*What good does it do, if
someone claims to have
faith but does not prove it
with actions? This kind of
faith cannot save him,
can it?*

*Faith, by itself, if it does
not prove itself with
actions, is dead.*

THE ANSWER TO THIS PROBLEM

Here is an exercise of amazing mathematical genius. Do you think you are up to it? How smart do you think you might be?

I challenge you to do the following.

Write a genealogy of Hebrew names in the Greek Language using the following rules.

- 1.The number of words must be divisible by seven evenly
- 2.The number of letters must be divisible by seven evenly
- 3.The number of vowels must be divisible by seven evenly
- 4.The number of consonants must be divisible by seven evenly
- 5.The number of words that begin with a vowel, divisible by seven

6. The number of words that begin with a consonant, divisible by seven
7. The number of words that occur more than once, divisible by seven
8. The number of words that occur in more than one form, divisible by seven
9. The number of words that occur in only one form, divisible by seven
10. The number of nouns, divisible by seven
11. Only seven words, shall not be nouns
12. The number of names, divisible by seven
13. Only seven other kinds of nouns may be used
14. The number of “male names”, divisible by seven
15. The number of generations, divisible by seven

This is Matthew Chapter One – Verses 1 – 11

**THIS IS THE GENEALOGY OF
YOUR KING
JESUS CHRIST**

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

...Charles Spurgeon

SMITH WIGGLESWORTH

Be on Guard

But the Lord is faithful, who will establish you and guard you from the evil one.

—2 Thessalonians 3:3

Scripture reading: 2 Thessalonians 2

*T*hese are the last days, the days of “*the falling away*” (2 Thess. 2:3). These are days when Satan is having a great deal of power. But we must keep in mind that Satan has no power except as he is allowed.

It is a great thing to know that God is loosing you from the world, loosing you from a thousand things. You must seek to have the mind of God in all things. If you don't, you will stop His working.

The striking thing about Moses is that it took him forty years to learn human wisdom, forty years to know his helplessness, and forty years to live in the power of God. It took one hundred and twenty years to teach that man, and sometimes it seems to me that it will take that many years to bring us to the place where we can discern the voice of God, the leadings of God, and all His will concerning us.

I see that all revelation, all illumination, everything that God had in Christ was to be brought forth into perfect light so that we might be able to live the same way, produce the same things, and in every activity be children of God with power. It must be so. We must not limit the Holy One. We must clearly see that God brought us forth to make us supernatural, so that we might be changed all the time along the lines of the supernatural. He wants us every day to live in the Spirit so that all of the revelations of God are just like a canvas thrown before our eyes, on which we see clearly step by step all the divine will of God.

Thought for today: We will never know the mind of God until we learn to know the voice of God.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.
Amen.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

— William Booth

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire

in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.

At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

Luke 18:1-8 (The Persistent Widow)

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

I WILL REMOVE YOUR KING

“OVERLOAD!”

A Prophetic Warning

Pastor Benjamin Faircloth

“The time has come for a correction to be made to the human heart. There is an adjustment coming that will produce My desired effect! The mountains will move and the nations will tremble at the sound of My voice. *(He impressed in my heart an increase of earthquake activities, even here in the States)*. I have spoken once in My anger and I will speak again to a nation that has forsaken My Laws and the Ways of My Son. I will stand and judge a people who live by the laws of self. For the hour has come for My righteous correction to be revealed to a rebellious people. America, I have waited patiently for the fruit of repentance but I only hear weeping, carnage, and the shedding of innocent blood! **I will remove your king to prove to you that I am sovereign.** I will prove that My plans will always prevail.

Even still I will not get the glory from those who think I Am as they are. For they have lost the focus and have blurred My purpose to their children's children.

What shall I do? What shall I say? I will judge righteously and I will speak clearly. My actions will not be in a corner, hidden for those who guess about My intentions. It will be plain as the noon day sun. Your tipping point is here America. Your overload is complete. What will you do without Me? Nothing!

Kissing Cousins? Donald Trump and Hillary Clinton Share Royal Ancestry

News Staff (Apr 20, 2016)

Talk about a family feud!

(United Kingdom)—The news is currently circulating in several media outlets that Democratic candidate Hillary Clinton and her Republican rival, Donald Trump, are distant cousins. However, the story actually broke almost two years ago in the UK-

based *Daily Mail*, but nonetheless, it's still interesting, especially considering that each is a leading candidate in one of the two main political parties and seems to have a decent chance, at least at this point in time, of winning the presidential race. *(Photo: AP/via United With Israel)*

Trump's latest nickname for Clinton is "Crooked Hillary." She doesn't seem to like him much either. But then again, isn't that often the case with relatives?

The two candidates, it seems, are 19th cousins, descending from 14th-century 1st Duke of Lancaster John of Gaunt and his third wife Katherine Swynford, according to the ancestry site *MyHeritage.com*.

According to historical records, Swynford was Gaunt's mistress, but they married after he divorced his wife.

"Clinton claims the lineage to her 18th great-grandparents through the Rodham family of her father's side, while Trump is related to her through his mother Mary Anne Macleod, who was born in Scotland. The common relative means that the Democrat and Republican are 19th cousins," the *Daily Mail* reported.

"John of Gaunt, a royal in the 14th century, was the son of King Edward III and featured in the Shakespearean play *Richard II*, named after his nephew," the *Mail* continued.

Then again, if we go back far enough, aren't we all related?

One thing they do have in common is that they both offered strong support for Israel in their recent AIPAC speeches. Let's hope that if one of these candidates is elected, he or she will stay true to that promise.

you. You try to hide your sin from Me. I know your evil thoughts. I see everything! Nothing is hidden from Me! Every secret thing will be revealed. Repent, repent, repent! My watchmen and messengers have warned you over and over. I will spare a remnant. Fire is coming upon the nations, upon those who mock and ridicule My words. There will be no mercy as My judgments fall upon you, and your nation. Repent, repent, repent! Behold, the fire comes!

