*What good does it do, if
someone claims to have
faith but does not prove it
with actions? This kind of
faith cannot save him,
can it?*

*Faith, by itself, if it does
not prove itself with
actions, is dead.*

James 2:14, 17

THE ANSWER TO THIS PROBLEM

Here is an exercise of amazing mathematical genius. Do you think you are up to it? How smart do you think you might be?

I challenge you to do the following.

Write a genealogy of Hebrew names in the Greek Language using the following rules.

1. The number of words must be divisible by seven evenly
2. The number of letters must be divisible by seven evenly
3. The number of vowels must be divisible by seven evenly
4. The number of consonants must be divisible by seven evenly
5. The number of words that begin with a vowel, divisible by seven

6. The number of words that begin with a consonant, divisible by seven
7. The number of words that occur more than once, divisible by seven
8. The number of words that occur in more than one form, divisible by seven
9. The number of words that occur in only one form, divisible by seven
10. The number of nouns, divisible by seven
11. Only seven words, shall not be nouns
12. The number of names, divisible by seven
13. Only seven other kinds of nouns may be used
14. The number of “male names”, divisible by seven
15. The number of generations, divisible by seven

This is Matthew Chapter One – Verses 1 – 11

**THIS IS THE GENEALOGY OF
YOUR KING
JESUS CHRIST**

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

...Charles Spurgeon

SMITH WIGGLESWORTH

Be on Guard

But the Lord is faithful, who will establish you and guard you from the evil one.

—2 Thessalonians 3:3

Scripture reading: 2 Thessalonians 2

*T*hese are the last days, the days of “*the falling away*” (2 Thess. 2:3). These are days when Satan is having a great deal of power. But we must keep in mind that Satan has no power except as he is allowed.

It is a great thing to know that God is loosing you from the world, loosing you from a thousand things. You must seek to have the mind of God in all things. If you don't, you will stop His working.

The striking thing about Moses is that it took him forty years to learn human wisdom, forty years to know his helplessness, and forty years to live in the power of God. It took one hundred and twenty years to teach that man, and sometimes it seems to me that it will take that many years to bring us to the place where we can discern the voice of God, the leadings of God, and all His will concerning us.

I see that all revelation, all illumination, everything that God had in Christ was to be brought forth into perfect light so that we might be able to live the same way, produce the same things, and in every activity be children of God with power. It must be so. We must not limit the Holy One. We must clearly see that God brought us forth to make us supernatural, so that we might be changed all the time along the lines of the supernatural. He wants us every day to live in the Spirit so that all of the revelations of God are just like a canvas thrown before our eyes, on which we see clearly step by step all the divine will of God.

Thought for today: We will never know the mind of God until we learn to know the voice of God.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.
Amen.

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.

At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

Luke 18:1-8 (The Persistent Widow)

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

I WILL REMOVE YOUR KING

“OVERLOAD!”

A Prophetic Warning

“The time has come for a correction to be made to the human heart. There is an adjustment coming that will produce My desired effect! The mountains will move and the nations will tremble at the sound of My voice. *(He impressed in my heart an increase of earthquake activities, even here in the States)*. I have spoken once in My anger and I will speak again to a nation that has forsaken My Laws and the Ways of My Son. I will stand and judge a people who live by the laws of self. For the hour has come for My righteous correction to be revealed to a rebellious people. America, I have waited patiently for the fruit of repentance but I only hear weeping, carnage, and the shedding of innocent blood! **I will remove your king to prove to you that I am sovereign.** I will prove that My plans will always prevail.

Even still I will not get the glory from those who think I Am as they are. For they have lost the focus and have blurred My purpose to their children's children.

What shall I do? What shall I say? I will judge righteously and I will speak clearly. My actions will not be in a corner, hidden for those who guess about My intentions. It will be plain as the noon day sun. Your tipping point is here America. Your overload is complete. What will you do without Me? Nothing!

OBAMA MSNBC State 'You Don't Need a Savior or Messiah'

Kissing Cousins? Donald Trump and Hillary Clinton Share Royal Ancestry

News Staff (Apr 20, 2016)

Talk about a family feud!

(United Kingdom)—The news is currently circulating in several media outlets that Democratic candidate Hillary Clinton and her Republican rival, Donald Trump, are distant cousins. However, the story actually broke almost two years ago in the UK-

based *Daily Mail*, but nonetheless, it's still interesting, especially considering that each is a leading candidate in one of the two main political parties and seems to have a decent chance, at least at this point in time, of winning the presidential race. (Photo: AP/via *United With Israel*)

Trump's latest nickname for Clinton is "Crooked Hillary." She doesn't seem to like him much either. But then again, isn't that often the case with relatives?

The two candidates, it seems, are 19th cousins, descending from 14th-century 1st Duke of Lancaster John of Gaunt and his third wife Katherine Swynford, according to the ancestry site *MyHeritage.com*.

According to historical records, Swynford was Gaunt's mistress, but they married after he divorced his wife.

"Clinton claims the lineage to her 18th great-grandparents through the Rodham family of her father's side, while Trump is related to her through his mother Mary Anne Macleod, who was born in Scotland. The common relative means that the Democrat and Republican are 19th cousins," the *Daily Mail* reported.

"John of Gaunt, a royal in the 14th century, was the son of King Edward III and featured in the Shakespearean play *Richard II*, named after his nephew," the *Mail* continued.

Then again, if we go back far enough, aren't we all related?

One thing they do have in common is that they both offered strong support for Israel in their recent AIPAC speeches. Let's hope that if one of these candidates is elected, he or she will stay true to that promise.

REPENT FOR ALLOWING FEAR INTO YOUR HEART

Fri, Dec 7, 11:44 PM
(2 days ago)

to me

Isn't it wonderful what God is doing Johnny? He is doing a wonderful work in you John..i can feel it in my spirit...I can hear it in what you say. Wonderful prayer vigil tonight.

It is absolutely WILD how often it is, that what you talk about on the shows , regarding what you are experiencing, I have been recently experiencing the same spiritual lesson! Tonight when you talked about lack of trust, our need to have total trust.. so we can have true peace, Cause in order to survive the end days we MUST BE in perfect peace which means we are totally trusting Him. We will not be able to hear from God in those days if we are in fear and if we can't hear from Him, we are in trouble. A while back you talked about dealing with anxiety. I have history of panic attacks and high anxiety, which Jesus set me free from 30 years ago, only to rear its ugly head again, as recently as 6 short months ago. Thought I knew all about the spirit of fear, and how to get rid of it, but this time round it is very very strong and stubborn. I realized since July it has had a strangling hold on me. It literally crept back in, almost undetected, until suddenly it was choking me. Rebuking , casting out constantly, quoting scriptures, finally I learned I needed to repent of entertaining fear and needed to embrace trust and peace and be more diligent in keeping my thoughts captive to where they should be. That's where everything gets derailed...where you allow your mind to go. It all starts there. I noticed that when I expressed deep and heartfelt thankfulness for my situation, the spirit of anxiety always left me . Spirit of Thankfulness has become my biggest and best weapon in this combat. (And fasting has been powerful too)
You also started praying in the courts of heaven for forgiveness of generational sins /covenants made with the darkness, and generational curses passed down , going back in the blood line to beginning of time about 2 weeks after I had just read Henderson's book. What are the chances of that?

