYBIA) NUKES ISRAEL**

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

## **OTHER NUCLEAR MISSILES FIRED**

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

# **THE PRECURSOR EVENTS**

## **EVENTS LEADING UP TO NUCLEAR WAR**

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

## **SHE SEES 911 NYC**

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

## **THIRD SEAL - FINANCIAL COLLAPSE**

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **\*\*throughout the world\*\***. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

## **CHEMICAL ATTACKS**

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and \*\*\*they didn't even know it\*\*\*.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

## **EBOLA**

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

## **DISEASE SPREADS MURDER MAYHEM**

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

## **EMP NO ELECTRICITY (US & ISRAEL)**

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

## **HORRIBLE WINTER**

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

## ***(SENSE OF TIMING OFF)***

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

## **CHAOS, STARVATION, MAYHEM, CONTINUES**

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

## **HOMES/CITIES OF LIGHT & REFUGE**

***(ISAIAH 60:1-3)***

### **(Glory Light)**

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

***(ISAIAH 60:1-3)***

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

## **CITIES OF LIGHT MOVED OFTEN**

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

# **BABYLON THE GREAT DESTROYED**

## **FINAL NUCLEAR DESTRUCTION**

**As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities.** I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

## **SIXTH SEAL - FIRE BALLS & COMETS START FIRES**

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

## **RUSSIAN CHINESE INVADE**

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

## **RUSSIAN CHINESE INVASION SHORT DURATION**

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

## **GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM**

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

## **MEGAQUAKES WORLDWIDE**

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

## **PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS**

### **(More Sixth Seal)**

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

## **FIRST TRUMPET (BURNING)**

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

## **RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)**

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

## **VISION ENDS**

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don't remember any more until I woke up in the hospital."Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

*(NOTE – I have posted a few reader comments at the bottom of this page.)*

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know](#).

### **The Dream Begins**

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

## Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

# REJOICING IN JUDGMENT

## Rejoicing in Judgment

---

Posted on 12 March 2017 by Stephen Hanson

*"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.*

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

# Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

The arrest of a couple suspected of killing and eating dozens of victims in Krasnodar is but the latest in a string of cannibalism cases in Russia. Fueled by mental illness, desperation and perverse fantasy, their oddness doesn't detract from the shocking cruelty.

Sixteen-year-old schoolgirl Karina Buduchyan's loved 19-year-old goth Maksim Glavatskikh but her feelings went unrequited.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

## 'Something Very Special and Historic Is Happening'; Muslims Encounter Christ Through Dreams, Visions

1:00PM EDT 10/24/2013 | MICHAEL IRELAND/ASSIST NEWS

(irelandm/nyabuy)

More Muslims have come to faith in Christ in this generation than in the last 14 centuries of Islam combined. The Church in Iran is now estimated to be between 1 million and 3 million strong.

That's the analysis of Shadi Fatehi from the PARS Theological Center in London, England, speaking at a suburban church in Minneapolis earlier this month.

In 1979, the Islamic Revolution occurred in Iran when the Ayatollah Khomeini overthrew the Shah of Iran, and Iran became one of the only theocratic Islamic countries in the whole world.

It was the year that Presbyterian missionaries were kicked out of the country after serving faithfully for about 150 years since the 1830s—accused of being CIA agents—and the church was concerned about what was going to happen in that country.

*Get Spirit-filled content delivered right to your inbox! [Click here to subscribe to our newsletter.](#)*

"Everyone thought that the church would be entirely closed down, and that Christianity—the little remnants that still existed—would die down," said Fatehi.

"At the time there were only 350 Christians living in Iran from a Muslim background. Today, 40 years later, the statistics are about 1,000,000 to 3,000,000 Christians from a Muslim background living in Iran today.

## Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

# Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (jemail protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from Bibles for Mideast, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert"

## Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT ([email protected]) Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

While searching for UFOs near the sun, I found a long rocket like object shooting out of the sun during a solar explosion. The explosion was so big it rocked the SOHO satellite and jiggled it, but still caught this UFO during the burst. This UFO was really moving fast, but lucky for us the digital camera of the SOHO satellite caught it well.

If I am wrong, and this is burning solar material flying out from the sun, then its enough material to make a mini sun and would easily destroy the earth if it hit us. However solar material would not shoot off at light speed. This object was only caught once, traveled millions of miles across the SOHO satellite view area...and only got caught once...thats a freaking UFO.