Be Ready

My Children are not preparing for what is soon coming into their lives. They live in denial, thinking this is not the time of the end.

My Children, do not let the enemy deceive you into thinking there is no urgency to prepare yourselves now for you live in the time of My Great Wrath. (the time when His Wrath is getting ready to be released – God's faithful people will I believe be taken out before His Wrath is poured out.)

I have accelerated time to bring about the end more quickly so I may bring all of My Children home to Me. You can see this is true, as you have observed the changes around you (accelerating). You have observed, too, strange happenings that tell you something is amiss in the order of things.

The sins of man have risen to be a great weight on the Earth and it will not much longer bear up under the weight of them. It will begin to creak and crack as it breaks apart. Know when you see this that the time is upon you.

Be ready.

NOTE: The Lord just gave us a word called Be Ready on 11/08/18. You can review it here:

WITH EMPOWERMENT, COMES PERSECUTION

With Empowerment Comes Persecution!"

by Lonnie Mackley Jan. 12th, 2019

Very soon many of you are going to see the Lord start doing amazing miracles through you as you pray for people. People will be genuinely healed, evil spirits will be cast out, and the baptism of the Holy Spirit will accompany every believer that wants it. It will be a time of great celebration and rejoicing, but it will also be a time of great persecution as the enemy tries to knock you off your game in order to get you to shrink back and slow down. One of the main reasons that God has been allowing certain problems to come and challenge us is because He wants to draw out and expose our weak areas before this outpouring so that we can recognize them and allow Him to help us to get rid of them, because these will be the very areas we will most get attacked in.

If you have read through the book of Acts then you have probably noticed a pattern of Holy Spirit outpouring and then also persecution over and over again. You can expect this same scenario to also repeat itself in this last harvest. The attacks will come through jealous Pharisaical Christians, the occult, the government, family, friends, and even the medical profession as mass amounts of people get healed by Jesus and medical revenues drop. But if you will stay the course and not shrink back or get in your flesh you will see God's purposes win out every single time. You see, God's plan is guaranteed to win every time as long as we do not give up or give in to temptation. Your job is just to stay clean, obedient, and filled up with the Holy Spirit and God's love everyday.

The best thing you can do when you are attacked is to hold your peace, ignore it, and pray if need be. Don't let slander, accusations, or false-guilt creep into your thinking; and understand that we are all still a work in progress. We all have to minister flawed so stop thinking that you have to be perfect to minister; you just have to be willing! Know too that you will be betrayed by some people close to you and this will likely hurt a lot; so pray for these people instead of talking about it with everyone, and know that God will bring justice at the proper time. Stay on mission no matter what and don't let yourself be distracted for any reason. These are days of great victory and harvest, but remember this is a war; and although empowerment comes with persecution, we always win!

The Great King of Your Land will Fall on That Day

The Great King of Your Land Will Fall on That Day

Posted on January 16, 2019 by Stephen Hanson

"5 And said unto him, Behold, thou art old, and thy sons walk not in thy ways: now make us a king to judge us like all the nations. 6 But the thing displeased Samuel, when they said, Give us a king to judge us. And Samuel prayed unto the Lord. 7 And the Lord said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them. 8 According to all the works which they have done since the day that I brought them up out of Egypt even unto this day, wherewith they have forsaken me, and served other gods, so do they also unto thee. 9 Now therefore hearken unto their voice: howbeit yet protest solemnly unto them, and shew them the manner of the king that shall reign over them. 10 And Samuel told all the words of the Lord unto the people that asked of him a king," 1 Samuel 8:5-9.

"The great king of your land will fall on that day.

"For he was not chosen to make your land great again. He was not chosen by Me," says the LORD.

"For you wanted a king and now you've had him. And so now you will reap the rewards of your decision.

"Are you satisfied? You would follow someone who would bring your land down to the grave.

"You would follow someone who would create chaos instead of righteous acts and deeds.

"Those are decisions that you will have to live with. Those are choices that you must live with.

"Some thought he was to be a Cyrus over you, but you were fooled by the one who prophesied this.

"Let Me ask this of you now: Has he brought plenty to your land?

"Has he increased your goods and services?

"Are you now honored among the other lands around you?

"You are now weighed in the balances. Your national treasury will be depleted on that day.

"Even your allies will not help you on that day. For you would rather help the rich than the poor.

"You would rather elevate things for your own causes. You would rather follow a man than Me.

"But go ahead with the promises that have been made. I AM certain that they will all be fulfilled."

Finish Line

A time is coming soon when some of My People will be cut off. They will be cut off from communicating with My other children. They will be cut off from things they need. Pray now, My Children, for these times, for some will not survive this if you do not pray.

I have told you many intense events are about to happen in your world. Some of them will be so horrific, your mind will have difficulty accepting what has happened. Be careful that you do not let down your guard in these times, for the enemy seeks to attack you if you do. Keep moving forward. Keep your eyes on the finish line.

Keep your eyes on Me, for you are all coming home soon.

Make Ready

The Lion of Judah is roaring. I saw Him in the Spirit and He is terrifyingly fierce! He is roaring to let the enemy know his time is up. He is roaring over the slaughter of His enemies, and He wants you to know this is a year of Recompense – both good and evil. Those who have done good will be recompensed with good many times over. Those who have done evil will be recompensed with evil many times over. Many people have done some good and some evil, they will be recompensed accordingly. Prepare to receive your recompense.

For those of you who have sown into My Kingdom, get ready to receive a harvest at My Hand for you shall indeed enjoy blessings on earth as well as in heaven. You have pondered the lies of the enemy that your life would not ever get better but I say to you, believe Me instead! Believe I am a Rewarder of those who diligently seek Me.