My Response

(1 day ago)

Well wow wow praise God. That's really awesome

I just love the "repent for even entertaining the fear" idea. That's absolutely brilliant (brought tears to my eyes).

Today my primary client yes believe it or not "the" M" (what are the odds) ; just rejected 6 weeks of my work. I have 22 + years as a consultant and 11 with my current company. What's worse is what they are not happy with is a) something we don't do anyway and b) we were told word for word what to write in the report by one of THEIR leadership personnel. (who is now on vacation and planning on quitting anyway). And the new senior executive over "my project" is from the same company that the US State Dept just indicted their CFO.

So after all this in my flesh I am having a panic attack as my company's leadership is reading the rejection email. My panic attack was pretty bad. Hands shaking. (I don't do the fetal position convulsing thing thank you Jesus which I believe is demonically injected). The scripture says "anxiety in the heart of a man causes depression, but a good word makes it glad".

So from now on I shall immediately repent for allowing notions of fear to enter my heart. It's really sort of silly anyway when you think about it. I guess what troubles me the most is not that "ultimately" our Father will not help me. What troubles me is knowing that God "might" allow me to suffer (even more) and let me go through some horrible stuff to bring me to a new place.

If I would shift that (Andrew Womack "stinkin thinkin") to real TRUST, God would have far less reason to have to further condition me and I would (theoretically) make the transition to the next level without needing to suffer more.

Therefore I "shall" repent of allowing fear to enter my heart.

Hot Prophecies

“These birth pangs from 2019 will quickly change into strong contractions.”

DECEMBER 10, 2018 2:58 PM BY ELIZABETH MARIE

On December 2nd, 2018, I asked the LORD about the upcoming year, 2019. This is the message I then received:

“2019 will be the time of judgments. However, just as 2018 was a time for preparation, I will extend that time into the beginning of 2019. Many said this year (2018) there would will NO DELAYS for the judgments, but see how they were wrong!

Did I not say that 2018 was a time of preparation for MY BRIDE? Did I not say that there would delays to the coming judgments? Did you go to war with North Korea, as many prophesied? Did nukes fall on the U.S. or Israel? Did Trump get thrown out of office? I tell you, no, these things did not happen, because the judgments had been held back to this point.

You ask, “What about the fires of California, or the hurricanes in North Carolina, or, even recently the 7.0 (please notice MY divine number) earthquakes in Alaska....weren't these judgments?”

MY dearest ones, these were the shakings of the birth-pangs that are getting more and more frequent. They were allowed to WAKE people up to the FATHER! To WAKE people up from their slumber and compromises. They were fore-shocks to what is coming next.

In MY great love and compassion for MY creation, I wait until the very last minute to destroy the wickedness that abounds. Till the very last minute, I allow the wicked people to live, in hopes that they will turn to ME. It is in MY compassion that I do so, for I long that no one would perish or spend an eternity without MY light and truth.

Do you not understand how I grieve so for MY children? Those of you who are parents must understand the pain when their child rebels and shuts the door in their face. The grieving is real and very painful!

Now I will tell you what next year holds. The time of preparation will carry over to the first part of the year. Hopefully, My true, sanctified ones will continue to prepare. I will instruct them in what they should be doing. If you do not know, then please inquire of ME on bended knee and a contrite, humble and repentant heart.....cry out to ME sincerely and I will sincerely show you and lead you.

These birth pangs from 2019 will quickly change into strong contractions. The waves will roar, the wind will kick up, and tornadoes will come.....earthquakes and hurricanes will all increase.

Wars and rumor of wars. power outages and darkness, unrest and murder. The streets will be filled with violence and blood in many cities, as the birth-pangs flow with MY judgments.

For those who have been reading (and hearing) the true prophets, did you get yourself prepared? I send MY warnings for this reason. For those who didn't, there will be no excuses, because I have warned those that I love.

JESUS CALLING

December 10

MORNING

MAKE ME THE FOCAL POINT of your search for security. In your private thoughts, you are still trying to order your world so that it is predictable and feels safe. Not only is this an impossible goal, but it is also counterproductive to spiritual growth. When your private world feels unsteady and you grip My hand for support, you are living in conscious dependence on Me.

Instead of yearning for a problem-free life, rejoice that trouble can highlight your awareness of My Presence. In the darkness of adversity, you are able to see more clearly the radiance of My Face. Accept the value of problems in this life, *considering them pure joy*. Remember that you have an eternity of trouble-free living awaiting you in heaven.

Ukraine's president has recently warned Russian tanks are amassing along the border between the two countries amid increasing tensions. The comments came late last month after three Ukrainian naval boats were seized in the Kerch Strait by Russia.

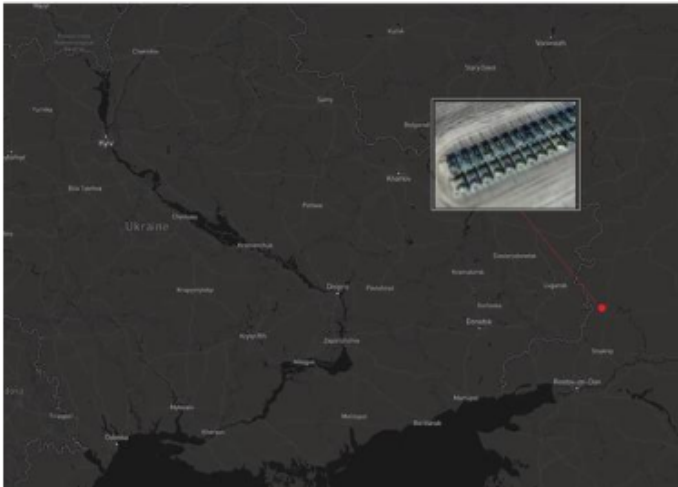

President Petro Poroshenko has allegedly shown images of what he claims to be hundreds of tanks preparing for an invasion.

He told Sky News:

"This is the tank base just 18km from our border, this was happening in September, October, and now."