That search [turned up nothing](#) other than a lot of hearsay and speculation, with the prevailing theory being that some type of large cat was roaming around where it shouldn't be. More animals have been found mutilated in the weeks since those original September attacks, most of them calves. All of them have been discovered with deep claw marks in their flesh, and some were partially eaten.

# End of the world SHOCK: Rogue planet Nibiru 'DESTROYED' life on Mars & Earth is next'

A MYTHICAL planet was responsible for the destruction of life on Mars, according to a bombshell theory.

By **Charlotte Ikonen** / Published 12th July 2018

**Time traveller reveals what Nibiru cataclysm would look like**

Legendary Serbian astronomer Milorad B. Protić said Earth may also face the same fate in recently unearthed writings.

Conspiracy theorists believe a huge alien world called Nibiru or Planet X is heading for Earth and will become visible later this year.

The "destroyer" planet will then crash into us – wiping out all life, it is claimed.

NASA insists Nibiru doesn't exist – but believers claim this is a cover-up to stop people panicking and save space in protective bunkers.

In his private memoirs, Protić claimed Mars was home to vast oceans, lakes and rivers before four millennia, and it was the impact of Nibiru which turned the red planet into a barren land.

**This is spectacular. It's not often you get to see underneath the bottom of a glacier. The glacier sits on top of the last volcano to explode on Canadian soil: Mount Meager, northwest of Whistler, B.C. But the fact that it erupted just over 2,400 years ago does not mean it's past its potential to blow again. That's just the blink of an eye in geological terms. Now, the combination of the volcano and its shrinking glacier has drawn scientists to read the signals, the body language of the mountain in hopes of knowing when the next eruption will happen.**

# 9/11 WARS IN IRAQ, AFGHANISTAN, AND PAKISTAN KILLED 500,000 PEOPLE: BROWN UNIVERSITY STUDY

The half million figure accounts for both combatant and civilian deaths from direct fighting and war violence, however the number could be much higher

Zero Hedge - NOVEMBER 11, 2018

IMAGE CREDITS: MARINE CORPS PHOTO BY CPL. F. CORDOBA, OD.

A shocking new study produced by Brown University finds that between 480,000 and 507,000 people were killed during America's Post-9/11 Wars. The study examined the three "war on terror" conflicts of Iraq, Afghanistan, and Pakistan — the latter an extension of the Afghan war and focus of US drone attacks.

The half million figure accounts for both combatant and civilian deaths from direct fighting and war violence, however the number could be much higher as the study didn't account for the perhaps far higher number of civilians killed through infrastructure damage, such as hospitals or water supplies becoming inoperable, or other indirect results of the wars.

# Thousands of goats, sheep, and cattle dying from sudden temperature changes in Taita Taveta County, Kenya

Photo nation.co.ke

Thousands of goats, sheep, and cattle have died from a suspected lung infection in Taita Taveta County, Coast region, Kenya, sparking fear that the outbreak could wipe out entire flocks.

Some farmers accused the county livestock department of not intervening in time to prevent the deaths, as well as curb the spread of the infectious disease.

According to reports from local farmers and the department, more than 5000 young goats, sheep, and cattle have died in the past 2 weeks.

The young ones of some wild animals have not been spared either.

Farmers claimed the animals could have contracted the disease from livestock coming from outside the county.

Their animals, they claimed, were not vaccinated against some infections.

But Agriculture, Livestock and Fisheries Executive Davis Mwangoma attributed the deaths to lung congestion caused by sudden temperature changes.

Dr. Mwangoma said temperatures drop suddenly in the region when heavy rains follow a prolonged drought.

"The (sudden) differences in temperatures led to congested lungs in livestock leading to their deaths," said the executive yesterday.

Mwangoma's explanation was also supported by the Veterinary Diseases Investigations department at Mariakani that conducted the research on the deaths of the livestock.

Briefing The Standard, Mwangoma said bad weather conditions congested the animals' lungs, leading to the deaths.

He refuted claims that the animals had died of a lung infection.

Mwangoma spoke as farmers maintained that the livestock died of a lung disease.

Yesterday, the executive clarified that most livestock was kept outside bomas [cow sheds], subjecting them to changing weather patterns.