Make room! Make room! Make room to receive the blessings you have asked Me for! You must make room in your life for what you are asking of Me. You must be ready to receive it now. You must search your heart and ascertain it is what you really want. I am answering prayers for many of My Children now, but you must make ready.

Speak now, son of man. Speak of the season. Speak of My time. This is the season of grace, for in your weakness you have gained strength. Do not waiver! Do not waiver at this hour! Politically Irrevocable

By Glynda Lomax on Jan 16, 2019 12:00 am

A time of great sadness is coming to America. There is much death coming in an event just ahead that will sadden many hearts.

Pray, My Children – pray that I spare the lost from this event, that they not go to an eternity without Me, for it is not My Will they perish.

NOTE: I saw something in the spirit had happened and I heard the words “Politically Irrevocable,” but I can’t see the event. I see a big mess at the White House because of this – like a mess between the people there (though things are a mess there already) and it looks like our country has suffered a wound that cannot be undone, but I have no sense of what has happened, I just keep seeing the mess at the white house and hearing “Politically Irrevocable.”

POPOCATEPETL, MEXICO CITY, VOLCANOES, FINANCIAL COLLAPSE

Vision of What's Coming to America

Aug 13, 2012

Randy Hecker

spiritofprophecy.maxforum.org/

www.randyhecker.wordpress.com

*Anyway here goes. The sequence I am watching (as a Watchman of the Lord) begins with Mt. Popocatepetl in Mexico. There will be a sudden very powerful eruption that will blow its lid off. Within hours an 8+ magnitude earthquake will strike Mexico City and virtually level it. Thousands will be killed. Hundreds of thousands will be injured. And millions will be displaced from their homes. **The economy of Mexico**, bad as its, **will collapse** except for precious metal values. There will be anarchy throughout the land.*

*This event will radically increase pressure on the San Andreas Fault to the north. The fault is locked up in an area from Palm Springs in the south to Palm Dale to the north. HAARP will be used to create a super earthquake in this area. The magnitude and duration of the quake will both be magnified. The earthquake will strike (I believe) in the afternoon either this coming October or the following May. It will occur just after a complete **economic meltdown of the American dollar**. The **magnitude of this quake** will reach somewhere between **9.5 and 10.5** and it will last for nearly three minutes. Two to three million people will be killed outright. Millions more will be injured.*

*The worst part of this is not the earthquake itself but the events that will be associated with it. The ground shock from this quake will cause every other stressed fault within 1,500 to 2,000 miles to release all pent-up stresses. As the ground shockwave moves to the north the Sierra **Nevada volcanoes** will be triggered, the Cascadia volcanoes, and also the **Yellowstone super volcano** will also be triggered. This is both a blessing and a curse.*

The nation will be so disorganized after this event that martial law will be declared , but it will be completely unenforceable.

*Two to four days after this earthquake America will be further devastated a **nuclear sneak attack** on American cities, that will coordinated and started by our own Shadow Government. There will also be **some Russian and Chinese nukes** as well. The world will very quickly descend into global thermonuclear war (Gog Magog war).*

For This Were You Born

I had been inquiring of the Lord about the time of increasing suicides He told me is coming. This word during my prayer time today was His answer.

Yes, many suicides are indeed coming in the future, for there is coming a time so bleak, so dark, many of you will not wish to live through it. Those without the hope of My Son's Name will not know how to go on, but My people shall.

They shall move forward in victory, in determination, on assignment from on High, for I Myself shall command them to their destinies!

When all hope appears to be gone is when I do My greatest works and I require only your faith for these, My precious children.

When this dark time arrives, look up, My children, for many great miracles are to take place before your very eyes. For this were you born. For this have you been prepared.

Do not give up hope as the unbelieving Gentiles do, for this is the very arrival of the time you have prayed for!

Not Ever

A time is coming when My churches on earth shall stand empty. Not because My shepherds stop preaching My Word, but because my people shall fail in believing it.

It shall be a frightening time when evil is increasing all around you and many of you – you, My children – not unbelievers – shall think I have surely abandoned you. Those who truly believe My Word shall know this is not true.

The key to surviving this time is to continue in My Word. Keep believing as you always have. Know My promises are true and My Word never changes, though circumstances may and will.

The time I am telling you of is the falling away. My people's love for Me shall diminish when they do not see what they expect. They expect Me to always make things better, but scripture must be fulfilled, My children, just as when My Son died on the cross. Scripture must be fulfilled so the time may come when I may call you home to Me.

Be strong and courageous, My precious children, for I shall never abandon you ever! My love for you does not change or cease – not ever.

Remember I have told you these things and be strong for Me. Strengthen your brethren when you see these things happen.

ELECTRICAL GRID GOES DOWN

1996 - DAVID DOUGERTY

<http://www.fivedoves.com/letters/feb2009/davidd210.htm>

By remembering these visions, it will or can save you much needless suffering.

The Lord does not want to hurt his bride.

The Appearance of a Large Sphere in the Sky

There is going to appear above the earth (in the sky) a strange object, it will be large and sphere shaped, like a ball. It will look like it's been built in sections, like a football with huge rivets at the seams. Many will call this a UFO, I don't know. It will have the color of copper or bronze. It will be on every TV around the world. People will be shocked like the World Trade Center. People will be glued to their TV's but you don't.

The minute you see this, run to the closest food store and get enough canned food and bottled water for about three weeks, because between one and 24 hours after this object is seen world wide there is **going to be a massive impact or collision on our sun's surface.** It is going to happen on our blind side, we can't see it coming. It's going to be a super size twin asteroid hitting the sun in a vital spot, **releasing a major solar storm, knocking out all of earth's electricity, all over the world.** Those of you who read this will save yourself and your family much misery.