"This is 18km from my border, this is the same warehouse where they have their ammunition, the same where they have multi-rocket launch systems, we should be prepared to protect my country."

Satellite imagery from Google Earth taken sometime in November from the [Defense Blog](#) has verified Poroshenko's claims. Photos show hundreds of Russian main battle tanks at a new military installation in the Kamensk-Shakhtinsky region.

The Russian base is about 18 kilometers (11.1 miles) away from the rebel-held territory in eastern Ukraine. Images show hundreds of main battle tanks, with thousands of military trucks, support systems, artillery pieces, tankers, and troop transport vehicles.

Emergency briefing of the head of *Donetsk People's Republic Militia* Eduard Basurin on the situation on 10.12.2018

I would like to make the following statement. Our intelligence obtained irrefutable evidence about the Armed Forces of Ukraine AFU preparation to attack us at the direction of Mariupol. The information obtained from reliable sources fully reveals the plans of the Ukrainian security forces.

The purpose of this planned attack is to seize the territory of Novoazovsky and Telmanovsky districts and establish control over the section of the border between the DPR and Russia in the area of villages Konkovo and Kholodnoye.

The enemy offensive strike group has been already formed in total of more than 12 thousand people. It's concentrated along the line of contact near the village of Novotroitskoe, Shirokino, and Rovnopol.

The strike group consists of more than 50 tanks, 40 multiple launch rocket systems, 180 guns and mortars, all are concentrated here at this location.

Pentagon Accidentally Refueled Saudi Jets Over Yemen for Free

Amid a push by the Senate to vote on ending US support for the Saudi-led coalition waging war in Yemen this week, a new report indicates that American tankers have been refueling Saudi coalition jets with gas paid for by US taxpayers because of “errors in accounting.”

Millions of dollars have likely been drained from US coffers to support the Saudi-campaign, according to the report.

Though Washington “believed” Riyadh and the United Arab Emirates “had been charged for the fuel and refueling services, they in fact had not been charged adequately,” wrote William S. Castle, principal deputy general counsel at the Office of the Secretary of Defense, in a November 27 letter obtained by The Atlantic.

MOSCOW (Sputnik) - US President Donald Trump has expressed concern about the possibility of being impeached, CNN reported, citing a source close to Trump.

According to the source, Trump believes that impeachment is a "real possibility" after the House of Representatives comes under the control of the Democrats.

Another source told the media that Trump's aides believed that the only problem that might lead to impeachment is the allegations of Trump's involvement in violating campaign finance rules in the case of Cohen, who brokered the silence of Trump's mistresses.

Additionally, White House officials do not believe that the Robert Mueller-led investigation into the alleged ties between Trump and Russia could lead to the president's being impeached.

Qassem also commented on the war in Syria, where Hezbollah has played an active role in assisting the Syrian government against a collection of jihadist militants including Daesh (ISIS) and Nusra Front.* The official praised the victories achieved against the terrorists, but slammed the US for its alleged obstruction of the peace process.*

At least three people were killed and 13 others injured when a gunman opened fire at a **Christmas** market in Strasbourg, northeastern **France** on Tuesday evening.

Police identified the gunman as Cherif Chekatt, a Strasbourg-born 29-year-old who has a criminal record and is a designated 'threat to the state' on the security services' watchlist.

A manhunt is now underway for Chekatt, who managed to flee the scene in a hijacked taxi after being wounded in a shootout with soldiers, and President **Emmanuel Macron** has raised France's terror level.

The carnage unfolded just after 8pm local time outside the historic Christmas market in Strasbourg's central square, Place Kleber, one of the busiest areas in the city, which is also home to the European Parliament.

Four of those injured are still fighting for their lives, with six others seriously hurt, the mayor of Strasbourg, said on Wednesday morning. Witnesses described one of the victims as a male South-east Asian tourist who had been shot in the head.

Trump Admin. Declares War on Russian, Chinese, Iranian Propaganda

State Dept. launches global operations to disrupt disinformation efforts

BY: [Adam Kredo](#) Follow [@Kredo0](#)

December 11, 2018 4:57 pm

The State Department has launched a new effort to counter propaganda and disinformation campaigns launched across the globe by a host of rogue nations, including Russia, China, and Iran, according to senior U.S. officials who briefed the *Washington Free Beacon* on the new undertaking, which they say will put the United States "on the offense" against these countries.

The State Department's Global Engagement Center, or GEC, which just received a \$40

million cash influx, is refocusing its priorities on what senior Trump administration officials described as a global battle against propaganda that undermines the U.S. role in the world and its national security priorities.

As the Trump administration undertakes efforts domestically to address Russian election meddling as well as efforts by Iran and China to disrupt the American political landscape, the GEC will focus outside the U.S. borders to disrupt a range of disinformation operations by rogue nations seeking to increase their influence in regional hotspots.

While the GEC's operations largely focus on counterterrorism missions, such as the fight against ISIS, the recent cash allocation to the organization will enable it to expand its reach and put a renewed focus on global propaganda operations, U.S. officials say.

"We're going on offense" against primarily Russia, but also China and Iran to a large extent, according to Daniel Kimmage, the GEC's acting coordinator, who briefed a small group of reporters Tuesday afternoon at the State Department.

"The priorities have shifted" in recent years and months as "Russia looms large in our priorities," Kimmage said.

People gather outside the Cathedral of Campina after a man opened fire during mass and killed at least four people before committing suicide on Tuesday.

(CNN) — A gunman opened fire on a church in the Brazilian city of Campinas on Tuesday, killing four people before turning the gun on himself, CNN affiliate Record TV reported.

Police earlier said the shooter killed five, but have scaled that number down to four.

The victims include three men and a woman, in addition to the gunman, Record TV reported. Police initially said nine people were injured but have revised that number down to four. One person is in critical condition.

The gunman has been identified as 49-year-old Euler Fernando Grandolpho, a resident of the neighboring city of Valinhos, according to state-run news agency Agencia Brasil.

MORE JEWISH LIES FROM HOLLYWEIRD!!!!

This "Black Klansman" movie is more lies from the Jewish owned and controlled film industry. The black cop Ron Stallworth mailed in an application to David Duke's mail-in Klan, which was not a true KKK where Klan rituals are meticulously practiced to expose any intruders before they become members. Stallworth was so slick he didn't even think to use a fake name on the application. He then sent an undercover white cop to infiltrate for him. Jewish Hollywood spun a lie and falsely portrayed this white as a Jew in order to glamorize Jews. In reality, the Stallworth infiltration was shut-down by his police chief after 9 months because the investigation was baseless and violated the constitutional rights of the Klan. In other words this movie is glorifying a dumb-criminal cop investigating nothing. No arrests were made as a result of the "investigation". Yet Jewish Hollywood spun a fairytale of a fake bombing to slander the KKK as terrorists and propagandize the weak minded of society.