"Bad weather affected the livestock.

We advise the farmers to ensure that just before the rains start, goats and sheep need to be sheltered to avert deaths," said Mwangoma.

But the farmers told off the executive and accused him of misleading locals about the livestock deaths.

"The county administration is yet to conduct vaccination against diseases in the region.

We are blaming it on lung disease that has left a heavy toll in the region," said a farmer identified as Adan, who said [he] lost more than 700 livestock.

Records indicate that the Kasigau location had lost more than 1000 goats and sheep.

Farmers said the worst-hit areas include ranches bordering the Tsavo National Park and settlement areas.

"A lung disease is killing our animals," claimed Kishagha Dio from Kasigau in Voi.

A recent drought management report, from the National Drought Management Authority, noted that during drought, animals grew thin and their health deteriorated due to inadequate pasture, water, and fodder.

## With 400 people dead or missing in June with one of the most powerful eruptions in recorded history Guatemala's Fuego volcano blows again

Guatemala's Fuego (Fire) volcano located about 50 kilometers (31 miles) from the capital, on Tuesday began erupting for the fourth time this year, after in June it entered an eruptive phase during which at least 200 people died.

In a special bulletin, the Seismology, Vulcanology, Meteorology and Hydrology Institute said that weak and moderate explosions were occurring in the cone, producing a column of ash 4,800 meters (15,750 feet) high.

In addition, over the crater, there have been two incandescent pulses rising up 300 meters.

The fire mountain, rising 3,763 meters above sea level and located on the mutual border of Escuintla, Chimaltenango and Sacatepequez provinces, on June 3 produced one of the most powerful eruptions in recorded history, killing at least 200 people, along with an additional 238 people who disappeared without a trace and in all likelihood also perished.

The eruptive phase that began on Tuesday, which has already resulted in a fine rain of ash falling onto the villages of Panimache, El Porvenir, Morelia, Santa Sofia, Sangre de Cristo and Pedro Yepocapa, is causing "weak and moderate" avalanches around the crater.

The institute said that there are "lava flows 1,000 meters (long) heading in the direction of the Ceniza ravine" and weak rumbling and shockwaves are causing roofs and windows in structures in the area to rattle and vibrate.

Because of the current activity, authorities are not ruling out that in the coming hours - or even minutes - there could be "new lava flows," although the possibility also exists for "pyroclastic flows in the

direction of the main ravines," and authorities have asked the public not to approach the volcano.

National Disaster Reduction Coordinator spokesman David de Leon said that National Route 14 has been closed as a precaution, but he added that some motorists "were not respecting" the measure and had threatened the authorities with "violent action, such as setting fire to their patrol cars, if they were not allowed to pass."

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

**And then they became captives of ISIS. Relatives relate what happened.**

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.

# **THROW SILVER AND GOLD INTO THE STREETS**

## **Ezek 7:19**

'They will throw their silver into the streets,  
And their gold will be like refuse;  
Their silver and their gold will not be able to  
deliver them  
In the day of the wrath of the Lord;  
They will not satisfy their souls,  
Nor fill their stomachs,  
Because it became their stumbling block of  
iniquity.

of information. Says Kevin, "They told me the Roswell crash was true. They told me that they themselves did not have a government. They told me that they do interact with our government, and that there were four other species that they knew of that also interact with our government. And not only do they interact with our government, they interact with most of the other major governments on the face of the Earth, and they have been for years and years. They told me, 'Oh, yes, we interact with your government all the time. We are getting technology from them.' They also told me that they can cloak themselves. If there is a group of people standing around, they can make themselves visible to half the group and not to half the group."

Kevin asked many other questions, though the experience was so overwhelming that he is not sure if he remembers everything that occurred. At one point he asked them, "Is there a God?"

The ETs hesitated for only a moment, during which Kevin was surprised to sense fear coming from them. "We cannot answer that question," they replied. "We have a higher authority to answer to and are not allowed to discuss it."

Kevin was puzzled by the response (and still is today.) Each time he thought about where he was and what was happening to him, he felt another wave of fear. Says Kevin, "You've got to understand, I was scared to death the whole time this was going on. I was fearful for my life. I still hadn't looked at them yet. I still didn't know what they looked like."