2 to 3 Weeks of Trial and Miracles

Now, this is what's going to happen in the next 2 or 3 weeks, while the electricity is off. Within a few days the whole world will start to go crazy with hunger. The banks and ATM's can't work without electricity. No gas pumps for food transportation, no

refrigeration, **total darkness.** The robbers, rapists, and murderers will see right away that no one can call the police for help, because the solar storm has burned up all communication satellites, cell phones and telephones. The law can't even call each other. It's going to be **total breakdown in large cities.** There will be gun shots and screams all night long. **Millions will be behind locked doors, praying and begging for God's mercy,** for help and protection. **He will answer millions of prayers. Millions will ask for forgiveness, and the Lord and his saints will perform millions of miracles during these three weeks.**

3 Weeks Later "The Rapture"

Then after about 3 weeks of this, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida.

A 'super blood wolf moon' and five eclipses are among 2019's major astronomy events

By Andrea Diaz, CNN

Updated 12:31 PM ET, Fri December 28, 2018

(CNN) — Stargazers around the world, rejoice! The universe is about to give you an exciting astronomical year.

2019 is featuring five eclipses, a rare planet transit, one of the best meteor showers and a super blood wolf moon, but the fun doesn't stop there.

The new year will also bring [three supermoons](#), a [blue moon](#), multiple [meteor showers](#), close approach by the [moon and Jupiter](#) and several [rocket launches](#).

Although we would love to talk about all of the extraordinary occurrences, these are our top events to watch for in the sky in 2019:

The new year kicks off with an impressive bang, and no, we don't mean fireworks.

In the first week of 2019, the moon will pass between the Earth and sun to stage a partial solar eclipse, [NASA reports](#). Unfortunately, it will be visible only from northeast Asia and the North Pacific, as it will happen around 8:42 p.m. ET in the United States. [Sky & Telescope](#) predicts people will see 20% of the sun covered from Beijing, 30% from Tokyo and 37% from Vladivostok, Russia.

January 21: Super Blood Wolf Moon Eclipse

For the first time in three years, the United States will be able to experience a total lunar eclipse. [According to NASA](#), it will be one of the sky's "most dazzling shows," as the moon will be at its closest point to Earth, making the moon appear slightly bigger and a lot brighter, an event that is often referred to as a "supermoon."

But that's not the only thing that will make this eclipse stand out. Total lunar eclipses are often called "blood moons" because when the sun, Earth and moon align, the sunlight that passes through the Earth's atmosphere will appear to turn the moon red. And because lunar eclipses can occur only during a full moon -- and the first full moon in January is known as a "wolf moon" -- many are calling this spectacular event a "Super Blood Wolf Moon Eclipse."

Secondly, the Super Blood Wolf Moon takes place during a supermoon. This occurs when a moon's full phase coincides with the point in its orbit when it comes closest to Earth. These two factors make it look 14 percent larger and 30 percent brighter than it normally does, according to Space.com.

DEEP IMPACT

Plot[[edit](#)]

On May 10, 1998, teenaged amateur astronomer Leo Biederman discovers an unusual object near the stars [Mizar and Alcor](#) at a [star party](#). His teacher has Leo take a picture and then sends it to astronomer Dr. Marcus Wolf. Wolf realizes that the object is a comet on a collision course with Earth. Unfortunately, Wolf dies in a car accident on his way to try to alert the authorities.

One year later, [MSNBC](#) journalist Jenny Lerner investigates the sudden resignation of [Secretary of the Treasury](#) Alan Rittenhouse

and his connection to "Ellie", supposedly a mistress. After interviewing Rittenhouse, she is taken by the **FBI** to see President Tom Beck. After this, she finds out that Ellie is really an acronym: "E.L.E." ("**extinction-level event**"). Due to Lerner's investigation, President Beck makes an announcement earlier than planned: the comet, that has been named Wolf-Biederman, is headed for Earth and it is 7 miles (11 km) long, large enough to cause a mass extinction, and possibly wipe out humanity. He also reveals that the United States and Russia have been constructing an **Orion spacecraft** called *Messiah* in orbit that will transport a team, led by Oren Monash and including veteran astronaut Spurgeon "Fish" Tanner, to the comet, hoping to alter its path with nuclear weapons.

US, North Korea 'to hold talks this week' after nuclear impasse

The [United States](#) and [North Korea](#) plan to hold high-level talks in Washington this week to discuss the second summit of their leaders after a prolonged stalemate in nuclear talks, according to South Korean media.

The meeting, led by US Secretary of State Mike Pompeo and senior North Korean Official Kim Yong-chol, will take place either on Thursday or Friday, the Chosun Ilbo said on Tuesday, citing an unnamed diplomatic source familiar with the talks.

Israel needs to prepare for the possibility that its battle to keep Iran from entrenching itself militarily in Syria may have to be expanded to Lebanon or to Iran directly.

That is one of the recommendations that appeared in the Institute for National Security Studies Strategic Assessment for Israel 2018-2019, which was released and rolled out by the Tel Aviv-based think tank at a ceremony at the President's Residence on Wednesday.

“Israel maintains a very strong basic deterrent against security challenges that are below the threshold of war,” according to the report. “At the same time, most of the fronts facing Israel are very volatile: Syria, Lebanon and the Gaza Strip. In all three, despite the existence of mutual deterrence between the sides, there is a potential for escalation toward a broad confrontation and a general war, more than one front at a time.”

According to the report, the most serious threat facing Israel in 2019 would be an all-out war in the north – the First Northern War – that would include Iran, Hezbollah and Syria. Such a confrontation would also likely spill over to the south, and Israel would additionally find itself battling terrorist organizations from the Gaza Strip.

This “whole case” scenario, according to the report, “is a possibility that Israel must be prepared for.”

That “whole case” scenario is also the worst-case scenario.

The report also broke down the threats individually, and ranked them according to their severity.