Once again Americans believe all the stupid lies the Jewish media tells them to believe. This Negro and Jew would have been found quick at a true KKK meeting. The Jew media continues to tell you that the K.K.K. is an outdated, irrelevant organization. If that is true then why do they continue to spend hundreds of millions for the ADL, SPLC, and Hollyweird propaganda movies attempting to discredit us? The truth is they Fear the KKK, not because we are violent terrorists which is another Jew lie, but because we have solutions to rectify the problems the Jews are engineering in our society and the track record of taking action. Since the Jews got their ways against the KKK in the 1960's America has gone straight into the toilet in every measure, incarceration rates, welfare rates, school performance, crime rates, and debt to show for it all.

We are the Loyal White Knights of the KKK. A WHITE only Christian organization. No Blacks, No Jews, No Mexicans or Fags, No Asians or Satanic and Catholics. WHITE ONLY FOR 153 YEARS!!!!

Israel Will Accept 200,000 Refugees From France - Reports

The Israeli government discussed Sunday its readiness to accept a new wave of immigrants amid an increase of antisemitism in France, Ynet reported.

Following the outcome of a government meeting, Israeli Prime Minister Benjamin Netanyahu has ordered the creation of a national program to encourage the repatriation to Israel of Jewish refugees from France. According to local media, this blueprint program will also be introduced to an inter-governmental commission on integration.

Ynet reported that Israel's Minister of Diaspora Affairs, Naftali Bennett, has estimated that some 200,000 Jews in France could be repatriated to Israel in the near future.

Europe has reportedly seen rising levels of xenophobic populism and hate speech amid a prolonged migration crisis in the region, according to a European Commission against Racism and Intolerance (ECRI) report issued in the summer of 2018.

The ECRI warned that in some countries, there was "a trend to depict multiculturalism as a dangerous notion and to pursue a pattern that seems to negate and deny the value of human rights and their universality," cited by Ynet.

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Lester Sumrall's book:

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and bless”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

Preview of the Day of the Lord

Subject: Barb God's Healer7 12-6-16 Preview of the Day of the Lord A foreshadowing Matt 24:27 Joel 1:15

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. **The newsman says "the lightning and thunder can be**

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

They Fly Like the Wind And Come From Afar

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the “latter times”. Indeed we live in the “latter times”.

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain, Raise your voice to them; Wave your hand, that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I have also called My mighty ones for My anger — Those who rejoice in My exaltation."

4 The noise of a multitude in the mountains, Like that of many people! A tumultuous noise of the kingdoms of nations gathered together! The Lord of hosts musters The army for battle. 5 They come from a far country, From the end of heaven — The Lord and His weapons of indignation, To destroy the whole land.

6 Wail, for the day of the Lord is at hand! It will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

[Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on wider seas Where storms will show your mastery; Where losing sight of land, We shall find the stars. We ask You to push back The horizons of our hopes; And to push into the future In strength, courage, hope, and love. Because we have dreamed too little, When we arrived safely Because we sailed too close to the shore. Disturb us, Lord, when With the abundance of things we possess We have lost our thirst For the waters of life; Having fallen in love with life, We have ceased to dream of eternity And in our efforts to build a new earth, We have allowed our vision Of the new Heaven to dim. PREACHERS AND QUOTES

Link Angels, etc.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

PRAYING THROUGH

What it means to Pray Through

Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. All who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

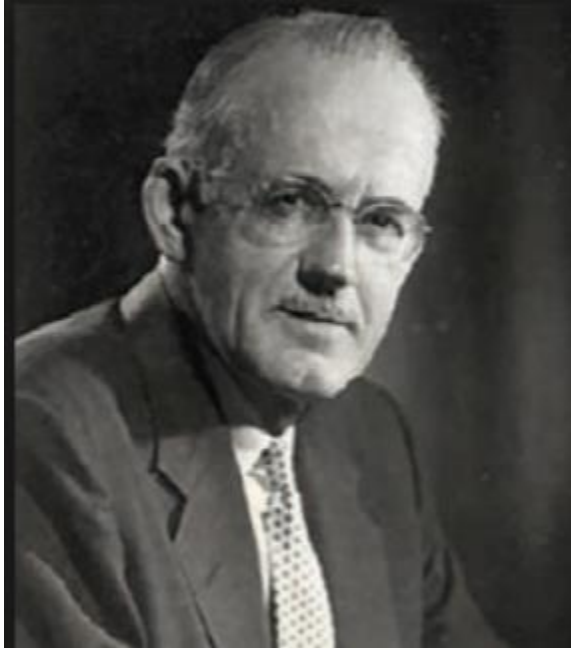

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. Deep calleth unto deep, and though polluted and landlocked by the mighty disaster theologians call the Fall, the soul senses its origin and longs to return to its source

Eyes of Faith ***(Goiter Lady)***

Eyes of Faith

Jesus went about... teaching... preaching... and healing.

—Matthew 4:23

Scripture reading: Isaiah 58:8–12

One day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

Thought for today: A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 06:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). *Mighty Prevailing Prayer*:

General Booth

“Not called!’ did you say?

‘Not heard the call,’ I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. [E](#)

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

Godshealer7 - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1 Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves. Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

SARAH MENET PROPHECY 1979

(Biological, Chemical, Nuke, Comets, a Year of Horror)

SARAH MENET PROPHECY

(Biological, Chemical, Nuke, Comets, a Year of Horror)

INTRODUCTION

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

THE PRECURSOR EVENTS

EVENTS LEADING UP TO NUCLEAR WAR

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

SHE SEES 911 NYC

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

THIRD SEAL - FINANCIAL COLLAPSE

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed ****throughout the world****. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

CHEMICAL ATTACKS

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and ***they didn't even know it***.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

EBOLA

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

DISEASE SPREADS MURDER MAYHEM

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

EMP NO ELECTRICITY (US & ISRAEL)

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

CHAOS, STARVATION, MAYHEM, CONTINUES

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

HOMES/CITIES OF LIGHT & REFUGE

(ISAIAH 60:1-3)

(Glory Light)

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

(ISAIAH 60:1-3)

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

CITIES OF LIGHT MOVED OFTEN

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

BABYLON THE GREAT DESTROYED

FINAL NUCLEAR DESTRUCTION

As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

SIXTH SEAL - FIRE BALLS & COMETS START FIRES

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

RUSSIAN CHINESE INVADE

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

RUSSIAN CHINESE INVASION SHORT DURATION

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

MEGAQUAKES WORLDWIDE

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

FIRST TRUMPET (BURNING)

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

VISION ENDS

NORTH Korean tyrant Kim Jong-un has released a propaganda video showing a US aircraft carrier being blown up and a bomber shot down in flames.