Israeli Prime Minister Benjamin Netanyahu appointed Lt. Gen. Aviv Kochavi as the new military chief of staff Tuesday, according to a report by Haaretz. Kochavi replaced Gadi Eisenkot, who recently made headlines by admitting that Tel Aviv had supplied weapons to terrorists in Syria.

"I take this job upon myself in sacred reverence; I take it as an honour," Kochavi said during the ceremony, attended both by Netanyahu and Eisenkot.

"Now, as it is my turn, and I have received the responsibility of leading the army, I commit to dedicating all my energy, with a critical and demanding approach, to strengthening our defensive wall, to training for present and future threats — which focuses upon strengthening our attack capabilities towards our enemies and presenting an army that is deadly, efficient and modern, that preserves its mission and its uniqueness," he added.

WASHINGTON (Sputnik) - Earlier in January, US Secretary of State Mike Pompeo warned that if Tehran went ahead with plans to carry out space launches in the coming months, Iran would face more economic and diplomatic pressure.

Iran's failed attempt to launch a satellite into orbit with a three stage rocket demonstrates the Islamic Republic's intent to develop missiles able to reach as far as Europe, Mike Pompeo said in a statement on Tuesday.

US forces came to Syria, Iraq, elsewhere in the region, and virtually everywhere else worldwide to stay. Bolton and Pompeo made similar comments on Syria, indicating no timeline for withdrawal.

US forces will stay indefinitely – on the phony pretext of combatting the scourge of ISIS Washington created and supports, along with protecting Kurds in northern parts of the country the US doesn't give a hoot about.

They're used as US proxy forces, to be abandoned when no longer needed. Pompeo saying "America will not retreat until the terror fight is over" is code language for permanent occupation where US forces are deployed, notably in the Middle East.

On Friday, Turkish defense minister Hulusi Akar said preparations are continuing "intensely" for attacking Kurdish YPG fighters in northern Syria, adding:

Ankara is determined to combat them wherever they're located, while pretending opposition to jihadists in Syria the Erdogan regime supports.

The country faces no cross-border terrorist threats from Syria or Iraq. No "terrorist corridor" exists along its southern border with these countries.

Last week, Erdogan said he'll order a cross-border incursion into Syria "very soon" to combat YPG fighters and ISIS he earlier supported and likely still does.

SouthFront reported that Turkish-backed Jaysh al-Ahrar Salafi jihadists "handed over (the) Taftanaz airbase in the eastern Idlib countryside (and its heavy weapons) to Hay'at Tahrir al-Sham" – al-Nusra terrorists, more evidence of Erdogan's support for jihadists he claims to oppose.

Pompeo vowed to "expel every last Iranian boot" from Syria, indicating US aggression in the country will continue endlessly, including terror-bombing of vital infrastructure, continuing to massacre civilians on the phony pretext of combatting ISIS.

It's unclear how many US troops are in Iraq and Syria. The Pentagon is highly secretive. Virtually all its public statements lack credibility.

According to the Arabic-language al-Maaloumeh news website, over 20,000 US troops are based in al-Anbar, Erbil and Kirkuk, Iraq. The Pentagon earlier claimed 5,200, another 2,000 in Syria, the true numbers likely multiples greater.

According to the Military Times (MT), quarterly Pentagon reports on numbers of troops serving overseas ceased including data on Iraq, Syria, and Afghanistan.

Turkish President [Recep Tayyip Erdogan](#) said his country would set up a security zone in northern Syria as suggested by US President [Donald Trump](#) as both leaders sought to ease growing tensions.

Addressing his deputies on Tuesday, Erdogan said he held a "quite positive" telephone conversation with Trump late on Monday where he reaffirmed "a 20-mile [32-km] security zone along the Syrian border ... will be set up by us".

Pentagon Extends Military Mission Along US-Mexico Border Through September

MOSCOW (Sputnik) - The US Department of Defense has extended until the end of September its support mission along the border with Mexico.

"Acting Secretary of Defense Pat Shanahan approved Department of Defense assistance to DHS through Sept. 30, 2019. DOD is transitioning its support at the southwestern border from hardening ports of entry to mobile surveillance and detection, as well as concertina wire emplacement between ports of entry," the statement read.

Several thousands of people from a migrant caravan are currently staying at the border between Mexico and the United States. According to different estimates, from 6,000 to 9,000 migrants from Honduras, Guatemala, and El Salvador can be staying in the cities of Tijuana and Mexicali. The US authorities have deployed scores of servicemen at the border over security concerns.

In late November, US law enforcement and members of a Central American caravan clashed on the border after a group of around 500 of the migrants attempted to storm into the United States, but were thwarted by US authorities with tear gas and rubber bullets.

A Methodist church is causing controversy this week with a message targeting President Trump, suggesting his push for a border wall is racist against people who are not white.

The sign in front of the Allendale United Methodist Church in St. Petersburg, Florida, states: "White supremacy is the real crisis."

"We really wanted to respond to our president who is taking this opportunity to manufacture a crisis at the border," Rev. Andy Oliver at the church told WFLA-TV.

He told the station he sought to extend a message of love and acceptance to those who see the placard.

"Targeting people of color, making them the enemy. Things like walls are symptoms of misdirected fear," he said.

Christians around the world suffered a huge increase in persecution last year - with around 30 million more people being targeted than in the previous year.

A report by Open Doors, a Dutch charity that supports persecuted Christians showed that in total, 245 million faced violence or oppression in 2018, with 73 countries listed as danger zones for Christians.

China has been named among the most dangerous places to be a Christian after new laws governing religious expression led to raids and the demolition of scores of churches.

WEED, Calif. — The pastor in California who faced community protests after posting a sign that reads “Bruce Jenner is still a man. Homosexuality is still sin. The culture may change, the Bible does not” is now out of a job after also being told by his co-elder that he can no longer follow his leadership and that all but one couple would leave the church if he continues as pastor.

Justin Hoke, the pastor of Trinity Bible Presbyterian Church in Weed, which is a part of the Bible Presbyterian Church denomination, posted an [update to social media](#) on Saturday evening outlining that he had essentially been forced out of the position.

“I was informed by our other elder that he felt he could no longer follow my lead as pastor of TBPC,” he wrote. “I was informed that essentially all but one couple in membership would leave the church if I continued as pastor of TBPC. Our other elder and the couple felt that those who left would likely return if I would leave.”

Tribal Leaders Join Hands With Hindu Extremists to Persecute Christians in Jharkhand, India

HYDERABAD, India (*Morning Star News*) – Five families in eastern India were at a worship service last month when they received a phone call telling them to return to their homes immediately.

The Christians rushed nearly four miles from their church in Lisiya village to their homes in Durula, West Singhbhum District in Jharkhand state, where they found the shanty of one of the families in ruins. Villagers under the influence of tribal movement Adivasi Ho Samaj had left the home of Sidiu Bari and his family in shambles.

Members of the Adivasi Ho Samaj, which in turn had come under the influence of Hindu extremists to join forces against the spread of Christianity, persuaded villagers that they must drive the five Christian families out, area resident Subod Sinku told Morning Star News.

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn't invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

"Villagers said some were praying in the name of Jesus, others said some were praying the Lord's prayer, and others said some of them lifted their heads to commend their spirits to Jesus," the ministry director said. "One of the women looked up and seemed to be almost smiling as she said, 'Jesus!'"

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey's Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We're not even leading from behind anymore, we're just ceding ground to Satanic evil every day.

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and blessed”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

Preview of the Day of the Lord

Subject: Barb God's Healer7 12-6-16 Preview of the Day of the Lord A foreshadowing Matt 24:27 Joel 1:15

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. The newsman says "the lightning and thunder can be

Heard and seen all over the world. The lightning is causing fires everywhere."

What's that? It looks like airplanes. I don't know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let's go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I'm going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We'd better hurry! The place looks jammed already. Put the news on. I can't. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

3 I have commanded My sanctified ones; I

6 Wail, for the day of the Lord is at hand! It
will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

[Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

LOVE YOUR ENEMIES

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

35 But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.

PREACHERS AND QUOTES

Link Angels, etc.

LINK ANGELS

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

PRA YING THROUGH

What it means to Pray Through

Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. AH who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of

Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. Deep calleth unto deep, and though polluted and landlocked by the mighty disaster theologians call the Fall, the soul senses its origin and longs to return to its source

Eyes of Faith ***(Goiter Lady)***

Eyes of Faith

Jesus went about... teaching... preaching... and healing.

—Matthew 4:23

Scripture reading: Isaiah 58:8–12

One day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

Thought for today: A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 05:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). Mighty Prevailing Prayer:

General Booth

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. 

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

THE MAN OF SIN - OBAMA

https://www.youtube.com/watch?v=9GG1skSwN_4&feature=em-uploademail

Godshealer7 - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1 Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves. Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

SARAH MENET PROPHECY 1979

(Biological, Chemical, Nuke, Comets, a Year of Horror)

SARAH MENET PROPHECY

(Biological, Chemical, Nuke, Comets, a Year of Horror)

INTRODUCTION

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

THE PRECURSOR EVENTS

EVENTS LEADING UP TO NUCLEAR WAR

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

SHE SEES 911 NYC

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

THIRD SEAL - FINANCIAL COLLAPSE

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **throughout the world**. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

CHEMICAL ATTACKS

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and ***they didn't even know it***.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

EBOLA

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

DISEASE SPREADS MURDER MAYHEM

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

EMP NO ELECTRICITY (US & ISRAEL)

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

CHAOS, STARVATION, MAYHEM, CONTINUES

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

HOMES/CITIES OF LIGHT & REFUGE

(ISAIAH 60:1-3)

(Glory Light)

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

(ISAIAH 60:1-3)

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

CITIES OF LIGHT MOVED OFTEN

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

BABYLON THE GREAT DESTROYED

FINAL NUCLEAR DESTRUCTION

As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

SIXTH SEAL - FIRE BALLS & COMETS START FIRES

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

RUSSIAN CHINESE INVADE

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

RUSSIAN CHINESE INVASION SHORT DURATION

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

MEGAQUAKES WORLDWIDE

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

FIRST TRUMPET (BURNING)

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

(NOTE – I have posted a few reader comments at the bottom of this page.)

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know.](#)

The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

GODSHEALER7 – I have already opened the 1st Seal, those with Understanding Know this Truth

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

REJOICING IN JUDGMENT

Rejoicing in Judgment

Posted on 12 March 2017 by Stephen Hanson

"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

Selah,

Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

'Something Very Special and Historic Is Happening'; Muslims Encounter Christ Through Dreams, Visions

1:00PM EDT 10/24/2013 | MICHAEL IRELAND/ASSIST NEWS

(istrahm/istrahm)

More Muslims have come to faith in Christ in this generation than in the last 14 centuries of Islam combined. The Church in Iran is now estimated to be between 1 million and 3 million strong.

That's the analysis of Shadi Fatehi from the PARS Theological Center in London, England, speaking at a suburban church in Minneapolis earlier this month.

In 1979, the Islamic Revolution occurred in Iran when the Ayatollah Khomeini overthrew the Shah of Iran, and Iran became one of the only theocratic Islamic countries in the whole world.

It was the year that Presbyterian missionaries were kicked out of the country after serving faithfully for about 150 years since the 1830s—accused of being CIA agents—and the church was concerned about what was going to happen in that country.

"Everyone thought that the church would be entirely closed down, and that Christianity—the little remnants that still existed—would die down," said Fatehi.