Snaps from the secretive state's recent ballistic missile launches are shown alongside the haunting message: "A knife will be stabbed into the throat of the carrier."

(NOTE – I have posted a few reader comments at the bottom of this page.)

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know](#).

The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

GODSHEALER7 – I have already opened the 1st Seal, those with Understanding Know this Truth

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

REJOICING IN JUDGMENT

Rejoicing in Judgment

Posted on 12 March 2017 by Stephen Hanson

"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

Selah,
~ Stephen Hanson

Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

The arrest of a couple suspected of killing and eating dozens of victims in Krasnodar is but the latest in a string of cannibalism cases in Russia. Fueled by mental illness, desperation and perverse fantasy, their oddness doesn't detract from the shocking cruelty.

Goth teen eats female admirer with potatoes & onions

Sixteen-year-old schoolgirl Karina Buduchyan's loved 19-year-old goth Maksim Glavatskikh but her feelings went unrequited.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

'Something Very Special and Historic Is Happening'; Muslims Encounter Christ Through Dreams, Visions

1:00PM EDT 10/24/2013 | MICHAEL IRELAND/ASSIST NEWS

(irelandm/nyabuy)

More Muslims have come to faith in Christ in this generation than in the last 14 centuries of Islam combined. The Church in Iran is now estimated to be between 1 million and 3 million strong.

That's the analysis of Shadi Fatehi from the PARS Theological Center in London, England, speaking at a suburban church in Minneapolis earlier this month.

In 1979, the Islamic Revolution occurred in Iran when the Ayatollah Khomeini overthrew the Shah of Iran, and Iran became one of the only theocratic Islamic countries in the whole world.

It was the year that Presbyterian missionaries were kicked out of the country after serving faithfully for about 150 years since the 1830s—accused of being CIA agents—and the church was concerned about what was going to happen in that country.

"Everyone thought that the church would be entirely closed down, and that Christianity—the little remnants that still existed—would die down," said Fatehi.

"At the time there were only 350 Christians living in Iran from a Muslim background. Today, 40 years later, the statistics are about 1,000,000 to 3,000,000 Christians from a Muslim background living in Iran today.

Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from Bibles for Mideast, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert"

Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT () Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

'Ministers' Claim Sex Before Marriage, Hookups 'Not Sinful,' Say Chastity Is 'Outdated and Silly' Expectation

Three false ministers, including one who identifies as homosexual and another as polyamorous, recently told the Huffington Post that they believe that sex before marriage is “not sinful,” and that it is rather “unreasonable,” “outdated and silly” to expect people to stay chaste until marriage. One said that he doesn’t “judge” those who choose to engage in random hookups, even if he doesn’t do so himself.

The outlet interviewed Brandan Robertson, an open homosexual who leads Missiongathering Christian Church in San Diego; Chalice Overy, who is an associate pastor at Pullen Memorial Baptist Church in Raleigh, North Carolina; and a man that was only identified as Michael, who says he is currently dating three women and a man, and serves as a clergyman in San Antonio, Texas.

The article, written by Brittany Wong, was entitled [“We Asked Ministers What It’s Like To Date Today. Here’s What They Said.”](#)

“I think the evangelical church world that I come from has taught some really unhealthy ideas about sex and sexuality, and I spend a lot of my time trying to deconstruct ‘purity culture’ in favor of a healthier, more holistic view of sexuality,” opined Robinson, who caused controversy in 2011 for his pro-homosexual views as a student at Moody Bible Institute, but went on to graduate with a Bachelor of Arts degree in pastoral ministry and theology.

Man Smuggling 50 Human Skulls and Femurs For Use in “Black Magic and Occult Rituals” Arrested in India

Let's all raise a toast of holiday cheer to the invisible, hard-working men and women who keep the world moving, and allow us to indulge in our silly hobbies. If you want a model train set delivered to your doorstep tomorrow, a series of underpaid and overworked *heroes* will pass it hand-to-hand across the country, like a relay race through Metropolis, and by God, friend, you'll be choo-chooing through fantasy land before the coffee's even on. Whatever you need, there's someone who will bring it to you. If you need a human skull to place in the center of a chalk pentagram where you can yell at it until a demon shows up, they've got that covered too. Unless your necromancy supply delivery guy gets overzealous and ends up caught red-handed smuggling 50 human skeletons across international borders.

According to [India Times](#), government rail police (GRP) in Bihar, India were doing a routine liquor smuggling inspection when they found one Sanjay Prasad to be smuggling not booze, but bones. Police say Prasad was hauling 16 human skulls and 34 human femurs on the Balia-Sealdah Express. Prasad admitted to police that he was smuggling the human skulls and femurs across the nearby India-Nepal border and then on to the country of Bhutan where they were to be used in “black magic and occult rituals.”

Killer robot BOMBSHELL: New models to go 'off the rails in deadly malfunction errors'

KILLER robots could go "off the rails" and slaughter innocent people thanks to deadly malfunction errors, military superpowers have been warned.

By **David Rivers** / Published 8th December 2018

Campaign to Stop Killer Robots (CSKR) founding member Richard Moyes said "death and destruction" could be a harrowing consequence of AI in the battlefield.

AI is increasingly used by nations across the globe as they attempt to get ahead in the military arms race.

But Moyes warns that if robots are handed full autonomy, they could wipe out the very people they are supposed to protect.

Moyes told Daily Star Online: "It is unlikely militaries would want to use systems that present these kinds of vulnerabilities.

"But as systems get more complex there is always a risk that they will malfunction in unpredictable ways, possibly putting your own forces at risk."

The video was shot in West Australia during an intense thunderstorm. As local resident Leigh Stevens looked on, a strange green light – accompanied by an equally unexplained sound – flashed bright across the sky.

"WTF is that," Stephens wrote. "Taken last night during electrical storm from our back yard."

And experts **agreed that the phenomenon was like nothing they had seen before**, according to the West Australian, which reported on the strange video.

UFO Caught On TV News In Texas Is The Real Deal, Dec 2018, Video, UFO Sighting News.

Date of sighting: Dec 7, 2018

Location of sighting: San Antonio, Texas, USA

A news caster was talking when a UFO shot past and off into the distance. A few things about this sighting makes me 100% convinced that this is an alien craft.

1. Its shape, unlike anything known to fly today.
2. When its close its true color is black-gray
3. When its further away by 50 meters its color turns white.