"At the time there were only 350 Christians living in Iran from a Muslim background. Today, 40 years later, the statistics are about 1,000,000 to 3,000,000 Christians from a Muslim background living in Iran today.

Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT (email protected) Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to kill the pastor of a local church, according to a report from *Bibles for Mideast*, an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert."

Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT () Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

Flat Earth Conspiracy Theorists Plan a Cruise to the 'Edge' of the World

Over the last several years, the Flat Earth conspiracy has caught traction online as the rise of YouTube conspiracy channels has meant that anyone who suspects things aren't what they seem can find an endless stream of content to reassure their suspicions – mostly with dubious and unverified claims, but hey, you do you. Flat Earth claims have risen up to the mainstream thanks to some [outlandish statements](#) made by pro athletes recently, particularly [NBA players](#). What is it about basketball that leads people to put stock in Flat Earth claims?

I'll let someone else ruminate on that one. The statements made by several NBA players were immediately and vehemently challenged across the web, but that did nothing to deter the Flat Earth International Conference from planning what they call their "biggest, boldest adventure yet." The FEIC has organized a Flat Earth cruise for 2020, a cruise which no doubt will attempt to sail to the edge of the world or the *Game of Thrones*-esque Antarctic ice wall or whatever it is they think lies at the "end" of the world.

Unexplained Booms and Mysterious Flashes of Light in Utah

It seems like each week, maybe even each day, there are new reports of unexplained booms or explosions in the sky and no answers left in their wake. This week's most mysterious unexplained booms come from Utah, where residents of South Salt Lake say something strange is occurring at night. For years, residents say, bright flashes followed by loud booms have woken them up in the middle of the night and police have been unable to pin down what's causing the phenomenon.

Nighttime view of Salt Lake City, Utah as seen from the ISS.

One South Salt Lake City resident, Karl Turley, [told local news outlets](#) that the noises and flashes can be terrifying, particularly for former military service members like himself:

Our neighborhood got shaken up where it just exploded out of nowhere, causing us to kind of go in a frenzy. It is loud enough that it was explosive. I'm not the only veteran who lives in this community so it can kind of shake you up when you hear it.

For whatever reasons, my home state of North Carolina has been a Bigfoot hotspot recently. Over the last few years, western North Carolina has caught Bigfoot fever, hosting the first ever [WNC Bigfoot Festival](#) last September following several [high-profile sightings](#) and other [Sasquatch-related strangeness](#). Has He-Who-Has-Big-Feet done as so many other aging bipeds do and retired into the Appalachian mountains, or are these sightings reflective of a larger resurgence of Bigfoot belief? It's hard to say. One thing is for sure, though: North Carolinians just can't get enough Bigfoot. The latest NC Bigfoot news comes out of the rural town of Mocksville, population 5,000. Mocksville isn't exactly in the mountains, but that hasn't stopped Bigfoot from making an appearance. Well, sort of.

Mysterious Shadow People Lurking in the Bedroom

One of the weirdest phenomena of the paranormal world is that of what are called Shadow People. The term Shadow People covers a wide range of ghostly phenomena involving mysterious vague specters that seem to lurk just on the periphery of our perceptions for reasons that are unknown, often just appearing to watch or observe. Although descriptions vary, they are typically said to be very tall and thin, all black like a humanoid shadow, generally male in shape and with indistinct features, and often appearing almost 2 dimensional in nature, as if projections that lack any real substance. It's not uncommon for them to be described as wearing thick cloaks or capes of old fashioned designs, and tall, brimmed hats are often reported as well. Although no facial features are typically noted, some accounts mention glowing eyes. Generally, they are only fleetingly glimpsed, often out of the corner of the eye, seeming to fade or vanish when directly observed, but not always. Although they usually look like a shadowy silhouette of a man, they can also be more amorphous masses, mists, or blobs, sometimes shifting shapes right before a witness' eyes.

The Future Circular Collider will be absolutely enormous. Image Credit: CERN

Scientists at CERN are planning a successor to the Large Hadron Collider with ten times the power.

Built between 1998 and 2008 in collaboration with more than 10,000 scientists and engineers from around the world, the Large Hadron Collider - officially the world's largest machine - consists of a ring approximately 27km in circumference which is situated near Geneva, Switzerland.

Now scientists have started to look ahead to the atom smasher's successor - a monster of a particle accelerator that will be four times as large and ten times as powerful.

Known tentatively as the Future Circular Collider (FCC), the new facility will take two or three decades to complete, but will have the potential to open up whole new fields of particle physics.

While the proposal still needs to be approved by an international panel of particle physicists, it has been described as "very exciting" and there appears to be a lot of enthusiasm for it.

(The Christian Institute) — Nursery staff in Scotland have been told not to call children “boys” and “girls.”

The guidance from the Care Inspectorate also cautions against using words such as “manmade” and “mankind,” and urges staff to change story characters such as Mr. Squirrel to “squirrel.”

Critics have called the guidance “patronizing” and “out of control.”

The Inspectorate urges nursery staff to “retell nursery rhymes or fairy tales in a more gender-equal manner” and not to greet children with the phrase “Hello, boys and girls.”

ERs 'flooded' with mentally ill patients with no place else to turn

By Susan Scutti, CNN

Updated 9:45 PM ET, Fri January 4, 2019

(CNN) — A "huge and largely unreported problem" is happening in ERs across the nation, one expert says.

"The extent to which ERs are now flooded with patients with mental illness is unprecedented," said Dr. David R. Rubinow, chairman of the Department of Psychiatry at the School of Medicine at University of North Carolina, Chapel Hill.

And this overflow is "having a really destructive effect on health care delivery in general," he added. "There are ERs now that are repeatedly on diversion -- which means they can't see any more patients -- because there are so many patients with mental illness or behavioral problems that are populating the ER."

A 2017 [government report](#) found that the overall number of emergency department visits increased nearly 15% from 2006 to 2014, yet ER visits by patients with mental or substance use disorders increased about 44% in the same period.

Ebola outbreak in Congo surpasses 600 cases amid more violence

By Susan Scutti, CNN

The last line of defense: How to stop Ebola 02:28

(CNN) — The Democratic Republic of Congo has reached a grim new milestone in the Ebola outbreak that began August 1: The total number of probable patients is 608 as of Wednesday, with 368 deaths, the Ministry of Health said. An additional 29 people who doctors suspect may be sick with Ebola are under investigation. The ministry also reported that 207 people have recovered from the life-threatening illness.

On average, Ebola -- which causes fever, severe headache and in some cases hemorrhaging -- kills about half of those infected, but fatality rates in individual outbreaks have varied. The latest outbreak has a case fatality rate of about 60%.

In Haiti's city-without-a-government, residents want land titles, taxation

Jan 11 (Reuters) - An estimated 69,000 to 84,000 Americans were hospitalized due to the flu in the last three months, the Centers for Disease Control and Prevention (CDC) said on Friday.

The nation saw one of the worst flu outbreaks in nearly a decade during the 2017-2018 season, with more than 900,000 cases of hospitalizations and over 80,000 deaths, the CDC estimates <https://www.cdc.gov/flu/spotlights/press-conference-2018-19.htm#ref1>.

Between Oct. 1, 2018 and Jan. 5, 2019, about 6 million to 7 million people were reported to have contracted the flu, according to data collected by the health agency.

Health regulators have been trying to combat flu outbreaks in the United States and the U.S. Food and Drug Administration approved the first new flu medication in nearly two decades last year.

The CDC last month signaled <https://www.cdc.gov/flu/spotlights/flu-activity-elevated.htm> the start of the flu season, saying that 24 states and Guam were reporting widespread cases, with the H1N1 virus being the predominant strain.

The dominant flu strain during the last season, H3N2, has been linked with severe disease and death, particularly among children and the elderly.

The agency continues to recommend vaccination as the best way to reduce the risk of flu and advised people who are at high risk category to approach hospital for treatment with a flu antiviral drug. (Reporting by Saumya Sibi Joseph in Bengaluru; Editing by James Emmanuel)

End of the world SHOCK: Rogue planet Nibiru 'DESTROYED' life on Mars & Earth is next'

Legendary Serbian astronomer Milorad B. Protić said Earth may also face the same fate in recently unearthed writings.

Conspiracy theorists believe a huge alien world called **Nibiru** or Planet X is heading for Earth and will become visible later this year.

The "destroyer" planet will then crash into us – wiping out all life, it is claimed.

NASA insists Nibiru doesn't exist – but believers claim this is a cover-up to stop people panicking and save space in protective bunkers.

In his private memoirs, Protić claimed Mars was home to vast oceans, lakes and rivers before four millennia, and it was the impact of Nibiru which turned the red planet into a barren land.

Los Angeles County sheriff's deputies went door-to-door Tuesday to tell residents they should get out before the next round of rain hits Southern California Tuesday. Heavy rainfall sent mud and debris into the lanes of Pacific Coast Highway, causing it to be closed for several hours.

As NSW Australia continues to fry in temperatures nearing 50 deg C 122 deg F an unprecedented number of people being bitten by sick bats

Cute but deadly...

As the heatwave is still baking eastern NSW, Sydney, temperatures are expected to peak on Thursday and Friday with much of the city basin experiencing temperatures 10C above average.

Western Sydney suburbs will swelter with temperatures up to 43C in Richmond and 45C in Penrith on Friday.

New South Wales health officials have issued a bat danger alert for the Hunter New England region with a person bitten or scratched every second day, including two by animals infected with a virus similar to rabies.

Public health physician David Durrheim says the number of bites or scratches inflicted on people in the region in such a short period of time is unprecedented.

"The seven that we have had in the last two weeks is certainly higher than we've seen in comparative periods," he said.

"Two of the bats submitted for testing have actually had

lyssavirus infection, so it is a real concern for us and for those people who have been exposed.

"A few of these were bat carers but there were a number of members of the public, and they are the people we are really concerned about because they haven't been vaccinated.

"They are unprotected and they don't know how to use personal protection equipment safely.

"They really are at risk of a potentially fatal infection."

Extreme heat is being blamed for the flying foxes and bats becoming ill and falling from trees.

"Hot weather has resulted in some bats suffering ill health and getting caught in wires or other strange places, and people trying to assist them have unfortunately got scratched or bitten," Dr Durrheim said.

Scientists have long urged people to exercise caution when approaching flying foxes in soaring temperatures.

The New South Wales Environment Department is aware of the risks and has published guidelines on dealing with the animals in sweltering conditions.

A fox and a cat were found frozen in Çaldıran district of Van, where extreme cold temperatures (between -15°C and -25°C during the day and -35°C and 40°C at night) and strong winds engulfed the mountainous area.

The fox was looking for food as it suddenly froze dead.

According to first reports, the fox died frozen, while searching for food.

They told me, 'Oh, yes, we interact with your government all the time. We are getting technology from them.' They also told me that they can cloak themselves. If there is a group of people standing around, they can make themselves visible to half the group and not to half the group."

Kevin asked many other questions, though the experience was so overwhelming that he is not sure if he remembers everything that occurred. At one point he asked them, "Is there a God?"

The ETs hesitated for only a moment, during which Kevin was surprised to sense fear coming from them. "We cannot answer that question," they replied. "We have a higher authority to answer to and are not allowed to discuss it."

Kevin was puzzled by the response (and still is today.) Each time he thought about where he was and what was happening to him, he felt another wave of fear. Says Kevin, "You've got to understand, I was scared to death the whole time this was going on. I was fearful for my life. I still hadn't looked at them yet. I still didn't know what they looked like."