When I was filming on my roof a few years ago, using meditation to call orbs as I have seen done on Youtube many times, I was surprised by a UFO that was baseball shape and pearlescent sphere so much it was mesmerising...just 2.5 meters from me. When I realised what I was looking at I flipped around my camera on tripod 180 degrees and that little buggar was already 50 meters away when I did get video, all I got on video was a white speck in the blue sky. The color had changed to white for some unknown reason. Thats why I know this is a real sighting.

Portland, Oregon Woman Sees Many UFOs Nightly Over Home Near Volcano! Nov 2018, 2 Videos, UFO Sighting News.

Location of sighting: Mount St Helens, Oregon, USA

News source: <https://www.counton2.com/entertainment/st-helens-woman-reports-ufo-sightings/1597113286>

This is amazing. A woman in Oregon near Mount St Helens has witnessed many UFOs for several nights over her home. Not only that...Mount St Helens is an active volcano...so we may have found the exact location of their alien base...UFOs are often exiting bases that are 4-6km below volcanos, because its a location where humans rarely go.

What we are seeing here is not a drone. Drones do not light up like a ball. Also there is no way that this is an airplane since its hovering in place much of the time. Just the fact that its near St Helens convinces me that this is a serous sighting and that it has a higher chance of be real. These UFO orbs have been seen around the world. If you go to youtube you literally will find thousands of such videos, and yet the governments don't acknowledge this evidence, nor do they answer us what it is.

Teacher Fired For Not Using Transgender Student's New Pronouns

Board unanimously rules unsatisfactory to use pupil's new name instead

A Virginia teacher has been fired by unanimous school board decision for referring to a recently-transgendered student by name in lieu of pronouns in a landmark decision.

Likely the first decision of its kind in the state, West Point School Board delivered a 5-0 verdict in favor of terminating high school French teacher Peter Vlaming during a four-hour hearing packed with supporters of Vlaming, according to [the Richmond Times-Dispatch](#).

Vlaming had been placed on administrative leave following a discrimination complaint by student's parents because Vlaming agreed to call the child by the newly-adopted first name, but not the new preferred pronouns, citing his Christian faith.

Mandatory Implantation of Microchips in Employees? UK Gov't Says it Would Likely be Illegal

By Kevin McCandless | December 6, 2018 | 9:24 PM EST

London (CNSNews.com) – It sounds like the stuff of eschatological literature, but the idea of companies forcibly implanting their employees with microchips is making waves in Britain – although the government says it doubts the practice would be legal.

In recent years, companies marketing microchip implants have touted them as a convenient shortcut to many routine tasks. Employing the same technology used in contactless credit cards, the tiny device is generally implanted in a worker's hand and can be used for such things as opening doors or turning on devices.

But groups in Britain ranging from the Confederation of Business Industry to the Trades Union Congress (TUC) have spoken out against the prospect of companies forcing implants on employees, a step that could facilitate constant monitoring.

TUC secretary-general Francis O'Grady said in a statement this week new technologies should not be allowed to compromise a worker's right to privacy. Employers should negotiate with their workforce about monitoring policies, he said.

Tiny remains found in leaky containers at Michigan cemetery

By Associated Press | Posted: Tue 3:06 PM, Dec 11, 2018

CANTON TOWNSHIP, Mich. (AP) - Investigators say they've discovered the remains of 300 fetuses and infants stored in leaky plastic containers at a cemetery in suburban Detroit.

The state disclosed more details Tuesday from an inspection last week at Knollwood Memorial Park in Canton Township. Regulators say the cemetery is barred from any new business while the case is pending.

The suspension comes five days after regulators said they discovered 27 plastic containers and took other enforcement steps. Most of the remains came from Perry Funeral Home in Detroit whose license was suspended weeks ago.

The state says the cemetery crypts were being used as temporary storage. The state says records show the remains should have been buried or cremated, some as far back as 2009.

A message seeking comment was left with Knollwood's attorney.

Fatal brain-eating amoeba may have come from woman's neti pot

The 69-year-old, whose name was not given, had a lingering sinus infection. For a month, she tried to get rid of it using a neti pot with tap water instead of using sterile water, as is recommended.

Neti pots are used to pour saline into one nostril and out of the other to irrigate the sinuses, usually to fight allergies or infections.

According to the doctors who treated the woman, the non-sterile water that she used it thought to have contained [Balamuthia mandrillaris](#), an amoeba that over the course of weeks to months can cause a very rare and almost always fatal infection in the brain.

Ebola spreads to major Congo city as vaccines a concern

By CARLEY PETESCH and CARA ANNA December 7, 2018

[Click to copy](#)

DAKAR, Senegal (AP) — The second-largest Ebola outbreak in history has spread to a major city in eastern Congo, as health experts worry whether the stock of an experimental vaccine will stand up to the demands of an epidemic with no end in sight.

Butembo, with more than 1 million residents, is now reporting cases of the deadly hemorrhagic fever. That complicates Ebola containment work already challenged by rebel attacks elsewhere that have made tracking the virus almost impossible in some isolated villages.

“We are very concerned by the epidemiological situation in the Butembo area,” said John Johnson, project coordinator with Medecins Sans Frontieres in the city. New cases are increasing quickly in the eastern suburbs and outlying, isolated districts, the medical charity said.

NAIROBI, Kenya - The medical anthropologist was in the shower when she heard the first pops of gunfire. Initially, she thought it might be the action movie she'd left playing on high volume. Then the wall shook.

The violence in eastern Congo, which has stymied the international response to a growing Ebola outbreak in the region, had arrived at the guesthouse used by many of those working to prevent the disease's spread.

Terrified, Julienne Anoko dropped to the floor and crawled into the corridor outside her room. She and five others from U.N. agencies, Congo's health ministry and the World Health Organization, which she works for, hid in another bathroom for three hours until a U.N. peacekeeping force arrived and gave the all-clear.

Record number of cases of polio-like illness AFM in US this year

In its weekly update on cases of the illness, the US Centers for Disease Control and Prevention said there have been 158 confirmed cases in 36 states this year.

This is the highest number of confirmed cases in a single year since the CDC began tracking cases in August 2014. Since then, there have been a total of 484 confirmed cases of AFM, according to the CDC.

The illness has peaked every other year in the fall.

From August to December 2014, there were 120 confirmed cases. In all of 2015, 22 confirmed cases were reported. In 2016, there were 149 confirmed cases, and in 2017, 35 confirmed cases were reported.

In addition to the confirmed cases reported this year, there are 153 patients under investigation as possibly having AFM.

End of the world SHOCK: Rogue planet Nibiru 'DESTROYED' life on Mars & Earth is next'

A MYTHICAL planet was responsible for the destruction of life on Mars, according to a bombshell theory.

By **Charlotte Ikonen** / Published 12th July 2018

Time traveller reveals what Nibiru cataclysm would look like

Legendary Serbian astronomer Milorad B. Protić said Earth may also face the same fate in recently unearthed writings.

Conspiracy theorists believe a huge alien world called Nibiru or Planet X is heading for Earth and will become visible later this year.

The "destroyer" planet will then crash into us – wiping out all life, it is claimed.

NASA insists Nibiru doesn't exist – but believers claim this is a cover-up to stop people panicking and save space in protective bunkers.

In his private memoirs, Protić claimed Mars was home to vast oceans, lakes and rivers before four millennia, and it was the impact of Nibiru which turned the red planet into a barren land.

Three powerful quakes including a massive mag 7.5 rock the South Pacific where nearly 250 whales died last week in 6 separate strandings

USGS

Three massive quakes, a magnitude 7.5 - magnitude 6.6 and a magnitude 6.0 has rocked New Caledonia in the Coral Sea. New Caledonia and Vanuatu ordered coastal evacuations on Wednesday after the powerful undersea earthquakes triggered tsunami warnings in the South Pacific, but appeared to have suffered little damage.

Neighbouring Vanuatu also issued an evacuation warning.

What could be significant here is the fact the quake area is close to where almost 250 whales died last week in six different strandings.

Experts are at a loss as to why the whales have been washing up such large numbers recently.

What has happened here could go a long way to understanding why whales and dolphins die in mass strandings.

Incidentally, last night's 3 earthquakes bring the December total to 4 major quakes and 123 the total for 2018.

Massive Alaskan Earthquake Blamed on Planetary Alignment

Paul Seaburn

December 3, 2018

Which came first ... the [massive 7.0 earthquake which recently struck Anchorage](#), the unusual planetary alignment or the earthquake predictor taking credit for predicting it and warning of more convergence-created quakes?

“This is the second largest earthquake we’ve had since 1964, which was a very significant earthquake.”

It’s hard to tell so let’s start with the earthquake. On November 30th, a 7.0 earthquake hit Anchorage, Alaska’s largest city with a population of 300,000. As Anchorage Mayor Ethan Berkowitz recounts, its intensity was second only to the 1964 magnitude-9.2 quake which was the most powerful in recorded U.S. history. The November 30th tremor damaged road, buildings and infrastructure and shut down power in many areas, but no deaths or serious injuries were reported. Officials remain on the alert because hundreds of aftershocks, one a big 5.2 magnitude, have been occurring ever since.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

Another monster quake rocks the Southern Hemisphere as magnitude 7.1 - strikes the South Sandwich Islands.

Another monster quake rocks the Southern Hemisphere after a magnitude 7.1 - hits the South Sandwich Islands.

The magnitude 7.1 quake struck on Monday in the southern Atlantic Ocean, close to the South Sandwich Islands north of Antarctica, the U.S. Geological Survey said.

The quake initially reported as a magnitude 7.5, was in a remote area and fairly deep underground. The U.S. Pacific Tsunami Warning Center said in an advisory that it did not cause a tsunami threat.

This mornings quake is the 5th of December and the 125th of 2018.

An incredible 2,061 aftershocks have rocked Southcentral Alaska - 24 per hour since the powerful magnitude 7 struck on Friday

USGS

The aftershocks of the 7.0 magnitude quake that hit Southcentral Alaska, while nowhere near as powerful as the initial earthquake, are strong enough to compete with initial quakes on any ordinary day, and they still haven't stopped and will remain a part of Alaska quake climate for months to come, and maybe even years, according to CNN.

Incredibly more than 2,000 aftershocks have battered Southcentral Alaska since the powerful magnitude 7 struck four days ago, that works out at around 24 aftershocks per hour since the big one.

According to 2KTUU, many of the aftershocks, which average between magnitude 2 to magnitude 4, are still strong enough to shake people from their sleep into Saturday morning, officials with the National Weather Service say that's normal for such a large quake.

The biggest question on people's minds is; when will these quakes stop, and will any be similar in magnitude to the initial 7.0 shaker? Scientists with the Weather Service say that they'll stop gradually, and show a low probability chance of being high magnitude again.

The powerful earthquake jolted southern Alaska on Friday morning, buckling roads, disrupting rush-hour traffic and jamming telephone service in and around Anchorage, the state's largest city, but there were no reports of serious injuries.

Shocking aerial images of shown the devastating impact the earthquakes in Alaska had on the roads and landscape.

The tremors that struck the state on early Friday morning decimated stretches of road and made them impassible.

Rare blitz of tornadoes leaves central Illinois with damage, injuries

Andrew Pritchard, who goes by @skydrama on Twitter, captured this image of a tornado racing through Beardstown, Illinois, on Saturday.

(CNN) — Central Illinois is coping with damage and injuries after a rare blitz of tornadoes Saturday, when 22 twisters were reported to the National Weather Service.

Hardest hit was the town of Taylorville, about 30 miles southeast of the capital of Springfield. Storm winds wrecked houses, downed power lines and pulled trees up by the roots.

"It's a miracle no one was killed in the tragedy of these tornadoes," said Gov. Bruce Rauner, who toured the area on Sunday.

At least three people are being treated for major injuries at Memorial Hospital in Springfield and 18 more suffered minor injuries, Rauner said. The governor activated Illinois' State of Emergency Operations Center.

North America just had its most extensive November snow cover since the 1960s

By [Strange Sounds](#) · Dec 8, 2018 · 9

November 2018's North America snow cover set a record for any autumn month in the satellite era.

Last November's average snow cover across North America was an estimated 5.24 million square miles, **topping the previous November record of 5.11 million square miles in 2014, according to data from the Rutgers University Global Snow Lab (GSL) dating to 1966.**

Plot of North America November snow cover anomalies from 1966 through 2018. November 2018's record snow cover extent was roughly 1.4 million square miles above the average from 1981 through 2010, via Rutgers University Global Snow Lab

This extent of snow cover was about 861,000 square miles larger than average, over three times the size of Texas.

This was largely due to the anomalous snow cover over northern and parts of the central U.S., as well as southern Canada.

Persistent cold from the Northeast to the Plains to the northern and western Gulf Coast and a number of expansive winter storms gave this winter weather season a fast start, driven by a persistent southward nosedive of the jet stream.

Melting of Greenland's ice is 'off the charts,' study shows

By **Drew Kann**, CNN

(CNN) — Greenland's massive ice sheets contain enough water to raise global sea levels by 23 feet, and a new study shows that they are melting at a rate "unprecedented" over centuries -- and likely thousands of years.

The study, published Thursday in the scientific journal *Nature*, found that Greenland's ice loss accelerated rapidly in the past two decades after remaining relatively stable since the dawn of the Industrial Revolution in the mid-1800s.

Today, Greenland's ice sheets are melting at a rate 50% higher than pre-industrial levels and 33% above 20th-century levels, the scientists found.

The University Of Aberdeen has issued the latest depressing news of a catastrophic die-off: 70% decline of world population for seabirds since 1970

The University Of Aberdeen has issued the latest depressing news of a catastrophic die-off, this time the unfortunate species is the world's seabirds.

Due to overfishing, habitat destruction and pollution, populations have dropped by an incredible 70% since the 1970s, (can you imagine if the world's human population fell by 70% in just 50 years?)

Scientists compared two time periods – 1970 to 1989 and 1990 to 2010 – to assess the degree of competition seabirds faced for prey species such as anchovy, mackerel and squid.

According to the Independent, the team then estimated the annual consumption of those prey species for nearly 300 varieties of seabird, based on population counts and models.

This was then compared to annual catches by fishing boats as contained in the Sea Around Us world database.

The scientists found that the total annual seabird consumption decreased from 70 to 57 millions of tonnes over the study period, while annual fishery catches increased from 59 to 65 millions tonnes over the same period.

"Our research shows, that despite the decline of the world seabird community between 1970-1989 and 1990-2010, competition with fisheries remained sustained," said the study's lead author Dr Aurore Ponchon from the University of Aberdeen.

"This competition was even enhanced in almost half the oceans.

"This enhanced competition, in addition to other factors such as pollution, predation by invasive species on chicks, the destruction and changes in their habitat by human activities and environmental changes caused by climate change, puts seabirds at risk, making them the most threatened bird group."

She added: "This study calls for an improved management of the world's fisheries to alleviate competition pressure on seabird populations."

(CNN) — The Arctic is experiencing a multi-year stretch of unparalleled warmth "that is unlike any period on record," according to the 2018 Arctic Report Card, a peer-reviewed report released Tuesday morning from the National Oceanic and Atmospheric Administration, an agency within the United States Department of Commerce.

The report states that human-caused climate change is transforming the Arctic, both physically through the reduction of sea ice, and biologically through reductions in wildlife populations and introduction of marine toxins and algae.

The report is yet another study from part of the US government indicating that climate change is real and having a profound impact, despite denials from the President and senior members of his Administration.

Temperatures in the Arctic are warming more than twice as fast as the overall planet's average

Steamboat Geyser breaks historical yearly eruption record

YELLOWSTONE NATIONAL PARK (KIFI/KIDK) - The Steamboat Geyser in Yellowstone National Park broke decades-old records when it erupted for the 30th time in 2018 Saturday.

Yellowstone National Park reports Saturday's eruption surpasses the all-time record for the number of documented eruptions in a calendar year which was 29 in 1964.

According to the U.S. Geological Survey, the geyser erupted at 1:07 a.m.

It has been 9 days, 4 hours and 30 minutes since it last erupted. This was the longest interval between eruptions since August. Since then, the geyser had been following a semi-regular pattern of erupting about every five to seven days.

THE 'MOUNTAIN OF GOD' SHOWS SIGNS OF ERUPTING

📅 DECEMBER 11, 2018 👤 CAP ALLON

The Ol Doinyo Lengai, called the Mountain of God by the local Maasai people, is giving off warnings it may soon erupt.

According to Al Jazeera, Ol Doinyo Lengai in Tanzania is now threatening nearby villages and three major sites of early human development.

The previous eruptive phase lasted from June 22, 2011 to July 5, 2014.

The Mountain of God is the only volcano in the world that can erupt natrocarbonatite lava, a highly fluid lava that contains almost no silicon and actually has a viscosity near that of water.

Natrocarbonatite lava is also much cooler than other lavas, being 'only' about 510C compared to temperatures over 1,100C for basaltic lavas.

Powerful eruption at Manam volcano, PNG, sends ash plume to 45000 feet asl, ashfall blocks sunlight

A powerful eruption started at Manam volcano, Papua New Guinea on December 8, 2018, ejecting an ash plume up to 13.7 km (45 000 feet) above sea level and forcing authorities to raise the Aviation Color Code to Red. The ongoing heavy ashfall is blocking out sunlight on the island.

Tribal Leaders Join Hands With Hindu Extremists to Persecute Christians in Jharkhand, India

HYDERABAD, India (*Morning Star News*) – Five families in eastern India were at a worship service last month when they received a phone call telling them to return to their homes immediately.

The Christians rushed nearly four miles from their church in Lisiya village to their homes in Durula, West Singhbhum District in Jharkhand state, where they found the shanty of one of the families in ruins. Villagers under the influence of tribal movement Adivasi Ho Samaj had left the home of Sidiu Bari and his family in shambles.

Members of the Adivasi Ho Samaj, which in turn had come under the influence of Hindu extremists to join forces against the spread of Christianity, persuaded villagers that they must drive the five Christian families out, area resident Subod Sinku told Morning Star News.

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.

THROW SILVER AND GOLD INTO THE STREETS

Ezek 7:19

'They will throw their silver into the streets,
And their gold will be like refuse;
Their silver and their gold will not be able to
deliver them
In the day of the wrath of the Lord;
They will not satisfy their souls,
Nor fill their stomachs,
Because it became their stumbling block of
iniquity.

of information. Says Kevin, "They told me the Roswell crash was true. They told me that they themselves did not have a government. They told me that they do interact with our government, and that there were four other species that they knew of that also interact with our government. And not only do they interact with our government, they interact with most of the other major governments on the face of the Earth, and they have been for years and years. They told me, 'Oh, yes, we interact with your government all the time. We are getting technology from them.' They also told me that they can cloak themselves. If there is a group of people standing around, they can make themselves visible to half the group and not to half the group."

Kevin asked many other questions, though the experience was so overwhelming that he is not sure if he remembers everything that occurred. At one point he asked them, "Is there a God?"

The ETs hesitated for only a moment, during which Kevin was surprised to sense fear coming from them. "We cannot answer that question," they replied. "We have a higher authority to answer to and are not allowed to discuss it."

Kevin was puzzled by the response (and still is today.) Each time he thought about where he was and what was happening to him, he felt another wave of fear. Says Kevin, "You've got to understand, I was scared to death the whole time this was going on. I was fearful for my life. I still hadn't looked at them yet. I still didn't know what they looked like."
